ARTICLE I - GROUND RULES AGREEMENT

A. Recognition

The District hereby recognizes the Association as the official negotiating agent for all school related personnel who work in excess of twenty-three (23) hours per week under the following titles: bus driver (regular run), bus driver (full time), cleaner, maintenance worker, custodian, clerk/typist, aide, food service helper; cook; and repairman. Excluded from the unit are temporary replacements of one year or less, any other employees who are not employed on a regular basis, and/or any position not named herein.

B. Opening Negotiations

Upon written request of either party for a meeting to open negotiations for a new contract, a mutual acceptable meeting date shall be set not more than fifteen (15) days following such request. In any given school year, such request shall be made on or before February 1. Any issues proposed for discussion shall be submitted in writing by the Association to the CSO or his designated representative(s) at the first meeting. The CSO shall submit, in writing, to the school related personnel representative(s) all additional issues upon which (s)he wishes to negotiate no later than the second meeting. The second meeting and all subsequent meetings shall be called at times mutually agreed upon by the parties.

C. Exchange of Information

Both parties shall furnish each other, upon reasonable request, with available information pertinent to the issue(s) under consideration.

D. News Releases

The parties agree that, during the period of negotiations and prior to reaching an agreement to be submitted to the CSO and the Association, the proceedings of the negotiations shall not be released unless such an issuance has the prior approval of both parties or unless impasse is declared.

ARTICLE 2 - GRIEVANCE PROCEDURE

A. Declaration of Policy

It is hereby declared to be the purpose of these procedures to provide a means for orderly settlement of differences, promptly and fairly, as they arise and to assure equitable and proper treatment of employees.

B. Definitions

A grievance is any alleged violation of this contract collectively negotiated between the CSO and the School Related Personnel Association.

Employee shall mean any member of the negotiating unit covered by this Agreement.

The Association is the Fort Plain School Related Personnel Association.

C. Basic Principles

1. Since it is the intent of these procedures to provide for the orderly settlement of differences in a fair and equitable manner, the resolution of a grievance at the earliest stage is encouraged.
2. An employee or the Association shall have the right to present grievances in accordance with these procedures, free from coercion, interference, restraint, discrimination or reprisal.
3. An employee or the Association shall have the right to be represented at any stage of the procedures by a person or persons of their choice.
4. All hearing shall be confidential.
5. It shall be the responsibility of the CSO of the District to take such steps as may be necessary to give force and effect to these procedures. Each administrator or supervisor shall have the responsibility to consider promptly each grievance presented and to make a determination within the authority delegated, within the time specified in these procedures.
6. The function of these procedures is to assure equitable and proper treatment under this contract.
7. Each party to a grievance shall have access to all written statements and records pertaining to such grievance.
8. The right to initiate a grievance under this Article shall be deemed waived unless the grievance is presented in writing to the employee's immediate supervisor within thirty (30) calendar days of when the aggrieved party knew or should have known of its occurrence.

D. Procedures

Step 1 - Supervisor

- a. An employee having a grievance will discuss it with his/her immediate supervisor with the objective of resolving the matter informally.
- b. If the grievance is not resolved informally, it shall be reduced to writing and presented to the immediate supervisor.
- c. The immediate supervisor shall render a written determination to the aggrieved party within seven (7) business days after the written grievance has been presented to him.

Step 2 - Superintendent

If the aggrieved party is not satisfied with the Step 1 determination, or if a decision at Level 1 has not been rendered in seven (7) business days, a written appeal may be filed with the Superintendent within seven (7) business days after the employee has received a written decision (or the time for rendering a written decision has lapsed). The Superintendent may hold a hearing to obtain further information regarding the grievance. Members of the District's board of education shall have the option of attending the hearing. The Superintendent, or designee, shall render a written decision concerning the grievance within fifteen (15) business days of its submission to him/her.

Step 3 - Arbitration

- a. If the Association is not satisfied with the Level 2 decision, or if a Level 2 decision has not been rendered within fifteen (15) business days, the Association's Grievance Committee may submit the grievance to the American Arbitration Association (AAA) by filing a Demand for Arbitration on the Superintendent and with the AAA, within fifteen (15) business days after the parties receive a Step 2 decision (of the time for such a decision has lapsed).
- b. The rules and procedures of the AAA shall apply.
- c. The decision of the Arbitrator shall be final and binding on the parties.
- d. The costs for the services of the Arbitrator, including expenses (e.g., transcripts, if mutually agreed upon), if any, shall be borne one-half by the District and one-half by the Association.
- e. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Agreement.

ARTICLE 3 - CONDITIONS OF EMPLOYMENT

A. Maintenance of Standards

The employer agrees that all conditions of employment relating to wages and general working conditions shall remain in effect during the life of this contract.

B. Due Process - Removal and Other Disciplinary Action

1. Any bargaining unit member who has successfully completed his/her probationary term (6 months) shall not be removed or otherwise subjected to any disciplinary penalty provided in this section except for incompetence or misconduct shown after a hearing upon stated charges pursuant to this section. Such hearing shall follow the format of appearance and adjudication in the following order:
 - a. Chief Executive Officer
 - b. School Board
 - c. American Arbitration Association

The maximum time limits between each step shall be ten (10) workdays. If Step 3 is used (American Arbitration Association), the parties shall be bound by the Rules of the American Arbitration Association, and the arbitrator's decision shall be binding and final on both parties. The cost for this service shall be borne equally between the parties.

