ARTICLE 4

UNION RIGHTS AND RESPONSIBILITIES

- 4.1 The District and the Union shall form a committee to discuss Labor/Management relations and to assist in resolving or to resolve problems and concerns that affect support staff employees. This committee shall not have the power to negotiate or amend the terms of this Agreement. This committee will be composed of three representatives each from the Union and the District. The Union Business Representative will select the three Union representatives and the Superintendent will select the three District representatives. Meetings will be held on a bi-monthly basis or as mutually agreed upon by the Union Business Representative and the Superintendent.

- 4.2 The Chief Union Steward or his authorized designee shall be released from normal school duties two (2) hours per week, without loss of pay, as necessary to attend to Union responsibilities that cannot be conducted outside of work hours. This release time shall be scheduled by mutual agreement between the Chief union Steward and the appropriate supervisor. Unused release time shall not be accumulated from week to week.
- 4.3 In addition to the leave in 4.2 above, representatives designated by the Union Business Representative shall be provided up to fifty-six (56) hours collectively without loss of pay on an annual basis as necessary to attend to official business with local, regional, state, or national affiliates. Unused release time shall not be accumulated from year to year.
- 4.4 When the Union desires to make use of a school building or facility, it shall submit a request for such use in accordance with approved District policy and procedure. Such use by the Union shall not interfere with the work of the employees or the functions or programs of the school.
- 4.5 At the beginning of each school year, the Union shall submit to the Superintendent a list of all Union representatives with whom the District is expected to deal. The Superintendent will be notified in writing of all interim changes as soon as possible.
- 4.6 The Union will have the right to distribute information among members regarding business of the Union with reasonable access to inter-office mail and mailboxes. Information may be posted on two (2) bulletin boards in each building (faculty room and food service area) and in the drivers room of the bus garage. A copy of each posting will be provided to the administrator in charge of each site where the information is posted as well as to the Superintendent. The Union shall not post information on any portion of the District premises other than on these bulletin boards unless approved by the Superintendent.
- 4.7 Whenever the District requires employees to participate in meetings during their normal work hours, the employee(s) will suffer no loss in pay. This provision does not apply to representatives requested by the Union or by an employee to be at any such meeting, unless (a) the District agrees, or (b) an employee is in a meeting with the District to discuss discipline, in which case the employee shall be entitled to have one representative present without any charge to any form of Union leave.
- 4.8 The Union confirms that it does not assert the right to engage in a strike of any form, slowdown or work stoppage, and the Union, its officers, agents or its members must not call, sponsor, advocate, instigate, condone or engage in a strike of any form, slowdown or work stoppage against the District.

ARTICLE 5
DISTRICT RIGHTS AND RESPONSIBILITIES

- 5.1 Except as expressly limited by the terms of this Agreement, the District reserves and retains exclusively the right to manage the District, its operations and its employees including, but not limited to, the following rights:

- (a) To establish, continue, change or abolish its programs, operations, policies, practices, rules, regulations, and procedures;
- (b) To determine the number, location, hours and types of its operations;
- (c) To determine the methods, processes, equipment and materials to be used in the District's operations;
- (d) To determine the necessity for filling a vacancy;
- (e) To determine the number, classification and the duties of employees;
- (f) To assign positions, duties and work to employees;
- (g) To establish and change work schedules and assignments;
- (h) To establish and enforce work rules;
- (i) To establish and maintain a job evaluation program and to judge the efficiency and competency of the employee's work;
- (j) To transfer, demote and promote employees;
- (k) To lay off, terminate, and otherwise to relieve employees from duty;
- (l) To discipline and/or discharge employees as it deems appropriate, subject only to the terms of any applicable provisions of this Agreement and any applicable provisions of Section 75 of the Civil Service Law;
- (m) To alter, modify, terminate or add terms and conditions of employment not expressly addressed in this Agreement; and
- (n) To take such other measures as may be determined by the District to be desirable for the successful operation of its programs and operations.

5.2 Changes to District policies, rules, regulations and procedures must be in accordance with any and all other Articles of this Agreement.

5.3 Nothing in this Agreement shall be allowed to interfere with the District's obligation to comply with the Americans with Disabilities Act, and the District is expressly permitted to take all actions necessary for such compliance.

5.4 Before the District makes a final decision to subcontract work performed exclusively by members of the bargaining unit represented by the Union, it shall advise the Union in writing that it is considering that action. Upon a written request from the Union received within ten (10) days of that notification, the District will meet with representatives of the Union to discuss the reasons for such action and to receive input from the Union. That meeting will be held before the final decision is made by the District to subcontract the work. If the District makes a final decision to subcontract work, it shall notify the Union,

of that decision in writing and, upon a written request from the Union received within ten (10) days of that notification, shall meet with representatives of the Union to negotiate the impact of that decision. The terms of this provision are applicable only to subcontracting with a private business entity; they are not applicable to among other things, the use of occasional volunteers.

