EDITORIAL

The most definite information that we have been able to secure up to date concerning the election has been given to us by Mrs. Dates, the Mayor's wife. If the election proves to be as close a one as it has promised to be up to now, the votes of the Border men will be exceedingly important. Their votes have been cast, but will not be made known until December 6, and whether this will turn or not remains to be seen.

Two states have voted upon the Women's Suffrage issue. News from South Dakota is unfavorable but there is hope still. West Virginia has not been heard from as yet.

The intelligent interest shown by the girls has been very marked in more than one way. Our notice was called to the fact that there were comparatively more girls than men at the finish of the returns at Bailey Hall.

STUDENT GOVERNMENT.

Ruth Chapelle has been appointed chairman of the Student Gov't party to be held in the armory Wed. Nov. 29th.

Plans are to be taken up for the Vocational Conference. It has been suggested that we have a series of vocational lectures throughout the year instead of a three day conference. If

anyone is interested or has suggestions, please speak to A. MacDonald.
