PREAMBLE

The Spencerport Central School District and the Spencerport Paraprofessional Association desire to enter into the agreement in order to effectuate the provisions of the Public Employees' Fair Employment Act and to encourage and increase the effective and harmonious work relationship between the district and the paraprofessionals who comprise the unit members within the bargaining unit represented by the association. The association hereby reaffirms that it will not engage in any strike, or cause, instigate, encourage, assist or condone any strike. The district recognizes the right of these unit members to organize and to bargain collectively through the association on such matters as salaries, hours and other terms and conditions of employment.

The agreement is made and entered into on the 11th day of September, 2012, by and between the Superintendent of Schools, SPENCERPORT CENTRAL SCHOOL DISTRICT, Spencerport, New York, hereinafter referred to as the "district," and the unit members of this unit of aforementioned school district, represented by the SPENCERPORT PARAPROFESSIONAL ASSOCIATION, hereinafter referred to as the "association."

RECOGNITION

Pursuant to the New York State Public Employees Fair Employment Act, the Board of Education of Spencerport Central School District has recognized the Spencerport Paraprofessional Association, hereinafter referred to as "association," as the exclusive negotiating representative for all Accompanists, Bus Attendants, Licensed Practical Nurses, Microcomputer Maintenance Technicians, School Aides and Teacher Aides employed by said district.

ELIGIBILITY FOR BENEFITS

All unit members employed by the District on June 30, 2000, while serving in a 27.5 (or more) hours per week position, will be considered as "full time" and will receive all of the benefits of unit members working 30 or more hours per week as detailed in Articles 2, 3, 4, 6, and 12 of this agreement.

All unit members hired after June 30, 2000 are eligible for all of the benefits as detailed in Articles 2, 3, 4, 6, and 12 of this agreement and considered "full time" when serving in a 30 (or more) hours per week position.

Any unit member hired after July 1, 2000 in a 30 (or more) hours per week capacity who is involuntarily reduced to at least 27.5 hours per week will receive the benefits associated with "full time" employment (Articles 2, 3, 4, 6, and 12).

ARTICLE 1 - DUES DEDUCTION

The school district agrees to deduct from the pay of each unit member covered by this agreement uniform membership dues for the Spencerport Central School Paraprofessional Association, provided that there is on file with the district a current written authorization executed by the unit member authorizing said deduction by the district.

Dues for each year will be deducted only for those unit members for which the district has a current written authorization on file by October 1, or thirty (30) days after employment begins, whichever is later. Deduction shall be made in equal amounts each pay period of the school year.

The district agrees to forward said dues together with a list of unit members for whom dues deductions are made to the designated treasurer of the above named organization for which the unit member has authorized a dues deduction.

In situations where the unit member requires immediate medical attention and is unable to complete the appropriate accident form, the immediate supervisor will notify their immediate supervisor, or designee, to submit the form on the unit member's behalf.

The unit member requiring medical care should inform their doctor of this work-related injury and request any medical bills are sent to the district's worker's compensation provider.

Only the doctor can make the determination, in writing, if a unit member cannot work or when he/she can return to work. No one else, including the unit member, can make that determination.

When a unit member is not able to work due to work related injury, the first five (5) work days or seven (7) calendar days is defined as a waiting period and is not reimbursable by Worker's Compensation. However, if the unit member is out of work for more than 14 calendar days, the reimbursement begins at day one with no waiting period.

1. Once the unit member has exceeded the waiting period (the first five (5) workdays or seven (7) calendar days), it is the unit member's decision, in writing, to:
 - a. instruct the District to direct workers' compensation to provide payment, or
 - b. use eligible leave accruals to provide a continuation of normal wages. Eligible leave accruals include sick leave, personal leave, vacation days and "comp time" (the unit member will instruct the District on which type of leave(s) they will use).
2. When the unit member returns to work, the unit member should request from the Workers' Compensation Board a settlement for the use of leave time while out on a work-related injury. When the Workers' Compensation Board reaches a decision, the district's workers' compensation provider will issue a check to the Spencerport Central School District. If the unit member has received prior payment through payroll using available leave time, the district, after receiving payment from the workers' compensation provider, shall restore to the unit member sick leave equal in value to the payment amount received. The district will prepare, if prior calendar year reimbursement, the appropriate adjustments to the unit member's W-2 and provide a corrected W-2 within 30 days.

