- (10) Notwithstanding any provision of this Agreement to the contrary, the provisions of this subcontracting clause shall not be enforced by strike or job action.

- (11) The above provisions notwithstanding, in the event an Individual Employer subcontracts work covered by this Agreement to a subcontractor who is not signatory to this Agreement or an appropriate agreement with the Union, the Individual Employer shall assume an additional responsibility as follows:

In the event that any employees of any Individual Employer should be withdrawn by reason of any dispute, complaint or grievance arising out of the violation of any similar hiring clause in any agreement between Employer and any other union, the Union or any Local Union may respect such withdrawal and for the period thereof may refuse to perform any work for such Individual Employer and such refusal shall not be a violation of this Agreement.

In the event the Board of Trustees of a Fund into which the Individual Employer is required to pay determines that an Individual Employer is delinquent in the making of any payments required by Section 3B, C, or E, thereof, it shall not be in violation of this Agreement so long as such delinquency continues, if the Union

withdraws the Employees who are subject hereto from the performance of any work for such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. - (A) No Employee covered hereby may be discharged by any Individual Employer for refusing to cross a picket line established by an International Union affiliated with the Building and Construction Trades Department of the AFL-CIO or a Local Union thereof, or the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America or a Local Union thereof, which picket line has been authorized or sanctioned by the Local Building and Construction Trades Council having jurisdiction over the area in which the job is located, after the Individual Employer involved has been notified and has had an opportunity to be heard. Said notice shall be in writing and mailed to the Individual Employer involved at his address. This Section shall not apply to jurisdictional disputes.

Section 5 - Grievance Procedure

Any dispute concerning any application or interpretations of this Agreement, other than jurisdictional disputes as referenced in Section 6, shall be subject to the following procedure:

- A. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer or in the case of a grievance of an Individual Employer to the Business Agent of the appropriate Local Union (or District Council) who shall then attempt to adjust said grievance or dispute at the job site level.
- B. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union (or District Council) or otherwise authorized Union Representative and the Individual Employer or his representative within three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes by the Cement Masons Contract Administration Trust Fund.
- C. The grieving parties shall specify in writing on a standard Trust Fund grievance form the date(s) of the alleged violation(s), the nature of the alleged violation(s), and the specific provision(s) of the Agreement applicable to the dispute. In the event parking facilities are not available within three (3) blocks of a jobsite, the Employer will provide such facilities and the Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions it is necessary to use public facilities, the Employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost thereof; such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. The area covered by this Agreement shall be the City of Sacramento, City and County of San Francisco, and the Counties of Alameda, San Mateo, Marin, Contra Costa, and Santa Clara.

Section 10 - Effect on Existing and Other Agreements

This Agreement between the Associated General Contractors of California Inc. and the District Council of Plasterers' and Cement Masons' of Northern California shall supersede the 1999-2005 Master Labor Agreement between all parties, except for those Individual Employers who have given their power of attorney to the Employer for the 1999-2005 Agreement, and who have not given their power of attorney to the Employer for this Agreement.

When an Individual Employer works on a job that is covered by a project labor agreement to which the Union is signatory, the Individual Employer may work under the parties' Master Agreement for Northern California or the Project Agreement, whichever is more favorable to the Individual Employer.

Section 11(A) - Employer's Membership

This Agreement is made for and on behalf of, and shall be binding upon, all persons, firms or corporations who at the time of execution of this Agreement have given or subsequently give bargaining authorization to the Employer as defined in Section 2A.

Section 11(B) - Agreement Binding Upon Parties

This Agreement shall be binding upon the heirs, executors, administrators, successors, purchasers, and assigns of the parties hereto.

Section 12 - Liability of the Parties

It is mutually understood and agreed that neither the Employer, any Individual Employer, the Union, nor any Local Union, shall be liable for damages caused by the acts or conduct of any individuals who are acting or conducting themselves in violation of the terms of this Agreement without authority of the respective party, provided that such action or conduct has not been specifically authorized, participated in, fermented or condoned by the Employer, the Individual Employer, the Union, or the Local Union, as the case may be.

In the event of any unauthorized violation of the terms of this Agreement, responsible and authorized representatives of the Union, Local Union, the Employer, or the Individual Employer, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons into compliance with the terms of this Agreement. Such individuals acting or conducting themselves in violation of the terms of this Agreement shall be subject to discipline up to and including discharge.

