AGREEMENT

This agreement made and entered into between the Byron-Bergen Central School District (hereinafter referred to as the "District") and the Byron-Bergen Office Personnel/Teachers' Aides Association (hereinafter referred to as the "Association").

PURPOSE AND INTENT

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote order and improve the labor relationships for the mutual interest of the District and its employees, and set forth herein an Agreement covering wages, working conditions, and other conditions of employment to be carried out, observed and performed by the parties hereto.

To these ends, the District and the Association encourage to the fullest degree friendly and cooperative relations between the respective representatives at all levels and among all employees.

Examples and notes which are stated in any of the following articles are for the purpose of clarification only, and are not legally binding.

Now, therefore, in consideration of the agreements, understandings, terms, and conditions therein contained and in consideration of other good and valuable considerations, it is hereby mutually agreed by the parties hereto as follows:

ARTICLE I

Section 1. RECOGNITION

Pursuant of the New York State Public Employment Relations Act, the Byron-Bergen Central School District recognizes the Association as the exclusive negotiating representative of all 10 month and 12 month office personnel/teachers' aides/media aides, excluding the District Clerk, the District Treasurer, student workers, substitutes and supervisory personnel employed by the District

Section 2. NO STRIKE

The Association agrees that it will not cause, condone, sanction or participate in any strike, walkout, slowdown or work stoppage.

Section 3. RIGHTS OF EMPLOYEES

It is understood and agreed that employees have a right to join or not to join the Association, and that membership in the Association is not or shall not be a condition or prerequisite for the employment or the continuation of employment of any employee.

Section 4. PREEMPTORY PROVISIONS

If any provision of this Agreement or any application of the Agreement to any employee shall be found contrary to law, then such provision or application shall not be deemed valid and in force except permitted by law, but all other provisions or applications shall continue in full force and effect.

a. ALTERATION OF AGREEMENT

No agreement, alteration, understanding variation, waiver, or modification of any of the terms or conditions or covenants contained herein, shall be made by an employee or group of employees with the District, and in no case shall it be binding upon the parties hereto unless such agreement is made and executed in writing between the parties hereto.

The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent in future enforcement of all the terms and conditions herein.

Section 5. COMPLETE AGREEMENT

With respect to this Agreement, the parties agree that all proposals to be considered have been discussed during negotiations. **ALL AGREEMENTS SHALL BE IN WRITING.** This agreement shall constitute the full and complete commitment between the parties and may be altered, changed, added to, deleted from or modified through the voluntary and mutual consent of the parties in a written and signed amendment to the Agreement.

Section 6. NEGOTIATING TEAM

The negotiating team representing this Association will be comprised of at least one Office Personnel member and one Teacher Aide member.

**ARTICLE II
MANAGEMENT RIGHTS**

Section 1. SPECIFIC RIGHTS

The employer retains the sole right to manage its business and services and to direct the working force, including the right to decide the number and location of its business and service operations, the business and service operations to be conducted and rendered, and the methods, processes and means used in operating its business and services; and the control of the buildings, real estate, materials, parts, tools, machinery and all equipment which may be used in the operation of its business or in supplying its services; to determine whether and to what extent the work required in operating its business and supplying its services shall be performed by employees covered by this Agreement; to maintain order and efficiency in all its departments and operations.

Section 2. GENERAL

The above rights of the Employer are not all inclusive, but indicate the type of matters or rights to which belong to and are inherent to the Employer. Any and all the rights, powers, and authority the Employer had prior to entering this Agreement are retained by the Employer, except as expressly and specifically abridged, delegated, granted or modified by this Agreement.

**ARTICLE III
GRIEVANCE PROCEDURE**

Section 1. DECLARATION OF PURPOSE

It is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal.

Section 2. DEFINITIONS

- 2.1 A **Grievance** shall be defined as a complaint by an affected member of the negotiating unit that there has been a violation, misinterpretation or misapplication of a provision of this agreement.
- 2.2 The **Chief Officer** is the Superintendent of Schools.
- 2.3 **Association** shall mean Byron-Bergen Office Personnel/Teachers' Aides Association.
- 2.4 **Aggrieved Party** shall mean any person or group of persons in the negotiating unit filing a grievance.
- 2.5 **Party in Interest** shall mean the grievant's representative from the bargaining unit and any party named in the grievance who is not the aggrieved party.
- 2.6 **Hearing Officer** shall mean any individual charged with the duty of rendering decisions at any stage of grievance hereunder.
- 2.7 **Employer** shall mean the Board of Education of the Byron-Bergen Central School or their designated representative.
- 2.8 **The Working Day** is any day the District Office is open.

