PREAMBLE

This Agreement entered into, by and between the Chief Executive Officer of Averill Park Central School District, Rensselaer County, New York, hereinafter referred to as the "Superintendent", and the Averill Park Teachers' Association, hereinafter referred to as the "Association" (or APTA), is intended to delineate the rights and responsibilities of the parties hereto in a mutual desire to promote a harmonious and cooperative relationship in carrying forward the educational program of the District.

ARTICLE 1 **RECOGNITION**

Section 1

By virtue of satisfactory evidence submitted by the Association indicating that the Association does represent the majority of the employees described in Article 1, Section 2, the Board of Education does hereby recognize the Association as the exclusive negotiating agent for all employees described in Article 1, Section 2.

Section 2

The representative bargaining unit shall be comprised of teachers, teaching assistants and all other personnel on the teacher's salary schedule. All references to teachers will include teaching assistants unless otherwise excluded.

Section 3

The period of unchallenged representation status for the Association shall be the period of time permitted by law.

ARTICLE 2 **NEGOTIATION PROCEDURES**

Section 1: Opening Negotiations

On or about February 15, and no later than March 1st during the last year of this contract, the parties agree to enter into collective negotiations in accordance with procedures set forth herein in a good faith effort to reach agreement on all matters raised by either party concerning the terms and conditions of teachers' employment. Upon request of either party for a meeting to open negotiations, a mutually acceptable meeting date shall be set not more than ten (10) school days following

such request, and such request will be so as to comply with dates stated in this Section.

Section 2. Subjects for Negotiations

The parties will negotiate in the determination of terms and conditions of employment and procedures to be followed in the administration of grievances.

Section 3. Principles of Negotiations

- A. Neither party in any negotiations shall have any control over the selection of the representatives of the other party. Either party may, if it so desires, utilize the services of outside consultants and may call upon professional and lay representatives to assist in the negotiations. Both parties agree to give notice to each other whenever outside consultants will be used. Notice will be given at least one day prior to the meeting.
- B. While no final agreement shall be executed without ratification by the Board of Education and the Association, the parties mutually pledge that their representatives will have all necessary power and authority to make proposals, consider proposals and reach compromises in the course of negotiations.
- C. The parties agree to furnish each other, upon reasonable request, all information that will assist the negotiating committees in developing intelligent, accurate and constructive programs.

ARTICLE 3 **GRIEVANCE PROCEDURES**

Section 1. Declaration of Purpose

Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its teachers is essential to the operation of the schools, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to alleged grievances of teachers through procedures under which they may present grievances free from coercion, interference, restraint, discrimination or reprisal, and by which the Board of Education (hereafter sometimes referred to as the Board) and its teachers are afforded adequate opportunity to dispose of their differences without the necessity of time-consuming and costly proceedings before administrative agencies and/or in the courts.

Section 2. Definitions

- A. A **grievance** shall be defined as any alleged violation of this Agreement or any dispute with respect to the meaning or application of any article or section of this Agreement.
- B. A **complaint** shall mean an objection by a teacher or group of teachers concerning any Board or administrative rule, regulation, policy or past practice involving members of the bargaining unit which is not a grievance as defined herein and may be processed by the complainant up through Stage 3 of Section 5 of the grievance procedure.
- C. The term **Supervisor** shall mean any principal, assistant principal, or other administrative or supervisory officer responsible for the area in which an alleged grievance arises except for the chief executive officer.
- D. The **Chief Executive Officer** is the superintendent of schools of the district.
- E. **Association** shall mean the Averill Park Teachers' Association.
- F. **Aggrieved Party** shall mean any person or group of persons in the negotiating unit filing a grievance.
- G. **Party in interest** shall mean the Grievance Committee of the Association and any party named in a grievance who is not the aggrieved party.
- H. **Grievance Committee** is the committee created and constituted by the Averill Park Teachers' Association.
- I. **Hearing Officer** shall mean any individual or board charged with the duty of rendering decisions at any stage on grievances hereunder.

