PURPOSE AND INTENT OF AGREEMENT

Section 1

The purpose of this Agreement is to provide orderly collective bargaining relations to secure prompt and equitable disposition of grievances, to establish fair wages, hours, and other working conditions, to maintain a harmonious relationship between the Union and the City, and to promote the stability, general welfare and prosperity of the City of Port Jervis and its citizens.

Section 2

Section 3

In consideration of the provisions contained herein, the Union recognizes its responsibility to sustain and promote maximum efficiency and service to the City during the term of this Agreement. In like manner, the City recognizes its responsibility to support and maintain a harmonious relationship between the Union and the City for the benefit of the Police Department and the citizens and residents of Port Jervis.

ARTICLE 2

APPLICABLE JURISDICTION - PROHIBITION AGAINST STRIKE

Section 1

This Agreement shall be administered, interpreted, and enforced according to all the relevant statutes, rules, regulations and ordinances of the State of New York and the City of Port Jervis applicable thereto, and the rules and regulations of the Public Employment Relations Board of the State of New York.

Section 2

It is understood that as mandated by Article 14 of the Civil Service Law of the State of New York, there shall be no strike during the life of this Agreement, nor shall any employee, representative or official of the Union authorize, assist, or encourage any strike or work stoppage during the life of this Agreement. If any employee, or group of employees represented by the Union, shall violate the provisions and/or intent of this paragraph, the Union, through its proper officers, will promptly notify the City and such employee or employees in writing of its disapproval of such violation.

ARTICLE 3

TERMS OF AGREEMENT

Section 1

This Agreement shall be effective January 1, 2003 through December 31, 2005. The parties also agree to use their best efforts to commence negotiations on or before September 1, 2005.

Section 2

During the term of this Agreement, the City recognizes the Union as the sole and exclusive negotiating representative for all full-time appointed police officers in the employ of the City. The recognition of the aforesaid bargaining unit shall not include the Chief of Police, Deputy Chief of Police or Lieutenant.

Section 3

The recognition accorded to the Union by the City hereunder is subject to the provisions of Section 208 of Article 14 of the Civil Service Law of the State of New York and particularly sub-paragraph 'c' thereof, and it is understood that the recognition of the Union by the City pursuant to this Agreement shall not preclude a re-determination of representation status as provided in the New York State Public Employment Relations Board ("PERB") Rules of Procedure.

ARTICLE 4

BASE WAGE

The Base Wage schedule shall be set forth in Schedule "A", annexed hereto and made a part of this Agreement.

ARTICLE 5

- iii. Permit officers and agents of the Union to use City facilities for the conducting of general Union business.
- iv. Permit officers of the Union and those designated to adjust grievances/and other Union business, to have a reasonable amount of free time from their regular duties to fulfill these obligations whenever practical.

ARTICLE 6

GRIEVANCE PROCEDURE

Section 1

In the operation of the City of Port Jervis, it is recognized that on occasion, a complaint may arise between the City and the Union or between the City and any one or more of the employees included in this Agreement, concerning the meaning or application of compliance with any section of this Agreement, or such other matters affecting employment of a police officer not otherwise herein specifically provided for. Such complaints may arise because of an honest difference of opinion, an error in judgment, an oversight, a misinterpretation, or for countless other ways in which there was no intent to cause a misunderstanding.

The City and the Union earnestly desire that such complaints or differences be promptly settled so that services and efficiency in the City by its employees shall not be interrupted and the morale and earnings of the employees shall not be impaired. Accordingly, a procedure for the adjustment for such complaints that may arise is outlined below.

Section 2

The Union specifically agrees that the settlement of complaint procedures shall be the primary method available for adjusting employee complaints. Accordingly, the Union pledges that if any dispute arises under this Agreement, it should be settled in the manner provided for in this Article.

Section 3

A grievance may be filed either by an individual employee or the Union. A grievance filed by the Union may be filed on its own behalf or for an employee(s) without that employee(s) signing the grievance. The Union may appoint a Grievance Committee to represent employees and the Union settling complaints.

Section 4

The procedure for orderly and prompt disposal of employee complaints shall be as follows, provided that the grievance is filed within thirty (30) calendar days at Step 1 from the date the grievant discovered the alleged violation or date the grievant should have reasonably discovered the alleged violation:

Step 1: Chief of Police

Initially, any grievance by an employee and/or Union (hereafter referred to as the grievant) shall be presented to the Chief of Police or his/her designee. If the grievant so elects, the grievant may have a Union representative and/or counsel of choice present when he/she initially submits his/her grievance to the Chief of Police. The Chief of Police or his/her designee's decision to the grievance shall be made within seven (7) calendar days after receipt of the grievance. No response shall be deemed a denial.

