**ARTICLE I  
PURPOSE OF AGREEMENT**

Section 1. Parties: THIS AGREEMENT is entered into between the School Board of Independent School District 279, Maple Grove, Minnesota, hereinafter referred to as the School Board, and the Osseo Federation of Teachers, Local 1212, American Federation of Teachers, AFL-CIO, hereinafter referred to as the OFT, pursuant to and in compliance with the Public Employment Labor Relations Act of 1971, as amended, hereinafter referred to as the PELRA, to provide the terms and conditions of employment for members of the Teacher Bargaining Unit, hereinafter referred to as teachers, during the term of this Agreement.

**ARTICLE II  
RECOGNITION OF EXCLUSIVE REPRESENTATIVE**

Section 1. Recognition: In accordance with the PELRA, the School Board recognizes the OFT as the exclusive representative of teachers employed by the School Board of Independent School District 279. The OFT shall have those rights and duties as prescribed by the PELRA and as described in the provisions of this Agreement.

Section 2. Appropriate Unit: The OFT shall represent all teachers of the district as defined in this Agreement and in the PELRA.

**ARTICLE III  
DEFINITIONS**

Section 1. Terms and Conditions of Employment: The term "terms and conditions of employment" means the hours of employment, the compensation therefore including fringe benefits except retirement contributions or benefits, and the School Board's personnel policies affecting working conditions of the teachers. In the case of teachers, the term does not mean educational policies of the School Board. The terms in both cases are subject to the provisions of PELRA regarding the rights of public employers and the scope of negotiations.

Section 2. Teacher: The term "teacher" shall mean all persons in the appropriate unit employed by the school district in a position for which the person must be licensed by the State of Minnesota; but shall not include superintendent, assistant superintendent, principals and assistant principals who devote more than 50% of their time to administrative or supervisory duties, confidential employees, supervisory employees, essential employees, and such other employees excluded by law.

Section 3. School Board: For purposes of administering this Agreement the term "School Board" shall mean the School Board or its designated representative.

Section 4. Other Terms: Terms not defined in this Agreement shall have those meanings as defined by the PELRA.

## ARTICLE IV SCHOOL DISTRICT RIGHTS

Section 1. Inherent Managerial Rights: The School Board is not required to meet and negotiate on matters of inherent managerial policy, which include, but are not limited to, such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure and selection and direction and number of personnel.

Section 2. Management Responsibilities: The School Board has the right and obligation to manage efficiently and conduct the operation of the School Board within its legal limitations and with its primary obligation to provide educational opportunity for the students of the school district.

Section 3. Effect of Laws, Rules and Regulations: The exclusive representative recognizes that all employees covered by this Agreement shall perform the teaching and non-teaching services prescribed by the School Board and shall be governed by the laws of the State of Minnesota, and by School Board rules, regulations, directives and orders, issued by properly designated officials of the School Board. The exclusive representative also recognizes the right, obligation and duty of the School Board and its duly designated officials to promulgate rules, regulations, directives and orders from time to time as deemed necessary by the School Board insofar as such rules, regulations, directives and orders are not inconsistent with the terms of this Agreement. The exclusive representative also recognizes that the School Board, all employees covered by this Agreement, and all provisions of this Agreement are subject to the laws of the State of Minnesota, federal laws, rules and regulations of the State Board of Education, and valid rules, regulations and orders of state and federal governmental agencies. Any provision of this Agreement found to be in violation of any such laws, rules, regulations, directives or orders shall be null and void and without force and effect.

Section 4. Reservation of Managerial Rights: The foregoing enumeration of rights and duties shall not be deemed to exclude other inherent management rights and management functions not expressly reserved herein, and all management rights and management functions not expressly delegated in this Agreement are reserved to the School Board.

## ARTICLE V TEACHER RIGHTS

Section 1. Right to Views: Pursuant to PELRA, nothing contained in this Agreement shall be construed to limit, impair or affect the right of any teacher or his/her representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designated to and does not interfere with the full faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative if there be one; nor shall it be construed to require any teacher to perform labor or services against his/her will.