Section 3. Procedures

- A. All grievances shall be filed on forms mutually agreed upon by the President of the Association and the Superintendent.

- B. Except for informal decisions at Stage 1, all decisions shall be rendered in writing at each step of the grievance procedure, setting forth findings of fact, conclusions and supporting reasons therefore. Each decision shall be promptly transmitted to the teacher(s), the Association and the Superintendent of Schools.
- C. If a grievance affects a group of teachers and involves a section of this Agreement associated with system-wide problems, it may be submitted by the Association directly at State 2 described below.
- D. There will be no interruption of classroom activities and students will be involved only when absolutely necessary.
- E. The Board of Education, Superintendent, and the Association agree to facilitate any investigation which may be required and to make available copies of documents, communications and records used at official hearings.
- F. Except as otherwise provided in Stages 5.A.1 and 5.A. 2, an aggrieved party and any party in interest shall have the right at all stages of a grievance to confront and cross-examine all witnesses called against his/her own behalf.
- G. No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board or by any member of the administration against the aggrieved party, any party in interest, any representative, any member of the grievance committee, any other participant in the grievance procedure or any other person by reason of such grievance or participation therein.
- H. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly developed by the Chief Executive Officer and the Association. The Association shall then have the forms printed and distributed so as to facilitate operation of the grievance procedure.
- I. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- J. Nothing contained herein will be construed as limiting the right of any teacher having a grievance to discuss the matter informally with any appropriate member of the administration and having the grievance informally adjusted without intervention of the Association,

provided the adjustment is not inconsistent with the terms of the Agreement. In the event that any grievance is adjusted without formal determination, pursuant to this procedure, while such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon either of the parties to this Agreement in future proceedings.

- K. If any provision of this grievance procedure or any application thereof to any teacher or group of teachers in the negotiating unit shall be finally determined by any court to be contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.
- L. The existence of the procedure hereby established shall not be deemed to require any teacher to pursue the remedies here provided and shall not, in any manner, impair or limit the right of any teacher to pursue any other ethical procedure available.
- M. The teacher or the Association filing a grievance shall have the right to be represented at any and all stages of the grievance procedure.

Section 4. Time Limits

- A. Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended only by mutual agreement.
- B. No written grievance will be entertained as described below, and such grievance will be deemed waived, unless written grievance is forwarded at the first available stage within twenty-five (25) school days after the teacher knows or should have known of the act or condition on which the grievance is based. During the period June 1 through September 1, the time limit specified herein shall be twenty-five (25) calendar days.
- C. If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this Agreement shall be barred.

- D. Failure to communicate a decision to the aggrieved party, and the Association within the specified time limit at any stage of the grievance procedure shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.
- E. In the event a grievance is filed on or after June 1st, upon request by or on behalf of the aggrieved party, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is possible.
- F. During the period July 1 through September 1, all days referred to in Stages 1, 2, 3, and 4 shall be calendar days exclusive of Saturdays, Sundays, and holidays.

Section 5. Stages of Procedure

A. Stage 1: Supervisor

- 1. A teacher having a grievance will discuss it with his/her supervisor, either directly or through a representative with the objective of resolving the matter informally. If the teacher submits the grievance through a representative, the teacher may be present during the discussion of the grievance.
- 2. If the grievance is not resolved informally, it shall be reduced to writing and presented to the supervisor. Within seven (7) school days after the grievance is presented to the supervisor, he/she may have further discussions with the grievant in order to settle the grievance. A final decision will be made by the supervisor and presented, in writing, to the teacher and the Association by the end of the seven (7) day period.

B. Stage 2: Chief Executive Officer

- 1. If the grievant is not satisfied with the written decision at the conclusion of Stage 1, he/she or the Grievance Committee if it chooses, may file a written appeal with the Superintendent within seven school days of the receipt of the written Stage 1 decision. A copy of the Stage 1 decision shall be submitted with the appeal.