ARTICLE 6
PAYROLL DEDUCTIONS AND AGENCY FEE

- 6.1 Union dues will be deducted from the wages of each employee represented by this contract. Dues will be deducted as equal as practical from two paychecks each month payment is required by the Union.
- 6.2 For the duration of this Agreement, the District shall deduct an agency fee from the wages of employees in the unit who are not members of the Union, and the processing of such payments shall be governed by the terms of this Article 6. If the State legislation requiring payment of any agency fee expires without renewal on or before the expiration date of this Agreement, the terms of this provision shall fully expire on that expiration date and shall not be subject to continuation under Section 209-a(1)(e) of the Civil Service Law.
- 6.3 Membership dues and agency fee deductions, along with a list of employees from whom the deductions have been made, will be transmitted to the Treasurer of the Union after the last payroll period of each month.
- 6.4 Employees may request in writing that voluntary deductions be made from their wages for the following:
- (a) Credit Union
 - (b) 125 Plan
 - (c) Retirement Loans
 - (d) Tax-sheltered annuities from the four (4) companies provided in the HTA Agreement, with one additional company to be chosen by the Union and a second additional company added on July 1, 2000.
- 6.5 The District shall be held harmless for any claims, demands, suits and liabilities of whatever nature arising out of the operation of this Article 6, except that the District shall be liable for its own negligence in connection therewith.

ARTICLE 7
PERSONNEL MATTERS

- 7.1 Employees will be provided a copy of their job description and duties upon request. The Union will also be provided a copy upon request.
- 7.2 The District will post announcements of vacancies in job titles in the unit to which the District has decided to make an appointment for a period of ten (10) working days prior to filling the vacancy. Such posting will include the job title, civil service classification (competitive, non-competitive or labor), hourly rate of pay, and the last day on which applications will be accepted. During those ten (10) working days any employee who desires to apply for appointment to the announced position shall apply therefor to the Business Office on forms provided by the District. All employees who submit an application for a position will be notified of their acceptance or rejection once an appointment has been made by the Board.
- 7.3 When the District posts an announcement of a vacancy pursuant to 7.2 above, the District will also post information concerning the current location and hours of work of the position to be filled. Employees already holding a position in that job title who wish to be considered for a transfer to that location and/or those hours may give written notice of that desire to the Business Office within five (5) working days of the posting.
- 7.4 A personnel file for each employee will be maintained in the District office. Before any written material critical of an employee's performance or conduct is placed in his personnel file, a copy of the document shall be given to the employee and the employee shall sign the copy of the document which is placed in his personnel file. Such signature does not indicate agreement with the contents of the document. An employee may submit a written response to any item in his personnel file within ten (10) working days of the date it is presented to the employee for signature.
- 7.5 When a formal evaluation of an employee is prepared in writing, the employee shall be given the opportunity for a meeting with the evaluator prior to the evaluation being placed in his personnel file. The employee shall be given a copy of the written evaluation at least three (3) working days prior to meeting with the evaluator. Within three (3) working days of the meeting, the employee shall return a signed copy of the evaluation to the evaluator. Within ten (10) working days of the meeting, the employee may submit a written response to the evaluation, and that response will be attached to the evaluation.
- 7.6 In September, each employee shall be furnished with a statement of his salary step, hourly rate of pay and any other stipends to which the employee may be entitled. The employee shall also receive a notice of accrued vacation, sick leave, personal leave and compensatory time, if any, as of July 1.
- 7.7 When the District requires work during the summer months (from the close of school to the opening of school) in a 10-month job title, the employees who work in that job title during the school year will be offered the position(s) first. If they work the job, they will receive their contractual wage rate in effect during that time. If there are more employees

than summer positions in a job title, the summer positions shall be awarded on the basis of seniority in the job title.

- 7.7.1 If there are not enough 10-month employees from the job title who accept the summer position(s), employees who in the discretion of the District, have the necessary skills, previous summer experience and qualifications for the position, shall be offered the position(s) on the basis of length of service in the District. If they work the job, they will be paid the starting contractual rate in effect at that time, except that bus drivers who are driving shall be paid at the regular rate.
- 7.7.2 If a 10-month employee works during the summer pursuant to 7.7 or 7.7.1 above, he does not become a 12-month employee but remains a 10-month employee as defined in this Agreement.
- 7.7.3 If current employees do not fill all summer jobs as a result of 7.7 and 7.7.1 above, the District may hire outside persons at wages and benefit levels established by the District.
- 7.8 Each employee other than a bus driver shall receive a paid 10-minute break for every four hours worked in a day.
- 7.9 An employee working a shift of six (6) or more consecutive hours will be given a 30-minute unpaid and duty-free meal break, unless the requirements of the job prevent the employee from taking his meal break. The timing of the meal break will be set by the supervisor, who will, whenever practicable, set it during the traditional hours for lunch or dinner (whichever is applicable). If an employee misses his meal break due to work requirements, he will be paid for the time that he would normally have had for the meal.

ARTICLE 8
NON-COMPETITIVE AND LABOR
CLASS EMPLOYEES - SENIORITY RIGHTS

- 8.1 The provisions of this Article shall apply only to employees in the negotiating unit in positions which are in the non-competitive class or the labor class of the Civil Service. Employees in the competitive class are not subject to this Article because they are subject to the terms of the Civil Service Law on the matters addressed in this Article.
- 8.2 The provisions of this Article shall apply to full-time employees and part-time employees in a job title separately.
- 8.3 An employee acquires and accrues seniority only within a particular job title, and in the status of full-time or part-time. If the employee moves from one job title to another or changes from full-time to part-time status, or vice versa, he ceases accruing seniority in his former job title and begins to accrue seniority in the new job title.