Section 2. Right to Join: Teachers shall have the right to form and join labor or employee organizations, and shall have the right not to form and join such organizations. Teachers in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for such teachers.

Section 3. Dues Check-Off: Teachers shall have the right to request dues checkoff for one local teacher organization of their selection.

Subd. 1. Authorization: Upon receipt of a properly executed authorization card of the teacher, the School Board shall deduct from the teacher's paycheck the dues which the teacher has agreed to pay to the teacher organization during the period provided in said authorization. Such authorization card may be filed at any time with the payroll department and deductions will begin no later than the second pay period following the date the authorization card is filed.

Subd. 2. Term of Authorization: The authorization card for dues deduction as agreed upon between the OFT and the School Board shall be provided by the School Board. Authorization cards will be filed with the payroll department by the teacher organization and shall continue in effect until revoked by the teacher on a form provided by the School Board. Such revocation form shall be delivered to the payroll department by the teacher by certified mail. Such revocation shall be submitted at least thirty (30) days in advance of such revocation. A copy of any revocation shall be forwarded to the president of the appropriate local teacher organization.

Subd. 3. Notification: At least sixty (60) days prior to the beginning of the school year, each teacher organization shall give written notification to the payroll department of the school district of the amount of its dues which are to be deducted from each teacher in that school year under such authorizations. The amount of deductions for such dues shall not be subject to change during the school year.

Subd. 4. Schedule of Deductions: Such deductions shall be made in equal installments. The number of equal installments shall be sixteen (16), beginning on October 5 and ending on May 20. For continuing authorizations, the number of equal installments shall be sixteen (16), subject to Subd. 2 of this section. The School Board shall forward each pay period, such dues deducted the previous pay period along with a list of the names of teachers from whom deductions were made, to the treasurer of the appropriate local teacher organization.

Section 4. Fair Share Fee: In accordance with PELRA, any teacher included in the appropriate unit who is not a member of the exclusive representative may be required by the exclusive representative to contribute a fair share fee for services rendered as exclusive representative. The fair share fee for any teacher shall be in an

amount equal to the regular membership dues of the exclusive representative, less the cost of benefits financed through the dues and available only to members of the exclusive representative, but in no event shall the fee exceed eighty-five percent (85%) of the regular membership dues.

Subd. 1. Authorization: The exclusive representative shall provide written notice of the amount of the fair share fee assessment and a list of individuals to be assessed to the Director of the Bureau of Mediation and the School Board (payroll department). Each teacher to be assessed the fair share fee will also be notified in writing.

Subd. 2. Challenge: A challenge by a teacher or by a person aggrieved by the assessment shall be filed in writing with the Director of the Bureau of Mediation, the School Board, and the exclusive representative within thirty (30) days after receipt of the written notice. All challenges shall specify those portions of the assessment challenged and the reasons therefore, but the burden of proof relating to the amount of the fair share fee shall be on the exclusive representative. The School Board shall deduct the fee from the earnings of the employee and transmit the fee to the exclusive representative thirty (30) days after the written notice was provided, or, in the event a challenge is filed, the deductions for a fair share fee shall be held in escrow by the School Board pending a decision by the Director of the Bureau of Mediation, PERB, or court. Any fair share challenge shall not be subject to the grievance procedure.

Subd. 3. Claims Against the School Board: The exclusive representative hereby warrants and covenants that it will defend, indemnify and save the School Board harmless from any and all actions, suits, claims, damages, judgments and executions or other forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of negligence of the OFT in the deduction of the fair share fee specified by the exclusive representative as provided herein.

Subd. 4. Schedule of Deductions: Deductions shall be made in fourteen (14) equal installments beginning on November 5th and ending on May 20th.

Section 5. Credit Union Deductions: Teachers shall have the right to request payroll deductions for one of two credit unions selected by the OFT Negotiations Council.

