1.0.4. This Agreement becomes effective on July 1, 2006 and shall continue in effect until June 30, 2009.

1.0.5 The terms and conditions of employment existing in the District and contained in this Agreement shall be maintained for the duration of the Agreement, unless modified by mutual agreement between the District and the Council.

1.0.6 This Agreement shall supersede policies, rules and regulations of the Board to the extent that they are, or become contrary to, or inconsistent with, its terms.

**ARTICLE II.      DISTRICT-COUNCIL RELATIONS**

- 2.0.1 The Board recognizes the Council as the exclusive representative organization for the Administrative bargaining unit.
- 2.0.2 Negotiations leading to a subsequent Agreement may be initialed by either party by giving notice not later than February 1<sup>st</sup> to the other party that it desires to negotiate a successor to this Agreement. Upon such notice, both parties shall prepare for an exchange of proposals not later than March 10<sup>th</sup>, unless both parties mutually agree to another date.
- 2.0.3 Each administrator shall receive a copy of the agenda and minutes for each Board meeting.
- 2.0.4 A copy of all non-privileged communications sent or given to the Board of Education by the Superintendent will be sent to a representative of the Administrative and Supervisory Council.

**ARTICLE III.      LEAVES OF ABSENCE**

**Section 3.1    General Rules**

- 3.1.1 Except as expressly authorized by the Board or by the Superintendent, leaves of absence shall be limited to those specified in this Agreement.
- 3.1.2 All leave of absence requests and/or notices shall be submitted on the appropriate form included in Appendix C-1 or C-2 and in accordance with directions thereon.
- 3.1.3 It shall be incumbent upon each Administrator or Director to notify the Assistant Superintendent for Curriculum/Instruction whenever the Administrator is absent for any reason whatsoever from his/her respective building if such absence is other than District business.

**Section 3.2    Personal Leave**

- 3.2.1 Each administrator shall be entitled to one personal leave day for each full three months scheduled to work in any given fiscal year. Personal leave days not taken during any school year shall accumulate as sick leave to the maximum permitted by Paragraph 3.3.2 of this Agreement.
- 3.2.2 Requests for personal leave shall normally be submitted in writing to the immediate supervisor twenty-four (24) hours in advance stating the date for said leave. Such requests shall be approved by the Superintendent, except in exceptional circumstances.

3.2.3 No personal leave may be taken immediately before or after a holiday except in an emergency. Exception to this must be a written request and approved by the Superintendent of Schools.

### Section 3.3 Sick Leave

3.3.1 All Administrators of the District shall be allowed sick leave with full pay as set forth in this Section 3.3.

3.3.2 During each year of employment, Administrators will be credited with one and one-half (1 ½) days of sick leave for each full month scheduled. Such days will be credited on the first day of the work year. The total unused portion of the annual sick leave allowance shall accumulate without limit, effective July 1, 1985 for Administrators hired prior to July 1, 1990. For Administrators hired after July 1, 1990, the maximum sick leave accumulation shall not exceed 200 days.

3.3.3 Sick leave may be used for personal illness or illness in the immediate family. The utilization of sick leave for illness in the immediate family is authorized up to five (5) days in any given school year. Immediate family shall include: parent, child, grandparent, spouse, spouse's parent or any relative permanently residing in the Administrator's personal household. In extraordinary circumstances, the Superintendent may authorize use of additional sick leave for illness in the immediate family.

3.3.4 A statement of accumulated sick leave shall be given to each Administrator within sixty (60) days following the start of each school year.

3.3.5 A sick leave bank shall be established to aid Administrators who suffer prolonged illness (i.e., an illness or injury which, for an uninterrupted period of not less than forty [40] calendar days, prevents the Administrator from working). Not later than August 1 in each fiscal year, the Association shall present to the District written authorizations from members of the bargaining unit which direct the District to deduct from their accumulated sick leave days up to five (5) and credit same to the bank. Each Administrator who has submitted such a voluntary authorization shall be entitled to use up to, but not more than fifty percent (50%) of the total days from the bank. In order to utilize any of the days, each of the following requirements must be met:

A. The Administrator is suffering from a prolonged illness or injury as defined above.

B. All other sick leave days available have been exhausted, whether current or accumulated.

- C. A certificate, stating the nature of the Administrator's illness or injury and that it prevents him from working, has been received from the Administrator's attending physician by both the Association and the District.
  - D. Either the District or the Association may require additional physical/mental examination from any individual utilizing days from the sick leave bank.
  - E. Each Administrator shall be permitted to donate up to five (5) additional days to the bank on June 1 of each fiscal year.
  - F. The District's agreement to initially contribute thirty (30) days to the sick leave bank during the 1994-95 fiscal year is hereby restated to the extent necessary.
  - G. Procedures to administer the sick leave bank shall be jointly developed by the Association and the District as necessary.
  - H. The Association shall be responsible for administering the sick leave bank and shall hold the District harmless from any actions taken with respect to the same.
- 3.3.8.1 The maximum number of days which shall accumulate in the sick leave bank shall not exceed two hundred (200) days.
- 3.3.8.2 Upon utilizing the sick leave bank, the Administrator shall immediately apply for available disability benefits. Upon the award of benefits, utilization of the sick leave bank shall cease. Upon the payment of any disability benefits, the Administrator shall reimburse the sick leave bank in the event there is any back pay award.

Section 3.4    Jury Duty

- 3.4.1 Absence due to jury duty shall not be deducted from sick leave allowance or personal leave allowance. Full pay will be made during the duration of the leave. Any compensation received will be assigned to the School District.

Section 3.5    Leave Without Pay

- 3.5.1 A leave of absence without pay for a period not to exceed one (1) year may be granted by the Board of Education. An extension of one (1) year may be granted by the Board of Education upon request.
- 3.5.2 Administrators shall not accrue seniority, increments or other benefits for the period of such leave.

Section 3.6    Workers' Compensation

- 3.6.1 Members of the administrative bargaining unit shall be covered by workers' compensation benefits pursuant to the Education Law.
- 3.6.2 When an Administrator receives compensation pursuant to this article, he shall be entitled to receive his full sick leave benefits, if any, during the initial waiting period prior to the commencement of the compensation payments. Such time shall be deducted from any accumulated sick leave.
- 3.6.3 For a period not to exceed one (1) calendar year, in the event an Administrator is absent as a result of injuries suffered while in the scope and course of his employment with the District, the Administrator shall be entitled to his regular salary while on compensation leave. Such time shall not be deducted from any accumulated sick leave.
- 3.6.4 In the event the Administrator is still incapacitated after the expiration of the second year, the Administrator's sole remedy shall be Worker Compensation Benefits.
- 3.6.5 All compensation reports shall be filed by the Administrator as soon as practicable after the occurrence of a compensable event.
- 3.6.6 Nothing herein shall prevent the District from requiring additional physical/mental examination as the District may deem necessary during any period of compensation leave.
- 3.6.7 Any compensation benefits received while the Administrator is being paid his regular salary shall be assigned to the District.
- 3.6.8 The Administrator shall be responsible for any fees or other costs, including attorney's fees, which shall be paid to any representative of the Administrator. Such amount shall not be deducted from any amount which might otherwise be received by the District.
- 3.6.9 Unless the Administrator has the prior written approval of the District, in the event the Administrator engages in any other form of similar work or employment while on a medical leave, disability leave or worker compensation leave from the District, the Administrator shall be the subject to immediate discharge. Such permission from the District shall not be unreasonably withheld.

Section 3.7    Maternity/Paternity

- 3.7.1 1) A leave of absence without pay for maternity or paternity shall be granted for a period not to exceed twelve (12) months. One extension, not to exceed one year may be

approved by the Board, provided the employee requests such extension and continues to reside in the area.

- 2) Leave will be granted so as to terminate upon the beginning of a normal school year or new semester.
- 3) If the employee desires to return prior to the expiration of the leave, she/he may do so at the beginning of a normal school year or semester. Notice of intent to return must be filed with the Superintendent by May 1 for return in September and by November 15 for return in January.
- 4) Upon return from such leave, the employee will be given employment in her/his tenure area in the most closely related equivalent position available.
- 5) An administrator may not use sick leave for purposes of caring for a newborn child. Sick leave is available only as already provided in this contract. An Administrator desiring maternity/paternity leave shall apply therefore under number 1) of this article.