- 8.4 Probationary employees do not have seniority. However, when a probationary employee completes his probationary period, he will then acquire seniority which will date back to the date he began work as a probationary employee.
- 8.5 Seniority is the amount of an employee's service in a particular job title since his last date of hire, transfer or promotion into that title by the District. When an employee is on unpaid leave of absence or on layoff, he shall not accrue seniority, but his accumulated seniority shall be restored to him when and if he returns to work, unless he has lost his seniority as set forth in 8.3 above.
- 8.6 An employee shall lose seniority and shall be terminated from employment automatically when any one or more of the following occurs: (a) he has been on layoff for a period of more than one year; (b) he has been discharged by the District; (c) he resigns; (d) he retires; (e) he has been recalled pursuant to paragraph 8.8 of this Agreement but has refused the recall or has failed to return to work within a period of two consecutive work days following the date he was notified of recall; (f) he fails to return to work on the first work day following the expiration of a leave of absence.
- 8.7 If the District decides to reduce the staff in a particular job title, the probationary employees in that job title shall be laid off first, and then non-probationary employees shall be laid off in inverse order of their seniority in that job title.
- 8.8 If a vacancy in a job title in the unit occurs, all employees who have been on layoff for a period of one year or less from the job title shall be entitled to be recalled in order of their seniority in that job title.

ARTICLE 9

GRIEVANCE PROCEDURE

- 9.1 General Provisions:
- 9.1.1 A grievance is a claim by an employee that there has been a violation, or a misinterpretation or inequitable application which constitutes a violation of any provision of this Agreement.
- 9.1.2 Any employee or group of employees aggrieved by an action may file a grievance. With respect to any particular grievance, the grievant is the employee or group of employees who have signed the grievance.
- 9.1.3 An employee shall perform all duties as instructed even though he may feel himself aggrieved (unless the duty involves undue risk to the safety and health of the individual).
- 9.1.4 A grievant has the right to be represented at his request at any stage of the grievance procedure. At Steps 1 and 2, the grievant may be accompanied only by an employee designated by the Union.

9.2 Timelines:

- 9.2.1 The timelines for each step of the grievance procedure are set forth in section 9.3 of this Article.
- 9.2.2 If a grievance is not filed within the timeline stated at the first step, the grievance is deemed waived and need not be processed by the District. If the grievant and/or the Union fails to meet any subsequent timeline, the grievance will be considered resolved on the basis of the previous answer.
- 9.2.3 If the District fails to meet any timeline in the grievance procedure, the grievance may be moved to the next step of the grievance procedure as if the grievance had been denied by an answer rendered on the last day set forth in the procedure.
- 9.2.4 An extension of any timeline set forth in the grievance procedure is permissible if both the Union and the District specifically agree to the extension.
- 9.2.5 "Working Day" means any day except a Saturday, a Sunday or a holiday covered by paragraph 11.7 of this Agreement.

9.3 Procedures:

- 9.3.1 **First Step:** The employee must orally confer with the Supervisor to seek acceptable resolution of the grievance not later than the tenth (10th) working day after becoming aware of the incident out of which the grievance arose. The grievant must state that he is filing a grievance. The Supervisor has ten (10) working days in which to give the grievant an oral answer. If all or substantially all of the employees in the bargaining unit are aggrieved by the same incident, the Union may submit a grievance on their behalf in writing directly to the Superintendent at the third step. Such a grievance must be submitted no later than the tenth (10th) working day after becoming aware of the day of the incident out of which the grievance arose, and the signature of the Union Business Representative may be substituted on the grievance for the signature of the actual grievants. Such grievance shall not be subject to the procedures of the first step or second step.
- 9.3.2 **Second Step:** If the grievant is not satisfied with the oral response from the first step, the grievant may submit the grievance in writing by filing it with the Supervisor on the form provided by the District not later than ten (10) working days after receiving the oral response. The Supervisor shall issue a written response to the grievant not later than ten (10) working days after receiving the written response.
- 9.3.3 **Third Step:** If the grievant is not satisfied with the response from the second step, the grievant may file an appeal in writing to the Superintendent not later than ten (10) working days after receiving the written response from the second step. The Superintendent shall hold a meeting with the grievant and his

Supervisor regarding the grievance not later than ten (10) working days after receipt of the appeal. The Superintendent shall issue a written response to the grievant not later than ten (10) working days after the conclusion of this meeting.

- 9.3.4 Fourth Step: If the grievant is not satisfied with the response from the third step, the grievant may request the Union to file an appeal in writing with the Labor/Management Committee. The written appeal must be delivered to the Labor/Management Committee not later than ten (10) working days after the grievant received the response from the third step. If the Union so submits the grievance, the Labor/Management Committee shall hold a meeting with the grievant and his Supervisor regarding the grievance not later than ten (10) working days of receipt of the appeal. The Labor/Management Committee will submit a written advisory recommendation to the Superintendent not later than ten (10) working days after the conclusion of the meeting.
- 9.3.5 Fifth Step: The Superintendent shall issue a written response to the grievant and the Union Business Representative not later than ten (10) working days of receipt of the written recommendation from the fourth step.
- 9.3.6 Sixth Step:
- (a) The Union may appeal the grievance to arbitration by delivering a letter to that effect to the Superintendent not later than ten (10) working days after receipt of the decision at the fifth step. In the ten (10) working days following delivery of that letter, the parties may attempt to agree on an arbitrator to hear and determine the case. If no arbitrator has been selected by the end of those ten (10) working days, the Union must, within three (3) working days of the end of that period, mail a demand for arbitration to the American Arbitration Association (AAA) and a copy of said demand to the Superintendent. The Union shall send with the demand a letter to the AAA requesting that it send to each party a list of twenty (20) names of arbitrators. Within ten (10) working days of receipt of such list, each party shall return its copy of the list to the AAA with the names unacceptable to it crossed off and all others, if any, numbered in order of the party's preference. The AAA shall then name as arbitrator the person most preferred by the parties as indicated on the list, but if there is no mutual choice, then the AAA shall send each party a second list of twenty (20) names and the foregoing procedure shall be repeated. If there is no mutual choice on the second list, the AAA shall name another person to serve as arbitrator, but he shall not be a person who is on either of the lists.
 - (b) The arbitration proceeding shall be governed by the Voluntary Labor Arbitration Rules of the AAA to the extent that such rules do not conflict with this Agreement.

