ARTICLE VI □ ABSENCE WITH PAY

SECTION 1. Holidays: All Sundays and holidays described in Section 1(a) shall be allowed as days off.

- a. The days prescribed by contract for the observance of New Year's Day, Martin Luther King Day, President's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Election Day, Veteran's Day, Thanksgiving Day, and Christmas Day, shall be observed as paid holidays when they fall within the work week (Monday through Friday, i.e., a weekend, then that holiday shall be observed on the Friday if the holiday falls on Saturday, and on Monday if the holiday falls on Sunday.

In addition, an employee may take a floating holiday during each calendar year provided the employee is on the payroll on February 12th of the calendar year and the employee receives prior approval from the employee's supervisor. Such approval shall not be unreasonably withheld.

- b. Double time for all hours worked on the actual holiday, not the observed day (if different) for Thanksgiving, Christmas Day and New Years Day.

SECTION 2. Sick Leave

- a. Sick leave is absence with pay necessitated by the illness or other physical disability of the employee.
- b. Sick leave is to be earned at a rate of one (1) day per month and one (1) additional day on the employee's anniversary date for a total of thirteen (13) days per year. An employee may accumulate such credits up to a total of one hundred and sixty (160) days. Sick leave shall be accrued proportionately upon the completion of each payroll period.
- c. An employee absent on sick leave shall notify his/her supervisor of such absence and the reason thereof on the first day of such absence and within two (2) hours after the beginning of his/her workday. Sick leave credits may be used in such units as the appointing authority may approve, but shall not be used in units of less than two (2) hours.
- d. Before absence for personal illness may be charged against accumulated sick leave credits, the appointing authority may require such proof of the illness as may be satisfactory to it, or may require the employee to be examined, at the expense of the department or agency by a physician designated by the appointing authority. In the event of failure to submit proof of illness upon request, or in the event that upon such proof as is submitted or upon the report of medical examination, the appointing authority finds that there is no satisfactory evidence of illness sufficient to justify the employee's absence from the performance of his/her duties such absence may be considered as unauthorized leave and shall not be charged against accumulated sick leave credits.

- e. In addition to personal illness of the employee, the following types of absence, when approved by the appointing authority, may be charged against accumulated sick leave credits; illness or death in the employee's immediate family, provided however, that charge for such absence shall not exceed a maximum of fifteen (15) days in any one (1) year; personal visits to doctor or dentist; and absence for maternity.
- f. The County hereby establishes a formula whereby an employee who utilizes less than five (5) days sick leave for the year is compensated with additional vacation days according to the following formula:

No sick days	Five (5) Additional Vacation Days
One (1) sick day	Four (4) additional vacation days
Two (2) sick days	Three (3) additional vacation days
Three (3) sick days	Two (2) additional vacation days
Four (4) sick days	One (1) additional vacation day
Five (5) sick days	No additional vacation days

If the County implements a new countywide sick leave incentive policy, the County agrees to discuss said policy with CSEA for possible replacement with present Article VII, Section 2(f).

SECTION 3. Extended Sick Leave

- a. The appointing authority may, in its discretion, advance sick leave credits to an employee absent due to personal illness who has exhausted his/her accumulated sick leave, vacation, and overtime credits. Such advance sick leave credits shall be repaid, as soon as practicable after the employee's return to duty, from subsequent accumulations of time credits. The outstanding unrepaid sick leave credits advanced to any employee under the provisions of this part shall not at any time exceed a total of thirteen (13) days in any calendar year.
- b. Upon termination of the employee's services, any such advance of sick leave not offset by subsequent accumulations of sick leave, vacation and overtime credits, shall be deducted from the salary or wages due the employee.

SECTION 4. Sick leave at Half-Pay

- a. The appointing authority may, in his/her discretion, grant sick leave at half-pay for personal illness to an employee having not less than one (1) year of service after all of his/her sick leave, vacation and overtime credits have been used; provided however, that the cumulative total of all sick leave at half-pay hereafter granted to any employee during his/her County service shall not exceed two (2) pay periods for each completed six (6) months of his/her County service. To be recommended by

Department Head with final approval (or disapproval) coming from Human Resources Commissioner or designee.