### Section 3.8 Military Leave

- 3.8.1 The Board of Education shall grant military leave to members of the professional staff under the terms of Section 243 of the Military Law of New York in the event that they are ordered to report for induction into the Armed Forces or to report for active duty as a member of a reserve component of the Armed Forces. An employee ordered to military duty as a member of an organized militia or reserve group is entitled to a leave without pay for the duration of ordered military duty.

### Section 3.9 Sabbatical and Other Leaves

- 3.9.1 Fully certified professional employees who have completed five (5) consecutive years of service in the District, and for every seven (7) years thereafter, shall be eligible for sabbatical leave to prepare for improved service in the schools of the District. Leaves shall be granted for (1) study, (2) research, or (3) a combination of the first two. No more than one (1) leave shall be granted each year.
- 3.9.2 In granting leaves, first consideration will be given to those sabbatical leave plans which involve the greatest self-improvement and greatest benefit to the school system. Effective July 1, 1990, and for the duration of this contract, candidates obligate themselves to return to the service of the School District for a period of one year subsequent to the expiration of the leave of absence, or refund all money paid to them, unless otherwise determined by the Board of Education. The Board of Education shall have the sole responsibility of waiving this clause without prejudice or past precedent. No employee on sabbatical leave shall engage in study or training for a profession other

than that related to the field of education; nor shall such an employee engage in remunerative employment without the written consent of the Board of Education. The candidate will express his/her willingness to report in writing, his progress at such time as the Board of Education may request.

- 3.9.3 Sabbatical leaves may be granted for the period of one (1) or one and one-half (1 ½) school years as may be mutually agreed upon in advance. Such leaves shall start at the beginning of the term for which they are granted and the employee shall not be eligible to return until the expiration of the leave, unless otherwise ordered by the Board of Education. Leaves which may cease to serve the purpose for which they are granted, may be terminated by the Board of Education, and sabbatical payments may be discontinued. The employee shall return to an administrative assignment made by the Superintendent.
- 3.9.4 Remuneration - Any employee on such sabbatical leave shall receive three-quarters (3/4) of the regular salary for the term of the sabbatical. It shall be payable on the same dates as active Administrators are paid. All benefits enjoyed by Administrators in service shall be continued for Administrators on a sabbatical leave (i.e., hospitalization, etc.).
- 3.9.5 Rights and Privileges - After his/her return, an Administrator shall be entitled to such advancement in status on the schedule as any graduate work completed may entitle him/her. He/she shall have a right to continue in an equivalent position as he/she would have had, had he/she not taken leave. His/her rights under the New York State Teacher Retirement System shall not be impaired by any action of the Board as a result of such leave.
- 3.9.6 Applications - Applications must be made in writing to the Superintendent by February 15<sup>th</sup>, preceding the school year in which leaves are desired. Such applications shall state
- 1) Purpose for which leave is sought
  - 2) Plans for achieving them
  - 3) Manner in which the schools of the District shall benefit
  - 4) If for study, the college named and the courses enumerated.
- 3.9.7 Bereavement Leave - Up to four (4) days leave, with pay, shall be provided Administrators in the event of death or a member of the Administrator's immediate family or death of a member of the immediate family of the Administrator's spouse. Immediate family is defined as: spouse, child, parent, grandparent, spouse's parent, or any relative permanently residing in the Administrator's personal household.
- 3.9.8 Professional Conferences - Administrators may attend appropriate professional meetings at the local, state and national levels at the expense of the District, when funds are available. Administrators shall file an itemized account of expenses with the Business

Office. Attendance at such meetings shall be subject to the approval of the Superintendent. A report of the conference will be given to the Superintendent at the conclusion of the conference.

This District may increase the work year of other Administrators if it requires of them work considered to be beyond the normal duties of their original position.