Step 2: Mayor

If within seven (7) calendar days, the grievant is dissatisfied with the disposition of the grievance, the grievant shall then present a formal written grievance setting forth the facts and circumstances to the Mayor for disposition. The Mayor's decision to the grievance shall be made within seven (7) calendar days after receipt of the grievance. If within seven (7) calendar days the grievant is dissatisfied with the disposition of the grievance, an appeal may be submitted to the Common Council, with service on the City Clerk. No response shall be deemed a denial.

Step 3: Common Council

Thereafter, within fourteen (14) calendar days after the filing of the appeal, a hearing shall be held before the Common Council, unless a different time is agreed upon between the parties. The determination by the Common Council shall be in writing and copies thereof filed with the City Clerk and the Union. Said decision shall be made within fourteen (14) calendar days after the conclusion of the hearing.

Step 4: Arbitration

In the event the Union is dissatisfied with the decision of the Common Council, a demand for arbitration may only be submitted by the Union within ten (10) calendar days from receipt of the Common Council's response. This shall be satisfied by submission of a

letter to the Mayor stating the demand to proceed to arbitration. If the parties are unable to agree to the selection of an arbitrator, then a demand shall be filed with the American Arbitration Association. The determination of the arbitrator shall be final and binding upon the parties hereto subject to any rights either party may have under Article 78 of the CPLR.

The grievance procedure provided for in this Article shall be available to the City as well as to any employee.

Any grievance by the City against the Union as an entity will be filed in writing and commenced under the procedures set forth in Section 4, Step 4 hereof, except that the City or the Union, at its option, may elect to utilize the procedures as defined by the Civil Service Law of the State of New York should it deem such procedures more appropriate under the circumstances.

Section 5

The employee filing the grievance, or the Union Grievance Committee acting on his/her behalf and/or the Union, shall have the right to be represented at all stages of the grievance procedure by a Union representative and/or attorney of his/her choice.

ARTICLE 7

UNION DUES AND CHECKOFF -AGENCY SHOP FEE AGREEMENT

Section 1

The City shall check off Union dues only on presentation of checkoff authorization cards containing a no strike pledge, voluntarily and individually authorized from employees in accordance with the law. The City will then deduct such dues in the amounts certified to the City by the Secretary of the Union and promptly remit to the Union said dues as certified by the Secretary. The Union will indemnify the City against all claims made against it by reason of compliance with this Article.

Section 2

The Union shall supply a list of names to the City of those members of the bargaining unit who are not members of the Union. Payroll deductions shall be made from the non-member individuals in a dollar amount indicated by the Union in accordance with its by-laws.

ARTICLE 8

DUTY TOURS, OVERTIME AND PAYDAY

Section 1

All employees who are assigned to be on duty in the open air, on the streets or other public places of the City, shall be assigned to not more than one (1) tour of duty: which shall not exceed eight (8) consecutive hours of each consecutive twenty-four (24) hours and no employee shall be assigned to more than forty (40) hours of duty during any seven (7) consecutive day period, except in the event of strikes, riots, conflagrations, or occasions where large crowds shall assemble or other similar emergencies, or on a day on which an election authorized by law shall be held, or for the purpose of changing tours of duty, in any of which events said employee may be continued on duty for such hours as may be necessary. Each employee, other than relief officers, must have sixteen (16) consecutive hours off between tours of duty, except for training as set forth herein.

Section 2

In the event an employee is required to work overtime as herein provided, he/she shall receive overtime compensation at the rate of time and one-half (1.5X) for those hours worked in excess of his/her regular eight (8) hour tour of duty. The computation shall be determined on the basis of two hundred and forty-nine (249) days per year. In the calculating of the rate of overtime compensation, there shall be included any increments to which an employee may be entitled. In the event an employee is called in when not on duty, overtime compensation shall be a minimum of three (3) hours.

Section 3

Wages or salaries shall be paid weekly, on Friday, unless a bank holiday falls on Friday, in which event the payday shall be Thursday.

Section 4

The City has the right to change tours of duty for the purpose of training.

There shall be a minimum of eight (8) hours off between the re-scheduled training tour of duty and the employee's tour of duty prior to, and subsequent to, the re-scheduled tour of duty.

Any employee, including relief officers, whose regularly scheduled tour of duty is changed for the purpose of training, shall receive three (3) hours of inconvenience pay at the rate of straight time, in addition to the regular compensation to be received by the employee for working the re-scheduled tour of duty.

In circumstances where there is consecutive training, inconvenience pay shall only be paid for the initial change in tour of duty.

The City shall be permitted to change the tour of duty of any employee who is regularly scheduled for the 11:00 p.m. to 7:00 a.m. tour of duty the night prior to a scheduled training session so that there is at least sixteen (16) hours off between the re-scheduled tour of duty and the start of training.

A training assignment outside the City which commences at 8:00 a.m. and ends at 4:00 p.m. or commences at 9:00 a.m. and ends at 5:00 p.m. shall not constitute a change in tour of duty for an employee assigned to the 7:00 a.m. to 3:00 p.m. tour of duty.

