BLACKS - GENERAL - 1930'S. BOX 2, FF 9

Anderson, Mary. "The Negro Woman Worker." American Federationist. Washington, D.C.: American Federation of Labor, October 1, 1932. Pages 1114-1120.

Mary Anderson, Director of the Women's Bureau, discusses the plight of black women workers during the Depression. She points out that although there were increased immigration restrictions, black women were often left jobless as a result of migration which caused supply to exceed demand, and because white women increasingly took over black women's traditional occupations. Journal.

Anderson, Mary. "The Plight of Negro Domestic Labor." Journal of Negro Education. Un: Un, January, 1936. Pages 66-72.

The article discusses the lack of standards that existed in household employment and the fact that these black workers were not covered by the National Recovery Act. Anderson also points out the number of blacks in domestic, personal and household labor. Journal.

Applegarth, Margaret T. "Is the Lady-of-the-House at Home?" Womans Press. New York, New York: Un, (November, 1933). Pages 472-474.

The article discusses the depressing position of black women at this time in history. The author focuses on cartel practices of employers which came about as a result of a depressed economy and a scarcity of jobs. This enabled them to exploit workers. In addition, the role of the YWCA to establish a code for household work is explained. Periodical.

Bobbitt, Pearl. Letter to Hugh Johnson (Chairman, National Industrial Recovery Act Committee), September 22, 1933. 1p.

A description of conditions under which household employees, especially black women, were forced to work. Also, a discussion about the need for a code for household employment. Letter.

Bousfield, M. O. "The Adventure Of Public Health Nursing." Southern Workman. Un: Un, (January, 1932). Pages 33-37.

Newapaper.

Briggs, Cyril and Eugene Gordon. Negro Women Workers in the U.S.A. New York, New York: Workers Libraries Publishers, February, 1935. 16p.

An overview of the position of black women in 1935. The pamphlet discusses their positions in various occupations, what factors determined that position, and the future of black women's employment. Pamphlet.

Brown, Jean Collier. "The Economic Status Of Negro Women." Southern Workman. Un: Un, (October, 1931). Pages 428-437.

The article discusses the plight of black women workers who were forced to take unskilled and tedious jobs. The article also points out the industries in which the largest number of black women worked, and in which ones these women could earn the most money. Newspaper.

Brown, Rosa L. "A Negro Nurse in the 'Glades." Opportunity. Un: Un, November, 1937. Pages 336-338.

Rosa Brown discusses her experiences helping to establish schools and community centers in rural areas. Journal.

Brown, Ruth. "Two Year College Class." Southern Workman. Un: Un, (June, 1932). Pages 278-279.

The experiences of twenty-nine black women who completed a teacher's program at Hampton College. Newspaper.

Carner, Lucy. "The Negro Woman Worker." Womans Press. Un: Un, (June, 1930). 1p.

A study of black women in various industries of Indianapolis. Periodical.

Cramer, Lawrence. Employment of Negro Women at Norfolk Navy Yard. Letter to Mr. Donovan and Mr. Henderson, September 29, 1942. 6p.

A discussion of the protest against the employment of black women at the Norfolk Naval Yard. Letter.

Craster, Charles V. "Medical Examination of Domestic Servants." American Journal of Public Health. Un: Un, May, 1933. Pages 433-436.

The article discusses the importance of medical examinations for domestic workers and the reasons this was deemed necessary. In addition, the article focuses on the number of domestics that were involved, the solution, and the logistics of giving and receiving therapy for illnesses. Journal.

Cuthbert, Marion. "Problems Facing Negro Young Women." Opportunity. Un: Un, February, 1936. Pages 47-49.

A view of the black woman and her many responsibilities working outside the house, caring for the family, and in many instances being the sole provider. Journal.

Davis, John P. "The Maid-Well Garment Case." The Crisis. Un: Un, December, 1934. Pages 356-357.

The article delves into the particular conditions at the Maid Well Garment Factory, and also discusses alternate forms of employment that black women workers were forced to accept upon loss of their jobs. Un.

Deming, Dorothy. "The Negro Nurse in Public Health." Opportunity. Un: Un, November, 1937. Pages 333-335.

Deming, a black nurse, discussed her experiences helping rural blacks learn about nutrition and how to create a sanitary environment in which to live. She supplies statistics on the number of black women who were nurses out of the total number in the U.S., and discusses the wage differential between the North and the South. Journal.

Forsyth, James Mrs. and Edmonia W. Grant. Letter to Mrs. Henry A. Ingraham (Chairman, Executive Committee National Y.W.C.A.), February 21, 1944. 3p.

Facts about a racial incident on the Texas and Pacific Railroad. A black woman was refused service in the dining car. Also, recommendations as to the actions the YWCA could take in order to protest this occurence. Letter.
