C. G. Epperson, Esq.

Dear Sir:-

I am glad to hear that cars seem to be moving so much to your satisfaction. We are now renewing all old flats and changing many box into coal cars: hope to increase our stock of coal-cars at least fifty additional within the next two weeks.

I also note your remarks in reference to furnishing this Company with coal. I am not prepared to consider that question now, but shall be glad to take it into consideration at a future day.

Very respectfully,

R. S. Stevens

Genl. Mgr.