- (c) The fees and expenses of the arbitrator shall be shared equally by the parties, but all other expenses of the arbitration shall be borne solely by the party which incurs them.
- (d) The arbitrator shall have the power to determine whether the grievance is properly before him, and if so, to decide whether or not the Agreement has been violated as alleged in the grievance. In making his determination, the arbitrator shall interpret and apply the provisions of this Agreement, but he shall have no power to add to, subtract from or modify the terms of this Agreement, or to review any matter which is reserved to the judgment or discretion of the District, the Board of Education, the Superintendent or any other District administrator. The arbitrator may recommend an appropriate remedy where he finds a violation of this Agreement. The decision of the arbitrator shall be final and binding on the parties and the employees.

9.4 Other Provisions:

- 9.4.1 No employee shall be subject to reprisal, intimidation, harassment, or coercion by any other employee, by the District or by the Union, or by any organization with which the Union is affiliated, because of having exercised their rights under this grievance procedure.
- 9.4.2 The grievance procedure set forth in this Article is the exclusive method for the resolution of claimed violations of the terms of this Agreement.
- 9.4.3 Before submitting a grievance, an employee shall consider whether his complaint about the action of the District could also be addressed by commencement of a proceeding before a judicial, administrative or legislative body or person. If it could be so resolved, the employee must decide between submitting a grievance or commencing such a proceeding because it is hereby agreed that: (a) submitting a grievance bars the employee and the Union from then or later commencing any judicial, administrative or legislative proceeding involving the same action(s) of the District as is the subject of the grievance; and (b) commencing a judicial, administrative or legislative proceeding bars the employee and the Union from then or later submitting a grievance involving the same action(s) of the District as is the subject of the grievance.
- 9.4.4 Nothing contained herein will be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate representative of the District and having a grievance informally adjusted without intervention of the Union. In the event that any such grievance is so adjusted, while it shall be binding upon the aggrieved employee and shall in all respect be final, it shall not create a precedent or ruling binding upon either party unless consented to by the Union. The Union shall be notified of all such adjustments or grievances.

ARTICLE 10A
DISCIPLINE AND DISMISSAL -
SECTIONS 75 AND 76 REPLACEMENT

- 10A.1 The procedures set forth in Article 10A are applicable only to those employees to whom Section 75 and 76 of the New York State Civil Service Law (and any successors thereto) would otherwise be applicable in the event of discipline or dismissal.
- 10A.2 The procedures set forth in Article 10A are a complete replacement for the procedures set forth in Section 75 and 76 of the New York State Civil Service Law (and any successors thereto) for those employees who are covered by those provisions. For such employees, this procedure is applicable only after they have completed their probationary period with the District; provided, however, that if an employee is terminated and subsequently rehired by the District, this procedure does not again become applicable to that employee until the probationary period following rehire is completed.
- 10A.3 With respect to an employee who is subject to the procedures under Article 10A, the District shall not demote, suspend without pay, fine or discharge such employee without just cause.
- 10A.4 When such an employee is demoted, suspended without pay, fined or discharged by the District, written notice of such action and the District's reasons therefor shall be given to the employee at the time of that action or as soon thereafter as practicable, but in any case not later than the fifth (5th) working day after the District imposes such discipline or dismissal. The action of discipline or dismissal shall take effect immediately, or at a later date if so specified by the District. A copy of the written notice shall be given to the Union Business Representative as soon thereafter as is practicable.
- 10A.5 If the employee believes that the discipline or dismissal imposed upon him is without just cause and wishes to contest it, the employee must file a written grievance to that effect directly with the Superintendent not later than the tenth (10th) working day after the day on which the employee received the written notice of discipline or dismissal. Failure to submit a grievance by that time shall constitute acceptance of the discipline imposed. Not later than the tenth (10th) working day after the day on which the Superintendent receives the grievance, the Superintendent or his designee shall meet with the employee and a Union representative to discuss the grievance. Not later than the tenth (10th) working day following that meeting, the Superintendent shall transmit to the employee and the Union representative a written answer to the grievance.
- 10A.6 If the Union believes that the discipline or dismissal was without just cause, it may appeal the grievance to arbitration in accordance with the procedures set forth in Section 9.3 of this Agreement, provided it does so not later than the tenth (10th) working day after the day on which the Superintendent's answer was received. The pendency of a grievance or arbitration concerning an act of discipline or dismissal shall not suspend the effectiveness of the disciplinary action or dismissal.

