## APPENDIX A

### **ALCOHOL AND CONTROLLED SUBSTANCE TESTING PROGRAM**

#### **Section 1: Basis for Drug and/or Alcohol Testing**

An employee of the Wayne County Sheriff's Office shall be required to undergo testing if there is a reasonable suspicion that s/he may be under the influence of drugs and/or alcohol. The decision to test must be based on specific, current, physical, behavioral or performance indicators of probable controlled substance and/or alcohol use.

The recommendation that an employee be tested shall be made in writing by a Command Officer (Lieutenant or above) who has received appropriate training. The report shall be presented to the Sheriff or, in his absence, to the Undersheriff, or, in his absence to the Chief Deputy. The Sheriff or, in his absence, the Undersheriff or, in his absence, the Chief Deputy shall make the final decision to have the employee tested.

The Sheriff or his designee (Undersheriff or Chief Deputy) shall make every effort to meet with the affected employee prior to making the decision.

The affected employee may consult with and/or be accompanied by counsel and/or a WCSEA representative at any stage of the process as long as such consultation does not cause an unreasonable delay in the testing process.

If an employee is ordered to submit to a drug and/or alcohol test, the employee shall be given a written statement detailing the basis for the finding of reasonable suspicion. The testing time shall be treated as time worked for the purpose of payroll.

A copy of the written report which led to the reasonable suspicion testing will be made available to the WCSEA President upon request.

#### **Section 2: Testing Procedures**

Breath alcohol testing and urine sample collection for the purpose of testing for drugs shall be conducted under the procedures required by mandatory regulations of the Federal Highway Administration.

The collection sites shall have all necessary personnel, materials, equipment, facilities and supervision to provide collection, security, temporary storage and shipping of urine specimens to a certified testing laboratory. The collection site will conduct alcohol tests by a breath alcohol technician (BAT) trained to proficiency in the operation of the evidentiary breath testing device (EBT).

The testing laboratory shall be certified under the U.S. Department of Health and Human Services (DHHS) Mandatory Guidelines for Federal Workplace Drug Testing Programs. The

name and address of each laboratory used by the third party administrator shall be available upon request.

A test for alcohol shall be deemed positive if the alcohol concentration meets or exceeds the legal limit identifying driving while ability impaired (.07) as prescribed in the NYS Vehicle and Traffic Law Section 1192.1.

### **Section 3: Review of Drug Testing Results**

The third party administrator used by the County shall provide the services of a Medical Review Officer (MRO). The MRO shall be a licensed physician with knowledge of substance abuse disorders. The MRO shall review all positive controlled substance test results and interview individuals testing positive to verify the laboratory report before the County is notified.

Following verification of a positive test result, the MRO shall refer the case for action to the County Personnel Officer, who shall serve as the Drug/Alcohol Program Manager (DAPM). The Personnel Officer shall in turn notify the Sheriff of the results.

The Medical Review Officer, Personnel Officer or Sheriff shall notify each employee with a confirmed positive test that s/he has seventy-two (72) hours in which the request a test of the split specimen. If the employee requests an analysis of the split specimen within seventy-two (72) hours of having been informed of a verified positive test, the MRO shall direct the laboratory in writing to provide the split specimen to another DHHS certified laboratory for analysis.

If the analysis of the split specimen fails to reconfirm the presence of the controlled substance(s) found in the primary specimen or if the split sample is unavailable, inadequate for testing, or not testable, the MRO shall report this to the Personnel officer and the affected employee and the original test results shall be treated as negative.

The costs associated with the test of a split sample shall be the responsibility of the employee if the results of the test are positive. The County shall require reimbursement from the employee for the cost of the test within a reasonable period of time not to exceed thirty (30) days.

### **Section 4: Refusal to Test**

Any disciplinary action resulting from an employee's refusal to submit to testing shall be administered in accordance with Article 24 of the collective bargaining agreement.

An employee is considered to have refused to submit to testing she s/he fails to provide adequate breath for alcohol testing without a valid medical explanation after having received notice of the requirement for breath testing; fails to provide adequate urine for controlled substance testing without a valid medical explanation after having received notice of the requirement for urine testing; engages in conduct that clearly obstructs the testing process.

## **Section 5: Results of Drug and Alcohol Screening Tests**

Affected employees will be notified of the results of all screening tests at the earliest appropriate time (to be determined by particular acts and circumstances). Those test results which do not indicate the presence of a drug or alcohol will be destroyed and any indication of testing shall be removed from the individual's personnel file.

Any test resulting in a positive report shall be referred to the Sheriff for a complete investigation. Upon completion of such investigation, if it is found that the employee has used any drug which has not been legally prescribed and/or dispensed or has reported for duty under the influence of alcohol, a report of such shall be prepared. Upon service, the employee against whom such report has been made shall receive a copy of the test results and shall be immediately referred to a mutually agreeable Substance Abuse Professional for evaluation.

Refusal to accept a referral shall be grounds for disciplinary action which shall be administered in accordance with Article 23 of the collective bargaining agreement.

## **Section 6: Evaluation and Treatment**

The opportunity for rehabilitation (rather than discipline) shall be granted once for any officer who is not involved in any drug/alcohol related criminal activity other than possessing for personal use and either:

- a) voluntarily admits to alcohol or drug abuse prior to testing; or
- b) tests positive for the first time.

Any employee who voluntarily admits to the Sheriff his/her use of or dependence upon illegal drugs and/or alcohol, or tests positive for the first time, shall be afforded the opportunity to participate in a mutually acceptable rehabilitation program.

Any costs for an initial evaluation by a mutually agreed to substance abuse professional (SAP) shall be borne by the County. Any costs associated with treatment recommended by the evaluation shall be the employee's responsibility.

The employee may draw on any existing annual leave, sick and/or compensatory time accruals as long as he/she is in compliance with the recommendations of the SAP. The employee may draw on any existing sick time accruals for time spent during normal working hours under the care of a physician or for the time spent during normal working hours in scheduled activities prescribed by the SAP. The employee must, upon request by the Sheriff or his designee, provide a certificate from a physician and/or SAP recommended professional verifying the time claimed as sick leave.

Reinstatement to the employee's position may only occur upon certification that the employee has satisfactorily fulfilled the treatment plan prescribed by the SAP with a

recommendation that the employee be returned to regular assignment. The Sheriff shall retain the right to assign and manage personnel in accordance with Civil Service Law and the collective bargaining agreement.

Any return to duty test will be scheduled on the employee's own time and the costs associated with the test shall be the responsibility of the employee if the results of the test are positive.

Upon returning to work an employee will be subject to a maximum of four (4) random tests in a twelve (12) month period. Every effort will be made to schedule these tests during normal working hours. If the tests are unable to be scheduled during normal working hours they will still be treated as time worked for payroll purposes. The costs associated with the tests shall be the responsibility of the employee if the results of the test are positive.

**Section 7: Confidentiality and Employee Protection**

The County shall take appropriate action against any individual or organization that violates an employee's right to confidentiality under this procedure.

Any disputes concerning the interpretation or application of this Appendix shall be subject to contractual grievance and arbitration procedures.
