## **ARTICLE I.**

**RECOGNITION** - The Village of Green Island determines that the Green Island Professional Firefighter's Association represents a majority of the employees in the following defined bargaining unit and hereby recognizes the Green Island Professional Firefighter's Association as the negotiating agent for all full-time employees of the Green Island Fire Department who are in the job titles of Firefighter. Excluded are all other employees of the Fire Department and all part-time Callmen and any other employees as well as those employees in a job title listed above who may, depending on their duties, be determined by the Public Employment Relations Board to be managerial or confidential employees under the Taylor Law. The job titles used above are for descriptive purposes only. Their use is neither an indication nor a guarantee that these titles will continue to be utilized by the Village of Green Island.

## **ARTICLE II.**

**AGENCY SHOP** - Any full-time employee of the fire department who is not a member of the UNION shall, as a condition of employment, pay a monthly service charge equivalent to the dues and assessments paid by a member to the UNION. The provisions of this section shall be applicable while the Union continues to maintain a procedure providing for the refund to any employee demanding the return of any part of the deduction so made which represents that employee's pro rata share of expenditures by the Union in aid of activities or causes of a political or ideological nature only incidentally related to terms and conditions of employment.

### **ARTICLE III.**

**DUES CHECK OFF** - The employer agrees to deduct, each pay day, dues in the amount certified to be CURRENT by the SECRETARY/TREASURER of the Union from the pay of all full-time employees, the total amount of deductions shall be remitted each month by the EMPLOYER to the TREASURER of the Union.

The Union agrees that the Village can change the hours of work, including start time and length of shift at any time on not less than two weeks' notice, provided that the Village and the Union have met in advance of the effective date of such change to negotiate the decision to change the hours.

## **PERSONAL LEAVE**

- (A) Any firefighter employed by the Village on or before June 1, 1978 shall be credited with twenty-four (24) hours personal leave, and thereafter except as herein otherwise provided, shall be credited with twenty-four (24) hours personal leave each year on June 1st. Personal leave is not cumulative. Unused credits are canceled on May 31<sup>st</sup> of each year.
- (B) Any firefighter hired after June 1, 1978 shall accrue twelve (12) hours personal leave upon commencement of employment and an additional twelve (12) hours upon satisfactory completion of an additional six (6) months. ## **PROBATIONARY PERIOD**

Newly appointed members and employees shall be on probation for the maximum period provided by the Civil Service Law of the State of New York.

**OVERTIME** - In the event overtime is required on a particular occasion other than a recall, the following procedure shall be used:

- 1) The senior man in the department shall be called first continuing down the seniority list on a wheel; (**SEE SENIORITY LIST G.I.F.F. - Attached as Exhibit A**)
- 2) A firefighter shall be credited with having received overtime only if said firefighter actually works. Refusing overtime or failing to answer a call for overtime shall constitute a "NO" on the overtime wheel until the next wheel. If a firefighter refuses overtime, his name on the list shall be removed from said list. When any firefighter shall refuse overtime, he will not be eligible for further overtime until he is eligible for overtime on the next wheel.
- 3) Any overtime required in excess of four (4) hours will go on the Wheel, and will be credited to the firefighter as time worked.
- 4) Once a firefighter has worked overtime, he will not be offered overtime until the rotation on the list is completed.
- 5) A record shall be maintained of all overtime worked, showing whether or not a firefighter reported for duty. A copy of such record will be made available to firefighters and the union monthly.
- 6) A firefighter shall be given reasonable notice for overtime whenever possible.
- 7) In the event of an extended leave situation, where the Chief deems it necessary to change the present schedule involving a seven (7) man rotation to a six (6) man rotation, that overtime will not count toward the preceding overtime clauses noted in 1 - 5.
- 8) **SPLITTING AN OVERTIME SHIFT** - Splitting of an overtime shift may be permitted only after the full shift is offered to every firefighter on the current list, and no one wants the full shift, but two (2) or more firefighters indicate they would work part of the open shift. In this case the overtime would go back to the current top man on the list, and be offered again as ½ or part of a shift continuing down the list until the shift is filled. The individual(s) working that split shift will be crossed off the list as accepting overtime.

9) In no event will an error in overtime assignment or offers of overtime, result in any payment to any firefighter who is passed over because of any such error. Such error will be corrected in the next overtime assignment.

10) a) Response to offer of overtime to be performed within twenty-four (24) hours of call shall be immediate - any answer other than yes shall be deemed a refusal.

b) Overtime to be filled more than twenty-four (24) hours, but less than seven (7) days after the overtime becomes available shall be accepted or denied within four (4) hours of being called.

c) Overtime to be filled more than seven (7) days after the call advising the firefighter that overtime is available shall be accepted or deemed denied within twenty-four (24) hours of the call to the firefighter.

