NOTES

Since those attending the Conference are guests of the University, they are entitled to the privileges of the dining room on the second floor of the Statler Club. The Statler is a private club for members and their guests; therefore, it will be necessary for guests to inform the hostess of his or her status. Your registration badge will be sufficient identification. Groups may reserve tables or the small private rooms, and they are advised to do this as far in advance as possible.

The Rathskeller in the basement is reserved during the luncheon period for members, and since it has limited accommodations, our guests are requested not to use it for lunch. The Ivy Room in Willard Straight Hall will be open for breakfast, luncheon, and dinner throughout the Conference. The Home Economics cafeteria and the Dairy Bar are also available, the latter for breakfast and luncheon only.

Except in cases of real emergencies the programs will not be interrupted to call persons from the room to meet callers or answer the telephone. Those at the Message Center will accept messages which will be posted on the blackboard in the main foyer.

The Flower Veterinary Library, located on the second floor near the head of the stairs from the main foyer, will be open during the Conference. Any member who wishes to use the Library is welcome to the privilege and the librarians will be glad to offer their help in finding anything wanted.

COMMERCIAL EXHIBITS will be found in Rooms C-111, C-117, D-117, and C-125 close to the main foyer.

The SCAVMA employment booth will be located in Room E-125. At the conclusion of the afternoon programs there will be an opportunity to interview applicants for positions.

A CLOAK ROOM will be located in Room D-105.

NOTES

The NEW YORK STATE VETERINARY COLLEGE ALUMNI ASSOCIATION will hold a luncheon and meeting Wednesday, Jan. 28, from 12:15 to 2:15 p.m. at the Statler Ballroom. The class of 1970 will be guests of the Association.

PARKING

Please note new University parking regulations. Visitors are required to use the large parking area at the corner of Caldwell Road and Route 366 (old Rt. 13) southeast of the Veterinary College, opposite the Large Animal Hospital. Visitors should leave their cars there, and when traveling to the lower campus during the day utilize the shuttle bus service which is operated throughout the Conference on a 15-minute schedule between Statler Hall and the Veterinary College. Tuesday and Wednesday 8:30 a.m.-5:45 p.m., Thursday 8:30 a.m.-1:30 p.m.

HOUSING ACCOMMODATIONS. Since standard housing for transients in Ithaca is limited, it is strongly suggested that guests secure their rooms before arrival. Please make your arrangements directly with the hotels or motels.
