and the

of the

MASSENA CENTRAL SCHOOL DISTRICT

RECEIVED

**NYS PUBLIC EMPLOYMENT
RELATIONS BOARD**

July 1, 2007 – June 30, 2012

ARTICLE I - RECOGNITION

The Massena Board of Education recognizes the Massena Federation of Summer School Teachers as the exclusive collective negotiation representative of summer school teachers in the Massena Central School District. The unit consists of full-time and part-time teachers and librarians. The parties agree to extend the period of unchallenged status for the maximum period authorized by law.

ARTICLE II – DISPUTE RESOLUTION

In an effort to resolve differences between the District and the unit membership, any contractual concerns are to be brought to the District, in writing, within five (5) school days of occurrence or knowledge of occurrence. If desired, the union president may serve as liaison between the member(s) and the District for the aforementioned notice. If the concerns are not resolved informally, then they shall be referred to the Union and the District negotiating committees as soon as possible thereafter. Final resolution shall be reached no later than fifteen (15) school days after the concern was originally brought by the member(s).

ARTICLE III - LEAVE OF ABSENCE

There shall be a pool of ten (10) sick leave days available for use by all bargaining unit members each summer school session. If the ten (10) sick leave days are exhausted during any given summer school session, unit member(s) needing additional sick leave days shall pay the substitute at the established District per diem rate for summer school.

ARTICLE IV - SUBSTITUTES

- A. The Federation and the District agree to jointly establish a list of summer school substitutes.
- B. The District shall establish the per diem substitute rate and the member shall call in the substitute from the established list. In an emergency situation, or when the member has unsuccessfully exhausted the established list, the District shall assume responsibility for locating a substitute.

ARTICLE V - EDUCATIONAL DAY

- A. Unless changed through mutual agreement, the summer school work day shall be 4 ½ hours in length, except for driver education as referred to in section C below.
- B. The summer schedule shall consist of 29 days, except for driver education as referred to in section C below.
- C. The driver education schedule may begin as early as July 1. New York State requirements for driver education class time and driving time will determine the daily schedule and number of days. In general, driver education will not begin before 6:00 a.m. and will not end after 12:00 p.m. each day, unless changed by mutual consent.

As an example, a 16-student driver education class could be 5 1/3 hours in length for 24 days. Additionally in this example, there would be 1 ½ hours of student makeup time included through the summer.