2. Within seven (7) school days after the receipt of the appeal, the Superintendent or his designated representative, shall hold a hearing with the teacher, a representative if he/she chooses, and all parties in interest.
3. The Superintendent shall render a decision in writing to the teacher and the Grievance Committee, if it was a party in interest, within five (5) school days after the conclusion of the hearing.

C. Stage 3: Board of Education

1. If the grievant is not satisfied with the decision at Stage 2, the grievant will file an appeal in writing with the Board of Education within fifteen (15) school days after receiving the decision at Stage 2. The official grievance record maintained by the Chief Executive Officer shall be available for the use of the Board of Education.
2. Within twelve (12) school days after the receipt of an appeal, the Board of Education shall hold a hearing on the grievance. The hearing shall be conducted in executive session.
3. Within ten (10) school days after the conclusion of the hearing, the Board of Education shall render a decision, in writing, on the grievance.

D. Stage 4: Arbitration

1. After such hearing, if the teacher or the Association is not satisfied with the decision at Stage 3, he/she or the Association may submit the grievance to arbitration by written notice to the Chief Executive Officer within ten (10) school days after the receipt of the Stage 3 decision.
2. Within ten (10) school days after such written notice of submission to arbitration, the Chief Executive Officer and the Association will agree upon a mutually acceptable arbitrator competent in the area of the grievance, and will obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to attain a commitment within the specified period, the Superintendent will request from the American Arbitration Association a list of three (3)

arbitrators. Each party will delete one (1) name from the list and the remaining named person will be the arbitrator. The parties will be bound by the rules and procedures of the American Arbitration Association.

3. The selected arbitrator will hear the matter promptly and will issue his decision not later than fourteen (14) calendar days from the date of the close of the hearing, or, if oral hearings have been waived, then from the final statements and proofs are submitted to the arbitrator. The arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues.
4. The arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law or which violates the terms of this Agreement.
5. Arbitration shall only be available on questions pertaining directly to the interpretation of articles of this Agreement. The decision of the arbitrator shall be binding upon all parties.
6. The costs for the services of the arbitrator, including expenses, if any, will be borne equally by the Board of Education and APTA/ the grievant.

ARTICLE 4 **ASSOCIATION PRIVILEGES**

Section 1. Use of District Facilities

The Association shall have the privilege to use school buildings, facilities and equipment, pursuant to existing practices and policies, provided that such use shall not interfere with the regular school program and provided that when any meeting is held in the evening and special custodial service is required, the Board may make a reasonable charge therefore.

Section 2. Budget Development

While the Board is in the process of developing a proposed school budget, it will give the Executive Committee of the Association the opportunity to meet with either the Board or representatives selected by the Board to discuss the budget which is being developed.

Section 3. Changes in Board Policy

Before the Board knowingly adopts a change in policy not covered by this agreement but which affects teachers' terms and conditions of employment, the Board will, whenever practicable, notify the Association in writing that it is considering such a change. The Association will have the right to discuss the policy with the Board representatives, provided that it files such request with the Board within ten (10) days after receipt of said notice.

ARTICLE 5 **EMPLOYEE RIGHTS**

Section 1. Issues of Building Keys

A. Teachers shall be issued keys to their buildings, upon written request, for evenings, weekends and school recesses (other than the entire summer recess) for the following purposes:

1. to develop and conduct programs
2. for development of teacher competency
3. for tutoring of students referred through the guidance department other than those paying a fee.

B. Persons issued keys will be responsible for all reasonable precautions regarding building security when using a facility. (This section does not apply to teaching assistants.)

Section 2. Reduction in Staff

- A. When the district determines that it may be necessary to reduce the size of the teaching work force, it shall notify the Association of the fact at least forty-five (45) days prior to anticipated Board action. The Superintendent or his designee will meet with the President of the Association to discuss the proposed abolition.
- B. Reduction in staff will be in accordance with the Appendix G (Seniority and Bumping Rights). Reductions in teaching assistant staff will be by seniority. Teaching assistants in academic or general subject areas cannot bump nurse-teaching assistants and nurse

teaching assistants cannot bump into other academic or general subject areas.