ARTICLE 9

HOLIDAYS

Section 1

The following days shall be regarded as Holidays:

1. New Year's Day
2. Martin Luther King, Jr.'s Birthday
3. Lincoln's Birthday or Washington's Birthday
4. Good Friday
5. Memorial Day
6. Independence Day
7. Labor Day
8. Columbus Day
9. Veteran's Day
10. Thanksgiving Day
11. Christmas Day
12. Employee's Birthday

Section 2

In the event an employee is required to work on any of the above Holidays, or if a Holiday falls on an employee's legal day off, he/she shall receive equivalent time off, with pay, computed at his/her regular rate of pay, although no work is performed. Response to a request for a Holiday shall be made within five (5) calendar days of receipt of the request. Receipt shall be deemed to be made the day of the next scheduled tour of duty of the Chief of Police or designee, to whomever the request is made. Request for paid Holidays cannot be made more than thirty (30) calendar days in advance of requested date and must be received not less than five (5) calendar days prior to requested date.

Section 3

Four (4) or five (5) days of the equivalent time off referred to in Section 2 above must be taken in a one (1) week block. Said one (1) week may be taken with the employee's vacation if the employee elects to do so. The remaining seven (7) or eight (8) Holidays may be taken at any time of the year, provided the employee utilizes four (4) of the remaining seven (7) or eight (8) Holidays (Holidays not taken in a block) prior to July 1st. Nothing shall be construed to limit the City's discretion to deny Holiday time requests. However, Holidays requested which are submitted in either the last week of May or the last week of November which are denied, may be resubmitted for reconsideration within five (5) calendar days of the receipt of the denial.

ARTICLE 10

VACATION, PERSONAL DAYS, BEREAVEMENT DAYS AND JURY DUTY

Section 1

The vacation schedule shall be as set forth below for the duration of this Agreement, and the vacation step of each employee shall be determined by the anniversary date of each employee's appointment as a full time employee.

<u>Years of Service</u>	<u>Weeks of Vacation</u>
0 years through 11 months, 29 days	No vacation
Start 1st year through completion 5th year	2 weeks each year
Start 6th year through completion 10th year	3 weeks each year
Start 11th year through completion 15th year	4 weeks each year
Start 16th year through completion 20th year	5 weeks each year
Start 21st year and beyond	6 weeks each year

Vacation may be taken at any time.

At least two (2) weeks of vacation must be taken consecutively and at the employee's option, a third consecutive week may also be taken. In accordance with existing practice, vacations will be bid based upon seniority and the vacation periods will be divided into three (3) week blocks. An employee may bid two (2) weeks out of a three (3) week block and in that event, another employee may bid the remaining week.

The City agrees that with a minimum of seventeen (17) patrol positions, including relief police officers as of November 1st of each year, those employees shall be allowed to double bid vacation subject to the following restrictions: (a) no two (2) employees on the same tour of duty can bid for vacation during the same week; (b) a maximum of two (2) employees shall be allowed vacation in any one (1) week; and (c) no two (2) relief police officers can bid vacation during the same week.

In accordance with the above, each employee must bid his/her selection in each round within three (3) calendar days of the previous employee's selection. Therefore, each employee has to make a decision on which vacation he/she would like to bid and expedite the bidding process. If an employee exceeds the three (3) calendar days without bidding, he/she will be skipped and will not be able to bid until his/her next round or the last bid, whichever comes first. It will be the responsibility of the employee to know when his/her bid is up.

Each employee shall bid a block of Holidays, which shall consist of either four (4) or five (5) consecutive days. At least half of the remaining Holidays must be used by July 1st and the balance must be used by December 31st. All Holiday requests for the first half of the year must be submitted by June 1st. All Holiday requests for the second half of the year must be submitted by November 30th.

Vacation may not be accumulated.

Section 2

Each employee shall be entitled to a maximum of four (4) work days bereavement leave during the year for each death which may occur in the employee's immediate family. Immediate family shall be defined as an employee's spouse, parent(s), child(ren), brother(s), sister(s) and spouse's parent(s). Two (2) work days bereavement leave will be granted to an employee for each occurrence in the event of a death of the employee's and/or spouse's grandparent(s).

Section 3

Earned and unused vacation time or time allowances granted in lieu of overtime compensation, credited to the employee at the time of his/her separation from service, except for discharge for cause, shall be paid in cash to said employee. No such payment shall be made in the event an employee is discharged by reason of his/her conviction for the commission of a felony, misdemeanor, or other misconduct within the meaning of the Civil Service Law. In case of death in service by such employee, said accumulated or unused time allowances granted in lieu of overtime, or vacation not used, shall be paid in cash to his/her beneficiaries.