Section 3. GENERAL PRINCIPLES

- 3.1 All grievances shall include the name and position of the aggrieved party and, where possible, the Article and Section which has allegedly been violated, misinterpreted or misapplied, the time and when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing said events or conditions if known and the aggrieved party, and the general statement of the nature of the grievance and the redress sought by the aggrieved party.
- 3.2 Except for informal decisions at Stage I, all decisions shall be rendered in writing at each step of the grievance procedure.
- 3.3 Each individual who wishes to have a grievance considered under the procedure hereby established must initiate and carry through the necessary procedures on his/her own behalf. However, where the grievance or an appeal seems to involve a similar situation for a number of employees and appears to involve system-wide policies, it may be submitted by the Association directly at Stage 3 of the grievance procedure as described below.
- 3.4 The preparation and processing of grievances shall be arranged to avoid interruptions of the work day.

6

- 3.5 Nothing contained herein will be construed as limiting the right to any employee having a grievance to discuss the matter informally with any appropriate member of the administration and having a grievance formally adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this agreement. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, such adjustment shall not create a precedent or ruling binding upon either of the parties to this agreement in future proceedings.

Section 4. TIME LIMITS

- 4.1 Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement in writing.
- 4.2 If a grievance is not filed within the time limit in Section 5.1(a) or if a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this Article shall be barred.
- 4.3 Failure at any stage of this grievance procedure to communicate a decision to the aggrieved party, his/her representative and the Association within the specific time shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

Section 5. PROCEDURES

- 5.1 Stage 1: Supervisor - Informal

As soon as possible, but no later than five (5) working days after the aggrieved party knew or should have known of the act or condition on which the grievance is based, such aggrieved party shall discuss the grievance with his/her supervisor with the objective of resolving the matter informally.
- b. Within five (5) working days after such discussion, the supervisor shall give his answer to the aggrieved party.
- 5.2 Stage 2: Supervisor - Written
- a. If the grievance is not resolved informally, it shall be reduced to writing by the aggrieved party and presented to the supervisor within five (5) working days after the supervisor has given his answer in 5.1 (b) above.
- b. Within five (5) working days thereafter, the supervisor shall render a decision, in writing, and present it to the aggrieved party, his/her representative, if any, and the Association.

5.3 Stage 3: Chief Officer (Superintendent of Schools)

- a. If the grievant is not satisfied with the written decision at the conclusion of Stage 2, and wishes to proceed further, the grievant shall, within five (5) working days after the conclusion of Stage 2, present the grievance to the Chief Officer.
- b. Within seven (7) working days after the receipt of the appeal, the Chief Officer shall meet with the grievant, or his/her representative, and all other parties in interest.
- c. The Chief Officer shall render a decision in writing to the aggrieved party, and his/her representative within five (5) working days after the conclusion of the meeting.

5.4 Stage 4: Arbitration

- a. If the grievance is not resolved in Stage 3 above, and the aggrieved party wishes to pursue the grievance to arbitration, then within ten (10) working days after the Chief Officer has rendered his decision at Stage 3 above, the grievant and/or the Association shall submit a written notice to the Chief Officer of its intent to proceed to arbitration.
- b. The parties agree to use the American Arbitration Association as the administrator of any arbitration. The parties agree to use the American Arbitration Association's voluntary labor rules for selection of an arbitrator.
- c. The selected arbitrator will hear the matter promptly in accordance with the rules of the American Arbitration Association. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issue.
- d. The arbitrator shall have no power or authority to add to, subtract from, or modify any provisions of this agreement.
- e. The decision of the arbitrator shall be final and binding upon all parties. The cost of the services of the local arbitrator, including expenses, if any, will be borne equally by the District and the Association.
- f. No decision of an arbitrator shall create the basis for retroactive adjustment in any other case.
- g. No arbitrator shall decide more than one (1) grievance on the same hearing except by mutual agreement in writing between the Association and the District.

