The BULLETIN staff consists of six editors, each having charge of one day. Anyone who has news to give to the BULLETIN will give it to the editor of the day upon which the news should appear. In giving news please bear in mind that it must be submitted the day before it is to appear. The Monday editor must have copy read by Saturday at five, the Tuesday editor by Monday at five and so on through the week. We will appreciate any cooperation on anybody's part. Please lend a hand in making the BULLETIN the thorough going medium of communication between us that we want it to be.