Section 4

Each employee shall be entitled to four (4) personal leave days each year. Requests for personal leave will not be unreasonably withheld and a response to a request for personal leave will be made within three (3) working days of the request. Unused personal leave days shall be added to the accumulated sick leave but in no event shall accumulated days exceed the amount set forth in Article 11, Section 1. Any employee hired during the year shall be credited with one (1) personal leave day each calendar quarter. In the event an employee hired during the year requires additional personal leave, not yet credited, the employee may apply to the Chief of Police for advanced crediting and usage. Thereafter, every January 1st, each employee shall be entitled to four (4) personal leave days each year as set forth above.

Section 5

In the event a full time employee is noticed to appear for Jury Duty, and that employee is scheduled to work, he/she will be released with pay and without charge to any other paid leave accrual. The employee shall provide a copy of the notice to the Chief of Police.

In the event a full time employee is scheduled for a tour of duty other than the hours noticed to appear for Jury Duty, he/she shall be switched to the 7 a.m. – 3 p.m. tour of duty, but shall report for Jury Duty as required. In the event Jury Duty goes beyond eight (8) hours, the City shall not be required to pay that employee overtime. All fees paid to the employee shall be endorsed over to the City. However, any mileage, tolls and/or parking reimbursements for appearing at Jury Duty shall be retained by the employee. In the event the employee does not have to report for Jury Duty, that employee shall report to his/her regularly scheduled tour of duty.

ARTICLE 11

SICK TIME AND ACCUMULATED SICK TIME CONVERSION

Section 1

Each employee shall be entitled to eight (8) hours of sick time per month, and may accumulate up to one hundred eighty (180) days. When an employee becomes sick on the job, the time loss will be computed on an hourly basis and subtracted from accumulated sick leave on the same basis. An employee who calls in sick on a day in which he/she has requested as a day off, but which was denied, shall be required to submit a physician's note to substantiate the absence immediately upon his/her return to work. Upon termination of service by retirement, death, or job related disability, an employee shall receive in cash, an amount equal to ninety percent (90%) of his/her accumulated sick time. The remaining ten percent (10%), as the case may be, of the employee's accumulated sick time shall be used to pay medical, surgical, and hospital insurance, commonly known as "Blue Cross", or any substitution thereof, for such period of time as the total amount of accumulated sick pay, if the same had been computed in cash, for the employee or his/her beneficiary, as the case may be. Said amount shall be calculated on the basis of the employee's current daily rate of pay.

Section 2

In order to allow the City of Port Jervis to properly budget its expenses, an employee planning to retire shall notify the City Clerk-Treasurer and Chief of Police no later than September 1st, of his/her intention to retire in the upcoming calendar year. Failure to give said notice shall not in any way restrict an employee's right to retire, however, failure to give notice shall allow the City to pay accumulated sick leave as set forth in Section 3 below.

Section 3

At the option of the City, the cash conversion of the accumulated sick leave may be paid to an employee in two (2) equal payments, the first due upon separation, death or retirement as set forth in Section 1 above and the second due on January 15th of the year following the first payment.

ARTICLE 12

PENSION AND RETIREMENT

The existing pension and retirement benefits of the State of New York presently in effect shall be continued and the City shall make all payments that may be required thereof. Nothing herein contained shall require the City to expand the pension and retirement benefits should the City have the option to do so under the applicable laws of the State of New York. The City shall implement the New York State Retirement Plan 384-d (20 year plan).

Upon retirement, except as set forth below, the City shall pay one hundred percent (100%) of the total cost of the health insurance premium for all employees hired on or before December 31, 2002, under the Statewide "Core Plus Medical and Psychiatric Enhancements" Plan (Empire Plan) for the individual and eligible dependent(s).

Upon retirement, except as set forth below, the City shall pay eighty percent (80%) of the total cost of the health insurance premium for all employees hired on or after January 1, 2003, under the Statewide "Core Plus Medical and Psychiatric Enhancements" Plan (Empire Plan) for the individual and eligible dependent(s).

Any employee who is injured or becomes ill due to the performance of their duty, is disabled and unable to return to work, and receives a disability retirement from the New York State Police and Fireman's Retirement System, shall receive all medical benefits, including health, dental, optical, etc. at no cost to the employee for individual or family plan for eligible dependents.

ARTICLE 13

HEALTH, DENTAL AND OPTICAL INSURANCE

Section 1

The City shall pay one hundred percent (100%) of the cost of the health insurance premium for all employees hired on or before December 31, 1987 under the Statewide "Core Plus Medical and Psychiatric Enhancements" Plan (Empire Plan) for the individual and eligible dependent(s).

All employees hired on or after January 1, 1988 shall be provided health insurance coverage for the individual, at no cost to the employee. However, in the event the employee elects family coverage, the employee shall be required to contribute thirty percent (30%) of the difference of the cost between the individual and family plan. There shall be no contributions required for family health insurance for affected employees after five (5) years of service.