- b. An employee who is granted sick leave at half-pay will not be eligible to accrue leave credits of any kind.

SECTION 5. Personal Leave

- 1. Personal leave is leave with pay for personal business including religious observance, without charge against accumulated vacation or overtime credits.

- a. Those employees who are hired after January 1st of each year shall receive personal leave on a prorated basis as follows:

January 1 To March 15	5 days
March 16 to May 31	4 days
June 1 to August 15	3 days
August 16 to October 31	2 days
November 1 to November 30	1 day

- b. Any person who was separated or granted leave of absence without pay from County service prior to the effective date of these rules and is hereafter re-employed or reinstated in County service, shall be credited with the appropriate personal leave days as outline above in Section 1.
 - c. If an employee is separated from County service or granted a leave of absence without pay from County service, and thereafter is reinstated or re-employed within one (1) year following the last date upon which personal leave was credited to him/her, the unused personal leave standing to his/her credit at the time of separation or leave of absence shall be restored to him/her.
 - d. If an employee is separated from County service, or granted a leave of absence without pay from County service, and thereafter is reinstated or re-employed more than one (1) year following the last date upon which personal leave was credited to him/her such reinstatement or re-employment shall be deemed to be new entry into County service for the purposes of crediting personal leave.
- 2. Personal leave shall not be cumulative, and any personal leave credit remaining unused by an employee on the date immediately preceding the calendar year upon which he/she is entitled to receive new personal leave credits hereunder shall be canceled. Unused personal leave shall not be liquidated in cash at the time of separation, retirement, or death.

3. Personal leave may be drawn only at a time convenient to and approved in advance by the appointing authority; provided, however, that personal leave allowed for religious observance shall be granted on the days and hours required, insofar as the same may be granted at such time without interference with the proper conduct of government functions.
4. Personal leave credits must be used in such units as the appointing authority may approve, but may not be used in units of less than two (2) hours.

SECTION 6. Bereavement Leave

Each employee shall be granted up to three (3) work days per death with pay for death in the immediate family. Immediate family shall be defined as an employee's spouse, mother, father, child, brother, sister, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents and grandchildren, step parents and step children.

For those employees who are living in the same household with an individual who is not related in the manner listed above, such employees shall be entitled to three (3) days bereavement leave upon the following conditions:

1. The employee designates the name of such person with the County; and
2. The employee assumes the responsibility of updating such designation as changes occur; and
3. The County agrees to keep such information confidential.

SECTION 7. Leave for Extraordinary Weather Conditions

- a. The County Executive or his/her designee may, in his/her discretion, grant employees time off with pay on account of excess heat or other extraordinary weather conditions.
- b. Such time off shall be charged against accumulated vacation, overtime or sick leave credits, or may, with the approval of the appointing authority, be allowed as personal leave.
- c. An employee, who has reported for duty and, because of extraordinary circumstances beyond the employee's control, is directed to leave work, shall not be required to charge such directed absence during such day to leave credits.

SECTION 8. Workers' Compensation

1. It is the intent of Albany County to comply with the letter and spirit of the New York State Worker's Compensation Law and to take steps, which

minimize the occurrence of occupational accidents and diseases. In addition, the county is committed to facilitating the reemployment of workers who have suffered the effects of occupational accidents and diseases.

A. Reporting Occupational Accidents/Disease. Employees are required to immediately inform County management upon their involvement in an occupational accident or upon being diagnosed with occupational disease. The Worker's Compensation Law requires that accidents be reported within 30 days of their occurrence. The employee must complete an Incident Report. This report should be as detailed as possible and must be signed by the employee. The Employer or supervisor must complete and sign the reverse side of the Incident Report. If, because of the hospitalization or the nature of disability, the employee is unable to sign the Incident Report, a union representatives or family representative may sign for the employee.

