## STATION CLUB MEMBERSHIP DRIVE

Start saving your pennies!  
The annual Station Club Drive will  
finally get under way beginning  
Monday, February 2.

### SAS WORKSHOP AND STATISTICS USERS GROUP

The SAS workshop sponsored by the Geneva Graduate Student Organization last week was well attended by students and staff alike. The GGSO would like to thank John Barnard for his time and expertise.

If there are individuals who would be interested in a monthly informal meeting to discuss SAS problems or statistics in general - A Statistics Users Group - please contact Casey Hoy, X352 or Anna Marin, X240.

### LIBRARY

Thank you for returning borrowed books promptly!

### FOR SALE

AKC black lab puppy looking for a good home. Started on house breaking, cute and lovable. Call Gail, X216.

## FIRE SAFETY TIP

Match education can be the beginning of a healthy attitude toward fire that lasts a lifetime. Teach your child that a match is a tool to be used for specific purposes and only in the presence of responsible adults. Teach the proper way to light, to hold, and to blow out a match.

Fire-wise advice presented by  
Cornell University Life Safety Services.

# THE STATION • CALENDAR

FOR THE WEEK OF FEBRUARY 8, 1987

\*\*\*\*\*

## NEW VENDING MACHINES

Zappia Vending will be installing new snack and soda machines in all buildings Monday, February 16.

## FIRE SAFETY TIP

America has the world's worst fire safety record. Make today your day to start doing something about it, learn about fire prevention now. It could help save the ones you love most.

Fire-wise advice presented by Cornell University Life Safety Services.

## EDITOR/MANAGER APPOINTED

We are pleased to announce the appointment of Mary Ann Anderson as Editor/Manager at the Geneva Station. Mary Ann's first day on the job will be Monday, March 2.

An intense national search was conducted to find the right person to fill this important position. Mary Ann received her B.A. degree in graphic design and painting and her M.A. degree in photography and cinema from The Ohio State University. She is currently Manager of Graphic Services at Oberlin College in Ohio.

Mary Ann has outstanding credentials in the fields of journalism, photography, design, printing processes, and electronic publishing. She has won numerous awards in graphics and painting in juried competitions in Ohio and Arkansas.

A major responsibility of hers will be to greatly expand communication efforts with growers, processors, legislators, other special groups and individuals, and the general public. In addition, she will be responsible for managing the operation of the Station's Publications Unit.

Mary Ann will be residing at 673 Castle Street. We welcome her to the Station family.

## STATION CLUB NEWS

Don't forget to sign up now for the bowling  
party. Where else can you eat and drink all night for  
such a reasonable price? Let's get rolling!

## HURRAY UP!!!

There are only 2 more weeks left in the  
**Station Club Membership Drive.**

If you have not signed up, do so *immediately!*  
(Okay, you don't really have to do it *immediately*, but  
do it before 3/1/87).

**Membership Cost:** \$5.00 for a family, \$2.50 for  
a single. These rates are subject to change without  
notice. (Just Kidding).

For that extremely small fee you get: reduced  
prices to all Station events, a free gift for the kids at the  
Christmas Party (Note: this benefit applies only to  
those of you who have kids), a nifty membership card,  
a new car (Note: we're kidding about the car).

If you have signed up, feel free to sign up  
again, we can still use the money (still just kidding).

## NOTE

Until further notice, the time of day restrictions  
on SAS have been removed.

## CONGRATULATIONS!

Congratulations to Curt (IPM) and Rixanna  
Petzoldt (Horticultural Sciences) on the birth of their  
son, Joseph Merrill, Saturday, February 7.

## FOR SALE

Antique oak drop-leaf table. Refinished and in excellent  
condition. Call Lois at 789-2628 after 5 pm or weekends.

White mahogany bedroom suite: double bed, 7-drawer  
chest, dresser base with large mirror, stool, two small lamps.  
Asking \$140. Call 789-9174.

## HOUSE TO SHARE

Room in furnished house on North Main Street. Non-smoker.  
Call Bill, X352 or 781-0656.

Fireplaces can be beautiful. Be sure you have a glass or  
mesh screen to keep the sparks from flying out.

**Fire-wise advice from  
Cornell University Life Safety Services.**

## SPECIAL DEMONSTRATION

Dr. Douglas Rouse will demonstrate a microcomputer-based voice recognition system for  
the rapid processing of field data collected on audio cassette tapes. The demonstration will be in  
Lab 106, Barton Laboratory, Friday, February 20 at 9 am. Interested persons are asked to contact  
Bob Seem (X366) or Helene Dillard (X376) prior to Friday.
