DATE: June 12, 1992
SUBJECT: Agreement Reached with Hillsborough Classroom Teachers Association

This is to report that agreement was reached with the Hillsborough Classroom Teachers Association, June 12, 1992, on the following proposal.

HCTA and the Board agree that the 2% adjustment to the salary scheduled that was bargained for the 1991-92 school year will be incorporated into the base salary schedule.

The parties further agree that salaries be frozen at present levels. This is to be considered a temporary freeze in order that collective bargaining can occur after the level of funding is known. It is intended that bargained changes in salary shall be retroactive to July 1, 1992.

Please present this item for Board ratification June 16, 1992, contingent on HCTA's positive ratification vote. This will ensure that all employees in this unit will continue at their same salary until negotiations are completed.