Subd. 1. Authorization: Upon receipt of properly executed authorization card of the employee, the School Board shall make the designated deduction per paycheck. However, in no event shall the authorized amount cause a net payroll check of less than eighty-five dollars (\$85) to be written.

Subd. 2. Terms of Authorization: Authorization cards will be filed with the payroll department by the teacher and shall continue in effect until revoked by the employee on a form provided by the

School Board (payroll department). Application for credit union deduction shall be accepted at any time with change in payment reflected as soon as is practicable, but within forty-five (45) days.

Section 6. COPE Deduction: Teachers shall have the right to request a payroll deduction as a method of contributing to the OFT COPE.

Effective January 1, 1976, all evaluations and files wherever generated, relating to the individual teacher, shall be available to the individual teacher upon the employee's request.

Subd. 2. Such request shall be made to the personnel department. The personnel department shall schedule an appointment for the teacher to review the teacher's file and shall notify the teacher of such appointment.

Subd. 3. The teacher and a personnel department representative shall document the file content before the teacher is given the file for review. All such reviews shall take place in the personnel office. The teacher and personnel department representative shall document the contents of the file at the termination of the review.

Subd. 4. The teacher shall have the right to a copy of any of the contents of his/her files at the teacher's expense.

Subd. 5. The teacher may submit for inclusion in his/her file a written response to any material contained in such file.

Subd. 6. The School Board may destroy such files as provided by law.

## Section 8. Seniority List:

Subd. 1. The School Board shall annually cause a seniority list (by name, date of employment, qualification and subject matter or field) to be prepared from its records. It shall, thereupon, post such list in an official place in each school building of the school district, no later than December 15th of each year.

Subd. 2. Any person whose name appears on such list and who may disagree with the findings of the School Board and the order of seniority in said list shall have fifteen (15) work days from the date of posting to supply written documentation, proof and request for seniority change to the School Board.

Subd. 3. Within fifteen (15) work days thereafter, the school district shall evaluate any and all such written communications regarding the order of seniority contained in said list and may make such changes the School Board deems warranted. A final seniority list shall thereupon be prepared by the School Board, which list as revised shall be binding on the school district and any teacher.

## **ARTICLE VI BASIC SCHEDULES AND RATES OF PAY**

Section 1. 1991-92 Schedule: The wages and salaries reflected in Schedule A, attached hereto, shall be a part of the Agreement for the period July 1, 1991 through June 30, 1992.

Section 2. 1992-93 Salary Schedule: The wages and salaries reflected in Schedule B, attached hereto, shall be a part of the Agreement for the period July 1, 1992 through June 30, 1993.

Section 3. Status of Salary Schedules: The salary schedules shall not be construed as part of a teacher's continuing contract. In the event a successor agreement is not entered into prior to the commencement of school in 1993, a teacher shall be compensated according to the last individual contract executed between the teacher and the school district until such time that a successor agreement is executed. A teacher's advancement is subject to the right of the School Board to withhold increments, lane changes, or other salary increases for good and sufficient grounds. A teacher's advancement shall not be withheld unless the teacher shall have failed to correct the deficiency after being given written notice of the specific items of complaint and reasonable time within which to remedy them.

Section 4. Placement on Salary Schedule: The following rules shall be applicable in determining placement of teachers on the appropriate salary schedules.

Subd. 1. Horizontal Lane Movement: These training requirements pertain to the classification listed in Subd. 2.

a. Horizontal movement on the teacher salary schedule due to change in approved professional training, will be recognized for pay on

the beginning of the work year and February 1 of each school year. For purposes of horizontal lane movement, February 1 shall be construed to be one-half (1/2) of the school year. Teachers will submit a "Change of Status" request to personnel by October 1 for approved training completed by the beginning of the work year and by March 1 for approved training completed by February 1. A transcript verification must accompany the request for change. Requests submitted after the above mentioned dates will delay the change of status to the next scheduled recognition date.