11) Mandatory Overtime. If every firefighter on the seniority list refuses overtime, mandatory overtime will be assigned by the Chief in the reverse order of seniority. The firefighter assigned to the mandatory overtime who actually works the mandatory overtime, shall not be required to work a mandatory overtime shift, until everyone on the list has actually worked a mandatory overtime shift. The listed will be posted by the Chief.

12) Overtime Compensation. Each firefighter shall be paid overtime at time and one half of his regular rate of pay for each hour in excess of Two Hundred Two (202) hours in the current twenty-eight (28) day schedule.

13) If a firefighter has accepted overtime and finds he/she can not work the day or part, the firefighter may not exchange all or part of the shift and must take a "NO" on the overtime wheel.

## **SICK LEAVE**

- A) Firefighters shall earn one (1) eight (8) hour sick credit on the first day of each month and on every anniversary date of employment.
- B) Sick leave may be accumulated to one hundred eighty (180) eight (8) hour days. Sick time reimbursement will be set at \$20.00 per day after five (5) years of service, \$25.00 per day after ten (10) years of service, \$30.00 per day after fifteen (15) years of service, and \$35.00 per day after twenty (20) years of service.

Reimbursement will be paid only when the employee reaches the cap (180 days) for those days accumulated in excess of 180 days or upon termination of employment with the village. Reimbursement will be made through the payroll department starting with the third payroll in June of each year and each and every year thereafter.

- C) Leave for sickness in a firefighter's immediate family, as defined in Bereavement Leave, which requires the presence of the firefighter, may be charged against sick leave upon prior approval of the Chief, or the Mayor or the Executive Assistant to the Mayor. After two (2) consecutive twenty-four (24) hour work days of sick leave, the Chief or the Mayor or the Executive Assistant to the Mayor shall also have the right to require a firefighter to provide the Village with a statement from a licensed physician certifying as to the need for the absence of the firefighter.
- D) The following procedure shall apply for a firefighter's leave due to his own illness. After two (2) consecutive twenty-four (24) hour work days of sick leave, the Chief or the Mayor or the Executive Assistant to the Mayor shall also have the right to require a firefighter to provide the Village with a statement from a licensed physician certifying to the need for the absence and the Village may require an examination by a physician designated by the Village.

E) At its discretion, the Village may advance sick time to a firefighter absent due to personal illness, other than absence covered by worker's compensation, who has exhausted all accumulated sick leave, vacation and personal leave. Such advances shall not exceed thirteen (13) days and shall be "REPAID" by the subsequent accrual of sick leave or from wages. Thereafter, an employee with more than one (1) year of continuous service, may at the discretion of the Village, is paid for not more than fifty (50) days, which consists of eight (8) hour working days of continuous absence.

## **BEREAVEMENT LEAVE**

Each firefighter shall be granted up to three (3) working days or one (1) twenty-four (24) hour shift per death per year for death in the immediate family. The immediate family is defined as an employee's spouse, parents, children, sister or brother. Bereavement leave shall not be cumulative nor liquidated by cash for unused leave at the time of separation, retirement or death.

## **DEATH/RETIREMENT**

In the event that a member of the bargaining unit dies while in the employment of the Village, or retires under normal circumstances or by reason of disability, the monetary value of accrued Holiday Pay, and unused Vacation Time, and Sick Leave shall be paid to the beneficiary designated by him for retirement purposes, or to such retired member, the value thereof to be computed in accordance with the annual pay then being received by such firefighter.

Each firefighter shall pay ten (10%) percent of the total health insurance premium. Firefighters hired after the date of ratification and approval of this contract shall pay twenty percent (20%) of the total health insurance premiums. Such premiums will be deducted on a pro rata basis from each weekly paycheck. The Village reserves the right to require co-payments from firefighters for health care coverage.

- C) In the case of death of a retiree, the spouse of the retiree shall have the option to pick-up the same coverage at the then existing premium cost. This shall take effect three (3) months from the date of death. The Village will maintain the benefits during the three (3) month period, as long as the spouse continues to make the weekly employee contribution of Ten Percent (10%) of the health insurance premium.
- D) Firefighters who elect not to be covered under the current Village health insurance plan will receive a cash buy out. The buy out schedule is as follows:

(i)	Single person coverage	\$1,500.00
(ii)	Two person coverage	\$2,500.00
(iii)	Family coverage	\$3,000.00

Any firefighter who elects to participate in the buy out program must first provide proof satisfactory to the Village that he has health insurance coverage from another source. Elections made on and after the date this contract is signed will be prorated. The appropriate buy out payment will be made by July 1 of the fiscal year following the year in which the election to terminate coverage is made by the firefighter.

