## PREAMBLE

THIS AGREEMENT, entered into on this First day of July, 2003 by and between the NEVADA CHAPTER OF THE ASSOCIATED GENERAL CONTRACTORS OF AMERICA, and on behalf of its members, hereinafter referred to as "Employer", and the Southwest Regional Council of Carpenters, and its affiliated local union 34, hereinafter referred to as "UNION".

## SECTION I

### RECOGNITION

The Employer has satisfied itself that the Union represents a majority of Employees performing work covered by this agreement and thereby recognizes the Union as the exclusive bargaining representative of all employees of the Employer hereinafter classified over whom the Union has jurisdiction.

The Union recognizes the Employer as the sole and exclusive bargaining Representative for their respective members who have authorized the Employer to represent them. A list of such authorizations has been furnished to the Union and the Employer agrees to immediately notify the Union when any authorizations have been canceled or new authorizations have been executed.

This Agreement shall bind each and every Employer who has authorized the Association to represent them with the same force and effect as if the Agreement were entered into by each Member individually. The Employer shall be and continue to remain liable under this Agreement for during the term irrespective of whether such members shall resign from the Association prior to the expiration date of this Agreement and such liability shall be deemed to have survived the termination of such membership and remain in force for and during the term of this Agreement.

It is the intention of the parties to create a collective bargaining agreement within the meaning of the National Labor Relations Act, as amended, and the unit covered by this Agreement is a voluntarily created multi-employer collective bargaining unit.

Notwithstanding any provision of the Master Labor Agreement or this Agreement, the individual employer agrees that upon a showing by the Union or any of its affiliates a majority of the individual employer's shop employees, if any, have designated the Union and/or any of its affiliates as their representative for collective bargaining purposes, the individual employer shall recognize the union and/or its affiliates as the collective bargaining representative of its shop employees and shall agree to negotiate all wages, hours, terms and conditions of employment appropriate for their shop. Proof of such majority representation shall be established by the submission of authorization cards to a neutral third person who shall compare the signatures with appropriate employer records. The individual employer shall fully cooperate in such review upon demand by the Union or any of its affiliates. This paragraph does not apply to Employers' storage warehouse or yards.

## SECTION II

### WORK JURISDICTION

A. This Agreement shall provide for the wages, fringe benefits and conditions of employment of all employees of the Employer within the recognized jurisdiction of the UNITED BROTHERHOOD OF CARPENTERS AND JOINERS OF AMERICA in the State of Nevada, except Clark, Esmeralda, Lincoln and Nye Counties and the city of Wendover, Nevada.

B. The work covered under the terms and conditions of this Agreement shall apply to construction in the area above described, including all of the following:

(1) All building construction, including but not limited to the construction, erection, alteration, repair, modification, demolition, addition or improvement in whole or in part of any building structure. All rigging of Carpenters', and Piledrivers' materials.

(2) All heavy, highway and engineering construction, including but not limited to the construction, improvement, modification and demolition of all or any part of the streets, highways, bridges, viaducts, railroads, tunnels, airports, water supply, irrigation, flood control and draining systems, sewers and sanitation projects, dams, power houses, refineries, aqueducts, canals, river and harbor projects, wharves, docks, breakwaters, jetties, quarrying of breakwaters or rip rap stone or operations incidental to such heavy construction work and whether such work is above or below the water line level.

When requested, an employer will furnish the Union signed letters on the letterhead of the individual employer, stating they have employed Carpenters on a specific type of work and paid the negotiated scale of wages on any and all jobs which the individual employer has performed with Carpenters.

C. There shall be no cessation or interference in any way with any work of the Employer or any individual employer by reason of Jurisdictional Disputes between the Union and any other union

The parties hereto agree that, where a jurisdictional problem develops involving Unions not signatory to this Agreement, the representatives of the Union involved will meet with the representatives of the Contractors to resolve the particular problem. Any resolution resulting from such aforementioned meeting between the Unions and the Contractors shall be put into effect immediately.

Jurisdictional disputes which cannot be resolved at the local level shall then be referred to the International Unions involved for determination, and the work shall proceed as assigned by the Contractor

until such determination by the International Union has been confirmed to the disputing Unions and the Contractors. The intent of the Section is to clarify that jurisdictional issues are not a contractual liability.

