The employer will make every effort to notify employees of inclement weather conditions. If the employee does not, at the Employer's request, furnish a telephone number or fails to inform the Employer of any change of number at which he may be reached, then the Employer shall be relieved of any responsibility of notification and shall not have to pay show-up time.

When employees, including new hires, reporting for work arrive on the job unprepared to perform the work required (for example, under the influence of alcohol or drugs, or inadequately clothed), the Employer shall not be expected to put such individuals to work nor shall they be entitled to reporting pay if not put to work.

In the case of a situation described above whereby the Employer requests the employees to stand by, the employees will be compensated for the "standby time."

SECTION 4. An acceptable Substance Abuse Program is contained in a separate addendum to this Collective Bargaining Agreement. It is not a part of this agreement and modifications to this Substance Abuse Program, by mutual agreement of an employer and the union, will not constitute a change to this agreement. Mutual agreement will not be unreasonably withheld.

SECTION 5 Any grievance related to any Employer's substance abuse program shall be resolved through Article 11, Settlement of Disputes/Grievance, of this agreement

ARTICLE 23