ARTICLE IV
EMPLOYEES / DEFINITIONS

Section 1. TEN (10) MONTH EMPLOYEES

- 1.1 A part-time ten (10) month employee is one who reports daily for a given assignment and is employed for less than seven (7) hours per day in the same job description, and is paid on an hourly basis. A ½ hour unpaid lunch is optional depending on the placement of work hours in the day. They work the same days as scheduled student attendance days. One (1) school calendar year employed would equal 1/2 year of service.
- 1.2 A full-time ten (10) month contract employee is one who is employed a minimum of seven (7) hours per day, which includes a 1/2 hour unpaid lunch, five (5) days per week, in the same job description. They work the same days as scheduled student attendance days. One (1) school calendar year employed would equal 1 year of service.

Section 2. TWELVE (12) MONTH EMPLOYEES

- 2.1 A full-time twelve (12) month contract employee is one who is employed a minimum of eight (8) hours per day, which includes a 1/2 hour unpaid lunch, five (5) days per week, in the same job description. Starting and ending times will vary depending on individual jobs and at the discretion of their immediate supervisor. Summer hours for full-time 12 month contract employees are defined as 6 ½ hours per day, which includes a ½ hour unpaid lunch, five (5) days per week, in the same job description. These hours are to be set at the discretion of the immediate supervisor with approval from the Superintendent. One (1) fiscal school year employed would equal 1 year of service. 12 month contract employees are allowed to leave ½ hour earlier than their normal dismissal time on the last day of the work week.

Section 3. ADDITIONAL SERVICES

- 3.1 If additional work is performed by any member of this association outside of their normal work hours, they will be compensated at their regular hourly rate of pay. The exception to this will apply when a member of this unit chooses to chaperone events, where the rate of pay becomes the amount set for chaperone pay.
- 3.2 After all attempts have failed to find a faculty member to monitor an afterschool duty such as detention or sport study hall, the administration has the option to look to our unit for help. If a member of our unit is appointed to monitor an afterschool duty, they will be paid the same hourly rate that would have been paid to a faculty member. This however would be a temporary appointment until such time that a faculty member is found to monitor said duty.

ARTICLE V

Section 1. SENIORITY

The two job classifications are Office Personnel and Teacher Aides.

1.1 Seniority - Competitive Classification

Seniority for competitive class positions will be covered by NY State Civil Service Law.

1.2 Seniority - Non-Competitive Within Classification

Seniority for non-competitive positions is established by continuous paid years of service with the District, compiled by time actually spent in the particular job classification in which he/she is employed.

1.3 Seniority Within the District – Years of Service

Seniority within the District applies to all employees in this association. Seniority within the district is established by continuous paid years of service with the District, compiled by time actually spent in any job classification in which he/she works or has worked. Years of service will be computed as follows and a schedule will be maintained .

A part-time 10-month employee will have accumulated 1/2 year of service on the schedule for every school calendar year worked.

A full-time 10-month contract employee will have accumulated 1 year of service on the schedule for every school calendar year worked.

A full-time 12-month contract employee will have accumulated 1 year of service on the schedule for every fiscal school year worked.

1.4 Unpaid leaves of absence or time spent on layoff will not be considered for Seniority.

Section 2. PROMOTIONS or TRANSFERS

When considering promotions or transfers, seniority may be considered by the Board, provided that other qualifications such as physical fitness, knowledge, skill and efficiency on the job are adequate as determined by the employer.

Section 3. PROBATIONARY PERIOD

The probationary period for unit employees shall be for the first twenty-six (26) weeks of employment. There shall be no seniority among probationary employees and such employees may be terminated at the discretion of the employer without recourse to this Agreement at any time during the probationary period provided above. The probationary period may be extended by mutual agreement of the parties.

If the employee is retained after successful completion of his/her probationary period, he/she shall be deemed a permanent employee and he/she shall acquire seniority retroactive to his/her date of employment, and he/she shall be entitled to the rights and protections of this Agreement.

- 3.1 When an employee has been transferred to another job classification, the twenty six (26) week probationary period will apply.