B. Coordination with Other Leaves and Payroll Status. An employee's leave and payroll status while on workers' compensation leave shall be as follows:

1. **Uncontroverted Workers' Compensation Cases:** If the County (or its claims administrator) elects not to controvert the employee's claim for workers' compensation, the employee shall be placed on leave as follows:

a.) **Initial Seven Days.** The first seven (7) days (five work days) of the absence will be charged to sick leave credits, or to other paid leave credits available if sick leave is exhausted. (Use of sick time under Worker's Compensation will not be charged against the sick leave incentive).

b.) **Period concurrent with FMLA Leave.** If the employee cannot return to work by the eighth calendar day, he or she will be placed on worker's compensation leave, which shall run concurrent with FMLA leave. Paid and unpaid leaves shall run concurrent with FMLA leave. Employees must exhaust all leave credits including compensatory time. The election of using vacation leave credits to offset unpaid leave during the FMLA leave either in part or in total is an option of the employee; however, the designation not to use vacation leave credits must be made at the time the employee is approved for FMLA leave. The employee's subsidized health insurance shall be continued in accordance with FMLA and County policy. If the employee exhausts leave credits prior to the completion of 12 weeks of FMLA, the following will apply:

Unpaid Worker's Compensation Leave. The employee will be removed from the County payroll and receive no salary from the County, but instead collect statutory indemnity (wage replacement) benefits from the County's worker's compensation claims administrator. Since this is an unpaid leave, the employee

will not be eligible to continue the accrual of leave benefits. Most employees do not earn retirement system service credit while on an unpaid worker's compensation leave. Employer subsidized health insurance shall be continued in accordance with FMLA and County policy. (During the FMLA period (whether paid or unpaid) the employee's contributions for health and dental costs will remain the same. Once the FMLA period has expired the health and dental coverage will terminate at the end of the complete calendar month which follows the expiration of FMLA leave and accumulated time is exhausted. Employees may request continuation of coverage at the cobra rates.) (100% of the costs.)

c.) **Period Following Expiration of FMLA Leave.** Upon exhausting all leave credits; the employee may be eligible for an unpaid leave of absence. The continuation of health insurance benefits may be an option under COBRA guidelines. Following the expiration of concurrent FMLA leave the following conditions are applicable:

- 1.) If the employee elected to freeze vacation accruals during the FMLA leave period. The employee will now be required to exhaust those accruals during the continued workers compensation leave.
- 2.) If the employee has additional leave credits, the employee is required to exhaust all leave during the absence. While drawing down on leave credits the employee will continue to accrue leave credits.
- 3.) If the employee does not have any remaining leave credits, the employee will be removed from the County payroll and placed in a workers compensation unpaid leave status. The employee will be eligible to collect statutory indemnity (wage replacement) benefits from the County worker's compensation claims administrator.

C. **Reinstatement.** Subject to normal budget action, the employee's position shall be held vacant and preserved pending the employee's possible return to work. Such "hold" on the employee's position shall extend up to fifty-two (52) weeks following the employee's first day of absence due to occupational injury or disease, but such period may be reduced by the length of any previous workers' compensation leaves relating to the same injury of disease taken by the employee in the thirty-six months preceding the current injury or disease.

D. **Controverted Worker's Compensation Case.** In a case where the County elects to controvert an employee's workers' compensation claim the employee shall be placed on (a) a leave of absence status. The employee will be required to draw down on leave credits as applicable under (item B). The County may, in accordance with the

law, suspend indemnity payments to a claimant whose claim is controverted until such time as the issue of compensability is settled by the Worker's Compensation Board. Further, if the County is contesting the employee's medical incapacity to work, the use of sick leave would generally not be deemed appropriate in such circumstances. However, if the County is not contesting the employee's incapacity to work but is controverting the claim on some other basis, the use of sick leave credits shall be allowed. If a ruling in favor of the employee is rendered by the board, any paid leave credits used by the employee to continue salary while awaiting the Board's decision shall be restored appropriately (See Restoration of Accruals). Upon the expiration of FMLA leave, termination from the active payroll shall commence in accordance with procedures indicated for uncontroverted cases.