- b. Credits earned for horizontal movement on the teacher salary schedule may consist of graduate credits from an approved graduate institution or Independent School District 279 board credits. An approved graduate institution is one that has an accredited program and grants an M.A., M.S., or M.Ed. in education. A board credit is a generic term for prior approved activities granted for non-college courses, committee service, task force work, and other participation as defined in the Guidelines for Professional Growth. Graduate credits, board credits, and/or graduate programs used for horizontal movement below the M.A. shall be related to the field(s) in which the teacher is currently teaching and must have prior written approval of the director of personnel. Graduate credits, board credits, and/or graduate programs used for horizontal movement at M.A. and above the M.A. shall be in the field the teacher is currently doing a majority of teaching.
- c. Prior approval must be obtained for the master's degree in the teaching field classification. This written approval of the graduate program should be obtained as soon as possible. However, not more than fifteen (15) graduate credits may be applied toward this classification without prior program approval of the director of personnel.
- d. Board credits shall be recommended to the director of personnel by the Professional Growth Committee. Such board credits shall be approved by the director of personnel prior to these courses being taken. Board credits used for horizontal lane movement on the teacher's salary schedule below the master's level shall be related to the field(s) in which the teacher is currently teaching. Board credits used for horizontal lane movement above the master's level must be in the field in which the teacher is currently teaching. Board credits require written prior approval from the personnel department.
- e. Fifteen (15) credits are required for a lane change. A minimum of nine (9) approved graduate credits is required for a lane change. Board credits may be granted to a maximum of six (6) credits. Teachers serving on Top Priority Activities, Special Project Committees and district Task Force Committees shall receive one (1) board credit for each ten (10) hours of participation. Classifications attained prior to June 30, 1979, shall not be affected by this provision. However, all

classification changes from July 1, 1979, shall be so governed. Classifications attained prior to June 30, 1975, shall not be affected by this provision. Classifications attained between July 1, 1975 and June 30, 1979, shall not be affected by this provision.

- f. Teachers who are involuntarily transferred as a result of the process commonly referred to as "stranding," who have attained Salary Classification's V thru VIII, shall maintain their classification and all the benefits thereof.
- g. No board or graduate credit will be recognized for horizontal lane movement when district funds have been expended (i.e., salaries, substitutes, and registration fees).
- h. Effective January 1, 1993, board or graduate credits earned prior to the granting of a master's degree cannot be used for horizontal lane movement beyond the master's degree.

These programs must receive approval of the superintendent of schools before placement on the schedule. If the teacher chooses none of the options as outlined herein, leave may be granted with full loss of pay.

Section 14. Extended Leave of Absence:

Subd. 1. Pursuant to Minnesota Statutes 125.60, 354.094 and 354A.091, the School Board may grant an extended leave of absence of at least three (3) years but no more than five (5) years. However, the granting of extended leaves of absence is purely within the discretion of the School Board and the School Board reserves the right to refuse to grant any and all extended leaves, if, in the judgment of the School Board, such leaves should not be granted.

Subd. 2. The School Board will consider the granting of extended leaves only under the conditions as they are described in M.S. 125.60, 354.094 and 354A.091 as of the date of this agreement.

Subd. 3. Teachers must have a minimum of ten (10) consecutive years of full-time teaching service in the district to be eligible for extended leave of absence.

Subd. 4. Requests for extended leaves of absence must be submitted to the director of personnel by April 1, of the year preceding the school year for which the extended leave would commence.

Section 15. Unrequested Leave of Absence:

Subd. 1. The School Board may place on unrequested leave of absence such teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes. Such leave of absence shall continue for a period of five years, after which the right to reinstatement shall terminate; provided the teacher's right to reinstatement shall also terminate if the teacher fails to file with the School Board by March 1st of any year, a written statement requesting reinstatement. Such leave shall be effective no later than the close of the school year or at such earlier time as mutually agreed between the teacher and the School Board.

