### LIBRARY WEEK-APRIL 5-11

\*\*\*\*\*

### OPEN HOUSE

LIBRARY, JORDAN HALL

APRIL 11 3 PM

\*\*\*\*\*

### PERSONNEL NOTES

Fifty copies of the 1986 Summer Session Announcement have arrived. Any faculty or staff member who would like a copy may pick one up in the library of Jordan Hall.

The 1986 Continental Flag Club Membership Guides have arrived. These guides offer a number of vacation plans and a variety of sites to see at reduced prices in Colonial Williamsburg, Virginia. To request your guide please contact Personnel.

### FIRE DRILL AND EVACUATION PROCEDURE

To successfully complete a fire drill or any type of emergency there are six (6) practical factors that each occupant of the building should be familiar with.

- 1) Know your Department Safety Committee Member and any fire wardens he has appointed to assist him.
- 2) Know every regular and emergency Exit in buildings in which you work.
- 3) Know how to activate the alarm system and what it sounds like.
- 4) Know the location of each fire extinguisher in the building, especially those on your corridor. Know what kind of fire each type of extinguisher is for and how to use it.
- 5) Before leaving the building, REMEMBER to (a) alert other occupants, (b) close windows if possible, (c) leave lights on, and (d) shut doors on your way out.
- 6) Proceed to the nearest Exit. DO NOT re-enter the building for any purpose until directed to do so by proper authorities.

Thanks again!

The Bowling Committee

Erin Lucieer

Liz Capozzi

### COMET WATCH COMMENT

We didn't see Halley's Comet last week due to haze or clouds. We'll try again in mid-April.

Twenty-three adults, one baby and one dog did show up the first morning but the weather conditions weren't good enough to see the comet. Halley's next pass will be in 2061 but most of us would like to see it this time!

Watch the Station Calendar or departmental bulletin boards for the next watch.

Bob Butts and Ron Nevill

### GENEVA UNITED WAY CAMPAIGN AT THE STATION

The sum of \$9,238.92 was raised through contributions and pledges during the campaign at the Station (March 18-April 4). Even though the sum is less than the goal of \$10,600, I am very pleased with the generosity, cooperation, and help of the Station community. I owe a special debt of gratitude to the area representatives for their conscientious hard work: Bonnie Belknap, Judy Birkett, Bonnie Carney, Herb Cooley, Bernadette D'Amico, Glenn McGuigan, Jan Nyrop, Bill Sherring, David Terry, Janice Valerio and Norm Weeden.

Late contributions and pledges to the campaign may be sent to me via campus mail.

Again, I thank all of you for your help in this important endeavor.