E. Temporary Light or Modified Duty. It is the policy of Albany County to return an employee to work in a light duty capacity in which the employer temporarily assists the employee during his/her recuperation period from a workers compensation injury/illness. The Employer will make temporary and reasonable accommodations, which will enable the employee to gradually return to his/her position at full duty. Light duty will never be offered as a permanent alternative. A Physical Assessment Form will be used to determine light duty accommodations. Completion of this form will be a requirement of light duty assignment. Employees will not be eligible for light duty if the Physical Assessment Form has not been completed by the attending physician or appointed Independent Medical Examiner. Employees requiring continuous light duty must resubmit the Physical Assessment Form demonstrating progressive improvement in his/her condition as required by the Employer. At the Employers discretion light duty may be suspended if progression is not duly noted. Light duty assignments will not extend beyond a cumulative of six months. The Employer reserves the right to seek independent medical examinations for evaluation of the employee's status every 60 days. If an employee declines light duty, Albany County employee benefits may be suspended. Total cooperation from the employee is expected.

1. **Light/Modified Duty During FMLA Leave.** During the period of FMLA leave, the Department of Human Resources shall work with interested employees to identify opportunities for temporary light or modified duty assignments. Employees on temporary light or modified duty shall only be assigned tasks for which they are qualified. During FMLA leave, an employee may turn down an offer for light or modified duty assignment from the County. An employee's benefits under the workers' compensation law may also be negatively affected by a refusal to accept a light or modified duty assignment.*

2. **Light/Modified Duty Following FMLA Leave.** If the employee has not recovered from his or her injury by the completion of FMLA leave, the County may condition the employee's reinstatement rights on acceptance of an appropriate light or modified duty assignment. An employee's benefits under the workers' compensation law may also be negatively affected by a refusal to accept a light or modified duty assignment.*

3. **Pay and Benefits While on Temporary Light or Modified Duty.** The County will make efforts to assign an employee on temporary light or modified duty tasks commensurate with his/her experience and pay level. However, such assignments cannot always be guaranteed. Nevertheless, an employee on temporary light or modified duty shall be paid at his or her normal hourly rate of pay for all hours worked. An employee on temporary or light duty shall also accrue the same benefits and seniority as when working in a normal capacity.
4. **Duration of Temporary Light or Modified Duty.** Temporary or light duty assignments shall extend only for the period medically necessary and in no case longer than twenty-six weeks. Periodic medical examinations may be required by the County to ascertain whether or not the employee can return to full time regular duty.

*the unit president shall be notified of refusals.

- F. **Restoration of Accruals.** Upon the County's receipt of a notice of decision by the Workers Compensation Board that the employee's injury or disease was compensable under the law, paid leave shall be restored commensurate with the award of the Board using the employee's rate of pay at the time of his or her absence from work commenced.

* Note – Sick leave and vacation accruals enumerated herein will be credited weekly as long as the employee is on the payroll for a minimum of fifty percent (50%) of their scheduled hours per week. There will be no accumulation of sick or vacation time for any employee not on the payroll for the minimum of fifty percent (50%) of their scheduled hours in any week. Approved leave is considered to be on the payroll for the purpose of accumulation accruals.

SECTION 9. Vacation

- a. Vacation credits shall be earned as follows:

ANNIVERSARY DATE	VACATION CREDIT
after 6 months	½ of first years credit
1 year	10 days
2 years	15 days
7 years	17 days
10 years	20 days
20 years	25 days

- b. After six (6) months of employment, vacation shall be accrued proportionately upon the completion of each payroll period. All vacations earned may be accumulated; however, the County agrees to liquidate in cash up to forty (40) days only upon separation or death. Vacation requests of more than two (2) days must be requested at least

five (5) days in advance. Vacation requests of less than two (2) days must be submitted before noon (12:00 P.M.) the previous workday. Upon the implementation of this section, the employee will be credited with the amount of vacation he has earned since his last anniversary date.

- c. Vacations may be taken in the year in which it was earned.
- d. With two (2) weeks notice, advance vacation pay will be paid to those employees requesting same.
- e. Vacation leave credits must be used in such units as the appointing authority may approve, but shall not be used in units of less than two (2) hours.