Section 4. LOSS OF SENIORITY

An employee's continuous service and all of his/her seniority rights shall be terminated by any of the following:

1. Discharge for cause
2. Retirement
3. Resignation

Failure to report to work for three (3) consecutive working days without notifying the employer of the reasons for such absence, or failure to return from an approved leave of absence on the scheduled date of return, or failure to report to work on the agreed date of a recall from layoff, shall be considered a resignation effective the first day of such absence or layoff.

Section 5. LAYOFF and RECALL

In the event that it becomes necessary to layoff employees for any reason, applicable Civil Service Law and Regulations shall govern, but as to employees not so covered, the following procedures shall be followed:

- 5.1 Probationary employees shall be laid off within a job classification before any employee with seniority is laid off within the classification.
- 5.2 Layoffs within a job classification shall be on the basis of seniority within that job classification, with those having the least seniority being the first laid off, provided the remaining employees in the classification have the ability to satisfactorily perform the remaining work. Such ability shall be evidenced by prior work performance in the District.
- 5.3 In the event that a laid-off employee in another job classification within the bargaining unit has satisfactorily performed work in the District on a regular basis in another classification, other than a substitute, he/she may exercise his/her seniority in the classification provided he/she is capable of performing the job.
- 5.4 Employees in a layoff status shall be called back within their classification in inverse order of layoff. Notice of recall shall be sent to the employee's last known address. If the employee fails to notify the District within three

(3) calendar days after the date of receipt of such notice of recall that he/she intends to return to work, such employee shall be deemed to have resigned.

Section 6. JOB VACANCIES

The District will post notices of all job vacancies or newly created positions that are in the unit represented by the Association. Such notices shall be listed in the weekly bulletin and posted in the faculty room at each school at least one (1) week prior to the beginning of the selection process, to allow a current employee to apply for said position. When new hiring is about to take place, a member of the Association's negotiating team will be consulted before final contract or salary offer is made to the possible new employee. Job description, starting salary, benefits, etc. will be discussed prior to hiring. Final decision on all positions will be the prerogative of the school district.

Section 7. GENERAL

7.1 The employer agrees to supply the Association within two (2) weeks after the execution of this agreement, a list containing the names of all employees covered by this Agreement, the definition of each employee as stated in Article IV, Section 1 & 2, their starting dates of employment, their years of service as computed in Article V, Section 1.3 with the Employer, and the job classification in which they are employed in seniority order. The Association will be notified by the Employer of employees who are laid-off, discharged, hired or rehired. This revised list will be provided by August 1st of each fiscal year.

7.2 Smoking and/or use of tobacco products will be prohibited in all school buildings and on all school grounds effective December 26, 1994. The District realizes the impact of the state and federal law on those who smoke. In order to administer this policy, rules regarding disciplinary action must be issued. Violations of this policy will be addressed as follows:

First Violation - Verbal warning. Request that employee attend a program designed to help people stop smoking. Mileage will be paid to and from these programs.

Second Violation - Formal reprimand filed in employee's personnel file.
Employee required to furnish proof of attendance at a program designed to help people stop smoking, or evidence of a prescription taken for the nicotine patch or some equivalent program.

1.3 Vacation days earned will be computed on an employee's total years of service to the District as computed in Article V, Section 1.3.

1.4 For current employees in the District who become newly classified full-time 12-month contract employees in our unit, vacation days earned shall be awarded only upon completion of said employee's 26 week probationary period.

1.5 Upon involuntary termination or voluntary resignation from employment, any unused vacation days earned will be paid to the employee in his or her last paycheck. The number of vacation days paid will be prorated based on the point in the work year where the employee leaves the District's employ.

Section 2. SUMMER WORK

2.1 Summer work assignments, in any area, during the months of July and August shall be offered to the 10-month employees, provided they are qualified for the work, before outside help is considered. (These 10-month employees have the right to accept or not accept summer work without a penalty.) Salary will be computed at the employee's hourly rate.

- 2.2 A variety of building maintenance can only take place when students are not in the building. Therefore, members of this unit who work during the summer should not be asked to work in any environment which could be dangerous to their health and safety. - 2.2 10-month employees may be required to attend School Improvement Days and/or Wrap-up days. When School Improvement Days and/or Wrap Up Days are attended by 10-month employees, they will need to complete a time slip in order to receive extra pay for those particular days.
- 2.3 Periodically, School Improvement Days will be designed with the purpose of offering programs to members of this Association which will focus on their specific needs and concerns.