## **RETIREMENT**

The Village will provide and maintain a non-contributory retirement plan for all members of the bargaining unit pursuant to the appropriate provisions of Section 384-D of the Retirement and Social Security Law of the State of New York, relating to the New York State, Police and Firemen's Retirement System by which members may elect to retire after twenty (20) years of service.

Clothing damaged in the performance of duty will be reviewed on a case by case basis for replacement.
- D) The Village agrees to continue to review on a case by case basis the replacement or repair of personal items destroyed or damaged in the performance of firefighting while on duty with the Green Island Fire Department.

## **DISCIPLINE**

In the event that any firefighter shall be the subject of disciplinary procedure he/she shall be notified in advance of any preliminary meeting to which the firefighter has been directed to appear at least one hour in advance of such meeting to enable the firefighter to obtain UNION representation. Failure of the firefighter to obtain such representation shall not be a reason to refuse to attend such meeting.

## **GRIEVANCE PROCEDURE**

Employees of the Village of Green Island occasionally have questions and problems regarding the administration of personnel policies and rules, about the performance of their work or about such matters as working conditions and supervision of other employees. As a means of preventing employee morale from being adversely affected due to complaints or misunderstandings being resolved, the following procedure has been established and implemented:

Step 1. Initially, the employee shall discuss the matter fully with his department head. The department head shall discuss the matter fully with the employee, obtain all pertinent information and speak with the people involved. His decision shall be given to the employee within ten (10) working days from the time the grievance was presented, with a full, written explanation of his decision. If no solution is agreed to, the employee shall proceed to Step 2.

Step 2. The dissatisfied employee may appeal to the Executive Assistant to the Mayor in writing who shall hear the problem anew and make necessary investigations. After reviewing the decision of the supervisor and the pertinent information to the situation, the Executive Assistant to the Mayor shall give a written decision within fifteen (15) working days. If no solution is agreed to, the employee may proceed to Step 3.

Step 3. A final hearing shall be conducted before the Personnel Committee of the Village Board. A copy of the "Rules and Regulations" shall be furnished upon request. The committee shall hear the grievance, make findings of fact, conclusions and recommendations. These recommendations will be binding for all.

Step 4. Grievances arising out of disciplinary actions only ( i.e. not concerning the administration of personnel policies and rules, the performance of their work or about such matters as working conditions and supervision of other employees) shall be subject to binding arbitration under the procedure to be agreed upon by the parties.

## **GENERAL PROVISIONS**

1. This Agreement shall be effective for a period of three (3) years, commencing on June 1, 2006 and ending on May 31, 2009.
2. The Village agrees to supply three (3) copies of the signed agreement.
3. The benefits and privileges provided for in this agreement are subject to the appropriate applicable provision of law.
4. In the event that any provisions hereof shall be held to violate any law, said provisions shall be separable from the remaining provisions of this Agreement, and said remaining provisions shall continue in full force and effect.
5. This agreement may be changed, altered, or amended only in writing, signed by the Mayor of the Village and by a duly authorized representative of the bargaining unit.
6. If either party is not satisfied with the operation of the overtime provisions on Page 13 after six (6) months, both sides agree to sit down and renegotiate the overtime provisions.

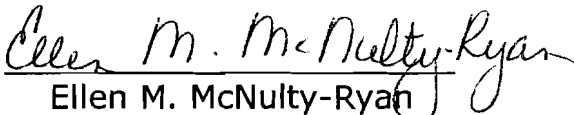

## **PREVAILING RIGHTS**

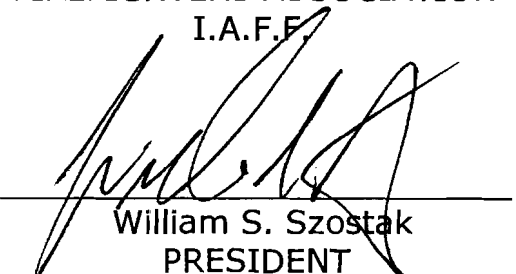

All rights, privileges, and working conditions enjoyed by the employees at the present time, which are not included in this Agreement, shall remain in full force, unchanged unaffected in any manner, during the term of this Agreement unless changed by mutual consent, to the extent documentation exists therefore, to establish a past practice.
