VOL II NO

ONE DOLLAR PER YEAR

June 4, 1917.

## EDITORIAL.

The following action was taken by the Executive Committee April 23, 1917 and approved by the Board of Trustees April 27, 1917.

"The Treasurer was requested to prevent the playing of ball, tennis, etc. on the campus on Sunday." Co-operation to make this request effective is necessary.

Since the University authorities have made this ruling it is our duty to comply with the request, even though every one may not agree with the principle involved. Let us co-operate with the executive committee in this matter and show that though we may take opposite views we will nevertheless follow the right course.

## CLASSES.

1918 - Tuesday night in R.R.R. at 7:30 there will be a very important class meeting at which Dr. Matzke will speak. It is essential that every Junior should be present. Plans for the Senior-Junior picnic will be discussed.

1920 -- It was decided by ballot that the class should pay half for sweaters for crew and basketball.

## BASEBALL RESULTS.

Saturday afternoon, in a short but snappy game, the Juniors were victorious over the Seniors by a score of 8 to 2.

A hard fought game was played between the Sophomores and Freshmen. After nine innings the score was a tie, 20 to 20. During the extra two innings, the Sophomores succeeded in getting one more run, making the final score 21 to 20 in favor of the Sophomores.

The finals are next week Saturday. Come and root for your team.

## RED CROSS.

The first aid examinations are to be held this week beginning Wednesday. Dr. Munford has been appointed chief examiner and will appoint others under himself. If you receive no other word, go to your regular class, and be sure to go. Remember that it is a matter of pride with Cornell women that of one hundred and thirty eligible students there has proved to be a good number who have perserverance enough to hold on to the end and take the examination. Be a "sticker". And stick up for the reputation of your instructor by turning in good papers and lots of them.

## Make Up Classes.

There will be make-up classes in first aid and for those who have missed more than two lessons, so that every one may have a chance to make good. We know there are a great many things to do but let this be one of them.

A special meeting of Dr. Starkey's classes will be held this evening at 7:15 in G. S. 124 for a review of the book.

## CO-OP.

White shoes need constant attention. Try Blanco which is sold at the Co-OP. We try to have what you need.