- C. Teachers shall be offered re-employment in the reverse order of their termination when openings exist.
- D. For the purpose hereof, non-renewal of a probationary appointment, denial of tenure, dismissal of a tenured teacher, retirement or resignation of a teacher shall not be deemed "reduction in positions."

Section 3. Personal Reimbursement

The District shall reimburse teachers for the cost of replacing or repairing (at the District's option) dentures, eyeglasses, hearing aids or similar bodily appurtenances not covered by Workers' Compensation and clothing damaged or destroyed as a result of an assault suffered by the teacher while acting in the discharge of his/her duties and absent personal negligence. Such reimbursement shall be limited to \$300.

Section 4. Tuition Waiver

Full time teachers residing outside the district may request to have dependents attend the Averill Park Central Schools, non-handicapped classes, tuition free, providing the parents are responsible for transportation to and from school, assume responsibility for having their children supervised until they can complete their teaching responsibilities, and that care of the dependent(s) does not interfere with after school professional responsibilities.

Section 5. Censure

- A. In the event that the Board of Education issues a written censure of a teacher, the Board will provide for a hearing to review the censure at the request of the recipient as follows:
 - 1. Within five (5) days of the receipt of the written censure, the recipient will, if he/she chooses, notify the Superintendent of his/her request for a hearing.
 - 2. Within ten (10) days of the receipt by the Superintendent of the request for a hearing, a private hearing before the Board will be scheduled.

3. Within five (5) days of the conclusion of the hearing, the Board will render a written decision.
- B. The teacher may be represented at the hearing by someone of his/her choice and may call witnesses of his/her choosing. However, the teacher must notify the Superintendent at least twenty-four (24) hours in advance of the hearing of the names of witnesses and his/her representative, if any.
 - C. The Superintendent must notify the teacher at least twenty-four (24) hours in advance of the hearing of the names of witnesses and representatives, if any, appearing on behalf of the District. The decision of the Board will be subject to arbitration when the reprimand refers to an alleged violation of the Agreement.

Section 6. Meeting Observers

All teachers may have an APTA representative at a meeting with more than one supervisor.

Section 7. Teacher Review of Files

Each teacher and teaching assistant shall have the right, at his/her request, to review the contents of his/her own permanent and/or building file and to make copies of any documents therein except confidential or reference information. A teacher representative of the Association may, at the teacher's request, accompany the teacher/teaching assistant in such review.

Section 8. Derogatory Material in Files

No derogatory materials, except confidential reference information, shall be placed in the teacher's or teaching assistant's own permanent and/or building file without the teacher's/teaching assistant's knowledge and an opportunity to make a written statement of defense to be attached to the derogatory materials.

ARTICLE 6 **TEACHER PROMOTION AND VACANCIES**

Section 1. Posting of Vacancies

- A. All vacancies that occur, including those regarded as

promotional, shall be posted in every school building in the faculty room and sent to the Association President. It is understood that if the vacancy is within the APTA, terms and conditions of employment for the position will be negotiated.

- B. Vacancy notices shall be posted 24 hours prior to the general release of formal notice of such vacancies.

Section 2. Summer Vacation

Teachers who desire to apply for such positions which may occur during summer vacation period shall submit their names to the Superintendent, together with the position(s) they desire to apply for, and an address where they can be reached during the summer vacation period. The Superintendent shall notify such teachers of any such vacancy.

Section 3. Vacancy Consideration

All other factors being equal, teachers employed in the Averill Park Central School District will be given first consideration in filling vacancies and new positions within the negotiating unit. The final selection will not be subject to the grievance procedure.

Section 4. Notification of Board Action

District applicants will be notified of Board action in writing by mail within three (3) working days of the Board meeting at which the action was taken.