In the event the Employer becomes a signatory to the Impartial Jurisdictional Disputes Board or its successor plan or board, disputes as to jurisdiction of work claimed by other Unions than those affiliated with the United Brotherhood of Carpenters and Joiners of America shall be referred to and settled in accordance with the procedural rules and regulations of the Impartial Jurisdictional disputes Board or its successor. Notice at a pre-job conference shall be deemed written notice under this provision.

If thereafter the subcontractor becomes delinquent in the payment of any wages, Trust Fund contributions, fringe benefit payments, or is not in compliance with the manning provisions, the Union shall give prompt written notice of the delinquency or the non-compliance to the Employer and the subcontractor. The notice shall specify the names(s) and amount(s) if known, of the delinquency.

When the notice of delinquency is received, the Employer shall pay the amount of the subcontractor's delinquency which has occurred on the Employer's specific job.

This section may only be enforced by resort to the grievance and arbitration procedures of this Agreement, (Section XIII) and the Union may not strike nor picket to enforce the provisions of this section or to enforce any arbitration award arising out of the application or interpretation of this section except as said award may apply to primary obligations of an Individual Employer.

For the purpose of administering the Savings Trust Fund as set forth herein, the individual employer by becoming a party to this Agreement does hereby designate the Employer trustees to act as his agent on all matters concerning the fund. It is expressly understood by the parties that the payment herein provided shall be considered as part of the employee's basic wage rates for the purpose of computing overtime and shall be paid accordingly. These amounts shall include supplemental dues.

#### B. SUPPLEMENTAL AND LOCAL UNION DUES CHECKOFF

The Union shall bear the entire responsibility for obtaining the written authorization from the employee and furnishing the authorization to the Board of Trustees in a form satisfactory to the Trustees. All costs, expenses and fees of the Board of Trustees incident to the accounting, administration and remittance to the Union of the supplemental dues and or local union dues payments shall be borne solely and entirely by the Union. This provision shall in no way affect the obligation of the Contractor to pay the full amount of vacation contributions specified in this Agreement.

#### C. LOCAL UNION INITIATION FEES

The employer agrees to deduct regular initiation fees and dues upon receipt of a written authorization from any employee, subject however, to the provisions of any applicable State or Federal laws. The amount to be deducted shall be indicated on the authorization and in no case shall the amount deducted be more than the amount due the employee. The employer shall submit the deducted initiation fees monthly to the local union.

It is the intent and purpose of the parties to comply fully with all laws, rules and regulations applicable to the dues check-off provided by this Section. If any provision of this Section, or any procedure in the implementation or administration of this Section, is determined to violate any such law, rule or regulation, the parties will promptly enter into lawful negotiations to correct such violation.

The Union shall exonerate, reimburse and save harmless the Employer, each individual employer and the Bank or other depository designated pursuant to this Section, individually and collectively, against any and all liabilities and reasonable expenses arising out of the payment, receipt or distribution of the amounts listed in the Master Agreement for Working Dues.

Each individual employer covered by this Agreement will contribute the sum of \$2.63 per hour for each hour compensated to carpenters employed by such individual employer under this Agreement to the Carpenter's Pension Trust Fund, and will be subject to and entitled to the benefits of all the provisions of the Trust Agreement in existence prior to June 1, 1968, or as amended, or as the fund may be reorganized or merged, establishing that fund any amendments thereto.

#### F. APPRENTICESHIP

The joint committee is to have complete control and direction of the on-the-job and related class training of all apprentices in the trade. To meet the cost of operation and administering of the joint apprenticeship program each individual employer covered by this Agreement will contribute the sum of thirty-six cents (.36) per hour compensated to carpenters employed by such individual employer under this Agreement. Such contributions shall be made to the "Carpenters Joint Apprentice and Training Committee Fund." Each employer shall employ at least one apprentice under conditions established under the rules and regulations of the joint apprenticeship.

#### G. CONTRACT ADMINISTRATION AND INDUSTRY ADVANCEMENT

The Union recognizes that the Association is required to expend certain sums to administer this agreement and to promote programs designed to improve the construction industry. Each individual

Employer covered by this Agreement will contribute the sum of fifteen (.15) cents per hour for each hour compensated to carpenters employed by such individual Employer under this Agreement to the Construction Industry Advancement Fund administered by the Nevada Chapter Associated General Contractors of America, Inc.