DISCIPLINE AND DISMISSAL -
LABOR CLASS EMPLOYEES

- 10B.1 The procedures set forth in Article 10B are applicable only to employees holding a position in the labor class of the civil service who since their last date of hire have completed five (5) years of continuous service to the District.
- 10B.2 When such an employee is demoted, suspended without pay, fined or discharged by the District, written notice of such action and the District's reasons therefor shall be given to the employee at the time of that action or as soon thereafter as practicable, but in any case not later than the fifth (5th) working day after the District imposes such discipline or dismissal. The action of discipline or dismissal shall take effect immediately or at a later date if so specified by the District. A copy of the written notice shall be given to the Union Business Representative as soon thereafter as is practicable.
- 10B.3 If the employee believes that the discipline or dismissal imposed upon him is without just cause and wishes to contest it, the employee must file a written statement to that effect directly with the Superintendent not later than the tenth (10th) working day after the day on which the employee received the written notice of discipline or dismissal. Failure to submit a written statement by that time shall constitute acceptance of the discipline imposed. Not later than the tenth (10th) working day after the day on which the Superintendent receives the written statement, the Superintendent or his designee shall meet with the employee and a Union representative to discuss the employee's statement contesting the imposition of the discipline. Not later than the tenth (10th) working day following that meeting, the Superintendent shall transmit to the employee and the Union representative a written determination on the imposition of the discipline.
- 10B.4 The written determination of the Superintendent shall be final, and shall not be subject to the grievance procedure of this Agreement or to any other form of review or appeal.

ARTICLE 11
LEAVES OF ABSENCE

- 11.1 During an employee's first fiscal year of employment, the employee will receive one-half (1/2) day of sick leave per month worked. Starting the second fiscal year, the employee will receive one (1) sick day per month worked.
- 11.1.1 At the end of each fiscal year, any sick leave that has been earned but not used may be accumulated up to a maximum of 200 days.
- 11.1.2 Sick leave is to be used for the employee's own illness or doctor's appointment. In addition, an employee may use up to three (3) days in any fiscal year when a spouse, child, stepchild, parent, or parent-in-law, is seriously ill and needs to be cared for or has a doctor's appointment. Upon authorization from the Superintendent, five (5) additional days may be used for such care. The District

may require verification of the need for care to be given from the relative's doctor as a condition of such paid leave. If an employee has been on sick leave three or more consecutive work days, or if there are grounds to suspect abuse of sick leave, the District may require verification from the employee's treating physician as a condition of such paid leave.

- 11.1.3 When an employee is absent (whether paid or unpaid) because of illness or injury for a period of more than ten (10) work days, he will, at the discretion of the District, be subject to a physical examination by a physician designated by the District in order to establish his ability to return to work.
 - 11.1.4 If an employee leaves employment before the end of the fiscal year and has been paid for more sick days than he has earned as per 11.1.1, then an amount equal to the pay for the excess days used shall be deducted from his final paycheck.
 - 11.1.5 An employee who (a) has fifteen (15) years or more service in the District, (b) notifies the Superintendent in writing of his plans to retire four (4) months prior to the date the retirement will take effect, (c) submits a letter of resignation four (4) months prior to the date retirement will take effect, (d) does in fact retire on the date set forth in that notice and (e) if a member of the Employees' Retirement System, begins collecting retirement benefits at the time he stops working for the District, or if not a member, meets all of the qualifications to collect benefits, will receive an additional payment on the effective date of his retirement equivalent to fifteen dollars (\$15.00) per day for a full-time employee or seven dollars and fifty cents (\$7.50) per day for a part-time employee for each of his unused sick leave days, up to the maximum accumulation allowed pursuant to paragraph 11.1.1 of this Agreement.
- 11.2 Each unit member shall be credited with five (5) bereavement days per occurrence with pay, said leave not to be deductible from sick leave and to be granted in the case of the death of the unit member's spouse, child (including step-child), parent (including step-parent). Three (3) bereavement days will be credited per occurrence with pay, said leave not to be deductible from sick leave and to be granted in the case of the death of a mother-in-law, father-in-law, grandparent, grandparent-in-law, grandchild, brother, brother-in-law, sister or sister-in-law, or other person living in the same household as the unit member. In addition, one (1) bereavement day per occurrence with pay, not to be deductible from sick leave, will be granted in the case of the death of the unit member's aunt, uncle, niece or nephew. Such leave shall be non-accumulative.
- 11.3 The District will maintain disability insurance providing six (6) months of coverage. If the employee uses sick leave for part of the six (6) months, he shall be entitled to continue health insurance coverage for the period covered by the sick leave and will be credited with the portion of sick leave that is reimbursed by the insurance. The District shall have no responsibility to pay health insurance premiums for an employee receiving only disability benefits or otherwise not on the active payroll. It is the responsibility of the employee to apply for disability benefits.

- 11.4 If an employee is off work due to a condition which is covered by Workers' Compensation, the District will contribute to the employee's health insurance premiums under this Agreement for a period of three (3) months. If an employee uses sick leave during this period, he shall be credited with the portion of the leave reimbursed by the insurance.
- 11.5 Any period of leave under this Agreement which is also of a type covered by the FMLA shall be designated as FMLA leave.
- 11.6 Three (3) days per fiscal year may be used to accomplish personal business which cannot be taken care of at any other time. Personal leave days will be prorated for less than a full year of service. Such leave shall not be accumulated except as referred to in 11.6.1.
- 11.6.1 Personal leave days not used will be credited at the end of the school year to sick leave, up to the maximum number of sick days allowed under 11.1.1.
- 11.6.2 No more than two (2) employees from each building will be granted personal leave on the same day, unless a greater number is authorized by the Superintendent, or in the case of 11.14 below. Further, no more than one (1) food service employee will be included as one of the two employees from each building. If more people apply for leave than are allowed to go, applications will be granted in the order in which they were received.
- 11.6.3 Except as provided in the following sentence, requests for personal leave must be submitted to the employee's Supervisor at least five (5) days in advance on the forms provided by the District. In the event of an emergency which makes it impossible for the employee to give advance notice, the employee shall contact his Supervisor as soon as possible under the circumstances to secure approval for his absence, normally no later than the next work day following the absence. Normally, the District will advise an employee within two (2) school days after receipt of request for a personal leave day whether the day has been granted or denied.
- 11.6.4 No absence for personal leave will be allowed during the week before the opening day of school or on the work day(s) before or after a vacation day, holiday, sick day, or recess (recess applicable only if the employee is off), or any other absence, whether excused or unexcused, except: (a) a personal leave day taken consecutively with a bereavement leave absence; (b) a personal leave day taken because of an emergency beyond the employee's control if approved by the Superintendent; (c) a personal leave day taken due to an emergency closing under 11.14 where the employee was not required by the Superintendent to report to work, or (d) a personal leave day scheduled for the Thursday before Memorial Day if the Friday before Memorial Day is rescheduled as a holiday after the personal day has been scheduled.
- 11.7 Employees shall receive pay for holidays as follows:

11.7.1 Twelve (12) month full-time employees shall receive 14 paid holidays as follows:

New Year's Day	Labor Day
Martin Luther King Day	Columbus Day
Presidents' Day	Veterans Day
Good Friday	Thanksgiving (2 days)
Memorial Day	Christmas (2 days)
Independence Day	New Year's Eve

To reduce potential scheduling problems when excessive emergency closing days have been used by February 1, the District will have the option of scheduling the Presidents' Day Holiday as a normal school work day; if that is done, then by April 30 the District will schedule the Friday before Memorial Day as a replacement holiday day unless all of the emergency closing days built into the school calendar for that year have been exhausted, in which event one additional vacation leave day will be added to eligible employees' vacation leave balance.

11.7.2 For all regular employees who are not twelve (12) month full-time employees, there will be nine (9) paid holidays as follows:*

- Martin Luther King Day
- Good Friday
- Memorial Day
- Columbus Day
- Thanksgiving Day
- Christmas Eve
- Christmas Day
- New Year's Eve
- New Year's Day

11.7.3 The District shall determine the day on which each holiday will be observed.

11.7.4 For each paid leave day, an employee shall be paid at their regular rate of pay for each hour that he would have normally worked. If the normal hours worked is over eight (8) that time will be paid at their regular rate, not time & one half (even if on a regular day they earn overtime for his/her part of hours over eight). Employees will receive a holiday provided that the employee actually works his regular hours on his last scheduled work day immediately preceding the holiday and his regular hours on his first scheduled work day immediately following the holiday. A unit employee will not be disqualified from holiday pay if they have taken paid sick leave or paid personal leave (not both) before or after the holiday (not both).

The use of sick leave and/or personal leave both before and after a holiday, by a unit member, will result in the loss of holiday pay.

11.8 On each July 1, twelve (12) month full-time employees shall receive vacation in the following manner, based on the anniversary date of employment that the employee will reach during that school year:

1* through 6 years	10 days*
7 through 13 years	12 days
14 through 20 years	15 days
21 or more years	20 days

* On his first July 1, an employee who worked at least four (4) months before that date shall receive three-fourths (3/4) day per month for each month of service before July 1.

11.8.1 Employees will be paid at their regular hourly rate normally worked for each hour they would normally have worked had they not been on vacation at straight time.

11.8.2 Vacation days not used may be accumulated up to a maximum of twenty (20) days.

11.8.3 No vacation may be taken during the week before the opening day of school unless it is approved in advance by the Superintendent.

11.8.4 An employee leaving the employ of the District is entitled to compensation for accrued vacation time provided he has worked at least one full year for the District. Compensation will be on the number of days actually earned, prorated on a monthly basis if the employee leaves earlier than June 30th. If an employee leaving the District has already used more vacation than he has actually earned on a prorated basis, then an amount equal to the rate of pay for the excess days shall be deducted from his final pay.

11.9 If an employee is required to serve on a jury during his normal working hours, he shall be granted leave for such service and shall suffer no loss in straight time pay while on jury duty, provided he delivers to the District a document issued by the Court which shows the days and hours during which such service was rendered and signs over to the District all fees (not including travel or meal expenses) paid by the Court with respect to any day of jury duty for which the employee is to be paid by the District. The employee shall cooperate with the District in seeking a delay in jury duty if the District so requests.

11.10 Leaves of absence for military service will be granted as required by New York State Law governing military service and training.

11.11 Volunteer firefighters and EMS personnel may leave their positions, or not report to work, without loss of pay or leave time, when necessary to respond to emergency calls, up to ninety (90) hours per fiscal year for the entire bargaining unit. This time will not accumulate year to year. Whenever possible, the employee will notify the Supervisor before responding.