ARTICLE 7 **TEACHER ASSIGNMENT AND TRANSFER**

Section 1. Tentative Assignments

- A. A notice of tentative assignments for all newly employed personnel with respect to their specific position shall be given at the time of employment.
- B. All teachers shall be given written notice of their tentative list of subjects or grade level for the coming year no later than the first day of June. Any known assignments in addition to the normal teaching schedule during the regular school year, including advisorships and extra duties, shall be assigned by the same date. Changes may occur

after consultation with the teacher. Teachers will be granted the opportunity, upon request, to meet with the principal of their assigned building concerning the teacher's assignment as the principal develops the master schedule. Each principal will notify the Association Building Representative(s) when he/she is commencing development of the schedules.

Section 2. Voluntary Transfer

Teachers who desire a change in grade, subject assignment or who desire to transfer to another building, may inquire at any time to ascertain the possibility of such a vacancy in the following year and may file a written statement of such desire with the Superintendent of Schools. Such statement shall include the grade and/or subject as well as the school(s) to which the teacher desires to be transferred, in order of preference. Whenever the Superintendent knows of a vacancy, he/she will notify the teacher who has filed an application for such position.

Section 3. Involuntary Transfer and Reassignment

- A. Involuntary transfers or reassignment may be made when necessary and when in the best interests of the school system. Notice of an involuntary transfer or reassignment shall be given to teachers whenever possible by May 1 of the preceding year. After May 1, notice will be provided to the teacher within two (2) days after the decision to transfer is made.
- B. An involuntary transfer or reassignment shall be made only after a meeting between the teacher involved and the principal in charge, at which time the teacher shall be notified of the reason(s) for such change. In the event that the teacher objects to the transfer or reassignment at this meeting, the teacher may, upon request, meet with the Superintendent to discuss the matter and may be accompanied at such meeting by a representative of the Association.
- C. A teacher being involuntarily transferred shall be notified of the position(s) available in his/her tenure area. When more than one position exists to which a teacher may be transferred, such teacher may request the positions, in order of preference, to which he/she desires to be transferred. His/her preference will be one of the major factors considered in making the transfer.
- D. At the kindergarten through fifth grade level, involuntary transfers from one grade level to a different grade level shall be for a minimum of two years. (This does not apply to teaching assistants.)

ARTICLE 8
TEACHER EVALUATION

Section 1. Evaluation Procedures

- A. The evaluation of all teachers and teaching assistants is the responsibility of the Board through its Chief Executive Officer and shall be conducted annually by making use of the evaluation instruments and procedures determined by the District Professional Development Committee. This Committee shall be established to consist of at least nine (9) people of whom four (4) shall be designated by the Association, four (4) by the Superintendent, and one (1) selected jointly by the Association and the Superintendent. Such evaluation instruments and procedures shall reflect the policies codified in Part 100 of the Commissioner's Regulations. These instruments and procedures will be used only by such personnel as identified in Section 1.E. of this Article.

- B. Although a teacher's or teaching assistant's evaluation is not subject to the grievance procedure, it may be reviewed at a meeting with the Superintendent of Schools, with the principal and/or supervisor present. If requested, a representative designated by the Association may accompany the teacher/teaching assistant at such a meeting.

- C. Each teacher and teaching assistant has the right to have included in his/her permanent or building file his/her letter answering adverse evaluations; such letter will be attached to the respective evaluation.

- D. All planned and formal monitoring or observing of the work or performance of a teacher or teaching assistant shall be conducted openly, with full knowledge of the teacher or teaching assistant, and shall be completed by June 1. This would not preclude a supervisor from visiting the classroom at any time for the purpose of assisting a teacher or teaching assistant. Teacher and teaching assistant evaluations will be distributed before the last day of school.