Subd. 2. Teachers placed on such leave shall receive notice by June 1 of the school year prior to the commencement of such leave with reasons therefore.

Subd. 3. Unrequested leave of absence and recall shall be in accordance with M.S. 125.12, 6b.

Section 16. Eligibility for Leave and Absence Benefits: Full-time teachers who are paid under Schedules A and B are eligible for leave and absence benefits. Unless specifically provided for in this article, leave and absence benefits are not applicable to summer assignments.

**ARTICLE X  
PART-TIME AND HOURLY RATE TEACHERS**

Section 1. Health Insurance: Contracted teachers working less than thirty-two (32) hours per week and tutors/supplemental teachers who have scheduled building assignments on a daily basis shall be eligible to purchase the School Board's basic group health and hospitalization program (HMO's are excluded) subject to conditions established by the carrier. The full cost of the plan shall be borne by the teacher and paid by payroll deduction.

Section 2. Life Insurance: The School Board shall pay a sum of \$2.04 per year which represents full premium for each \$1,000 coverage for group term life insurance for each contracted teacher working less than thirty-two (32) hours per week and tutors/supplemental teachers who have scheduled building assignments on a daily basis who qualify for and

enroll in the existing group term life insurance plan of the School Board. The amount of life insurance provided shall be \$10,000, subject to the conditions of the carrier.

Section 3. Supplemental Group Term Life Insurance: Contracted teachers working less than thirty-two (32) hours per week and tutors/supplemental teachers who have scheduled building assignments on a daily basis shall have the option, subject to the conditions established by the School Board's carrier for group term life insurance as provided in Section 2, to purchase supplemental group term life insurance in the amount of \$10,000.

Section 4. Leaves of Absence: Contracted teachers working less than thirty-two (32) hours per week and tutors/supplemental teachers who have scheduled building assignments on a regular basis shall be eligible for leave and absence benefits. Sick leave and personal leave shall accrue at the same rate as outlined in Article IX, Section 1 and 4. The definition of "a day" will be equal to the amount of time for which the teacher is employed. If there is a change of status, (full-time to part-time or part-time to full-time), the accrued days will follow the teacher and be equal in value to the teacher's new status.

Section 5. Salary and Rates of Pay:

Subd. 1. Contracted teachers working less than thirty-two (32) hours per week shall be paid according to Schedule A for 1991-92 and Schedule B for 1992-93.

Subd. 2. Tutor/supplemental teachers and other teachers paid on an hourly basis shall be paid according to Schedule D for 1991-92 and 1992-93.

**ARTICLE XI  
HOURS OF SERVICE**

Section 1. Definitions: The normal work week is forty (40) hours. Teachers shall report for duty not less than twenty (20) minutes before the opening of school in the morning and shall remain twenty (20) minutes after school is dismissed. Teachers will be available for normal duties beyond these times if assigned by the principal.

Section 2. Pupil Supervision: The normal duties include a reasonable share of extracurricular, co-curricular and supervisory activities, as determined by the principal, superintendent, or School Board. In addition to the basic school day or week, teachers may be required by the School Board or its designated representatives to participate in school activities.

Section 3. Professional Responsibilities: Normal duties include meetings called by principals, department chairpersons and central administrative staff which may necessitate a longer teacher's day or week. Moreover, an important function of a teacher is to work with students on an individual basis and, to accomplish this, a longer teacher's day or week may be necessary.

Section 4. Duty Free Lunch Period: Each teacher shall have a duty free lunch period of approximately thirty (30) minutes.

## ARTICLE XII LENGTH OF THE SCHOOL YEAR

Section 1. Teacher Duty Days: The number of teacher duty days shall be 184 for the 1991-92 school year and 186 for the 1992-93 school year. In subsequent years, pursuant to M.S. 126.12, the School Board shall, prior to April 1, of each odd-numbered school year, establish the number of school days and teacher duty days for each of the next two (2) school years, and the teacher shall perform services on those days as determined by the School Board including those legal holidays on which the School Board is authorized to conduct school, and pursuant to such authority, has determined to conduct school.