**ARTICLE V.**        **PERSONNEL MATTERS**

**Section 5.1**    **Filling Positions**

- 5.1.1 When a vacancy occurs in an administrative position, the District will take immediate steps to fill the position on a permanent basis unless the Board decides to abolish the position. If it is projected that the position cannot be filled within sixty (60) calendar days of becoming vacant, the District will seek to fill the position on a temporary basis by the thirtieth (30<sup>th</sup>) day.

- 5.2.2 Prior to filing an Administrator's performance evaluation in his/her personnel file, the Administrator shall have the opportunity to meet, discuss and sign the evaluation with the immediate supervisor. Such signature does not necessarily indicate agreement with the contents thereof.

- 5.5.3 Administrators have the right to review, in the presence of the Superintendent or his designee, and make copies of the non-confidential contents of their personnel file. Evaluations or materials which might be considered derogatory to an Administrator shall not be placed in an Administrator's file, unless the Administrator has had an opportunity to review them. The Administrator may also submit a written answer to such material and his/her answer shall be reviewed by the Superintendent and attached to the file copy.

**ARTICLE VI.**        **COMPENSATION**

Section 6.1    Holidays

- 6.1.1 There will be fourteen (14) paid HOLIDAYS in each fiscal year for twelve month Administrators. The District will consult with the Council in developing the annual holiday schedule and distribute copies of same to each Administrator.

Section 6.2    Vacations

- 6.2.1 As of July 1<sup>st</sup> annually, twelve month Administrators will be credited with vacation time as follows: during the first five (5) years of service in the administrative position, Administrators will accrue vacation at the rate of one and two-third (1 2/3) days per full month worked for a total allowable vacation of twenty (20) days per full twelve (12) month fiscal year. After completing the fifth full year of service, Administrators will accrue vacation at the rate of two and one-twelfth (2 1/12) days per full month worked for a total allowable vacation of twenty-five (25) days per full twelve (12) month fiscal year. Any Administrator who has his work year reduced from twelve months shall be allowed to place in reserve any vacation time accrued in the preceding fiscal year until such time as the Administrator returns to twelve month service, retires or resigns.
- 6.2.2 Any vacation credited and not taken during the given fiscal year may accrue to a maximum of twenty-five (25) days. Administrators must use any accrued time during the course of the school year immediately following the year time was accrued. Effective July 1, 2005, such accrual shall increase by five (5) days to a maximum of thirty (30) days per year.

- 6.2.3 Administrators terminating their employment with the District after August 1<sup>st</sup> of any given year shall be credited with vacation time earned between July 1<sup>st</sup> and termination date. Such vacation time may be taken prior to the termination date or may be compensated by payroll check. If paid through payroll, payment shall be based upon 1/261<sup>st</sup> of the Administrator's final year annual salary for each day of vacation for an administrator working a 12 month schedule. For an administrator working less than a 12 month schedule, payment shall be based on 1/240<sup>th</sup> for an 11 month administrator and 1/220<sup>th</sup> for a ten month administrator of annual scheduled workdays of the Administrator's final year annual salary for each day of vacation.
- 6.2.4 For any Administrator who retires and/or resigns, the total number of days to be reimbursed for unused vacation time shall not exceed thirty (30) days.
- 6.2.5 An administrator may be paid up to seven (7) days per fiscal year of unused vacation at one hundred (100) percent of the administrator's average daily rate (1/261<sup>th</sup>). The District's contribution towards the premium for such coverage shall not exceed ninety-five percent (95%) of the premium for the Independent Health Flexfit plan offered by the District to members of the Grand Island Teachers' Association.
- (1) The District and the administrators recognize that there may be changes to the insurance policies in effect as a result of modifications by the insurance company. The District and the administrators agree to meet to negotiate the impact of any such changes and to negotiate possible alternatives to any insurance coverage. The District agrees that it shall not unilaterally change the insurance product offered to the administrators. In the event that changes occur as a result of the actions of the insurance company, the District will notify the administrators of such changes as soon as possible. The District shall not, however, be responsible for changes in health insurance products offered by any insurance company, including but not limited to any changes in co-pays, deductibles and/or specific coverages. No grievances shall be entertained in the event of a change of coverages by the insurance carrier.
  - (2) When both husband and wife are employees of the District and eligible for insurance, they will be granted one (1) family or two (2) single coverages at the option of the District.

