This recognition shall not impair the rights of any employee or groups of employees under the Constitution and Laws of the New York State.

ARTICLE II

NEGOTIATIONS

NEGOTIATIONS PROCEDURES

1. There shall be negotiations with the Board in accordance with the recognition procedures set forth herein carried out in good faith effort to reach mutual understanding and agreement.

Such negotiations shall include matters relative to terms and conditions of employment. Both parties agree to negotiate in good faith efforts to reach agreement concerning said conditions. Disputes over the conditions set forth in this agreement shall first be brought to the office of the Superintendent. Any agreement so negotiated shall apply to all members of the respective department where applicable, or in certain cases when agreement is applicable to all members of the Association, such agreements shall be reduced to writing and signed by the Board and the Association. It shall be understood that any such agreement is binding only to the extent permitted under the laws of the State of New York and the United States.

2. The Board and the Association agree that both parties will exchange proposals on or before February 1st of the last year of the contract, or at a date mutually agreed to.

3. If either party of this agreement determines that negotiations under this agreement have reached impasse, written notice shall be provided to the other party. The provisions of Section 209 of the Public Employees Fair Employment Act shall apply.

4. The Board recognizes the Association as the bargaining agent for all those who are eligible to be members of the unit.

5. The parties agree that all negotiable items have been discussed during negotiations leading to this agreement, and therefore agree that negotiations will not be reopened on any items whether contained herein or not during the life of this agreement, except to change or amend language which will have no financial impact on the district.

6. The association will be notified of any negotiations and/or job changes within the Association during the year and a representative of each group may be present at the bargaining table.

ARTICLE III

DUES DEDUCTION

1. The Board agrees to deduct from the wages of represented employees dues for the Association as said Association members individually and voluntarily authorize the Board to deduct and to transmit monies promptly to the Association each year. Employees' authorization shall be in writing. The amount for dues of the Association shall constitute Association dues to be deducted.

2. The Board further agrees to deduct from the wages of its employees who are not members of the Association an Agency Fee equivalent to the dues of the Association.

3. Should an employee commence service to the District after the start of dues/agency fee paycheck deductions, such deductions will be pro-rated and divided equally among the remaining paychecks in that school year.

4. By October 10 of each school year the Association President will notify the District in writing as to that year's total amount of dues/agency fee deduction for each represented employee, together with a schedule of paycheck dates for such deductions.

ARTICLE IV

GRIEVANCE PROCEDURE

A. Definitions:

1. A grievance shall mean any alleged violation of this agreement.
2. Days shall mean school days.
3. Grievant(s) shall mean a unit employee or group of unit employees.

B. Procedure:

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be considered as a maximum and every effort shall be made to expedite the process. The time limits specified may be extended, however, by mutual agreement.

LEVEL ONE

A grievance will first be discussed with the supervisor of transportation within 20 days of

knowledge of the event upon which the grievance is based. At this time the grievant(s) shall have the right to:

- a. Discuss the grievance personally, or
- b. Request an association representative to accompany the grievant(s), or
- c. Request an association representative to act on behalf of the grievant(s).

Prior to discussing the matter with the supervisor of transportation, the grievant shall meet with the Association Grievance. The Association can then decide whether or not it will represent the grievant throughout the grievance procedure. If the Association decides not to represent the grievant, it may be a party at each level of the procedure, even though it may not be representing the grievant.

LEVEL TWO

If the aggrieved is not satisfied with the disposition at level one, the grievance may be appealed to Level Two within ten days of the first discussion with the transportation supervisor. The grievance will be reduced to writing using Appendix A and shall be submitted to the Superintendent not later than five days from the first discussion with the supervisor of transportation. The Superintendent shall conduct a hearing on this matter within five days of receipt of Appendix A, at which time the grievant(s) and/or grievant's representative shall be present. The Superintendent shall render a written decision within five days of his hearing, with copies to the grievant(s) and the association.

LEVEL THREE

If the Superintendent cannot resolve the grievance, the matter may be appealed to the Board of Education within five (5) days of receipt of the Superintendent's written response. The Board of Education will hear the matter in Executive Session at its next official meeting at which time the grievant(s) and/or grievant's representative shall be present. The Board of Education shall render a written decision within five (5) days of its hearing with copies to the grievant(s) and the Transportation Association.

LEVEL FOUR

If the grievant(s) is not satisfied with the disposition at Level Three the grievance may be appealed to Level Four within five days of the receipt of the written decision from Level Three. The request to carry the grievance to Level Four must be in writing and filed with the Clerk of the District within five (5) days of receipt of written disposition of Level Three hearing.

Either party may petition A.A.A. to submit five names to act as arbiter in any given grievance. When such list is received, the aggrieved shall eliminate two names, the District shall eliminate two names after the aggrieved, and the remaining name shall be the arbiter.

The arbiter chosen shall have the authority to hold hearings and make procedural rules. The aggrieved, the Association and the Superintendent shall have standing to be heard at such hearings. Any of the persons having standing, as well as the arbiter, may request and obtain from the various parties all

pertinent information not privileged by law, in their possession or control, and which is relevant to the issue raised by the grievance. All hearings held shall be closed sessions and no news releases shall be made concerning the progress of the hearings.

