AGREEMENT made and entered into this fourth day of January, 2007, by and between the WEST ISLIP U.F.S.D., (hereinafter referred to as the "District") and the WEST ISLIP PARAPROFESSIONAL CHAPTER of WITA (hereinafter referred to as the "Association").

ARTICLE I RECOGNITION

The District, having determined that the Association is supported by a majority of the members of the unit, hereby recognizes the Association as the sole and exclusive bargaining representative for a unit composed of school teacher aides, special education aides, and school monitors and such other positions as the parties agree on in the unit, and excluding all other employees of the District.

ARTICLE II DISTRICT'S RIGHTS

The District retains all rights and prerogatives not specifically relinquished by the provisions of this agreement.

In addition, the District shall have the right to adopt any rules and/or regulations and/or policies regarding any terms and conditions of employment or other matters provided those rules or regulations do not conflict with specific provisions of this agreement. The parties specifically waive the right to demand negotiations of any topic or term and condition of employment not covered in this agreement, whether raised during these negotiations or not, for the duration of this agreement.

It is specifically understood that the Association's waiver herein with respect to future negotiations during the life of this agreement is given so as to permit the District to make any rules and/or regulations and/or policies regarding "terms and conditions of employment" during the life of this agreement that do not conflict with a specific provision of this agreement.

ARTICLE III SALARIES

A. During the life of this agreement, Paraprofessionals shall be paid according to the salary schedule attached hereto as Appendix "A".

Effective July 1, 2006, increase the salary schedule by 3.5%.
Effective July 1, 2007, increase the salary schedule by 3.5%.
Effective July 1, 2008, increase the salary schedule by 3.5%.
Effective July 1, 2009, increase the salary schedule by 3.5%.

B. Salaries are to be paid on a bi-weekly basis.

C. The District shall be permitted, in its discretion, to set the initial salary of any newly hired paraprofessional at any step on the then current salary schedule, up to and including step three.

D. Paraprofessionals required to travel between buildings as part of their regular work assignment will be compensated for mileage at the Internal Revenue Service rate.

ARTICLE IV WORK DAY/WORK YEAR

A. Paraprofessionals will be given their tentative work schedule prior to the end of the school year if practicable. Such schedule will be subject to change upon reasonable notice to the Paraprofessional involved.

B. Christmas Day and New Year's Day shall be paid holidays for District paraprofessionals.

C. The hours of full-time paraprofessionals shall be a minimum of five and three quarter ($5\frac{3}{4}$) hours plus a one-half ($\frac{1}{2}$) hour unpaid lunch.

D. Paraprofessionals shall attend all Superintendent's Conference Days per year with pay should such conference days be conducted by the District. On such Superintendent's Conference Days, paraprofessionals shall attend and be compensated for the entire day irrespective of each paraprofessional's regular shift. Paraprofessionals' work year shall conform to the teachers' work year.

Hours worked beyond a Paraprofessional's regularly scheduled hours up to and including forty (40) hours in a workweek shall be compensated at the Paraprofessional's normal hourly rate.

Hours worked in excess of forty (40) in a workweek shall be compensated at time and one-half ($1\frac{1}{2}$) the normal hourly rate.

ARTICLE V DUES DEDUCTIONS

A. The District agrees to deduct from the salaries of its employees dues for the West Islip Paraprofessional Chapter of WITA, the state and national organizations or any one or any combination of such organizations as said Paraprofessionals individually and voluntarily authorize the District to deduct, and to transmit the monies promptly to the Association. Authorizations shall be in writing in the form agreed upon.

B. Any association which shall change the rate of its membership dues shall give the District thirty (30) days written notice prior to the effective date of such change.

C. Deductions shall be made in the following manner: The total annual membership dues for the designated professional associations shall be deducted in ten (10) equal installments beginning with the last paycheck in September of each year. No later than one (1) week prior to that date, the Association shall (1) provide the District with a list of those employees who have voluntarily authorized the District to deduct dues for the designated associations, together with the original signed authorizations, and (2) forward to the respective associations a list of the members who have elected payroll deduction for such association dues.

D. The District shall, within not more than five (5) business days following each pay period from which a dues deduction is made, transmit the amounts so deducted to each organization for which deductions have been made. The final transmittal of such deductions shall be accompanied by a listing of members for whom deductions have been made and the amount deducted for each. If deductions have been made for only a portion of the deduction period, the listing should show the date of commencement of such deductions.

E. An employee may withdraw his/her authorization at any time by written notice received by the District at least two (2) weeks prior to the effective pay date.

ARTICLE VI SCHOOL CLOSING

If Paraprofessionals are not notified prior to their arrival at school, one (1) hour of compensation will be given. For closings associated with weather conditions, notice shall be deemed to exist if the District provides timely notification to the appropriate radio stations. A list of the designated stations shall be provided to the Association.

If school should be forced to close during the day when a Paraprofessional is working, the Paraprofessional will be compensated for the full school day.

Paraprofessionals shall be paid for two (2) days during the school year in the event that schools are closed and classes cancelled because of snow. In the event of a delayed opening due to snow, a portion of one (1) paid snow day shall be paid to paraprofessionals otherwise scheduled to work during the delay in an amount equal to that portion of employee's work time which has been effected by the delay. Up to one (1) paid snow day shall be applied for such purpose, thus reducing the paid time available to such employees in the event of a subsequent school closing due to snow.

ARTICLE VII NOTIFICATION OF JOB/VACANCIES/ EXCESSING AND RECALL

All Paraprofessionals shall give two (2) weeks written notice of leaving their employment. Provided such notice is given, the District shall post in each school building vacancies for all existing and newly created positions in the bargaining unit and provide a copy of such posting to the Unit President.