- (3) When both husband and wife are employees of the District and eligible for insurance, and there are no other dependents, they will be granted one (1) family or two (2) single coverages at the option of the District.

- (5) For any administrator hired after July 1, 2003, in the event a husband and/or wife, regardless of employment, are eligible for insurance with any other employer, such administrator shall not be entitled to insurance through the District. In the event the spouse is eligible only for single coverage, then the administrator shall be entitled to single coverage only through the District.
- (6) The District will provide a payment of one thousand five hundred dollars (\$1500.00) in the 2006-07 fiscal year and three thousand dollars (\$3,000.00) each fiscal year thereafter, for any member of the bargaining unit enrolled in the District health care plan as of September 1, 2006, who withdraws from all coverage under that plan on or before December 31, 2006. Any such employee shall not be permitted to re-enroll in any District Health Plan without a verifiable change in conditions (as determined by the District) whereby the employee's spouse cannot under any circumstances obtain health insurance coverage through his/her employer.

The payment for the 2006-07 fiscal year shall be made in January 2007. In each ensuing year, payments will be made in two equal parts, during the month of July and January of each fiscal year. Payments shall be subject to the usual and customary payroll withholding.

The provisions of this Section 6.3.1(6) shall expire as of June 30, 2009 and shall not be extended pursuant to CSL§209-a (1)(e) (the "Triborough Amendment"), until or unless a successor agreement to this collective bargaining agreement so provides.

- 6.3.2 The District and the Association shall agree upon a dental program with the District contributing ninety-five percent (95%) of the cost of such program. Such program may be modified during the life of this Agreement at the request of either party.
- 6.3.3 Administrators who retire and Administrators on leaves of absence without pay may, at their own expense, continue their membership in any of the above health insurance programs for the duration of their retirement or leave provided that 100% of the premium

payment due is forwarded to the District in advance of each quarter (Nov. 1<sup>st</sup>, Feb. 1<sup>st</sup>, May 1<sup>st</sup> and August 1<sup>st</sup>).

- 6.3.4 Except for a unit member who elects to receive the payment specified in Section 6.3.1(6), Administrators may elect to join one of the District's health insurance plans at any time during their employment without any imposed waiting period. However, Administrators may switch health insurance plans only upon notice prior to October 1<sup>st</sup> annually. Such change shall become effective November 1<sup>st</sup>. Any Administrator who is not enrolled in any of the above-referenced health insurance programs for the period from July 1<sup>st</sup> to June 30<sup>th</sup>, in any given year, shall receive a stipend of \$500 Single/\$1,000 Family in their first check in June.

#### Section 6.4 Retirement Benefit and Incentives

- 6.4 In order to be eligible for the benefits and incentives below, the administrator must have ten (10) years of service to the Grand Island Central School District.

- 6.4.1 In order to participate in either the incentive program or the retirement benefit, an employee must provide the District with six (6) months' notice prior to the effective date of retirement. Such notice may be waived by the Superintendent only upon a satisfactory showing of an emergency or extreme hardship as solely determined by the District. Failure to provide the requisite notice without a waiver by the Superintendent will result in the employee not being eligible for either the retirement benefit and/or the retirement incentive.

Does this  
stay in?

The District will provide a retirement benefit for Administrators retiring from the Grand Island Central School District which will provide for a payment in the amount of Two thousand Five Hundred Dollars (\$2,500) per year for each year of service to the District by the Administrator to a maximum of Fifty Thousand Dollars (\$50,000) with such funds being an accounting obligation on the part of the District toward future health insurance costs for the Administrator. Such monies kept on account to be maintained by the District shall be used for the payment of whatever health insurance plan exists with the Association at the time of such payments. All monies kept on account, but not expended at the time of the death of the employee and the employee's spouse, provided that the employee's spouse was a beneficiary at the time of the death of the employee, shall revert to the District. Service of less than one (1) year shall not count toward a full year of service and same shall not be prorated. Years of service are to be determined from the Administrator's most recent hire date and no credit shall be given for prior service that was rendered by an Administrator who left and then returned to the District. Service time shall also not include any unpaid leave.