Section 2. Modifications in Calendar, Length of School Day:

Subd. 1. In the event of energy shortage, severe weather, or other exigency, the School Board reserves the right to modify the school calendar, and, if school is closed on a normal duty day(s), the teacher shall perform duties on such other day(s) in lieu thereof as the School Board or its designated representative shall determine, if any.

Subd. 2. In the event of energy shortage, severe weather, or other exigency, the School Board may modify the duty day or duty week, but with the understanding that the total number of hours shall not be increased, i.e., a four (4) day week with increased hours per day, but the total weekly hours not more than the regular five (5) day week.

Subd. 3. In the event that teacher duty days are not scheduled for the regular duty year, due to a work stoppage, the teacher's compensation shall be reduced pro rata of the teacher's basic salary.

Section 3. Meet and Confer: Prior to adjusting the calendar, duty day, or duty week in Section 2 hereof, the School Board shall afford the exclusive representative the opportunity to meet and confer on such matters.

## ARTICLE XIII GRIEVANCE PROCEDURE

Section 1. Grievance Definition: A "grievance" shall mean an allegation by a teacher resulting in a dispute or disagreement between the teacher and the School Board as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

## Section 2. Representative:

- a. The teacher, administrator, or School Board may be represented during any step of the procedure by any person or agent designated by such party to act in his/her behalf.
- b. The OFT may be represented at any level of the grievance procedure.

## Section 3. Definitions and Interpretations:

Subd. 1. Extension: Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days: Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as any week day not designated as a holiday by the school district. During the summer break period a working day is defined as any week day not designated as a holiday by the school district.

Subd. 3. Computation of Time: In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday, or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark: The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Subd. 5. Decisions: All decisions rendered, with the exception of decisions rendered at Level 1 of this grievance procedure, shall be in writing setting forth the decisions and will be transmitted to all parties of interest and to the OFT.

Section 4. Time Limitation and Waiver: Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School Board's designee, setting forth the facts and the specific provision of the Agreement allegedly violated and the particular relief sought within twenty (20) days after the date the event giving rise to the grievance occurred. Such grievances must be filed in writing first with the principal or supervisor and the personnel department. The personnel department will forward a copy of the written grievance to the OFT. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the teacher and the School Board's designee.

Section 5. Adjustment of Grievances: Any written grievance submitted shall be with the consent of the OFT. A teacher filing a written grievance without the consent of the OFT shall bear all costs of the grievance. Any decision on any grievance at any level without the presence of the OFT shall have no bearing on this Agreement nor shall it set any precedent on this Agreement, or on any future grievance so filed with the consent of the OFT. The School Board, the teacher, and the OFT's representative shall attempt to adjust grievances which may arise during the course of employment of any teacher within the school district in the following manner.

Subd. 1. Informal Discussions: Before a written grievance is submitted, informal discussions shall take place between the aggrieved party, the principal or supervisor and the OFT representative. Through these discussions the parties shall attempt to resolve the problem.

Subd. 2. Level I: If the grievance is not resolved through informal discussions, the aggrieved party may submit the grievance in writing to the principal or supervisor. A copy of such written grievance must simultaneously be filed with the personnel department. The principal or immediate supervisor shall give a written decision on the grievance to the parties involved within five (5) days after receipt of the written grievance.

Subd. 3. Level II: In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the superintendent of schools, provided such appeal is made in writing within five (5) days after receipt of the decision in Level I. If a grievance is properly appealed to the superintendent, the superintendent or his/her designee shall set a time to meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the superintendent or his/her designee shall issue a decision in writing to the parties involved.