The City agrees to deduct the employee's weekly contribution of the premium from his/her gross pay so that the employee is not taxed on the cost of the benefit. An employee may opt to decline and waive health insurance provided by the City, only when the employee has other health insurance and in accordance with terms as set forth in Schedule "B" hereto and made a part hereof, of this Agreement. An employee who declines and waives health insurance coverage as provided in Schedule "B", shall receive twenty-five percent (25%) of the premium cost in effect, payable in equal installments in the first payroll at the end of each calendar quarter. The City agrees to pro-rate all premiums to be paid, based upon the period of time the employee declines and waives health insurance coverage.

The affected employee(s), in the event he/she wishes to resume health insurance coverage by the City, shall comply with the requirements as set forth in Schedule "B".

Section 2

The City shall provide, at no cost to any employee, the Delta Dental Plan III for individual and/or dependent coverage. The Plan shall include orthodontics.

Section 3

The City shall provide coverage to all full-time employees and their dependents for vision expenses through the Innovative Employees Service Systems (IESS) of the Davis Optical Company. The City shall pay for basic services and the photochromatic lens option.

An employee enrolling in a recognized, accredited institution of higher education for the attainment of an A.A.S. Degree in Criminal Justice Police Science shall receive a reimbursement of one-half of the tuition expended upon completion of each semester, provided such employee shall have attained a grade of C or better or numerical grade point equivalent thereof. Said refund of tuition shall be within thirty (30) days after the presentation of the grade as aforesaid.

ARTICLE 15

PARTIAL INVALIDITY

If the enactment of legislation by any governmental authority having jurisdiction thereafter, or a determination by a court of general or appellate jurisdiction renders any portion of this Agreement invalid or unenforceable, it shall not affect the validity of the rest of this Agreement, which shall remain in full force and effect according to its terms in the same manner, and with the same effect, as if such invalid portion had not been originally included.

VESTED RIGHTS AND ROTATION OF SCHEDULE

Section 1

For employees hired prior to December 31, 1987, nothing in this Agreement shall alter or affect the rights of employees, or their beneficiaries, which had previously vested pursuant to the terms of other Agreements between the Union and the City,

If any employee leaves the City employment within three (3) years of his/her starting date, the employee would be required to reimburse the City wages and other training costs that were incurred by the City during the employee's training period.

Section 2

Employees may be granted a leave of absence without pay. An employee desiring a leave of absence must make an application for said leave at least six (6) months prior to the date when the leave is to start. On notice of return to work, the employee will be given the first vacancy. A replacement for the employee on leave will not be expected to leave his/her post to make room for the returning employee. The leave of absence shall not exceed one (1) year. However, the Public Safety Committee of the Common Council of the City may grant one (1) extension of the leave, upon approval of the Common Council. In addition, the Public Safety Committee, with the approval of the Common Council, may waive the six (6) month notice requirement in instances of good cause.

An employee who avails himself/herself of the privilege under this section shall, upon one (1) month's written notice made prior thereto, be entitled to reinstatement as an employee at the rank he/she held when he/she began his/her leave of absence with the length of service credit accumulated on the date he/she began his/her leave of absence and at the Base Wage in effect when he/she returns to the Department. The period of leave of absence shall not be counted for a length of service credit.

Such leave of absence shall be determined by a seven (7) member board composed of two (2) police officers of the Union, the Chief of Police, Mayor of the City and three (3) members of the Common Council, after presentation by the employee to said board of all the facts relating to his/her request for said leave of absence.

Section 3

In order to produce harmony, efficiency and high morale, the City and the Union have agreed to the rotation schedule annexed hereto as Schedule "C".

Each patrol officer and sergeant, other than relief, shall be assigned a tour of duty as reflected in Schedule "C". No patrol officer or sergeant, except the relief sergeant or relief

officer, shall have their work schedule, as outlined in Schedule "C", altered in any manner, except for the emergencies set forth in Article 8 herein. The work schedule is as follows: The police officer(s) shall proceed to work the same tour of duty (e.g., 7:00 a.m. to 3:00 p.m.) for five (5) consecutive work days on, followed by two (2) consecutive days off as reflected in Schedule "C". They will then rotate to the next tour of duty (e.g., 3:00 p.m. to 11:00 p.m.) for five (5) consecutive work days on, followed by two (2) consecutive days off as reflected in Schedule "C". They will then rotate to the next tour of duty (e.g., 11:00 p.m. to 7:00 a.m.) and work that tour of duty for five (5) consecutive work days on, followed by three (3) consecutive days off as reflected in Schedule "C". They will then rotate to the next tour of duty, and repeat the cycle.