2. Persons disciplined under this provision shall have the right to elect either the procedure through arbitration as outlined above or the procedure outlined in Sections 75 and 76 of the Civil Service Law, but not both. Upon service of disciplinary charges, a person shall have eight (8) days to notify the Chief Executive Officer of which procedure he/she elects. In the absence of a timely election, the person will be deemed to have elected arbitration under this provision. Any person electing arbitration under this provision, or deemed to have made such an election will be deemed to have waived any rights he/she has pursuant to Sections 75 and 76 of the Civil Service Law.

C. Seniority in Case of Consolidation

A bargaining unit employee originally employed by one of the former districts will carry into the consolidated district exactly the same Civil Service rights he/she had in the former district in which employed. In the event the districts have different salary and/or benefit levels, bargaining unit employees shall receive the highest salary and benefit level provided in negotiated agreements in existence at the time of the merger. Excess staff situations caused by merger will be resolved by application of the seniority principle if the matter cannot be resolved by attrition. A preferred eligible list will be established and if a position opens those laid off will be given first opportunity to fill the position, if qualified. Such employees will remain on the list for four (4) years.

D. Posting of Vacancies

All full time vacancies will be posted for five (5) workdays. Any qualified employee may apply in writing to the CSO. In filling vacancies, the following order of preference will be followed:

1. Applicants with three (3) or more years of District service will be given first consideration.
2. Applicants with less than three (3) years of employment in the District will be given second consideration.
3. Currently employed food service helpers will be given consideration as per 1 and 2 above when filling vacancies in the cook's position.

ARTICLE 6 - SALARY SCHEDULES AND INDIVIDUAL CONDITIONS OF EMPLOYMENT

A. Part Time Bus Drivers (Regular Bus Drivers) and Full Time Employees with Bus Driver Titles

1. Classifications of and Eligibility for Extra Trips

Type 1 - For trips occurring after 2:00 p.m., all full and part time employees with bus driver titles are eligible for extra runs on a seniority based rotation system.

Type 2 - Trips occurring during the school day but not interfering with regular run assignments. Any run of ten miles or less will be taken by a full time transportation employee, except in an emergency. A trip over ten miles may be taken by part time bus drivers.

Type 3 - Trips involving late bus assignment for the return of children home will be assigned on a weekly basis for a separate seniority based rotation system in which both full and part time drivers are eligible. If a driver accepts this assignment, he will be eligible for any extra trips assigned as long as another driver is available for the late bus run.

2. Rotation System

- a. A rotating system for assigning extra trips will be used. Seniority will prevail in annual establishment of the list. The first trip of the year will be offered to the most senior driver, etc. If a driver passes his chance to take a trip, he does not become eligible again until all other drivers have either accepted a trip or passed a trip.
- b. Drivers will be required to check a rotation checklist, provided by the head bus driver, on a daily basis between 8:00 and 8:15 a.m. If a bus driver doesn't check in then, he will be marked as a refusal.
- c. Any trip that is canceled, the driver will be eligible for the next eligible unassigned trip to make up for the trip that was canceled, without losing rotation placement.
- d. If notification for a trip is given 4 hours or less to the head bus driver then he will assign it to the most readily available driver without affecting their turn in rotation.
- e. If no one volunteers for a trip, the dispatcher may offer the trip to a substitute driver. If no volunteers are then forthcoming, the dispatcher will assign the least senior eligible member of the rotation system to take the trip. The least senior member cannot refuse unless there are extenuating circumstances.

3. Duties of Bus Drivers

- a. Bus drivers must clean their buses daily, as necessary.
 - b. Each bus driver will report, in writing, the condition of his/her bus daily.
 - c. Each bus driver shall report, in writing, any accident immediately after it happens.
 - d. Each bus driver will adhere to scheduled routes and stops unless there is an emergency. If it is necessary to change because of an emergency, it will be reported to the CSO.
 - e. All bus drivers must report student discipline problems or parent complaints to the building principal within twenty-four (24) hours.
- B. Seniority will be considered if a new run opens up. However, if there is a conflict, the CSO will make the final decision.

C. Compensation for Extra Trips

Reporting of trip hours will be done by the dispatcher on a bi-weekly basis. Calculation of pay rates will be done by the District Office.

D. Working Out of Title

Employees who are temporarily assigned to a higher paying job will receive the higher rate after five (5) consecutive working days within the position.

E. Teacher Aides as Substitutes

Given that it is becoming increasingly difficult to hire either certified or uncertified substitute teachers, and given that many teacher aides carry such qualifications and/or a familiarity with the curriculum, the emergency lesson plans, the students, and school and classroom routine, the Association agrees that the district may offer currently employed aides the opportunity to voluntarily accept the responsibility to substitute for the regular teacher within their regularly assigned classroom. Such aides will be added to the Board of Education's approved substitute list.

The following conditions will be met when any aide voluntarily accepts such an assignment:

1. The district will have exhausted the normal process of acquiring a substitute for the classroom teacher. In every case, priority will be given to a certified substitute.
2. Every such assignment will be voluntary on the part of the aide. The aide acting as a substitute teacher will receive the appropriate substitute teacher pay, based on individual qualifications, in the same manner as substitutes are awarded a pay scale.
3. Each aide who becomes a substitute teacher will be replaced by a substitute aide for the duration of the substitute assignment.
4. No deduction will be made from the aide's leave time during such an assignment.
5. Either party to this agreement, the Association or the School District, may elect to unilaterally withdraw this agreement at the end of any school year. Notification must take place prior to September 1 of any school year if there is to be a change in this agreement.

Teacher Aides as Substitutes – Approved by Memorandum of Agreement on November 18, 1998.