Subd. 4. Level III: In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such appeal is made in writing within five (5) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School Board shall set a time to hear the grievance within twenty (20) days after the receipt of the appeal. Within twenty (20) days after the meeting, the School Board shall issue its decision in writing to the parties involved. At the option of the School Board a committee or representative(s) of the School Board may be designated by the School Board to hear the appeal at this level and report its findings and recommendations to the School Board. The School Board shall then render its decision.

Section 6. School Board Review: The School Board reserves the right to review any decision issued under Level I or Level II of this procedure provided the School Board or its representative notifies the parties of its intention to review within ten (10) days after the decision has been rendered. In the event the School Board reviews a grievance under this section, the School Board reserves the right to reverse or modify such decision.

Section 7. Arbitration Procedures: In the event that the teacher and the School Board are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request: A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the superintendent within ten (10) days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required: No grievance shall be considered by the arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.

Subd. 3. Selection of Arbitrator: Upon the proper submission of a grievance under the terms of this procedure, the parties shall within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the PERB to appoint an arbitrator, pursuant to PELRA, providing such request is made within twenty (20) days after the request for arbitration. The request shall ask that the appointment be made within thirty (30) days after receipt of said request. Failure to agree upon the arbitrator or the failure to request an arbitrator from the PERB within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within a time schedule mutually agreed to. Decisions and awards by the arbitrator in cases properly before him/her shall be final and binding upon the parties subject, however, to the limitations of the arbitration decisions as provided in the PELRA of 1971, as amended.

Subd. 6. Expenses: Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representative, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share, equally, fees and expenses of the arbitrator and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. The cost of a transcript or recording shall be borne by the party requesting it.

Subd. 7. Jurisdiction: The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written Agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration procedure as outlined herein; nor shall the jurisdiction of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order, the arbitrator shall give due consideration to the statutory rights and obligations of the public School Boards to manage efficiently and conduct its operation within the legal limitations surrounding the financing of such operations.

#### Section 8. General:

Subd. 1. Reprisals: No reprisals of any kind will be taken by the School Board or by any member of the administration against any aggrieved person, any representative of an aggrieved person, or any other participants in the grievance procedure by reason of such participation.

Subd. 2. Teacher Rights: Nothing herein shall be construed to limit, impair or affect the right of any teacher, or group of teachers, as provided in state statutes.

### ARTICLE XIV DURATION

Section 1. Terms and Reopening Negotiations: This Agreement shall remain in full force and effect for a period commencing upon the date of its execution through June 30, 1993, and thereafter until modifications are made pursuant to the PELRA. In the event a successor agreement is not entered into prior to the commencement of school in 1993, a teacher shall be compensated according to the last individual contract executed between the teacher and the school district until such time that a successor agreement is executed. If the exclusive representative desires to modify or amend this Agreement commencing on July 1, 1993, it shall give written notice of such intent no later than April 1, 1993, including complete language and detail of proposed changes.

If such notice is not served, the school district shall not be required to negotiate any terms of employment for the following school year. Unless otherwise mutually agreed, the parties shall not commence negotiations more than one hundred twenty (120) days prior to the expiration of this Agreement.

Section 2. Effect: This Agreement constitutes the full and complete Agreement between the School Board and the OFT representing the teachers

of Independent School District 279. The provisions herein relating to the terms and conditions of employment, supersede any and all prior agreements, resolutions, practices, school district policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions. All matters not covered by this Agreement are hereby reserved to the School Board.

Section 3. Finality: Any matters relating to the current contract term whether or not referred to in this Agreement, shall not be open for negotiations during the term of this Agreement except as provided in Article XIV, Section 5.

Section 4. Severability: The provisions of this Agreement shall be severable, and if any provision thereof or any such provision under any circumstances is held invalid, it shall not affect any other provisions of this Agreement or the application of any provision thereof.

Section 5. Savings Clause: Any provision of this Agreement found to be in violation of any applicable laws, rules, regulations, directives or orders shall be subject to renegotiation insofar as any provision is in violation of such applicable laws, rules, regulations, directives or orders.