ARTICLE 8 - BEREAVEMENT LEAVE

ARTICLE 11 - WORK YEAR

The regular work year will be determined at the sole discretion of the Superintendent of Schools with no less than 180 workdays and no more than 188 workdays.

Such extensions shall not go beyond June 30 or exceed 188 workdays. The re-scheduling of a student day, as per Article 9, is not an extension of the work year.

Each unit member will be tentatively notified not later than August 22nd of each year of their days of work, their starting and ending times, and assignment/ responsibilities.

Voluntary summer work or training sessions offered on non-work days shall not be considered part of the work year for the purposes of this Article.

ARTICLE 12 – EXTRA HOURS WORKED

If a unit member proctors a mid-term exam, final or Regents exam at the Middle School or High School during Regents exam periods, or is directed by their building administrator to work beyond their regular work hours, the additional time shall be paid at the unit member's rate in effect at the time those hours are worked no later than the next payroll period after the unit member has submitted a timecard detailing the extra

hours worked. Hours over forty (40) worked in the work week will be paid at time and one-half.

A unit member may volunteer to receive compensatory time in lieu of regular wages for the extra hours worked in excess of the regular work hours. Compensatory hours over forty (40) worked in the work week shall be accrued at a rate equal to time and one-half. The compensatory time earned while proctoring exams may be used with the approval of the principal, or designee, in the same exam period as earned. All other compensatory time may be used in the same payroll period as earned.

Any unused compensatory time at the end of the exam (or payroll) period will be reported on a timecard detailing when the hours were earned and when compensatory time was used. The unit member shall be paid at the unit member's rate in effect at the time those hours are worked no later than the next payroll period after the member has submitted a timecard detailing the extra hours worked.

The implementation of this article will be in conformity with the Federal Fair Labor Standards Act.

The District is not obligated to hire unit members during the summer, just as unit members have no obligation to be assigned work in the summer.
- F. A unit member who is elected to participate as the building's one support staff representative on the school's Building Planning Team (BPT) will be paid their normal rate of pay, on time card, for their time in attendance at BPT meetings that extends beyond the end of their scheduled work shift. ARTICLE 18 - UNUSED SICK DAYS AT RETIREMENT

When a unit member retires from the district, and has applied for, and is eligible for retirement benefits from the New York State Employees’ Retirement System, the district shall provide a stipend for each day of unused accumulated sick leave up to a maximum of 180 days as follows:

<u>Days Accumulated</u>	<i>Dollar amount per accumulated day</i>

In order to be eligible for the Service Increment the unit member shall submit a written notice of their intent to retire. For unit members who wish to retire at the end of the school year, notice must be given to the District on or before January 31 of that school year. For those unit members who wish to retire during a school year but before June 30, one hundred twenty (120) days notice must be given to the Superintendent no later than December 15 of that school year. The District will hold the notice of retirement until February 14 for retirements at the end of the school year, and two-weeks for notices submitted prior to December 15, after which the notice of intent to retire is irrevocable and will be acted upon by the Board of Education.

Except as noted below, the unit member may change their date of retirement after filing the written notice of retirement with the Superintendent in the event the district offers a local retirement incentive or the district adopts an Early Retirement Incentive offered by the New York State Employees’ Retirement System (NYSERS). The unit member would be allowed to amend the retirement date to fall within the window of eligibility for the local or state retirement incentive.

With the recommendation of the Superintendent and approval of the Board of Education, a unit member may rescind their notice of retirement in the event the unit member experiences an unforeseen circumstance or emergency (such as the death of a spouse), without losing their eligibility to receive the Service Increment in the future. The Board of Education will consider the unit member’s unforeseen circumstance or emergency and the recommendation of the Superintendent. The decision of the Board of Education will be final.

In addition, the notification requirement as outlined in paragraph A will be waived upon acceptance of evidence of Tier reinstatement after January 31 of the school year by the Superintendent of Schools or the District offers a NYSERS retirement incentive.

The number of unused sick days as of the last day of employment as a unit member in the district will be used for the determination of the service increment.

Pursuant to regulations established by the Internal Revenue Service, the service increment will be distributed within 30 days after their retirement date to retiring unit members as an employer paid 403b contribution. Retiring unit members will be invited to meet with a District representative prior to their retirement date to discuss the available options for the distribution.

In the event alternate methods of distribution are desired by either party during the term of this agreement, the Association and District must agree to any changes.

The parties will be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

Should the time limits, at any step, be exceeded by the district, the grievance may be processed to the next higher step of the procedure.