- 6.4.2.1 In the event the employee has health insurance for life, and the employee executes appropriate documentation for the District waiving any future obligation on the part of

the District in a form acceptable to the District, then the District will pay such retiring Administrator one hundred percent (100%) of the value of such accounting in five (5) equal annual installments commencing on December 1 in the calendar year in which an administrator retires to be placed in a 403-b plan.

6.4.3 For the 2006-07, 2007-08, and 2008-09 fiscal years only, the District shall offer a retirement incentive that will pay Administrators who completely retire from service in the State of New York the sum of Thirty Thousand Dollars (\$30,000) which shall be an employer contribution toward a 403-b plan. In order to receive such an incentive, the retiring Administrator must have a minimum of ten (10) years of service to the District. In order to participate, an Administrator must retire on or before June 30<sup>th</sup> of the fiscal year when he/she first reaches the age of eligibility, without reduction, as defined under the regulations of the State Retirement System. This contribution shall be made by the end of the calendar year in which the Administrator retires. It is specifically recognized that this provision shall not be a severance benefit and shall not be payable to any Administrator who continues service in the State of New York under any State or Local Retirement System. It is also expressly recognized that this incentive shall terminate effective June 30, 2009.

6.4.3.1 For the 2006-2007 fiscal years, such retirement incentive shall be made available to all administrators eligible to retire regardless of whether they have already reached their first year of eligibility.

Such payments shall only be for the fiscal years set forth herein.

\*prorated for 10 and 11 month employees.

The duties for summer school principal will be divided between the high school administration. The stipend for this assignment shall be \$3,000, divided equally.

6.5.1 An employee may be given credit for prior service and will be placed at a salary as determined by the District. Thereafter, the administrator will receive the same increases as other administrators in the same class effective July 1 of each fiscal year.

- (1) An administrator must complete a minimum of six (6) months of service to the District prior to any increase becoming effective (e.g., administrator hired on May 1, 2004 with an increment normally effective July 1, 2004, will receive a prorated increase effective November 1, 2004 for the remainder of the fiscal year).

## **ARTICLE VII. GRIEVANCE PROCEDURE**

### **Section 7.1 General Matters**

7.1.1 The District and the Administrative Council have established the following grievance procedure as a means by which the parties and the Administrators can resolve grievances without resorting to more costly and time-consuming proceedings before administrative agencies and/or the courts.

Both parties hereby declare their intent to resolve grievances as quickly as practicable in accordance with this procedure and free from coercion, restraint, discrimination and reprisal.

7.1.2 As used in this ARTICLE VII:

- (1) "Grievance" means a claim by an Administrator that this Agreement has been violated, misinterpreted, misapplied and inequitably applied.
- (2) "Grievant" means the Administrator or group of Administrators who are aggrieved and who submit the grievance or means the Administrative and Supervisory Council when it submits a grievance pursuant to Paragraph 7.1.4 of this Agreement.
- (3) "Supervisor" means the Administrator responsible for the area in which the grievance arises, normally the Building Principal. If the Administrator to whom the grievance is submitted is not the Administrator responsible for the area in which the grievance arises, he/she shall return the grievance to the grievant with instructions as to whom it shall be submitted.
- (4) "Day" means a day when Administrators are required to be in attendance. During the summer recess, day may mean any calendar day except a Saturday, Sunday or legal holiday upon mutual agreement of the parties provided that neither party shall unreasonably withhold its agreement.
- (5) "Representative" means an Administrator designated by the Council to represent the grievant and shall also mean, at Stage 2 and Stage 3, a person from an

organization with which the Council is affiliated who has been so designated by the Council.

- (6) "Grievance Committee" means the committee created and constituted by the Council.
- (7) "Grievance Chairman" means the Administrator so designated by written notice from the Council President to the Superintendent.