For the purpose of administering this fund, the Individual Employer, by becoming signatory to this Agreement, does hereby designate the employer trustees to act as his agent in all matters concerning the Fund. In the event an Individual Employer specifically excludes the provisions of subsection G under this Agreement he shall pay an additional contribution of fifteen cents (.15) to the joint apprenticeship program described under subsection F. The employers may review the status of the fund described in this subsection should any law be enacted which purports to change the method of appointing trustees or administering this fund, by serving notice upon the Union of a desire to review such status not more than sixty (60) days in advance of the initial meeting for such review.

#### H. CARPENTERS-CONTRACTORS COOPERATION COMMITTEE

The Committee is a jointly established and administered Committee formed and created for the about stated purposes.

#### I. GENERAL PROVISIONS

In order to provide benefits to employees without disruption during periods of contract negotiations and to assure an orderly means of collecting Trust Fund contributions during such periods, each signatory employer agrees that he or it shall be obligated to contribute to each and every Trust Fund referred to in this Agreement for any period following the termination date of this agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated. Each signatory employer further agrees that the Union and/or any of said Trust Funds may enforce this obligation through the grievance and arbitration provisions of this Agreement and/or by action to collect such delinquent contributions filed in the United States District court for the district of Nevada.

Effective December 31, 2003, contributions to the existing Trust Funds will cease and commencing January 1, 2004, fringe benefit contributions will be made, except as provided below, pursuant to the revised provisions of Section VI.

In addition to the foregoing contributions, any signatory Employer who was signed to any agreement which required contributions to the Northern Nevada Carpenters Pension Fund prior to June 30, 2003, will also contribute an amount equivalent to \$1.25 for every hour of contributions owed to the Carpenters Pension Trust for Southern California under Paragraph E above. This contribution will not be made on behalf of any individual but the \$1.25 is to be used by the Trustees of the Northern Nevada Plan pursuant to the terms of the governing trust agreement for the express purpose of paying accrued benefits

and incidental administrative costs and expenses. No individual employee will accrue any additional benefits based on this payment. When another entity has fully assumed all liability from the Carpenters Pension Trust of Northern Nevada for all accrued, vested and or unfunded pension benefits and the plan is terminated or the Trustees make a determination that such contribution is no longer necessary, this payment will cease. At that time the Union may choose to reallocate \$1.25 of the pension contribution (or some portion thereof) to wages and/or other benefits at the sole discretion of the Union with 60 days written notice to the Employer.

*If an Employer makes the \$1.25 contributions set forth above to the Northern Nevada Pension Plan as required, that Employer may deduct such payments from the amount required to be paid to the Carpenters Pension Trust for Southern California.*

On or after July 1, 2004, should the Northern Nevada pension board of trustees determine that the \$ 1.25 per hour contribution is insufficient to meet the fund's current liabilities, the parties to the collective bargaining agreement, upon 30 days written notice from the board of trustees, agree to meet for the sole purpose of discussing Northern Nevada pension contributions.

The payment to the Carpenters Health & Welfare Fund set forth above is \$0.35 higher than that required of other participants in the Plan. This additional contribution is designed to compensate the Fund for the cost of providing immediate eligibility as of January 1, 2004, through April 30, 2004, for all Northern Nevada Plan Participants that were eligible as of December 31, 2003, and the opportunity to earn an hour bank for the full amount allowed by the Southern California health plan.

Beginning January 1, 2004, the Employer parties to this Agreement agree to comply with all the terms of the Agreements establishing: (1) the Carpenters Health & Welfare Trust for Southern California, dated February 8, 1955, as amended; (2) the Carpenters Pension Trust for Southern California, dated September 14, 1959, as amended; (3) the Carpenters Joint Apprenticeship and Training Committee Fund for Southern California, dated May 1, 1960, as amended; (4) the 12 County Carpenters Vacation Savings and Holiday Plan, dated April 1, 1962, as amended; (5) the Construction Industry Cooperation Committee, dated October 1, 1986, as amended; and (6) the Construction Industry Advancement Fund (for Northern Nevada), dated September 19, 1972, as amended; (hereafter collectively referred to as the "Carpenters Trust Funds") and any amendments, modifications, extensions and renewals of such Trust Agreements and By Laws.