SECTION 10. Other Leaves

- a. Leave for Subpoenaed Appearance and Jury Attendance: On proof of the necessity of jury service or appearance as a witness pursuant to subpoena or other order of a court or body, an employee shall be granted a leave of absence with pay with no charge against leave credits; provided, however, that this Section shall not apply to any absence by an employee occasioned by such an appearance if he/she is a party.
- b. Leave for Civil Service Examination: Employees shall be allowed to leave with pay to take New York State Civil Service examinations at the appropriate center, provided that at least two (2) weeks written notice to the appointing authority shall be given by the employee unless the notification by the State is subsequent to said time, in which event the employee must present the notification card received from the State to the appointing authority to demonstrate that two (2) weeks notice could not have been given.
- c. Leave Required by Law: The appointing authority shall grant any leave of absence, with pay, required by law.
- d. Leave for Civil Defense Duties: Upon certification by the State Director of Civil Defense of the necessity for the participating in State or local Civil Defense drills of an employee enrolled as a Civil Defense Volunteer and required to perform Civil Defense duties pursuant to the State Civil Defense Emergency Act, the appointing authority may allow such employee to absent him/herself from his/her position, without loss of pay or charge against leave credits, for such time as is necessary for the participation in such drills, but not exceeding cumulatively five (5) work days per calendar year.

ARTICLE VII LEAVES WITHOUT PAY

SECTION 1. Parenting Leave

A. An employee shall be allowed a leave of absence for a period of six (6) months upon the birth or adoption of his or her child. This leave may be extended by the Commissioner or designee for up to one (1) year. The first twelve (12) weeks of this leave of absence may be designated as Family and Medical Leave in accordance with the Family and Medical Leave Act. Spouses who are employed by the County may not seek simultaneous parenting leaves for the same birth or adoption. However, they may utilize a combined total of twelve (12) weeks of Family and Medical Leave.

B. Employees must use their accumulated sick, personal and compensation time during the first twelve (12) weeks of leave. However, the use of vacation time is optional, but the employee's choice must be stated at the beginning of the leave.

C. Employees shall reduce the period of leave without pay by the use of any or all of his or her accumulated sick leave (for the period of disability only), vacation time, personal leave and compensatory time. Employees shall have the option of using accumulated leave time at a half time rate while on parenting leave.

D. An employee shall be eligible for sick leave at half pay and extended sick leave in accordance with the existing Civil Service Rules and Article VI, Section 4 of this Agreement.

E. A physician's certificate as to the fitness of the employee for the performance of her duties may be required from a female employee returning to work following childbirth.

F. The County agrees that an employee returning from authorized parenting leave will be reinstated to the title from which he or she left.

SECTION 2. Leave of Absence Duration

A permanent employee may, at the discretion of the appointing authority, be granted a leave of absence from his/her position, without pay, for a period not exceeding one (1) year. Time spent in active service in the military forces of the United States or the State of New York shall not be considered in computing the period of leave.

SECTION 3. All determinations regarding leave without pay shall be subject to final approval by the Commissioner of Human Resources.

ARTICLE VIII □ MILITARY LEAVE

Drawing of earned credits upon separation or entry into Armed Forces.

SECTION 1. Payment for Accruals Upon Separation

At the time of separation from County service, an employee, his/her estate, or beneficiary, as the case may be, shall be compensated in cash for vacation credits not in excess of forty (40) days accrued and unused as of the effective date of separation except that in the case of resignation, the appointing authority may require, as a condition for such payment, that written notice of such resignation be given to the appointing authority at least two (2) weeks prior to the last day of work. No employee who is removed from County service as a result of disciplinary action or who resigns after charges of incompetency of misconduct have been served upon him/her shall be entitled to compensation for vacation credits under the provisions of this part.

SECTION 2. Payment for Accruals Upon Entry into Armed Forces

An employee on leave from his/her position on account of his/her entry into the Armed Forces of the United States for active duty (other than for training as defined by Title 10 of the United States Code) may elect to receive compensation in case for vacation and each category accrued and unused as of the last date on which his/her name appeared on the County payroll.

SECTION 3. Pay for Military Leave

Every public officer or employee shall be paid his/her salary or other compensation as such public officer or employee for any and all periods of absence while engaged in the performance of ordered military duty, and while going to and returning from such duty, not exceeding a total of thirty (30) calendar days or twenty-two (22) workdays per calendar year, whichever is greater.

ARTICLE IX □ OVERTIME

SECTION 1. The County shall pay time and one-half of the employees' hourly rate of pay for all hours worked after forty (40) hours in any given work week.