- 7.1.3 A written grievance must be submitted on the form shown in Appendix A. The District shall maintain its grievance files separate and apart from Administrator's personnel files, but this shall not preclude an entry in an Administrator's personnel file which shows a personnel action taken to effectuate the final resolution of a grievance.
- 7.1.4 A grievance which involves a majority of the Administrators in the District may be submitted on their behalf by the Council directly at Stage 2. A grievance which involves a majority of the Administrators in a particular building may be submitted on their behalf by the Council at Stage 1. In each case, such a grievance must be submitted not later than the twentieth day after the day of the occurrence of the incident out of which the grievance arose and the signature of the Grievance Chairman will be substituted on the grievance for the signatures of the actual grievant.
- 7.1.5 All responsible effort will be made to avoid interruption of classroom activity and to avoid involvement of students in any phase of the grievance procedure.
- 7.1.6 Upon written request by a part given with reasonable advance notice to the other party, the "other party" will furnish to the "requesting party" a copy of any document in the "other party's" possession which is relevant to a grievance which has been submitted at Stage 1-B or a higher stage; but this does not apply to pre-employment confidential material in an Administrator's personnel file or to a communication between a party and its attorney or a person acting in lieu of its attorney.
- 7.1.7 Nothing in this Article VII shall be construed to limit the right of any Administrator to have that matter informally adjusted without resort to the grievance procedure provided the adjustment is consistent with the terms of this Agreement. Any such adjustment shall be binding on the Administrator and on the District with respect to that particular Administrator and matter, but shall not be binding on the District with respect to any other administrator or matter; nor shall it be binding on the Council but the Council may not make the same matter and Administrator the subject of a grievance pursuant to Paragraph 7.1.4.
- 7.1.8 The time limits set forth in the Article VII are essential and shall be strictly adhered to by the Administrators and the parties; provided, however, that any such limit may be

extended by mutual consent of the parties in a dated writing signed by duly authorized representatives of the parties. Consent to such an extension shall not be withheld unreasonably by either party.

- 7.1.9 If a grievance is not appealed within the required time limit, the appeal shall be barred and the grievance shall be deemed satisfied by the last answer given whether or not such satisfaction has been given in writing. If an answer is not given within the required time limit, it may be appealed to the next stage as though it had been answered on the final day permitted by the required time limit.

#### Section 7.2    Stage 1 - Supervisor

- 7.2.1 Stage 1-A: As soon as practicable after the occurrence of the incident out of which the grievance arises, the grievant (and his/her representative if requested by the grievant) shall discuss the grievance with the Supervisor. The grievant shall begin the discussion by stating explicitly that he/she has a grievance. The Supervisor shall answer orally the grievance not later than the second day after the date of the discussion.
- 7.2.2 Stage 1-B: If the grievant is not satisfied with the Supervisor's oral answer at Stage 1-A, he/she shall submit the grievance to the Supervisor on the form shown in Appendix A not later than the tenth day after the date on which the grievant received the Supervisor's oral Stage 1-A answer and, in any case, not later than the twentieth day after the day of the occurrence of the incident out of which the grievance arises. Thereafter, but not later than the fifth day after the day on which the Supervisor received the written grievance, he/she shall answer the grievance in writing and deliver it to the grievant or the Grievance Chairman as the case may be. If the grievant is satisfied with the Supervisor's answer, the grievant shall so indicate in writing delivered to the office of the Superintendent not later than the second day after the day on which he/she receives the Supervisor's answer.

#### Section 7.3    Stage 2 - Superintendent

- 7.3.1 If the grievant is not satisfied with the Supervisor's answer at Stage 1-B, the grievant will so indicate in writing delivered to the Grievance Chairman not later than the second day after the day on which he receives the Supervisor's answer.
- 7.3.2 If the Grievance Committee is satisfied with the Supervisor's answer at Stage 1-B, the Grievance Chairman shall so indicate in writing delivered to the office of the Superintendent not later than the tenth day after the day on which it received the grievance from the grievant.
- 7.3.5 If the Grievance Committee is not satisfied with the Supervisor's answer at Stage 1-B, the Grievance Chairman shall so indicate in writing delivered to the office of the

Superintendent not later than the tenth day after the day on which it received the grievance from the grievant.