ARTICLE X

Section 1. MEDICAL AND HEALTH INSURANCE

- 1.1 The District will provide each contract employee of this association, on a contributory basis, all the benefits provided by the District Medical Plan.
- a. For each eligible full time contract employee who was appointed to a position in the District prior to June 30, 1995, and who is currently enrolled in the District's Health Care Plan, the following contributions are in effect:
- 2008-2009 19% contribution by all unit members in the plan**
2009-2010 19 ½ % contribution by all unit members in the plan
2010-2011 20% contribution by all unit members in the plan
- c. For each eligible full time contract employee who was appointed to a position in the District after July 1, 1995, and who is currently enrolled in the District's Health Care Plan, the following contributions are in effect:
- 2008-2009 20% contribution by all unit members in the plan**
2009-2010 20% contribution by all unit members in the plan
2010-2011 20% contribution by all unit members in the plan

The contribution amount will be deducted from the annual salary amount.

- 1.2 In the case where a unit member has been appointed to a position in the unit prior to July 1, 1995 and if this unit member has taken a stipend instead of joining the District's health care plan, and if the unit member finds it necessary to join the District's health care plan at a time subsequent to July 1, 1995, then, in that case, the parties agree that the unit employee is considered to be within the scope of those sections of the Agreement that apply to unit members who were currently enrolled in the District's Health Care Plan prior to July 1, 1995.
- 1.3 Any eligible employee who does not take the district health insurance plan and provides proof of other health insurance coverage, will receive the following payments which will be added to their regular paycheck.

In the year where less than 35% of eligible employees do not take the district health insurance plan, the stipend for that year will be \$1000.
In the year where 35%-50% of the eligible employees do not take the district health insurance plan, the stipend for that year will be \$1250.
In the year where 50% or more eligible employees do not take the district health insurance plan, the stipend for that year will be \$1500.

The only exception to this benefit option will be a unit member who can receive health insurance coverage as a result of the fact that their spouse or parent is receiving coverage by the district. An agreement to take

advantage of this option must be signed by the unit member annually prior to June 1. If taxable status of this payment changes, the negotiations will be reopened.

If at any time the Health Insurance Policy is dropped within the school year, the stipend will be prorated accordingly.

- 1.4 If both the husband and wife are employed by the District and they have no eligible dependents 21 years of age or under, both employees are required to carry single policy coverage as opposed to family coverage if it is less expensive for the District to furnish two single policies.
- 1.5 The association agrees that any changes made to the District's health care plan will apply to the members of this association without the need for further negotiations.
- 1.6 Effective July 1, 2008, all newly hired members will enroll in the Genesee Area Healthcare Plan (GAHP) D-2. Individuals may opt for the GAHP Indemnity Plan, but will pay the total premium difference between the two plans. For those enrolled in the GAHP D-2 family plan ONLY, the District will annually contribute \$1450 to a Health Reimbursement 105(h) account. For those enrolled in the GAHP D-2 single plan ONLY, the District will annually contribute \$750 to a Health Reimbursement 105(h) account.

ARTICLE XI

N.Y.S. EMPLOYEE'S RETIREMENT SYSTEM

*Non-contributory 1/50th New Career Plan 75I
furnished by the District.*

Retirement Plan

Notice of intent to retire must be provided not later than January 1 of the school year preceding retirement. The Superintendent may consider exceptions for notice due to unforeseen circumstances, such as medical concerns, death of a spouse, etc.

At the Board of Education meeting on April 28, 1994, a resolution was passed "that the district participate in the 75I 41-J option contained in the New York State Employees' Retirement Plan." This amendment allows employees to use unused sick leave to accumulate extra service time in calculating pension benefits.

When an employee is eligible to retire per the service and age requirements of the applicable New York State Retirement System and has completed at least ten (10) years with the District as a contract employee, the following benefits will be made available.

For every accumulated sick day, the contract employee will be granted one (1) day's pay. (The value of a day's pay will be determined by dividing the final salary by 240 for 12-month employees or 200 for

10-month employees and multiplying the result by the number of sick days.) If proper notice is provided, this money can be taken in any one of the following two ways.

1. One (1) lump sum payment in employee's final check. (This option is not a choice for cases of unforeseen circumstances.)
2. District health insurance payments for the contract employee (single or family plan) until the fund is exhausted.