Based on fourteen (14) full-time police officers and six (6) sergeants budgeted, it is specifically understood and agreed that there shall be two (2) police officers and two (2) sergeants designated for the purpose of relief as set forth herein. The two (2) police officers and sergeants shall consist of the two (2) most junior personnel in those titles. A police officer shall not serve as a relief officer until that officer has satisfactorily completed his/her field training. The senior officer of the two (2) in each title shall have the right to select the work schedule of his/her preference, as set forth in Schedule "C". One (1) police officer and one (1) sergeant shall be designated as primary relief personnel. The Chief of Police shall provide to the primary sergeant and police officer, on or before January 1st, but no later than January 15th of each year, their respective work schedules that year based on the plan coverage to be provided, as set forth in Schedule "C". Their days off shall rotate consistent with the work in Schedule "C" and shall not, except in lawful emergencies, work more than five (5) consecutive days out of seven (7). The purpose of these relief personnel shall be to cover vacations, personal days, sickness, holidays, and pass days of other employees within the work schedule and title, upon a minimum of eight (8) hours notification. In the event the minimum notification is not provided, the affected personnel shall be entitled to be paid overtime for those hours in which less than eight (8) hours minimum requirement was not provided.

The secondary relief Sergeant, who shall provide relief, shall rotate shifts every week pursuant to the work schedule attached hereto (Schedule "C"). They shall only be required to fulfill the relief function based on the inability of the primary relief Sergeant to do so as set forth above, with the same eight (8) hours minimum notification. The secondary relief patrol officer who shall provide relief, shall rotate shifts every two (2) weeks, rotating between the 3:00 p.m. to 11:00 p.m. shift and the 11:00 p.m. to 7:00 a.m. shift. He/She shall only be required to fulfill the relief function based on the inability of the primary relief patrol officer to do so as set forth above, with the same eight (8) hours minimum notification. Relief personnel shall not be required to work more than two hundred forty-nine (249) days per year.

Police officers and sergeants may switch shifts with other police officers and sergeants, provided that such shifting will not require a police officer or sergeant to violate the provisions of Article 8 of this Agreement.

In recognition of the Detective work schedule as compared to the road patrol, each Detective shall be credited with eleven (11) chart days on January 1st of each year to use by December 31st of each year. The chart days shall be scheduled by the City, with notice of those

scheduled chart days provided to the Detective(s) on or before January 1st of each year, but not later than January 15th of each year.

Section 4 D.A.R.E. Instructor's Work Schedule

The City shall be permitted to adjust the work schedule of the selected police officer as set forth in Article 16, Section 3 for D.A.R.E. instruction as set forth herein.

1. The D.A.R.E. Instructor shall be scheduled to work 7:00 a.m. to 3:00 p.m., Monday through Wednesday for a maximum seventeen (17) week duration of instruction and report to the assigned school(s).

2. The D.A.R.E. Instructor shall be scheduled to work 3:00 p.m. to 11:00 p.m. on Thursday and Friday for the duration of instruction and report to the police department for patrol duty tour. However, the Chief of Police or designee may, on written notice of at least seven (7) calendar days, require the D.A.R.E. Instructor to work 7:00 a.m. to 3:00 p.m. on Thursday and Friday.

3. In the event D.A.R.E. instruction is cancelled due to the school closing Monday, Tuesday and/or Wednesday and the class(es) can be made up, that instruction shall occur on Thursday and/or Friday of the same week. The D.A.R.E. Instructor shall continue to work 7:00 a.m. to 3:00 p.m. in those instances and shall advise the Chief of Police or designee accordingly. On the day(s) the school is closed as set forth herein, the D.A.R.E. Instructor shall report to the police department for patrol duty on the 7:00 a.m. to 3:00 p.m. tour of duty.

4. In the event the school is scheduled to be closed for the entire week (Monday through Friday), the D.A.R.E. Instructor shall report to the police department for patrol duty on the 3:00 p.m. to 11:00 p.m. tour of duty.

5. Upon completion of the D.A.R.E. instruction schedule, that police officer shall return to his/her rotation in the work schedule and slot that following Monday as if he/she were never removed.

6. The D.A.R.E. Instructor shall be entitled to bid vacation with the patrol schedule and take holidays and/or personal days accordingly. The D.A.R.E. Instructor's schedule shall be adjusted to accommodate the vacation bid if taken during the instruction period. The use of paid leave by the D.A.R.E. Instructor during the instruction period shall not impact or deny time off of those in the patrol schedule.

7. The removal of a police officer for the period of D.A.R.E. instruction from his/her rotation and slot shall not diminish the ability of those police officers on that tour of duty from being granted the use of paid leave for time off.

8. In recognition of the D.A.R.E. Instructor's work schedule as compared to the road patrol, he/she shall receive a pro-rated number of chart days for that period, which shall be assigned by the Chief of Police or designee while working the modified schedule set forth herein.

Section 5 Detective/Youth Officer's Work Schedule

The Detective/Youth Officer shall be scheduled to work 9:00 a.m. to 5:00 p.m., Monday through Friday, except as set forth herein.

1. From May 1st through the Monday following Labor Day of each year, the Detective/Youth Officer shall work 9:00 a.m. to 5:00 p.m., Monday through Wednesday and 2:00 p.m. through 10:00 p.m. Thursday and Friday.