- 11.12 If an employee has a child enrolled in the District, he will suffer no loss of pay while absent from his duties to chaperone one school-related activity per year.
- 11.13 Unpaid leave may be granted only upon written approval of the Superintendent of Schools. In order to be granted such unpaid leave, the employee must submit a written application to the Superintendent of Schools. That application must include a statement of the reason for and the beginning and ending date of the requested leave. Unpaid leave shall not exceed one (1) year. During such leave, an employee shall receive no compensation or benefits under this Agreement.
- 11.13.1 An employee on an unpaid leave may not work for any other employers other than the one for which he was working immediately prior to the commencement of the leave, or another job no part of which is worked during hours of his school position.
- 11.14 Effective September 1, 2003, during each school year each employee shall have available one day of emergency closing leave which may be used when school is closed for any emergency (e.g., snow day, water or sewer line break, or boiler problems). When that day is used the employees shall be paid at their regular hourly rate for each straight-time hour that they would have worked had the day not been an emergency closing day. Employees required by the Superintendent to work on an emergency closing day will receive their pay for the emergency closing day and shall also be paid for all hours worked. If there is more than one emergency closing day in a school year, personal days may be used or the employees may take an unpaid day.
- 11.15 Part-time employees who work a regular schedule of days at a reduced number of hours shall accumulate leave time on a pro-rated basis using the number of hours they work on a regular work day as compared to a full-time employee. These employees shall be paid for a day of leave based on the regular scheduled hours for the day missed. Part-time employees who do not work every day shall accumulate leave on a pro-rated basis using the number of hours they work in a regular work week as compared to a full-time employee; these employees shall be paid for a day of leave based on the hours in their regular work schedule.

TRANSPORTATION

- 12.1 Final decisions on the assignment of all bus runs will be made by the District using the following procedures for drivers to express their interest in being assigned particular runs.
- 12.1.1 The terms of this Section shall be applicable to the assignment of the regular, daily bus runs, including short runs and shuttle runs.
- 12.1.2 A list of the runs for the school year and their estimated average times will be prepared by the Transportation Supervisor (or other person designated by the District) prior to the start of school. Drivers will be afforded an opportunity to bid on runs in the order of their seniority. The bidding on runs will be done in

the last week of August. No further bidding or bumping will be allowed after the beginning of school, other than provided for in Sections 12.1.3 and 12.1.4.

- 12.1.3 If a driver's run is abolished during the course of a school year and that driver is not the least senior driver, then that driver shall assume the run made available by the layoff or reduction in position of the least senior driver and shall also have the opportunity to express interest in any regular bus run which becomes available for assignment during the course of that school year.
 - 12.1.4 If the modification of a run during the school year results in that run being extended in excess of sixty (60) minutes per day, and/or five (5) hours per week, that run shall be made available to all drivers with more seniority than the driver who originally bid the run. The driver who originally bid the run will then switch runs with the more senior driver for the remainder of the year, and all other driving assignments will remain the same.
 - 12.1.5 If a driver disagrees with a decision of the District on the assignment of a bus run, the driver may submit to the Superintendent of Schools a written statement of the reasons for the driver's disagreement. The Superintendent of Schools will refer the written statement to the Labor/Management Committee for its review and recommendation. Once the Superintendent has received that recommendation, the Superintendent of Schools will make a final decision on the bus run assignment. This decision shall not be subject to the grievance and arbitration procedure of this Agreement unless the Labor/Management Committee meets a second time and a majority of the Committee vote to disagree with the Superintendent's decision.
- 12.2 The terms of this paragraph shall be applicable to the assignment of extra trips. An extra trip is a field trip, an athletic trip or any other trip not normally a part of the regularly scheduled runs. If a driver is interested in driving extra trips, an Extra Driving Request Form must be completed and returned to the Supervisor of Transportation (or other person designated by the District) by the first day of school. Any driver refusing an extra trip, without written justification (submitted no less than 2 work days after the refusal) acceptable to the Transportation Supervisor more than three times in a school year will have his name removed from the list of drivers for extra trips unless a special request is presented to and approved by the Transportation Supervisor (or other person designated by the District). In the event no driver from the trip list wheel accepts, the Transportation Supervisor will assign the extra trip from the drivers list.
- 12.2.1 If a driver is requested to remain with a bus in excess of six hours and this time includes what would normally be a main meal hour, the driver may turn in a receipt for reimbursement for one meal not to exceed \$8.00 for lunch or \$12.00 for dinner.
 - 12.2.2 If an extra trip is canceled after the driver has reported to the bus garage but before the trip has departed from the District, the driver will be paid for one

hour at the Extra Trip Rate or shall receive his compensation for a regular run which was given up to take the extra trip, whichever amount is greater.

- 12.2.3 If an extra trip is canceled after the bus has arrived at its destination, the driver will be paid for his actual hours on the extra trip at the Extra Trip Rate or shall receive his compensation for a regular run which was given up to take the extra trip, whichever amount is greater.
- 12.3 Upon presentation of a receipt, drivers will be reimbursed for any tolls, fuel or repairs which were necessarily incurred in the course of an approved trip.
- 12.4 When a driver is required to appear in court as a result of a summons issued to another motorist involving an incident occurring during their duties as a driver of the District, the driver will be paid Ten Dollars (\$10.00) for such court appearance. No payment shall be made if the driver was also charged in any manner in connection with the incident.
- 12.5 Driver Requirements:
 - 12.5.1 Requirement for Fingerprinting: All drivers shall cooperate in the fingerprinting required by the Department of Motor Vehicles as a condition of employment. The cost of the fingerprinting procedure will be paid by the District.
 - 12.5.2 Defensive Driving Review: All drivers shall attend the "Defensive Driving Review," the "Behind the Wheel Road Test" and the written test when required by the District, and shall be paid at the Extra Trip Rate for any time in attendance.
 - 12.5.3 Safety Meetings: All drivers shall attend two (2) safety meetings per school year conducted by the District or a designated organization as required by State regulation. Drivers attending such meetings will be compensated at the Extra Trip Rate for attendance at each session.
 - 12.5.4 State Education Department Required Training: All new drivers shall complete the required thirty (30) hours of instruction of Basic Driver Training as required by State regulation. Upon submission of proof of successful completion of the course, a payment of the minimum wage rate for all hours spent attending the training will be made to the new driver.
 - 12.5.5 Special Meetings: Drivers shall attend meetings called by the Transportation Supervisor (or other person designated by the District). Compensation for time at these meetings shall be paid at the Extra Trip Rate.
 - 12.5.6 Annual Physical Examination and Physical Agility Testing: The District shall pay for the out of pocket expense for the first examination and/or test. If the employee fails the first exam/test the employee shall be entitled to retest. The District shall pay for the out of pocket expense for the next test that the employee passes and is able to return to work.