- E. Only staff certified to evaluate others will be used to formally evaluate teachers and teaching assistants.
- F. When the evaluation form is used in the observation process, the teacher/teaching assistant will be given a copy of this form prepared by the supervisor at least one (1) day before the conference to discuss it. No such report shall be submitted to the Superintendent, placed in a teacher's/teaching assistant's file, or otherwise acted upon without an opportunity for a conference with the supervisor.
- G. It is the major responsibility of evaluators to assist teachers and teaching assistants to improve teaching performance where evaluations indicate that improvement is necessary. An annual commitment of at least 45 minutes will be made for direct assistance to teachers and teaching assistants by each evaluator who gives one (1) or more unsatisfactory ratings on the evaluation form. Such assistance may include, but shall not be limited to, practical application, information regarding techniques and materials, and advice relating to training or retraining.
- H. The Superintendent will provide written notice to:
 - 1. Probationary teachers who are not recommended for tenure at least sixty (60) days prior to the end of their probationary period.
 - 2. Probationary teachers who are not recommended for a continuing appointment by June 1.

ARTICLE 9 **CHANGES IN BASIC TEXTBOOKS**

Section 1. Secondary Textbook Changes

At the secondary level, department chairpersons and principals will discuss any proposed textbook changes with a representative committee of the subject teachers involved before any changes are made. The Superintendent of Schools or designee's final decision will be based on the committee's findings.

Section 2. Elementary Textbook Changes

At the elementary level, a representative committee of grade level teachers involved and principals will discuss any proposed textbook changes. The Superintendent of Schools or designee's final decision will be based on the committee's findings.

ARTICLE 10 **EDUCATIONAL DEVELOPMENT COMMITTEE AND GRANTS**

Section 1. Establishment of Educational Development Committee

- A. The Superintendent and the Association agree that the professional staff is and should continue to be a major source of development and innovation in improving the educational programs carried on in the public schools. The parties agree further that it is important for the professional staff to participate in the overall development and coordination of policies, studies, projects, and other activities directed toward the devising, testing and introduction of new programs, toward the evaluation of existing programs, and toward research in pertinent educational and related areas. The parties recognize that there are other institutional and community resources capable of great contributions toward these ends and that the utilization of such resources should be coordinated with the efforts of the school administration and professional staff.
- B. Accordingly, the Superintendent and the Association agree that an Educational Development Committee (EDC) shall be established to consist of nine (9) people of whom four (4) shall be designated by the Association, four (4) by the Superintendent, and one (1) selected jointly by the Association and the Superintendent. The Superintendent, or his/her designee, will be invited to all meetings, may participate in the discussions, but will have no vote. The Committee members will elect their own chairperson. This Committee will study and consider proposals from any source concerning curriculum and policy, and it may also initiate and carry on studies of its own.
- C. Prior to the consideration of proposals or mini-sabbaticals, the Superintendent may outline for the Committee's consideration the District's curriculum goals for the year. Innovations referred to in Section 1 which encourage individual teachers to submit proposals as a result of their own creativity in classroom focus, which do not adhere to

the priorities outlines by the Superintendent, will still be considered for EDC funding.

Section 2. Educational Development Committee Funding

- A. Each year the District will provide an amount of money to support individual projects or mini-sabbaticals of value to the education program of the District. The money shall be allocated for project consideration on a per teacher basis K-5, 6-8 and 9-12. At the discretion of the EDC, funds not expended at one level may be reallocated to another level. Amounts are provided as follows:

2003-2004	\$15,000
2004-2005	\$15,000
2005-2006	\$15,000
2006-2007	\$15,000

- B. Funds not expended will be returned to the General Funds of the District.
- C. Consideration of additional projects may be authorized by the Board of Education.

Section 3. Educational Development Committee Responsibilities

- A. The Committee will meet no less than four (4) times per year commencing no later than October 10th. Special meetings will be scheduled as the need arises. The Superintendent will be informed of all meetings at least five (5) school days prior to the date of the meeting.
- B. When a proposal is made that a specific subject be studied by a particular person or group, this Committee will receive the proposal and review the results to avoid duplication or repetition of effort.
- C. The Committee may also establish subcommittees for the study of assigned topics.
- D. The Committee will review all applications for mini-sabbatical leaves and will make recommendations to the Superintendent.
- E. This Committee will report regularly to the Superintendent the matters it is considering and its recommendations respecting the same. The Board may initiate study and take action on any matters

important to the school district. Final action on any and all recommendations will be determined by the Board of Education.