Except as specifically excluded by this Agreement such Trust Agreements and By Laws are specifically incorporated by reference and made a part of this Agreement.

The Employer parties to this Agreement agree to pay the Carpenters Trust Funds the sums in the amounts and manner provided for in this Agreement and further agrees to be bound by the Trust Agreements, By-Laws and Rules and Procedures adopted by the Trustees and Directors of the Trust Funds and Committee referred to herein, and all amendments, modifications, extensions and renewals thereto.

The Employer parties to this Agreement agree that they do irrevocably designate and appoint the Employers mentioned in the Agreements establishing the various Carpenters Trust Funds along with representatives designated by the United General Contractors, Inc., as his attorney-in-fact, for the selection, removal and substitution of Trustees or Directors as provided by or pursuant to the Master Labor Agreement and Trust Agreements and By-Laws.

#### B. Vacation Savings and Holiday Plan

The parties have established a Joint Vacation Savings and Holiday Plan and Trust. Each Employer will make payments in the amounts designated in Attachment 1 to the Twelve (12) County Carpenters Vacation Savings and Holiday Plan. The contributions so made will be deemed to be, and will be treated as, subject to withholding tax and Social Security and Unemployment taxes, a part of the total compensation payable at the end of the individual Employers' payroll period during which such work is

performed or paid for, but the full per-hour payments will be transmitted to the Plan.

### C. Supplemental Dues

Subject to the following conditions, the Employer agrees that he will, if he is furnished with his employees written authorization to do so, deduct the sum of two dollars and eighty-six cents (\$2.86) per hour or the amount of Supplemental Dues that are lawfully required by the Union from the amounts required to be paid as vacation benefits by Attachment No. 1 to this Agreement for each employee covered hereby for each hour worked or paid for in each payroll period commencing January 1, 2004 as Special Supplemental Dues. In implementing the foregoing the Carpenters Southern California Administrative Corporation has been designated as Agent for the purpose of receiving and holding written authorization cards and for receiving, holding and allocating and distributing the dues monies.

Said Supplemental Dues will be transmitted to said Agent concurrently with, but not as a part of, the Employers monthly vacation contributions with respect to his employees covered by this Agreement to the 12 County Carpenters Vacation Savings and Holiday Plan (Vacation Trust). All sums deducted by the Employers pursuant to the provision of this Article will, from the instant of their deduction, be considered dues if proper authorization will have been furnished. All other sums transmitted by the Employers pursuant to the provisions of this Article will, from the instance of their transmittal, be considered vacation-holiday contributions if no such proper authorization will have been furnished, and will be held by the Vacation Trust for the account of the employee. Prior to the deposit in the separate bank accounts of the Agent, on the one hand, and the Vacation Trust, on the other, the bank will separate the funds transmitted into dues and vacation-holiday contributions, respectively, based on whether or not a proper dues deduction authorization has been filed. The bank will then deposit such sums in the account of either the Agent or the Vacation Trust. The Union will bear the entire responsibility for furnishing the written authorization referred to above. All costs incident to receipt, administration and remittance to the Union of the Supplemental Dues payment will be borne solely and entirely by the Union. This provision will not reduce the obligations of the Employer to pay the full amount of vacation contributions specified in this Agreement. All written authorizations referred to above will be irrevocable for a period of one (1) year from the date of the execution and will renew automatically from year to year thereafter, unless the employee, by written notice served upon the Local Union and/or the Agent not more than twenty (20) days and not less than ten (10) days prior to the expiration of the first year or any year thereafter, will have revoked such authorization.

#### APPENDIX "E"

##### DRUG ABUSE PREVENTION AND DETECTION

The parties recognize the problems which drug and alcohol abuse have created in the construction industry and the need to develop drug and alcohol abuse prevention programs. Accordingly, the parties agree that in order to enhance the safety of the work place and to maintain a drug and alcohol free work environment, individual employers may require applicants or employees to undergo drug testing. The parties agree that if a testing program is implemented by an individual Employer, the following items have been agreed upon by Labor and Management:

(a) It is understood that the use, possession, transfer, or sale of illegal drugs, narcotics, or other unlawful substances is absolutely prohibited while employees are on the Employer's job premises or while working on any site in connection with work performed under the applicable agreement.

