  - AM/PM Routes and Alternate Routes will be posted, bid on, and awarded within the two (2) weeks prior to the opening of school. A special meeting may be called by the Transportation Supervisor to complete this process.
  - Alternate routes may be offered as one (1) run or combined with other runs at the discretion of the District.
  - In order to bid on an alternate route, a driver must have a regular AM/PM route and the alternate route would not push the employee into regular overtime. Drivers are limited to one (1) alternate route in addition to a regular route.
  - All summer regular runs shall be bid by seniority. If the district cannot find a driver the district may fill the run with a substitute driver.
  - For all regular drivers, late bus runs shall be paid at the extra run rate.
  - Eligible driver seniority list will be established by July 1 of the applicable school year.

### **Bidding and Assigning Extra Trips:**

- Trips with nine (9) or more passengers will be bid eligible. Trips with eight (8) or fewer passengers may be taken by a faculty or staff member.
- All regular drivers and mechanics shall be eligible to bid on extra trips.
- To the extent possible, extra trips for at least a three (3) week period, will be posted for a minimum of two (2) days. Trips will be listed in order of date.
- Eligible drivers will sign up for trips they are able to take.
- Trip assignment will be on a seniority rotation. For example, the first trip on the list will be assigned to the first person on the rotation. If that driver did not sign up for the trip, then the trip will rotate to the next driver, continuing until a volunteer is found. After trip is assigned, the next trip will be offered first to the next driver on the seniority list, continuing until a volunteer is found.
- Extra trip requests received by the Transportation Supervisor that do not allow for time for posting will be assigned by seniority.
- Eligible driver seniority list will be established by July 1 of the applicable school year.
- Once a driver signs up for an extra run he/she must fulfill that obligation unless there is a death in the immediate family, sickness of the driver, or written approval from the transportation Supervisor. The run will then go to the next senior driver in rotation.