Section 13 - Effect of Approval by International Union

It is agreed by and between the parties to this Agreement that the act of the Operative Plasterers and Cement Masons International Association (hereinafter called International Association) in approving this contract as to form and substance, as provided in the paragraph below, the International Association, its

officers, and agents shall not in any manner thereby become a party to this Agreement, nor is there any duty, liability or obligation imposed upon the International Association, its officers or agents, respecting the terms and conditions of this contract in any manner whatsoever.

It is further agreed that the approval by the International Association as to form and substance is only for the purpose of indicating that the International Association certifies that the said contract is not in violation of the International Constitution and Bylaws and is approved as to form and substance for that purpose only and no other.

Section 14 - General Savings Clause

It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement, and the parties hereto agree that in the event that any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The clauses hereof relating to hiring, Section 3A and "No Cessation of Work", Section 4 are intended to be inseparable and mutually interdependent. Should either of such Sections be held or determined to be illegal or void for any reason, then both of said clauses shall forthwith become of no further force or effect and neither party shall by implication be bound thereby. The parties agree if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation of each of the provisions of this Agreement is therefore intended to apply no broader than that permitted by law.

Section 15 - Travel Expense/Travel Centers

For jobs bid on or after June 15, 2005, the following provisions apply:

"Travel Expense" is defined as reimbursement for gas, oil, tires and auto maintenance and is not a wage or reimbursement for time spent in travel to or from the jobsite. No employee shall be disciplined for refusing to travel in a company vehicle to or from the jobsite.

"Traveling Centers" are defined as those area dispatch offices that exist on June 28, 1999.

Effective June 15, 2005, any job located fifty (50) miles or less from a Traveling Center shall not be subject to travel expense pay.

Each employee covered by this Agreement who travels over fifty (50) miles to the place of reporting for work from his residence or the location of the Area Dispatch Office having jurisdiction over the project, whichever is closer, shall be paid at the Federal Reimbursement rate per mile for all miles traveled outside the fifty (50) road miles and return to the fifty (50) mile mark only.

It is understood that travel expenses shall be paid for each day a worker travels and is employed in work covered by this Agreement, but no later than once a week or upon termination whichever is sooner.

On Canal and Highway jobs the geographical midpoint of the job shall be considered as the reporting point for the purpose of travel expense pay. On all other jobsites, the project office shall be considered as the place of reporting for work for the purpose of travel expense pay.

The Employer agrees that no project office will be established in an area closer than fifty (50) miles in an effort to defeat the travel expense procedure herein established.

Section 16 - Expense Out of Town

The Individual Employer, when transporting an Employee from his home area dispatch office to localities outside the jurisdiction of the Employee's home area dispatch office, requiring the Employee to live away from home for "jobs of short duration" shall reimburse the Employee for board and room expenses, or may, at employer's option, pay the Employee per diem of \$65.00 per day for each day he is required to spend the night and is available for work.

For the application of this Section only, "jobs of short duration" shall be interpreted to mean jobs of two (2) months or less. In the event the job or project is more than two (2) months in duration, the employer will have the option of: (1) continuing the Employee and reimbursing as outlined above, or (2) lay off the Employee without any restriction options of accepting layoff or transferring to the Local Area dispatch office and provide return travel expenses to his home base; or, the Employee will have the option of accepting layoff or transferring to the Local Area having jurisdiction over the job and receiving travel and/or subsistence applicable to the Employee member of the Local Area dispatch office.

Section 17 - Geographic and Market Conditions

The parties to the Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, Labor and Management will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the Individual employers.

Section 18 - Effective Termination Date

This Agreement shall be effective as of June 15, 2005, and shall remain in effect until June 15, 2009 and shall be renewed from year to year thereafter unless either of the Collective Bargaining Representatives shall give written notice to the other of a desire to change at least sixty (60) days prior to the date of the expiration of this Agreement.

The parties agree further that this Agreement is closed on all items until June 15, 2009 and all of the terms and provisions of said Agreement shall be and continue in full force and effect without further opening or change until June 15, 2009.

The Union agrees that in the event that in 2005 or any succeeding year either party should exercise its right under the first paragraph of this section, the parties shall, within thirty (30) days after receipt of written notice, meet and submit the changes desired and for a period of thirty (30) days prior to June 15th of any such year, bargain with respect to those changes. If no Agreement has been entered into between the parties hereto by June 15th or any year in which such notice shall have been given, then this Agreement shall thereupon cease and terminate.

In all other respects, the terms of the Master Agreement remain unchanged.

IN WITNESS WHEREOF, the parties hereto have hereunto executed this Agreement as of the date hereof by their respective representative duly authorized to do so this 15th day of June, 2005.