- F. The following procedure should be followed when proposals are submitted:
1. The proposal is written.
 2. The proposal shall have a budget covering all costs at negotiated rates, if applicable.
 3. The proposal is submitted to the Advisory Committee.
 4. The Advisory Committee prioritizes the proposals according to building or department needs.
 5. The proposals are submitted to the EDC where they are reviewed and prioritized.
 6. The EDC submits its recommendation(s) to the Superintendent who reviews the proposals.
 7. The Superintendent submits his/her recommendation(s) to the Board of Education for approval.
 8. The Superintendent sends a memo to each person in charge of proposals submitted, indicating the decision regarding the proposal. A copy of each memo also goes to the building principal, EDC Chairperson and School Business Administrator.

If a series of shorter visits are used as a basis for completion of the TEACHER EVALUATION/CLASSROOM OBSERVATION FORM A or the CLASSROOM OBSERVATION FEEDBACK FORM 2, each visit will require completion of the CLASSROOM VISITATION DATA FORM B in conjunction with the CLASSROOM VISITATION SUMMARY FORM C or the OBSERVATION NOTES AND REFLECTION QUESTIONS FORM 1. A timely follow up post-observation conference with the teacher should be completed prior to the next classroom visit. In order to provide feedback to teachers in a timely fashion, the TEACHER EVALUATION/CLASSROOM OBSERVATION FORM A or the CLASSROOM OBSERVATION FEEDBACK FORM 2 will be presented to the teacher as soon as possible. Normally this will be within fifteen (15) school days after the completed observation period.

SENIORITY AND "BUMPING RIGHTS"

The District and the Averill Park Teachers' Association recognize the basic concept of seniority as it applies to bumping rights. New York State legislation defines the basic tenure areas as K-6, 7-12, and Special Subjects K-12. The Commissioner of Education allows districts to conduct experimental programs such as the one presently in effect in the Algonquin Middle School. This program must receive re-approval by the Commissioner every 5 years. Teachers can be assigned to the middle school allowing for exceptions to the basic K-6, 7-12 divisions. This allows teachers with certification 7-12 to be assigned at the 6th grade level and teachers with K-6 certification to be assigned at the 7th and 8th grade levels. These teachers accrue seniority rights both within the 6-8 division and their original certification division of K-6 or 7-12.

Therefore, it will be our practice to apply bumping rights as follows:

1. **Elementary Teachers:**

Academic teachers accrue seniority rights K-6 on a district wide basis. Special area teachers accrue seniority rights district wide on a K-12 basis in their tenure areas.

2. **Algonquin Middle School:**

Those academic teachers appointed after August 1, 1975 have seniority rights within their assigned certified subject areas in grades 7-12. Academic teachers appointed prior to August 1, 1975 have seniority rights commensurate with their certification area, either K-6 or 7-12. Algonquin teachers, due to the Commissioner's exemption for the middle school experimental program, can hold either K-6 or 7-12 certification. Their "bumping rights" extend to the certification area which they used to apply for their position when assigned to the middle school.

3. **High School Teachers:**

High School academic teachers accrue seniority rights 7-12 within their assigned certified subject area, with the exception for the middle school experimental program teachers with 7-12 certification, who may teach 6th grade.

MEMORANDUM OF AGREEMENT

This is a Memorandum of Agreement between the Averill Park Central School District and Maria Halse tenured teacher (AHalse@) and the Averill Park Teachers' Association (AAssociation@), (collectively, the AParties@).

