Section 2 Probationary Employee, as defined by Civil Service regulations, is one hired with a view to filling a regular position, who, before being advanced to the status of a regular employee, must undergo a period of probation of three (3) months' duration during which time his qualifications can be determined.

Section 7 No sick leave time will be deducted from an employee's sick leave accumulation for "on the job" injuries, but payment will be made by the Commission to complete the make up of an employee's normal daily or weekly pay, not paid, through other benefit programs.

This benefit terminates upon the employee taking other employment or unjustifiably refusing other comparable employment or upon the termination of disability or after receiving such payments for the period of one year.
