

Supplemental Resources for

## ***A World Without Disorder: Absolute Zero Temperature***

### **1. Cornell Chronicle articles:**

- a) Research on Absolute Zero, including notice of this lecture by Robert C. Richardson
- b) W. E. Moerner, Richardson's assistant

A contents page (READ FIRST) provides hyperlinks to the individual articles. Use the "Prev View" button to return to the Contents.

### **2. Reduced image versions:**

a) A QuickTime movie: 48 min 11 s; H.264 Decoder, 320x240 pixels, millions of colors, AAC Stereo 48kHz sampling. This includes a 3 min introduction.

b) iPod version: Same as above, except saved in .m4v format for playing on an iPod with video display.

### **3. Screen Shots, 33 (as PDF)**
