Dec. 16", 1875

Dear Sir:-

Yours of the 13" at hand.

The matter referred to shall have early attention. The price named in your letter as salary varies somewhat from the amount you named me last August. However as I said before, the matter shall have early attention, and the facts being as you state, there would seem to be no reason why you should not be paid according to whatever contract Mr. Morse may have made with you.

Yours respectfully,
R. S. Stevens
