6. **Worker's Compensation**

Teachers who are hurt on the job and receive payments under Worker's Compensation Insurance will be paid the difference between their regular salary and the compensation benefit received. This difference will be charged in equivalent fractions of days against the accumulated sick leave. In the event the sick leave is exhausted, additional sick benefits can be made at the discretion of the Board of Education.

7. **Insurance Buyout**

Retirees shall be eligible for the health and/or drug prescription insurance buyout under the above conditions.
