OFFICE OF

THE PENCOYD IRON WORKS,

A. & P. ROBERTS & CO.

261 SOUTH FOURTH STREET,

MANUFACTURERS OF

WROUGHT IRON BEAMS,
HAMMERED CAR AXLES,
ROLLED " "
SHAFTING IRON,
BAR "

CHANNEL BARS,
ANGLE "
TEE "
BRIDGE IRON.

Philadelphia, 12/17 1866

My Dear Cooper

I find we
have a lot of Bridge Photos
duplicates of what I sent
you so keep them with
my compliments. Hartford
is moving along & I trust
to be erecting or at least
starting work so before the
end of year -

Yours truly
Frederic Roberts