Employees shall have the opportunity to accumulate compensatory time at the rate of one and one-half (1 1/2) times the hours worked in excess of forty

(40) hours in any given workweek. Such compensatory time shall be in lieu of pay. A maximum of eighty (80) hours compensatory time may be accumulated at any one time. Use of compensatory time must have prior approval.

SECTION 2. For purposes of determining overtime payments, all bereavement leave, personal leave days, holiday and vacations shall be counted as time worked.

SECTION 3. The County shall establish an overtime roster by seniority in each work location. The roster shall be maintained by indicating the total number of hours worked for each employee. Whenever there is an opportunity for overtime, the overtime shall be offered to the employee with the fewest number of hours within the particular job classification. For the purpose of equalizing this overtime, all hours offered shall be counted as hours worked. Special crews are exempt from this section, as are emergencies and extenuating circumstances that require the continuation of an existing work shift.

SECTION 4. All overtime earned in one pay period shall be paid no later than two (2) periods thereafter. The number of overtime hours worked and the corresponding compensation shall be listed on said check.

SECTION 5. The County agrees to adhere to the provisions of the Fair Labor Standard Act as it applies to public employees.

SECTION 6. Substitution will be allowed with the approval of the foreman. Medical documentation will allow an employee to sign off the overtime list for the period of documentation.

SECTION 7. The County agrees to continue the prior practice of allowing their employees working overtime after each four (4) hours a ½ hour paid lunch. Where the County specifically requests that an employee waive his one-half hour break entitlement in order to continue snow removal operations, at the end of the employee's shift that employee will not be required to remain on County premises or remain on the time clock in order to be compensated for the lost break or breaks. The County may designate one-half hour breaks before the actual working of four (4) hours and within a reasonable period of time after working four (4) hours, so as to assure continued snow removal operations.

SECTION 8. Emergency overtime shall be overtime necessitated by weather conditions, which create dangerous and hazardous road and bridge conditions. Such determination of emergency road conditions shall be made by the Commissioner. All employees are required to work emergency overtime when notified by the Commissioner, Deputy Commissioner, Director of Operations. Refusal or non-response to work such emergency overtime shall cause the employee to be subject to disciplinary charges.

2. A new employee shall be eligible for hospitalization and major-medical insurance on the first of the month after completing one month of continuous service. (For example, if an employee goes on the payroll on July 2nd, such employee's coverage will begin on September 1st. If an employee goes on the payroll on July 1st, such employee's coverage will begin on August 1st).
3. The employees will remain under the CSEA Dental (sunrise) at no premium cost to the employee. However effective July 17, 2001 there will be a coordination of benefits where by only one employee shall be eligible for coverage when their spouse is also an active County employee or when one employee is eligible for benefits as a dependent.

SECTION 2. Insurance Plans

1. Indemnity Plan: The Employer will offer an indemnity plan whereby the hospitalization and major medical insurance benefits currently provided under the County Blue Cross/Blue Shield or G.H.I. plans shall be maintained. The Employer may change carriers and/or provide alternative plans during this period provided such alternative plans are comparable to the plan currently provided.

- 2.2 The grievance must be submitted, in writing, to the Commissioner within thirty (30) calendar days from knowledge of the occurrence, or when the individual or Association should have had knowledge. Failure to file the demand within said time period makes the grievance ineligible for arbitration or any other appeal and the case will be deemed closed.
- 2.7 All decisions rendered in such arbitration shall be final and binding upon both parties. No arbitrator functioning under the procedures set forth in this agreement shall have any power to amend, modify or delete any provisions of this Agreement.

All employees who volunteer* for this program shall be trained and certified, at County expense in accordance with the New York State Department of Transportation "One Person Plowing Program." Employees who certify in one person plowing shall receive an additional \$2.00 per hour while working on a one-person plow.

Those employees certified in the one person plowing program will also be eligible to receive a winter coat upon being certified.