Members of the bargaining unit who are interested in cafeteria Paraprofessional positions within the unit, requiring additional hours, shall submit a letter of request for such positions by July 1, on an annual basis.

Excessing of positions will be based upon seniority as a paraprofessional in West Islip. Separate seniority lists shall be maintained for full time and part-time paraprofessionals. A paraprofessional who has been excessed shall be placed upon a preferred eligible list for a period of three (3) years for recall based upon his/her previous seniority as a paraprofessional in West Islip. If a paraprofessional declines an offer for recall to a position, and subsequently declines an offer to a second position five (5) or more months later, she shall be removed from the preferred eligible list.

In the event of any involuntary transfers, the District shall consider any preferences expressed by individual paraprofessionals prior to implementing such transfer. The District's determination as to involuntary transfers shall, however, be final and not subject to grievance or other challenge.

ARTICLE VIII NEGOTIATION PROCEDURES

Negotiations for a successor agreement shall commence no later than February 1st of the year the contract expires.

ARTICLE IX LEAVES OF ABSENCE

A. UNPAID LEAVE

After five (5) years of continuous service in the District, Paraprofessionals may request a one (1) year unpaid leave of absence.

The commencement and termination of such leave shall be as determined by the Superintendent of Schools to be in the best interests of the District. The decision of the District shall not be arbitrary or capricious.

The Superintendent of Schools shall have the authority to grant up to ten (10) school days leave without pay per year for any employee for personal emergency or other good cause, as determined by the Superintendent, in her sole discretion, which exercise of discretion shall not be subject to grievance or other challenge.

B. SICK LEAVE

Paraprofessionals will be required to call the school to which they are assigned forty-five (45) minutes prior to the building start time on days they are ill, except when, due to emergency circumstances, such call is not possible.

In the event the above is complied with, Paraprofessionals are eligible for five (5) paid sick days after six (6) months of employment and during their second through fourth years of employment, and eight (8) paid sick days each year thereafter, all of which are non-cumulative, except as provided in paragraph three.

Commencing at the end of the fifth year of employment, sick days shall be accumulated to a maximum of twenty (20) days.

Nothing contained herein shall be construed to restrict the District from adopting and enforcing regulations governing the regulations and use of sick leave.

After three (3) years of service in the District, any employee suffering a catastrophic illness may apply for up to five (5) additional paid sick days. Application shall be made to the Superintendent by submission of a physician's statement setting forth the nature and expected duration of the illness.

C. PERSONAL LEAVE

Members of the unit shall be entitled to one (1) day of personal leave per year provided a prior approval form is submitted on the forms utilized by the District. Additional days of personal leave may be granted to each member of the unit at the Superintendent's discretion.

D. BEREAVEMENT LEAVE

Members of the unit shall be entitled to two (2) days of bereavement leave to attend the services for a deceased brother, sister, spouse, parent and/or child, grandmother, grandfather, spouse's parents, brother-in-law, sister-in-law, grandchildren, domestic partner, and the employee's aunt or uncle or a close relative who has been residing with the bargaining unit member.

E. JURY DUTY LEAVE

Jury duty attendance will not result in payroll deductions or deductions from sick leave. Paraprofessionals shall reimburse the District all jury duty fees except that if jury duty fees are greater than each day's pay, such fees shall be retained by the Paraprofessional and each day's pay shall be retained by the District. Mileage reimbursement shall be retained by the Paraprofessional. All employees must notify his/her immediate supervisor as soon as possible after receipt of notice of jury service, and a copy of such notice shall be provided to the Business Office as soon as possible and prior to the date of such service. In addition, proof of jury service must be submitted to the Business Office upon completion of jury service. Failure to submit notification and proof of jury service may result in the loss of pay for days served.

F. FAMILY ILLNESS LEAVE

When absence is necessary due to illness of any member of the immediate family, a paraprofessional having accumulated unused sick days may be permitted a total of two (2) days absence with pay per year, but such days will be deducted from accumulated unused sick days. For purposes of the provision, "immediate family" shall include wife, husband, son, daughter, parent, brother or sister.

Level One

The grievant shall file a grievance, in writing on the attached form (Appendix "B"), with the principal or immediate supervisor within ten (10) days of the events giving rise to the grievance.

The principal or immediate supervisor shall issue their written determination within ten (10) days of receipt of the written grievance.

The request for arbitration shall be filed within seven (7) days of receipt of the Superintendent's decision. The Arbitrator's decision shall be advisory only. The Board shall advise the Association of its position on the Arbitrator's decision within ten (10) days of receipt of the decision. The cost of the Arbitrator shall be shared by the parties.

ARTICLE XII HEALTH ROOM PARAPROFESSIONALS LUNCH

A Health Room Paraprofessional whose one-half hour lunch break is substantially interrupted by an emergency situation shall receive compensatory time, if possible, or, alternatively, compensation for time lost up to one-half hour at the employee's rate of pay.

ARTICLE XIII TRAINING

Any course that the District requires a unit member to take, beyond their normal working hours, shall require payment from the District for the unit member's time for attending said course at the unit member's regular rate of pay.

All District in-service courses related to a unit position shall be open to unit members. Notification of said courses shall be posted in all schools.

The District agrees to consult with Unit representatives regarding the need for training of paraprofessionals assigned to work with severely physically handicapped or health impaired students. The District shall determine, in its sole discretion, whether to implement such training and such determination shall not be subject to grievance or other challenge.
