Chapter 4. Check on Work Attendance

Staff on duty regulations:

- 1. Company staffs must check in with the timecard by their own, no authorizations to others allowed. Mistaken with timecard must register to the safety guard and get the official stamp at the Personnel Department and the section director.
- 2. Everyday working hours: 7:20 to 11:30 in the morning, 12:50 to 17:00 in the afternoon. Work break: 9:20 to 9:30 in the morning, 14:50 to 15:00 in the afternoon. Overtime work starts from 18:00, or otherwise noticed.
- 3. The company prescribes 4 days break every month. Work hours for every week, including overtime work should not exceed 60 hours.
- 4. Asking for leave: staffs asking for leave must request to section leaders and duty cards must be filled by the secretary and submitted to the Personnel Department. The procedure is printed on the asking-for-leave sheet: two to seven days leaving must reported to unit director, seven to fifteen days leaving must be permitted by the vice manager. Cadre and staff asking for leave must report to manager. The permission must be verified by the Personnel Department and then the employees are allowed to leave.
- 5. After permission of leaving, the employee asking for leave must submit ask-for-leave card and factory ID to the Personnel Department and follow the relative procedure. When the leaving employee comes back to work, factory ID can be picked up with proof of leaving.
- 6. Type of leavings:
 - a. Work-related injury:
 - (1) The workers injured during work, would be switch to other jobs according to the injury condition.
 - (2) According to the Labor Laws, if the workers are under insurance, they can take a medical leave.
 - (3) If the worker causes the injury on purpose or by worker's own mistake, no medical leave will be permitted.
 - b. Leave for illness:
 - (1) Medical diagnosis by the doctors inside the company must be presented and permitted by the section manager.
 - (2) The ill workers must stay in the dormitory for rest, and not allowed to stay in the living area. The ill workers can't go out of the company unless with doctor's prescription for medical treatment outside the company.
 - c. Leave for personal issues:
 - (1) When asking for leave, ask-for-leave forms must be filled and submitted to the Personnel Office. No oral application will be accepted. For the emergency cases, when asking for leave in advance is impossible, the leaving employee must report to the Personnel Office before 3 o'clock in the first day coming back to work.
 - d. Absent from work without a reason:

- (1) If absent from work without a reason for one day, basic wage would be deducted and peccadillo will be recorded.
 - (2) If absent from work without a reason for three days or more in one month, the absentee will be dismissed. One's wages of last month and the current month will be deducted.
 - (3) Coming late and leaving early will be punished as peccadillo.
- 7. When overtime work is required, the overtime work forms must be submitted to the safety guard before 16:30. The work attendance and overtime work attendance form must be submitted to the Personnel Office before 8:30 the next day. If these forms missed the deadline, the overtime work will not be counted.
- 8. During work hour, if one worker leaves from the duty without permission, one will be regarded as absent from work without a reason.
- 9. National holidays: New Year vacation has one day; Spring Festival vacation has three days; May 1st Labor Day vacation has one day; National Day vacation has two days. Other folk-custom vacations will be informed otherwise.
- 10. Alternation of safe guard, dormitory management, and factotum will be regulated otherwise.
- 11. Time cards must be checked by the cardholder when on and off duty everyday. One authorized others to check the card and the substitutional timecard checkers will be punished as absent from work without a reason.

Chapter 5. Wages

Calculations of wages:

- 1. Daily wages: wages are calculated as real workdays times daily work pay rate.
- 2. Monthly wages: wages are calculated monthly.
- 3. Overtime work compensation: calculated in hours. Eight hours of overtime work accumulated to one day. The hourly rate is 1.5 times the usual pay rate, overtime work on holiday will be calculated double the usual pay rate, overtime work on legal vacations are calculated triple the usual pay rate.
- Daily and monthly wages should not be lower than the legal standard regulated in the Labor Laws. The wages are delivered before the end of the next month unless noticed otherwise.