2. The Detective/Youth Officer when scheduled to work 9:00 a.m. to 5:00 p.m., Monday through Friday, starting from after Labor Day each year through the following April 30th, may have his/her starting and ending time of work for office hours to attend a community and/or juvenile activity related to the position adjusted by requiring one (1) day each calendar month be worked in an eight (8) consecutive hour period to end no later than 10:00 p.m. by the Chief of Police or designee. The Chief of Police or designee shall advise the Detective/Youth Officer, in writing, at least seven (7) calendar days prior to the work day in which his/her starting and ending time will be modified, including the starting and ending time, and of whether or not it will be office hours to attend a specific community and/or juvenile activity. The Detective/Youth Officer shall also make his/her best effort to notify the community of the adjusted work day.

ARTICLE 17

COOPERATION OF INTERNAL INVESTIGATIONS

Section 1

In the course of an employee's duties, occasions will arise when there is a need for inquiry into an employee's official actions or activities either as a principal or as a witness so that there will be a recording of facts for the protection of the employee or the Department, or to rebut, explain, or clarify any allegation, criticism or complaints made against an employee or against the Department. Under such circumstances, employees may be required and are expected to properly respond, and if requested, submit written memoranda detailing all necessary facts. Such memoranda will not be considered as admissions against self-interest in evidence submitted in a disciplinary proceeding, unless the employee was offered the representation to which he/she is entitled in an interrogation pursuant to paragraph 7 of Section 3 below.

Section 2

It is agreed that it is the responsibility of the Chief of Police and of those employees designated by him/her to conduct such investigations and to do so in a manner conducive to good order and discipline. It is the responsibility of all employees involved or participating to assure that all such investigations are conducted fairly and impartially. It is the responsibility of all employees to assist and expedite such investigations and when requested by an investigating officer, to furnish information or to give statements as witnesses. It is the responsibility of an

employee who is the subject of the investigation to give a responsive accounting of this public trust. To fulfill each of such responsibilities, investigations are to be conducted according to the following procedure.

Section 3

When an investigating officer requests a further written statement or affidavit from an employee, either as a principal or as a witness, the procedural requirements as set forth below shall be followed.

1. The interrogation of an employee shall be at a reasonable hour, preferably when the employee is on duty, and during daylight hours, unless the exigencies of the investigation dictate otherwise. An employee's tour of duty may be changed without penalty in order to comply with this paragraph.

2. The interrogation shall take place at a location designated by the investigating officer and shall usually take place at City Hall.

3. The employee shall be informed of the rank, name and command of the investigating officer, as well as the rank, name and command of the officer who is conducting the interrogation and the identity of all personnel present during the interrogation.

4. The employee shall be informed of the nature of the investigation before any interrogation commences. Sufficient information to reasonably apprise the employee of the allegations should be provided. If it is known that the employee being interrogated is a witness only, he/she shall be so informed.

5. The interrogation shall be completed with reasonable dispatch. Reasonable respites shall be allowed. Time shall be provided also for personal necessities, meals, telephone calls and rest periods as are reasonably necessary.

6. The employee shall not be subjected to any offensive language, nor shall he/she be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions. Nothing herein is to be construed as to prohibit the investigating officer from informing the employee that his/her conduct can become the subject of disciplinary action resulting in disciplinary punishment.

7. In all cases wherein an employee is to be interrogated concerning an alleged violation of the department rules and regulations which, if proven, may result in his/her dismissal from the service or the infliction of other disciplinary punishment upon him, he/she shall be afforded a reasonable opportunity and facilities to contact and consult privately with an attorney of his/her own choosing and/or a Union representative before being interrogated. An attorney of his/her own choosing and/or a Union representative may be present during the interrogation but may not participate in the interrogation except to counsel the employee. In such cases, the interrogation may be postponed for the purpose of obtaining counsel and/or a Union representative up to the afternoon of the day following the notification of interrogation.

8. The complete interrogation of the employee shall be recorded mechanically or by a stenographer. There will be no "off the record" questions. All recesses called during the questioning shall be noted in the record. The requirement to record may be waived by mutual agreement.

9. If an employee is under arrest or is likely to be, that is, if he/she is a suspect or the target of a criminal investigation, he/she shall be advised of his/her constitutional rights.

10. Under the circumstances described in paragraph 7, the employee shall be given an exact copy of any written statement he/she may execute, or if the questioning is mechanically or stenographically recorded, the employee shall be given a copy of such recording or transcript if requested.

11. The refusal by an employee to answer pertinent questions concerning any non-criminal matter may result in disciplinary action.

12. No employee shall be ordered or asked to submit to a Polygraph (lie detector) test, blood test, a Breathalyzer test or any other test or procedure which would violate his/her right under the United States or New York Constitutions for any reason.

Section 4

The procedural requirements spelled out above are not applicable in circumstances relating to ordinary supervisory inquiries into the official duties and responsibilities of employees.