(b) The parties agree to allow employers to use, on a voluntary basis, the Avitar oral fluid test or an equivalent, or breath-scan test or an equivalent, approved by both parties as an effective low-cost tool for substance abuse screening for pre-hire, time of dispatch screening only. Testing procedures shall be conducted in a manner consistent with the manufacturers' specifications and shall utilize the ORAL screen OSR devise, in an effort to produce the most consistent and accurate results possible. Should the employer or owner written drug test policy require additional screening, such screening shall be done at the employers' expense.

(c) All applicants or newly hired employees will undergo a drug test at the direction of the Employer, but not later than five (5) days after commencement of work, at a facility agreed upon by the Employer and the Union. The cutoff levels for both the initial test and the confirmation test will be those established by the Federal Department of Health and Human Services. The facility where the sample is

tested will be approved by the Federal Department of Health and Human Services. The Employer agrees to pay each applicant or employee who takes and passes the drug test for all time it takes to undergo the drug test up to a maximum of one (1) hour travel time which includes lab time. If an employee fails the drug test and has time coming to him or her, the employer may withhold the cost of the drug test from the final check.

(d) Applicants not passing the drug test will not be placed on the Employer's payroll or receive any compensation including no show-up time compensation. Employees not passing the drug test will be removed from the Employers payroll. The Employer agrees to pay the cost for administering the drug test.

(e) The Employer may require that an employee be tested for drugs and alcohol where the Employer has reasonable cause to believe that the employee is impaired from performing his/her job. Observation must be made by at least two (2) persons, one (1) of whom may be a Union employee. This provision shall be applied in a non-discriminatory manner. Supervisors will administer the program in a fair and confidential manner. For employees who refuse to take a test where the prerequisites set forth in this paragraph have been met, there will be a rebuttal presumption that the test result would have been positive for an unlawful substance.

(f) An Employer may require that an employee who contributed to an accident be tested for drugs and alcohol where the Employer has reasonable cause to believe that the accident resulted from drug usage.

(g) There will be no individual random drug testing by the signatory Employer.

(h) It is understood that the unsafe use of prescribed medication, or where the use of prescribed medication impairs the employee's ability to perform work, is a basis for removal.

(i) A sufficient amount of a sample shall be taken to allow for an initial test and confirmation test. The initial test will be an Enzyme Multiplied Immunoassay Technique (EMIT). In the event a question or positive result arises from the initial test a confirmation test must be utilized before action can be taken against the employee or applicant. The confirmation test will be by Gas Chromatography – Mass Spectrometry (G C/M S). The cutoff levels for both the initial test and confirmation test will be those established by the Federal Department of Health and Human Services. Confirmed positive samples will be retained by the testing laboratory in secured long term frozen storage for a minimum of one (1) year. Collection and transportation of each sample must be done in accordance with the procedures mandated by the Federal Department of Health and Human Services.

(j) Present employees, if tested positive, shall have the prerogative for a rehabilitation program at the employee's expense. When such program has been successfully completed, the Employer shall not discriminate in any way against the employee. If work for which the employee is qualified, exists, he or she shall be reinstated.

(k) Any dispute which arises under this drug and alcohol policy shall be submitted to the grievance and arbitration procedure set forth in the applicable Agreement.

(l) In the event an individual Employer is required, as a condition of contract award, to abide by the terms and conditions of an owner's drug and alcohol policy, the Employer will notify the interested Unions in writing prior to implementing such policy.

(m) The establishment or operation of this policy shall not curtail any right of an employee found in any law, rule or regulation. Should any part of this policy be found unlawful by a court of competent jurisdiction or a public agency having jurisdiction over the parties, the remaining portions of the policy shall be unaffected and the parties shall enter negotiations to replace the affected provision.

(n) The Employer shall indemnify and hold the Union harmless against any and all claims, demand, suits or liabilities that may arise solely out of the Employer's application of the Substance Abuse Program.

(o) The Employers will be allowed to conduct periodic jobsite drug testing on construction projects until completion of work under the following circumstances:

- (1) The entire jobsite must be tested including all employees of the Employer.
- (2) Prior to start of periodic jobsite testing the Employer will notify the Union in writing.
- (3) Analysis shall be conducted by a Federal Department of Health and Human Services certified lab.