WHEREAS, the Parties seek to enter into a job share arrangement for school year 2001-2002; and

WHEREAS, the Parties seek to ensure that such job share is in the best educational interest of the District, the students, the community and the teacher; and

WHEREAS, the District is willing to enter such job share on an experimental basis provided there is no additional cost to the District; and

WHEREAS, the current Collective Bargaining Agreement (AAgreement@) between the Parties does not recognize or authorize such job share;

THEREFORE, the Parties agree that:

1. The Parties agree that the rights contained in this Memorandum of Agreement (AMOA@) will constitute the job share agreement.
2. Halse, a tenured teacher, will agree to participate in a job share

on a 50% - 50% basis with Halse occupying a 50% position. Halse shall work the equivalent of two and one-half (2 1/2) days a week. (3 days one week/2 days the following week)

3. The Parties agree to review such job share at least two (2) weeks before the end of every marking period to determine whether such job share and this MOA shall continue. The Parties agree that they shall use their best efforts in determining whether the job share should continue. If the Parties disagree, the District has complete discretion in making such final determination which shall not be reviewable in any forum. The Parties agree that this MOA may be terminated, reviewed, or amended at the end of each marking period.

4. The parties understand that only one permanent teacher who is part of a job share shall receive health insurance pursuant to the job share MOA and one teacher shall not receive health insurance. Halse shall receive health insurance pursuant to the Agreement.

5. Halse agrees to waive any seniority rights she may have as a part-time, job share teacher. Halse shall retain any seniority she may have at the commencement of the job share.

6. Halse will retain tenure while voluntarily assigned to a part-time position.

7. Halse will continue on the salary schedule at her current placement but will receive

50% pay on the salary schedule for the period of time that she works the equivalent of two and one half days per week.

8. The work assignments and work load of Halse and the teacher with whom she will job share will be determined in consultation with the principal of her building.

9. The Parties and the job sharing teachers shall meet with the principal to determine whether other issues need to be addressed on a more frequent and regular basis during such job share arrangement.

10. Halse shall be designated as the lead teacher and mentor to answer questions that arise from parents or the District concerning the job share arrangement.

11. Halse should consult with the Teachers' Retirement System on the effect of the MOA on future benefits. The District will continue its retirement contributions based on Halse's salary.

12. The Parties agree that no teacher in a job share shall engage in outside employment except on an incidental basis. For purposes of this MOA, no outside employment shall be maintained that is greater than the outside employment maintained by the teacher in the year immediately preceding entering into the job share MOA. Each teacher shall submit to the principal

prior to the beginning of the job share arrangement, a statement of current outside employment.

13. Halse agrees to substitute for the other job share teacher at a substitute's pay for incidental absences. For these purposes, incidental absences shall be defined as no more than five (5) days absence in a marking period. This method of substituting shall be maintained to preserve the educational effectiveness of the job share arrangement while ensuring that the District incurs no additional costs. For absences beyond the incidental level, the District may seek to use other substitutes. Extended absences by either teacher to the job share arrangement may result in a review of the job share arrangement as specified in Paragraph 3.

14. Sick leave and personal leave in the Agreement shall be granted on a pro rata basis at 50%. Halse shall receive such leave at a 50% rate.

15. A bank of school holidays shall be established for each teacher on a pro rata basis. Teachers working 50% will each receive credit for half the holidays. This may result in an adjustment during the school year to reflect the number of holidays falling on the "work day" of a job share participant.

16. No adjustments will be made for snow days in the job share. It is understood that one of the job share teachers may end up working more than the other due to the way the snow days fall during the school year.

17. Halse may request a leave of absence from her full-time position for the 2001-2002 school year, which shall be granted by the Board of Education at the time this MOA is approved. No leave of absence shall be granted for a period greater than one (1) school year without further extension from the District. The Parties agree that such leave of absence may be terminated at the end of any marking period in accordance with Paragraph 3 of this Agreement. At that time, the teacher must return to her full-time position or resign from District employment.

18. The Parties agree that this Memorandum of Agreement is not subject to the grievance and arbitration procedure of the Agreement.