The arbiter's report shall be submitted in writing to the Board, the aggrieved, the Association, and shall set forth his findings of fact, reasoning, conclusions, and decisions on the issues submitted. The arbiter's decision is final and binding on all parties. Such decisions shall not only apply to the aggrieved but also to all persons identically situated.

The expenses of arbitration (excluding consultant fees) shall be shared equally by the Association and the Board. If the Association is not a party to the grievance, then the aggrieved and the Board shall share expenses equally.

ARTICLE V

DAYS OFF

JURY DUTY

All transportation staff members who are called for jury duty shall receive the necessary leave to fulfill their civil obligation. The leave shall not be deducted from sick leave, personal days, or vacation. The staff member shall receive a rate of pay equal to the difference between his salary and the jury fee.

PERSONAL BUSINESS

It shall be the policy of this school district to grant up to three (3) days for absence due to urgent personal business. Personal days shall be granted only to employees whose normal work day consists of five or more consecutive hours. Drivers and monitors working less than five consecutive hours per day will receive personal business leave equivalent to two runs per year. Request may be presented to employee's immediate supervisor or Superintendent. The Superintendent shall have the power to delegate authority in whatever manner he so desires, and shall maintain reasonable records of absence due to this policy.

Unused personal days will be added to an employee's sick time at the end of the school year.

FAMILY ILLNESS

Up to ten (10) days, non-cumulative, will be given for illness in the immediate family to be charged against sick leave. Immediate family in this instance is defined as: the spouse of a staff member, his/her children, foster children, the parents of the staff member or of his/her spouse, or any relative living within the staff member's household. This benefit may be extended in unusual circumstances at the discretion of the Superintendent. Leave for illnesses of other family members may be granted at the discretion of the Transportation Supervisor.

BEREAVEMENT

Absence with pay will be allowed to transportation personnel in case of death in the immediate family in the amount of a maximum of five (5) days for each death. However, such allowance is non-cumulative. Death in the immediate family is construed to be the death of a staff member's spouse, child, step children, foster children, father or father-in-law, mother or mother-in-law, brother or sister, grandfather or grandmother or grandchild. If any other situation arises with family members not defined above, the Superintendent may grant bereavement days which are included within the five (5). Up to two (2) days shall be allowed for attendance at funerals for other relatives or close friends. Provisions shall be made to permit attendance without loss of pay at the funerals of colleagues, active or retired at the time of death, by those who wish to attend, if such attendance does not exceed one-half of a day per event. Such absence shall have the prior approval of the Superintendent.

PERSONAL ILLNESS

1. Purpose

This plan is designed to protect both the employee and the children on the buses. From the point of view of the employee, it is a form of insurance which will protect him or her from loss of income for a stated period of time.

2. Employees Benefiting

All members of the transportation staff who are scheduled to work three (3) hours or more per day on a regular basis will benefit from this section. Full time bus drivers or bus monitors are those individuals who are on a yearly contractual basis.

3. Basic Rule

All full time employees shall be entitled to one and three-tenth (1.3) days of sick leave each month that they are employed, cumulative to unlimited days.

A doctor's certificate may be requested by the Superintendent for absence greater than five (5) days.

SICK BANK

The Board of Education shall establish a Sick Bank consisting of one (1) day donated by each transportation employee wishing to participate, and a matching day donated by the Board of Education, with said days being placed in the bank on 1 October of each school year. If at any time during the year the reserves of the sick bank should become depleted, then bargaining unit members who are members of the sick bank may voluntarily contribute up to five (5) additional days. The Board of Education will match these contributions one- for-one.

Provision for use of the above sick bank shall be determined by a committee consisting of one member appointed by the Board, one by the Association, and one by the Administration.

Unused sick days left at the end of the school year will be carried over to the next school year, with the Board only matching the current year's sick day donation.

A member may make application to the sick bank if they meet all the below listed criteria:

1. The employee is unable to perform their regular job due to a disabling non-work related illness and/or a disabling non-work related injury. The term of disability should be for a term exceeding five (5) days.
2. The application is accompanied by a signed "Employee Leave Certification Form." (Physician and employee signatures.) (Application and Certification forms are Attachment A and B to the contract.)
3. The application is made on the prescribed form (Attachment A).

The Committee shall review the completed application and the employee's medical and attendance records and either approve or disapprove the usage.

Each request for Sick Bank usage shall be considered on an individual basis. Each employee, as a condition of applying for Sick Bank usage, shall authorize the District to release to the Committee his/her attendance records for review in connection with making the determination required herein. A reason for the requested usage and a statement from the physician stating the period of disability must be provided to the committee. In lieu of the employee submitting the reason and period of disability to the Committee, the employee may elect to have such information submitted to the School Physician, who shall make a recommendation to the Committee.

An employee may receive up to fifteen (15) days per request and then be reviewed if the situation demands it.

Employees shall be encouraged to apply for disability retirement where applicable.

However, in no case shall the sick bank be used for family sickness or childcare purposes.

There is a lifetime cap of 180 days for each employee's entire years of service to the District. The parties specifically agree that all prior sick days prior to the adoption of this agreement will be included in the calculation of this cap.