*This program will be voluntary until certification after which the position will become a permanent assignment designated by management. Certified employees will be assigned to work in the one-person plow program in his or her own work location first. If there is a need, certified employees may be assigned during the winter program to work in an adjoining location only. For purposes of this provision, the nine (9) work locations will be grouped for "adjoining" purposes as follows:

Berne/Knox	Rensselaerville/Westerlo
Bethlehem/Coeymans	Colonie/Guilderland/New Scotland

SECTION 13. All mechanical work will be done by qualified mechanics except, however, all operators will be required to perform preventive maintenance.

SECTION 14. For the purpose of providing coverage during the winter road maintenance season, the County shall be permitted to shift one operator and one laborer (one crew) at any of its nine facilities to cover an early and late shift Monday through

Friday, with the early shift being defined as 11:30 p.m. to 8:00 a.m., and the late shift defined as 3:30 p.m. to 12:00 midnight. Shifting shall be done voluntarily by seniority or involuntarily by inverse seniority in the titles of Operator and Laborer. Where it is necessary to operate one or more shifts with two Operators assigned to a truck instead of one Operator and one Laborer, the County will not involuntarily assign a Laborer to a shift when a second Operator has volunteered to work that shift. In case of absences the County shall have the right to assign other employees to the shift in lieu of their regular shift using volunteers by seniority first and then inverse seniority provided there is a minimum of five (5) days notice. Otherwise if the shift is to be filled it will be filled pursuant to the overtime provisions of this agreement. When it is operationally feasible, the County will attempt to accommodate the personal needs of employees when directing them to work a particular shift. The County's accommodation to these requests by the Union shall not be subject to the grievance procedure and shall be at the sole discretion of the County. Employees working the early and late shifts shall receive an additional \$1.00 per hour (\$8.00 per shift defined above) for working on this assigned shift. The \$1.00 per hour differential will be paid to shifted employees only when the shift is worked. If an employee who is shifted is entitled to time off due to a holiday, he will receive the \$1.00 per hour differential; however, time off due to vacation, personal leave and sick leave will be paid at normal rates exclusive of shift differential. When the County assigns another employee to specifically cover a shift, that employee will be eligible for the \$1.00 per hour shift differential, even if the employee is working in an overtime capacity while covering that shift. Coverage of a shift is a specific assignment to the shift rather than a general overtime assignment, which coincides or overlaps with the times that a shift is scheduled to work. In addition, CSEA agrees that the County may employ non-bargaining unit personnel during the winter maintenance season when all regular full-time personnel have been canvassed for overtime work, but there are insufficient numbers available to work.

For purposes of implementing the above provisions, the workweek for the early shift will begin at 11:30 p.m. on Sunday evening. The County is not obligated to fill a vacancy on any of the shifts by calling someone in on overtime and may, in its discretion, combine one or more employees from different facilities to make up a crew. The following order of hiring or calling out will be done by the County in order to fulfill its mission.

a. Employees from their own work location will be called first to perform overtime work at that location.

b. Employees from the adjoining location will be called if there is a need for additional personnel. For purposes of this provision, the nine (9) work locations will be grouped for "adjoining" purposes as follows:

■ Berne/Knox

■ Rensselaerville/Westerlo

■ Bethlehem/Coeymans ■ Colonial/Guilderland/New
Scotland

c. Non-bargaining unit employees of Albany County who live near the work location where personnel are needed will be called next.

d. All members of the bargaining unit regardless of work location will be called by seniority.

e. Non-bargaining unit members who are not employees of Albany County will then be called in.

SECTION 15. Drug and Alcohol Testing: Effective the signing of this agreement, all members of the bargaining unit shall be subject to the drug and alcohol testing policy pursuant to the Omnibus Transportation Employee Testing Act of 1991, and the regulations issues therein.

SECTION 16. All employees will be allowed fifteen (15) minutes late per month as per practice of May 7, 1987 (the same as when there were time clocks).

If an employee goes over the 15-minute period, then they will be docked ½ hour for time up to ½ hour and 1 hour for time over ½ hour for the month.

If an employee calls in to the foreman (or whoever is in charge), and explains with a good excuse that he will be late, the time should be charged to his time (1 hour or more) and that this should not be allowed more than twice in a one month period.

If an employee should abuse the above rules, the person will be subject to disciplinary procedures.

ARTICLE XX □ PROBATIONARY PERIOD
