## WOMEN'S RESIDENTIAL HALLS

### SUMMER SESSION

**C**ORNELL University has three Residential Halls for Women in which rooms and board may be obtained during the Summer Session by registered students only. Besides these halls, there are certain University Houses which are occupied exclusively by women. The halls and houses are all under the direct supervision of the Dean of Women. They are:

**Sage College**, which accommodates 175 students: Here the charge for room, table board, and a specified amount of laundry, for the session of six weeks, is from \$81 to \$96, according to the size and location of the room. This building is situated on the campus, in attractive surroundings and within easy reach of all the other University buildings. It is protected from fire by a complete automatic sprinkler system. An electric elevator runs to the upper floors. The common rooms include a drawing room and six reception rooms, a students' reading room, and dining rooms. The gymnasium and swimming tank for the student women of the University are in this building. The students living in the building are under the immediate charge of the Warden of Sage College.

**Prudence Risley Hall** accommodates 184 students. Here the charge for room, table board, and a specified amount of laundry, for the session, is from \$87 to \$96, according to the size and location of the room. It is a fireproof building, beautifully situated on the north bank of Fall Creek Gorge, within easy reach of the main University buildings. Almost every one of the rooms is designed for a single occupant, and the building was so planned that every room in which a student lives receives sunlight at some time in the day. An electric elevator runs to the upper floors. On the first floor are three large drawing rooms, a large recreation room, and dining rooms. The students living in the building are under the immediate charge of the Warden of Prudence Risley Hall.

**The Balch Halls** accommodate 318 students. Here the charge for room, table board, and a specified amount of laundry, for the session, is \$101 per occupant. These halls are in four units, each unit under the charge of a warden and each having its separate reception hall, living room, and dining room. The halls are thoroughly fireproof and of modern construction and appointment. In addition to ample bathrooms in all corridors, each room or pair of rooms has a hand lavatory with running water. In some cases the lavatory serves two rooms which communicate with it on either side but which are otherwise separate from each other.

The house at **No. 15 East Avenue**, directly across the street from Sage College, accommodates twenty-one students. The residents may take their meals in the Sage College dining room and are subject

to the rules and regulations that govern the residents of Sage College. The house contains four bathrooms—one on the first floor, two on the second, and one on the third. There are two reception rooms on the first floor.

The house at **No. 308 Wait Avenue**, within two minutes' walk of Risley Hall, accommodates twenty students. The residents may take their meals in the Risley dining room and are subject to the rules and regulations that govern the residents of Risley Hall. There is a bathroom on each floor. Students living in the house have the use of two reception rooms on the first floor.

Besides the halls and houses named above, there are certain approved houses which are occupied exclusively by women and which are also under the direct supervision of the Dean of Women. The list of approved houses will be available after June 1st on application to the Manager of Residential Halls, and also, if desired, a supplementary list of private houses with desirable rooms available for mature women who prefer to live outside any of the halls or university houses. Undergraduate women students of Cornell and other colleges and other women students under twenty-one years of age are expected to live in the residential halls or the university houses. Every woman student should consult the Dean of Women before engaging a room. Members of the Summer Session who lodge outside Sage College and Prudence Risley Hall may obtain table board at either of those halls for \$10 a week. Students living in Sage College, Risley Hall, or Balch Hall are required to take their meals in the dining room of that hall. These dining rooms are conducted by the University.

Each of the residential halls is in charge of a warden, who is glad to know the students, to advise them in illness or other emergency, and to give them whatever information they wish about the University or the town. It is understood that persons living in the halls or the houses will conform to the house regulations made for the convenience and comfort of all. As the persons living in these buildings during the session are attending the University for serious work, it is necessary that the rooms and corridors should be kept quiet during the hours of study and rest. Persons unwilling to conform to reasonable regulations for ensuring quiet are not wanted in the buildings.

## FURNISHINGS

All the buildings have electric lighting. Every room is completely furnished. Each student furnishes her own towels and soap and makes her own bed. All other services and supplies are included in the charge for residence. Students are not permitted to keep their trunks in their rooms. Telephone service is available to every room. There is no charge to students for incoming calls or for calls within the dormitory switchboard. A charge of ten cents a message is made for other outgoing local calls. The regular toll rates are charged for all long distance calls made through the dormitory switchboard. The

dormitory switchboard serves Balch, Prudence Risley and Sage Halls for women, the Baker Group, Founders, Boldt, Boldt Tower, Memorial, Lyon and McFaddin Halls for men, together with the offices of the Dean of Women, the Manager of Residential Halls, the Treasurer and the Medical Advisers.

### APPLICATIONS

Applications for rooms in any of the residential halls or university houses should be made to the Manager of Residential Halls, Morrill Hall, Cornell University. A deposit of five dollars must accompany the application; otherwise the application will not be entertained. Checks should be drawn to the order of Cornell University.

If a room assigned is occupied by the applicant, the amount of the deposit is held until the end of the session to ensure the completion of the lease and the return of keys and to cover any damage to building or furniture other than ordinary wear and tear. The deposit will be refunded if the applicant gives formal notice to the Manager on or before June 15 that she wishes to withdraw her application. It is required that this deposit be withdrawn by September 1st after the end of the Summer Session.

### ASSIGNMENT

Rooms are assigned strictly in the order of application. A double room may not be held by one student even though she be willing to pay the full price.

The University reserves the right to reassign any room that is not occupied by registration day unless notice has been received before that date of delay in arrival. It is required that each student shall register immediately upon her arrival in the hall in which she has engaged her room. The University reserves all rights in connection with the assignment or reassignment of rooms or the termination of their occupancy.

### PAYMENT

Rooms are rented only for the Summer Session as a whole, and the entire payment for room, board, and laundry must be made at the beginning of the term in advance.

Students who wish to wait on table in order to earn their board should apply to the Manager of Residential Halls in advance.

### LAUNDRY

Every piece sent to the laundry should have the owner's name plainly marked on it with Payson's indelible ink or with an embroidered name tab. Marking with a rubber stamp or with the so-called indelible pad is not effective.
