NOTES

The presiding officers have been instructed to start the programs at the time indicated whether or not there are many in attendance, and to endeavor to keep the sessions operating on time. Our guests can greatly assist by being on time themselves. Your cooperation in this respect is solicited.

Except in cases of real emergencies, the programs will not be interrupted to call persons from the room to meet callers or answer the telephone. Those at the registration desk will accept messages to be delivered to the presiding officer, who will read them to the audience during intervals between speakers.

The Flower (Veterinary) Library, located on the second floor of James Law Hall, will be open during the Conference. Any member who wishes to use the Library is welcome to the privilege and the Librarians will be glad to offer their help in finding anything wanted.

The Commercial Exhibits are in Room 220, Statler Hall.

If anyone desires transportation for a visit to the Virus Research Institute on Snyder Hill, please inform the Registration Desk.

The Ladies of the Veterinary Circle will hold Open House in the Seminar Room of Moore Laboratory on Wednesday afternoon. Tea will be served. Visiting wives are especially invited, and the men are urged to drop in for a cup of tea at any time.

The Women's Auxiliary to the New York State Veterinary Medical Society will entertain the Cornell Chapter of the Junior Auxiliary to the American Veterinary Medical Association at an evening party in Moore Seminar Room, Wednesday, January 6, at 8:00 P.M.

Since those attending the Conference are guests of the University, they are entitled to the privileges of the dining rooms on the second floor of the Statler Club. The Statler is a private club for members and their guests, therefore it will be necessary for guests to inform the hostess of his or her status. Your registration badge will be sufficient identification. Groups may reserve tables or the small private rooms and they are advised to do this as far in advance as possible.

The Rathskellar in the basement is reserved during the luncheon period for members, and since it has limited accommodations our guests are requested not to use it for lunch. The Dom-Econ and Willard Straight cafeterias will be available, also the newly decorated dining rooms in the basement, south end, of Willard Straight Hall.
