Dear Sir:-

Yours enclosing pass and order for transportation for car furniture was secured yesterday. Please accept my thanks. I certainly intended in my former letter to be as reasonable and just towards a corporation as I would be towards an individual, and am gratified to know you received my letter in the same spirit in which it was written. If not asking too much would you send me a ticket from Quincy to K. City for myself? I should have included this in my former request but expected to go to Kansas from Nebraska.

Yours Truly,
E. D. Redington