If the retiree dies prior to receiving the entire amount in cash or benefits, the remaining sum will be paid to his/her designated beneficiary.

ARTICLE XII GENERAL

Section 1. TUITION PAYMENTS or IN-SERVICE CREDIT

Unit members have the option of choosing either tuition payments or in-service credit. Tuition payment to non-teaching personnel for the cost of credit and non-credit courses taken under an adult education program, or at a college or university, will be paid by the District at the SUNY tuition rate. Such programs must help improve job performance or benefit the school district and must have prior approval of the Superintendent.

The in-service programs will be held at the recommendation of the school administration. The administration shall determine the content, class requirements, number of sessions, the length of each session and the number of credit hours to be given. Compensation will be at the rate of \$35.00 per credit hour. Remuneration in hours of credit is given for the successful completion of the course.

Fifteen (15) hours of approved in-service education will entitle a person to one in-service credit hour. In case of any specified in-service program, all requirements of such programs must be completed satisfactorily if credit hours are to be earned.

In-service credit may also be granted for approved programs or courses which are other than locally directed or sponsored.

Section 2. CONFERENCE DAYS

In years where conference money is not included in the budget, unit members could, at their own cost, be granted up to 2 days for conference attendance per year.

Section 3. OVERTIME

Overtime (time and a half) will be paid after a unit member has worked 40 paid hours in a week. (Currently, a full-time 12-month contract employee actually works 37 ½ paid hours). Double time will be paid for Sunday and/or holiday work.

**ARTICLE XIII
PERSONNEL FILE**

Upon request of an employee at reasonable times, an employee shall be allowed to view in the presence of the Superintendent or his designee, any material in the employee's personnel file, except confidential references. No material, except confidential references, derogatory to the employee's conduct, service, character or personality, shall be placed in his/her personnel file unless such employee has been notified of its existence and had the opportunity to review the material. The employee shall have the right to attach a rebuttal to any derogatory material in his/her file.

ARTICLE XIV SALARY SYSTEM DESCRIPTION

Each member's salary is calculated using a formula based on hourly rate and hours worked. Part-time employees complete weekly time slips. The salary rate for the 10 month full-time contract employee will be based on the number of scheduled student attendance days on the yearly school calendar plus the number of paid legal holidays within their 10-month work period.

The salary rate for the 12 month full-time contract employee will be based on 42 weeks of regular work hours plus 10 weeks of summer work hours, or 43 weeks of regular work hours plus 9 weeks of summer hours depending on the calendar and length of the school year.

Longevity

Upon completion of the first 5 consecutive calendar years as a part-time employee, said employee will receive a \$250 stipend at that time, and an additional \$250 stipend for each 5th consecutive calendar year thereafter as a part-time employee.

Upon completion of the first 5 consecutive years of service as a full-time contract employee, said employee will receive a \$300 stipend at that time. Said employee will also receive a \$500 one time stipend in years 10, 15, 20, 25 & 30.

Substitute Pay

When a substitute is needed to cover for any member of this association, they will be paid by the hour. The hourly amount they will receive will be the starting hourly rate set for each year of this contract. (see page 21)

2008-2009 School Year

If the reclassification of a unit member's job title occurs during the duration of this contract, the unit member will receive the 2008-2009 hourly rate adjustment, specific to the job title reclassification, added to their hourly wage rate rather than the 4.5% rate increase for that particular year.

When new negotiations are about to take place, hourly rate adjustments for Office Personnel may be needed for one or more years of the contract.

C. STARTING RATES OF PAY

2008-2009 School Year

If a prospective new employee has at least three (3) years prior experience in a similar job title, the Superintendent may offer the person an hourly rate that exceeds the starting rate by up to .50 per hour in pay. The Superintendent will notify the president of this association if this type of an offer is about to take place.

NOTE: *With the increased problem regarding faculty schedules, several employees in our unit are expected to cover teacher duties, i.e., study halls, lunch duty, I.S.S., etc. When considering average hourly percent increase for this unit and final contract approval, keep in mind that salaries for these particular employees should technically come out of funds budgeted for faculty salaries. This unit should not be penalized with low average hourly percent per year offers for helping correct faculty scheduling problems.*
