JOHNDREW, WILLIAM H., B.A., B.D., *Director of Veterinary Student Administration.*

KAHRS, ROBERT F., D.V.M., M.S., Ph.D., *Associate Professor of Veterinary Epidemiology, Department of Large Animal Medicine, Obstetrics and Surgery.*

KALLFELZ, FRANCIS A., D.V.M., Ph.D., *Associate Professor of Clinical Nutrition, Department of Large Animal Medicine, Obstetrics and Surgery.*

KIRK, ROBERT W., B.S., D.V.M., *Professor of Small Animal Medicine, Chairman of the Department of Small Animal Medicine and Surgery, and Director of the Small Animal Clinic.*

MATTHYSSE, JOHN G., Ph.D., *Professor of Entomology, Schwardt Laboratory, Department of Entomology.*

OLAFSON, PETER, D.V.M., M.S., *Professor of Veterinary Pathology, Emeritus.*

ROENIGK, WILLIAM J., D.V.M., M.S., *Professor of Radiology, Department of Large Animal Medicine, Obstetrics and Surgery.*

SCOTT, DANNY W., B.S., D.V.M., *Instructor in Small Animal Medicine, Department of Small Animal Medicine and Surgery.*

TROTTER, ERIC J., B.S., D.V.M., M.S., *Assistant Professor of Anesthesiology and Small Animal Surgery, Department of Small Animal Medicine and Surgery.*

NOTES

Since those attending the Conference are guests of the University, they are entitled to the privileges of the dining room on the second floor of the Statler Club. The Statler is a private club for members and their guests; therefore, it will be necessary for guests to inform the hostess of his or her status. Your registration badge will be sufficient identification. Groups may reserve tables or the small private rooms, and they are advised to do this as far in advance as possible.

The Rathskeller in the basement is reserved during the luncheon period for members, and since it has limited accommodations, our guests are requested not to use it for lunch. The Ivy Room in Willard Straight Hall will be open for breakfast, luncheon, and dinner throughout the Conference. The Home Economics cafeteria and the Dairy Bar are also available, the latter for breakfast and luncheon only.

Except in cases of real emergencies the programs will not be interrupted to call persons from the room to meet callers or answer the telephone. Those at the Message Center will accept messages which will be posted on the blackboard in the main foyer. The Conference number is 607-256-2071.

The Flower Veterinary Library, located on the second floor near the head of the stairs from the main foyer, will be open during the Conference.

Conference Registration will be held in the main foyer of the new Multicategorical Research Building adjacent to James Law Auditorium. Please wear registration name badges. Ushers will request all people entering James Law Auditorium to display badges.

Commercial Exhibits will be in the dining area, first floor of the new Multicategorical Research Building, and in the Large Animal Clinic. Free coffee will be available.

The SCAVMA employment booth will be located in Room E-125. At the conclusion of the afternoon programs there will be an opportunity to interview applicants for positions.

The NEW YORK STATE VETERINARY COLLEGE ALUMNI ASSOCIATION will hold a luncheon and meeting Wednesday, January 23, from 12:00 to 2:15 p.m. at the Statler Ballroom. The class of 1974 will be guests of the Association.

The University Traffic Bureau has given permission for the use of the 2 parking bays at the east end of B lot. (See enclosed map.) Parking permits are required and they will be available at the Registration Table. Since parking spaces are limited, we strongly urge the use of car pools from motels and hotels to the Veterinary College.

Thank you for your cooperation.

HOUSING ACCOMMODATIONS.

Since standard housing for transients in Ithaca is limited, it is strongly suggested that guests secure their rooms before arrival. Please make your arrangements directly with the hotels or motels.

On the campus, the Statler Club and Willard Straight Hall have a few rooms.