12.5.7 Pre-Trip and Post-Trip: Drivers will record the exact time of departure and arrival back at the bus garage, plus the necessary time to prepare the bus and post-trip the bus, which includes cleaning the interior of the vehicle, up to a maximum of ten (10) minutes in each case (five (5) minutes to post trip a passenger car). If more time is needed to post-trip a vehicle than allowed under the previous sentence, the Transportation Supervisor will be notified and shall approve such time as he deems necessary. Drivers shall be allowed no more than five (5) minutes after departure to arrive at any District building for loading.

12.6 Drug and Alcohol Testing:

12.6.1 Safety sensitive employees (as defined in the applicable statute and regulations) shall cooperate in all respects in controlled substance and alcohol testing as prescribed by the District.

12.6.2 Responsibility for scheduling of random controlled substance and alcohol test will not generally be assigned to an employee subject to such test.

12.6.3 In the case of a test for reasonable suspicion or after an accident, the District will make arrangements for transportation of the employee to and from the test site. In the case of random testing, the District will make available a single vehicle to be driven to the test site by one of the employees to be tested.

12.6.4 Safety sensitive employees shall report as directed for all controlled substance and/or alcohol testing. Random testing shall be scheduled during regular work hours, provided enough employees are available to fill the vacated bus runs; if not, safety sensitive employees will report after their bus run. An employee required to undergo random controlled substance and/or alcohol testing shall be compensated for the time spent in such testing (up to a maximum of two (2) hours, unless there is verification of a delay outside of the employee's control) or the run lost, whichever is greater, at his regular rate of pay.

12.6.5 The District will assume the testing cost of all controlled substance and alcohol tests, as well as any training which the District elects to provide.

12.6.6 If an employee receives a positive result for a controlled substance test and is awaiting the result of a re-analysis of the sample, the employee shall be placed on an unpaid leave of absence. In the event the re-analysis of the sample is confirmed negative, the District shall reimburse the employee for all days of work missed and the record of the employee's attendance shall be changed to approved absence with pay.

12.6.7 Any employee who receives a confirmed positive result for a controlled substance or alcohol test shall be subject to administrative and/or disciplinary action, up to and including discharge. The imposition of any discipline other than discharge, up to a maximum suspension without pay for a period of three (3) months, may be effected by the District without the need for procedures

under Section 75 of the New York State Civil Service Law and/or any applicable provisions of this Agreement (before or after discipline is imposed), all of which procedures are waived. The discharge of an employee may also be effected without the need for procedures under Section 75 of the New York State Civil Service Law, but if the employee believes that the finding of a confirmed positive test result is erroneous, the employee may file a grievance under this Agreement contesting only the validity of the positive test results, and the right to file a grievance on any other issue is waived. In the grievance and arbitration procedure, the only issue shall be the validity of the positive test result and the burden of proof shall be on the employee. If it is determined that the positive test result was valid, the arbitrator shall have no authority to alter the decision of the District imposing discharge as a consequence for the positive test result.

- 12.6.8 An employee who receives a confirmed positive result for a controlled substance or alcohol test may be allowed a period of time for rehabilitation at the District's discretion. When an employee is allowed such a period for rehabilitation, he shall be deemed to be suspended without pay during that time, but if the employee is currently enrolled in the District's health insurance, he shall be entitled to continue the receipt of health insurance benefits under the terms of this Agreement for the period of rehabilitation allowed by the District. At the conclusion of any period allowed for rehabilitation, the employee may be returned to work under conditions prescribed by the District (such as mandatory AA meetings, mandatory outpatient care, and continued drug and alcohol testing) or the District may take action in accordance with the preceding paragraph, at the discretion of the District.
- 12.6.9 Information concerning the participation of unit members in the controlled substance and drug testing program shall be accorded the confidentiality required by the applicable statutes and regulations.
- 12.6.10 In the above sub-paragraphs, a "confirmed positive result" is (a) a positive result which also is positive on re-analysis or (b) a positive result which was not subject to re-analysis by the employee's default.

ARTICLE 13

- 13.2 The effective date for new employees will be the first of the month following the date of active employment. In case of an emergency whereby the employee is without insurance, such as death of spouse, spouse loss of coverage, the unit member will be allowed to join

- 13.6 If two staff members are married to each other and have children, and either or both staff members are eligible for health care coverage, the District shall provide health care coverage only to the extent of one family plan. If two staff members are married to each other and do not have children, and either or both are eligible for health care coverage, they shall be entitled to one family plan, or each one shall be entitled to single coverage, whichever is the least cost to the District. An employee shall not be entitled to coverage under the District's health care program if the employee is otherwise covered under a comparable form of health care coverage. No employee shall be entitled to cover a

dependent or a spouse under a District health care program if the dependent or spouse is covered by non-District health care coverage. The term "covered" shall mean that the person (employee, dependent or spouse) is named as a participant under any single or family health insurance plan.

- 13.7 The District shall make available to the employees in this unit Section 125 Cafeteria Plan currently in effect for other employees of the District.
