of Bridges and Viaducts, Water Works, Sewerage
Systems. Plans, Specifications, and Estimates
furnished for all Engineering Works.
Examinations and Reports made
of Railway Properties.

Cincinnati, Nov. 22nd - 1888

Wendell Cooper Esq.
35 Broadway N.Y.

Dear Sir,

on my return I found that the
classification sent you during my absence
was not what you had asked for.

I think the enclosed table is what
you want

Yours Truly
G. Bouscaren
