## MISSING JOURNALS

Plant Physiology for March 1960 and Food Research for March-April, 1951, are missing from Dr. Kertesz's collection in his office. In addition, Chemical Abstracts for February 10, 1926, and September 20, 1928, are also missing. Anyone who knows the whereabouts of these journals please communicate with Dr. Kertesz. An extra copy of Part 2, Formula Index, 1955, Chemical Abstracts, was found in the Library at the Food Research Laboratory and those receiving Chemical Abstracts might wish to check to see if this issue is missing.
