Grievance Procedure

Section 1. Definition

1. Grievance shall mean any dispute between the parties hereto with respect to the meaning or interpretation of any provision of this agreement.
2. Supervisor shall mean the immediate administrative officer in charge of the cafeteria.
3. Employee shall mean a person employed by the district and recognized by this agreement.
4. Day shall mean all days other than Saturday, Sunday, or legal holidays as celebrated by the Homer Central School District. Legal holidays shall be excluded in computing the number of legal days in which action must be taken in any step of the grievance procedure.
5. Party shall mean the District and the grievant, or the Association.

Section 2. Procedure for Filing a Grievance

1. All grievances shall include the name and position of the grievant, the nature of the grievance, the section of the contract violated, and the redress sought by the aggrieved party.
2. Forms for filing grievances, serving notices, taking appeals, and making reports and recommendations, and other necessary documents will be jointly developed by the Superintendent and the Association. The Superintendent shall then have them printed and distributed so as to facilitate operation of the grievance procedure.
3. At all stages, the aggrieved employee shall have the right to be represented by the person of his/her choice.
4. The Association has the right to be present at all formal grievances being processed if they are not the employee's selected representative.
5. Matters for which statutory appeals procedures exist shall not be considered under this procedure.

Section 3. Time Limits

1. No written grievance will be entertained as described below, and such grievance will be deemed waived unless the informal grievance is forwarded at the first available stage within five (5) days after the act occurred on which the grievance is claimed.

2. If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this agreement shall be barred.

3. Failure at any stage of the grievance procedure to communicate a decision to the aggrieved employee within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure upon written notice to the appropriate district representative. The impending grievance shall in no way operate to impede, delay or interfere with the right of the District to take the action which is subject to complaint.

Section 4. Procedures to be followed

Stage 1

The aggrieved employee will first discuss an alleged grievance with her/his supervisor and attempt to resolve the problem informally.

In the event that resolution is not attained informally, the aggrieved employee within five (5) days after the conclusion of the informal discussion shall submit the alleged grievance in writing to his/her supervisor.

Within five (5) days after receipt of the grievance, the supervisor shall render a decision in writing to the aggrieved employee with a copy to the Association.

Stage II

In the event that the aggrieved employee is not satisfied with the Stage I decision, he or she may within five (5) days after the date of the decision file an appeal with the Superintendent.

Within five (5) days after receipt of this appeal, the Superintendent shall hold a hearing with the aggrieved employee in regard to the alleged grievance.

Within five (5) days after the conclusion of this hearing, the Superintendent shall render a decision in writing to the aggrieved employee with a copy to the Association.

Stage III

In the event the aggrieved employee is not satisfied with the decision rendered at Stage II, he or she shall notify the Association. Only the Association can submit a grievance to arbitration. The Association may do so by notifying the Superintendent in writing within five (5) days from the date of the decision at Stage II was served on the grievant and the Association in person or by mail.

Within ten (10) school days after submission to arbitration, the aggrieved employee or the Superintendent will notify the American Arbitration Association of the alleged grievance and request the services of an arbitrator. Both the aggrieved employee and the District will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

The parties will have the option of selecting the expedited arbitration proceeding as defined by the American Arbitration Association.

The arbitrator will hear the matter promptly and will issue his/her decision, if possible, not later than fifteen (15) calendar days from the date of the close of the hearing or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions of the issues.

The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which violates any terms of this agreement; except as expressly limited by provisions of this agreement, the authority, rights, and responsibilities delegated under law to the Homer Board of Education are retained by said Board of Education and the arbitrator can set no redress which constitutes an expropriation of these rights.

The cost of the arbitration will be shared equally by the parties.

The cost of the grievant, witness or attorney's time, expense or other incidents shall be borne by the party so requesting or presenting a request for or on the behalf of said person.

Back pay awarded by the arbitrator shall be limited to compensation for the period of time between the date the grievance was initiated and the time the grievant was offered reinstatement.

Back pay awarded shall be computed by subtracting the monies earned from other sources during suspension, including but not limited to other employment, unemployment benefits, or other forms of federal and state compensation from the amount the grievant would have earned at the regular rate if working during the period of suspension.

The award of such arbitrator shall be final and binding.