- 7.3.4 Not later than the tenth day after the day on which the office of the Superintendent receives written notice from the Grievance Chairman that the Grievance Committee is not satisfied with the Supervisor's answer at Stage 1-B, the Superintendent shall hold a Stage 2 meeting to discuss the grievance with the grievant and his/her representative. The grievant and the Superintendent may each invite other persons who have knowledge of the incident out of which the grievance arises to be present at the meeting.
- 7.3.5 Not later than the tenth day after the last day on which the Stage 2 meeting was held and at which it was completed, the Superintendent shall answer the grievance in writing delivered to the Grievance Chairman. If the Grievance Committee is satisfied with the Superintendent's answer, the Grievance Chairman shall so indicate in writing delivered to the office of the Superintendent no later than the tenth day after the day on which the Grievance Chairman received the Superintendent's answer.

#### Section 7.4 Stage 3 - Arbitration

- 7.4.1 If the Grievance Committee and the grievant are not satisfied with the Superintendent's Stage 2 answer, the Grievance Chairman, not later than the tenth day after the day on which he received the Superintendent's answer, shall:
- (1) write a letter to the American Arbitration Association ("AAA") setting forth the information required by Paragraph 7.4.2 of this Agreement; and
  - (2) deliver a copy of the letter to the AAA to the office of the Superintendent.
- 7.4.2 The letter to the AAA shall:
- (1) identify the grievance being appealed to arbitration by specifying the name of the grievant and the date the written grievance was submitted, both as shown on the grievance form; and
  - (2) request the AAA to send to the District (in care of the office of the Superintendent) and to the Association a list of twenty names of arbitrators.
- No more than one grievance at a time may be submitted to the same arbitrator unless the parties consent to the submission of multiple grievances in a dated writing signed by their authorized representatives.
- 7.4.3 Not later than the tenth day after the day on which a party receives its copy of the list of arbitrators, it shall return the list to the AAA with all names unacceptable to it crossed off and the remaining names numbered in order of the party's preference. The AAA shall

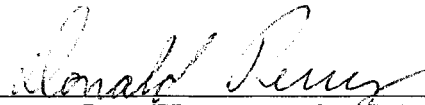

then appoint the arbitrator most preferred by the parties. If the AAA finds that no mutual choice has been made from the list, it shall submit a second list of twenty names and the foregoing procedure shall be repeated. If the AAA finds that no mutual choice has been made from the second list, the AAA shall appoint another arbitrator of its own choosing.

- 7.4.4 The arbitration shall be held in accordance with the Voluntary Labor Arbitration Rules of the AAA as amended and in effect on the execution date of this Agreement to the extent such rules are consistent with the Agreement.
- 7.4.5 The decision of the arbitrator shall be final and binding on the Administrators and the parties. The arbitrator shall have no power to add to, subtract from or otherwise modify any provision of this Agreement.
- 7.4.6 If a grievance is appealed to arbitration pursuant to this Section 7.4, such appeal shall constitute a waiver by the grievant and the Council of any and all rights which he and it may have to appeal or petition the subject matter of the grievance to the Commissioner of Education pursuant to Section 310 of the Education Law or the successor thereof. Any such appeal or petition to the Commissioner of Education shall be barred unless it is made not later than the tenth day after the day on which the Grievance Chairman received the Superintendent's answer.

**ARTICLE VIII. MANAGEMENT RIGHTS**

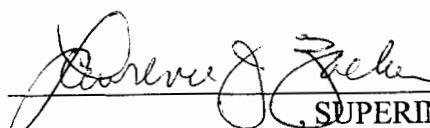

- 8.1 Except as otherwise limited by the express provisions of this agreement, the District reserves the right to unilaterally determine the standards of service to be offered by it; to set the standards of selection for employment; to direct and assign its employees; to take disciplinary action; to relieve its employees from duty because of lack of work or for other specific legitimate reasons; to maintain the efficiency of governmental operations; to determine the methods, means and personnel by which its operations are to be conducted; to determine the content of job classification; to initially allocate positions to pay grades; to take all necessary actions to carry out its mission in emergencies and at other times; and to exercise the complete control and direction over its organization and the facilities, methods, means and technology of performing its work.

Memorandum of Understanding

This memo indicates that during negotiations between the District and the Administrative & Supervisory Council, that it be know Sandra Anzalone's salary increase is effective July 1<sup>st</sup>, 2007, not 2006.

I hope this clarifies this point of concern.
