

THE UNIVERSITY EXCHANGE

(ITHACA 3331)

Numbers preceded by "Ext" are on the University exchange. All other numbers are outside the exchange.

WITHIN THE EXCHANGE: To make a call within the University exchange, give the operator the extension number you are calling.

FOR LOCAL CALLS:

From Dormitory Telephones—To call any Ithaca telephone number, give the number to the operator, being sure to preface it with "Ithaca" to avoid confusion with extensions having the same number.

From Other Campus Telephones—To call any Ithaca number, ask the University operator for "Outside" and as soon as you hear the dial tone dial the number of the person wanted.

FOR OUT-OF-TOWN CALLS: Ask the University operator for "Long Distance." Wait for the connection to be made with the Long Distance operator. When Long Distance answers give her your name and your University extension number, and then the information necessary concerning telephone or person you are calling.

ABBREVIATIONS:

Telephone numbers preceded by "Ith" indicate Ithaca exchange numbers, those preceded by "Ext" are Cornell University switchboard numbers.

The street numbers refer to Ithaca addresses and not to home addresses.

Lists of students in the Medical College and in the School of Nursing are printed on pages 146 and 148 respectively.

An asterisk (*) indicates that a person is married.