Section 5

An employee will be informed in writing when an investigation is complete and of the determination and a copy of such memorandum shall be placed in his/her personnel record. However, personnel complaints arising after the effective date of this Agreement, determined to be unfounded after investigation shall not be retained in the employee's personnel file.

Section 6

An employee may review his/her personnel record which is maintained at Police Headquarters, within fifteen (15) days of the submission of a request for sufficient cause. Such review shall take place in the presence of an appropriate official of the department and shall take place during the employee's off-duty time. The personnel record shall include performance appraisal forms and all letters of commendation, reprimand, suspension, fines, promotions, and demotions. Such review shall not include pre-employment investigation reports. An employee shall be allowed to place in his/her file a response of reasonable length to anything contained which such employee deems to be adverse.

Section 7

An employee denied such inspection may grieve such denial pursuant to the grievance procedure as previously set forth in this Agreement.

The Claims Manager shall provide written notice to the Claimant or Recipient that his/her benefits are being terminated pursuant to Section 10 of this procedure, and the basis of the refusal. A Claimant or Recipient contesting the termination must make a written request for a hearing to appeal to the Claims Manager within ten (10) calendar days after mailing of the termination notice, and the Claims Manager shall arrange for a hearing pursuant to Section 11 of this procedure. The Claimant or Recipient shall cooperate in scheduling of the examination(s) and treatment, providing medical records relating to the injury or illness to the Employer's examiner, and in answering questions placed by the health care provider relating to the injury or illness.

Any Recipient deemed able to perform specified light duty by the Claims Manager, based upon medical documentation, may be directed by the Chief, in his or her sole discretion, to perform such light duty.

- b) A Recipient who disagrees with the order to report for light duty and has conflicting medical documentation that he/she is unable to undertake light duty shall submit the medical documentation to the Claims Manager within ten (10) calendar days of mailing of the order to report for light duty. The Claims Manager shall review said medical documentation and within ten (10) calendar days of its receipt shall issue to the Chief and Recipient a decision as to whether the order to return to light duty should be confirmed, modified or withdrawn. If the Recipient is dissatisfied with the decision, he/she may request, in writing, a hearing to appeal from the decision within ten (10) calendar days after mailing of the decision. The Claims Manager shall arrange for a hearing to be held pursuant to Section 11 of this procedure.
- c) Payment of full Section 207-c benefits shall be continued with respect to a Recipient who disagrees with the order to report to light duty based upon conflicting medical documentation, until it is determined whether the Recipient is capable of performing the light duty as set forth in Section 2 above. Where a determination has been made that the Recipient can report to and perform light duty, and that individual fails or refuses to perform light duty, if same is available and offered, that Recipient's 207-c status shall be discontinued.

This notice shall be made in writing within forty-eight (48) hours of any such change.

Section 9. Right of Perpetual Review and Examination

- a) The Claims Manager shall have the right to review the eligibility of every Section 207-c Recipient throughout the period during which benefits are received. This right shall include, but shall not be limited to:
 - 1. requiring Recipient to undergo medical examination(s) and treatment by physician(s) or medical providers chosen by the Claims Manager;
 - 2. requiring Recipient to apprise the Claims Manager as to their current condition; and
 - 3. requiring Recipient(s) or any other involved parties to provide any documentation, books or records that bear on the Recipient's case.

Section 10. Termination of Benefits

- a) If, for any lawful reason, including but not limited to all those reasons specified in these procedures, the Claims Manager determines that a Recipient is no longer or was never eligible for benefits, the Claims Manager shall notify the Recipient in writing of the termination and reason(s) for the termination. Notice of such termination and the reasons therefore shall be served by mail upon the Recipient and the Chief. If the Recipient requests a hearing pursuant to Section 11 of this procedure, pending a determination with respect to the Recipient's continued eligibility, the Recipient shall continue to receive Section 207-c benefits.

Section 11. Hearing Procedure

- a) Hearings requested under the provisions of this procedure shall be conducted by a neutral Hearing Officer related to the issues to be determined. The Claimant or Recipient may be represented by a designated representative and may subpoena witnesses. Each party shall be responsible for all fees and expenses incurred in their representation. No new evidence, in medical reports or otherwise shall be allowed to be presented by either party, except that testimony of the person(s) whose reports were reviewed by the Claims Manager shall be permitted.
3. After requesting a hearing, the Claimant or Recipient shall be permitted to submit additional information to the Claims Manager as long as said submission is made no later than thirty (30) calendar days prior to the date of the scheduled hearing. The Claims Manager shall review the documentation and inform the Claimant or Recipient in writing within seven (7) calendar days of the submission, as to whether the determination that is the subject of the hearing will be modified. So long as the Claimant or Recipient meets the time requirements in this provision,

should the Claims Manager's determination remain unchanged, the record before the Hearing Officer may include the additional submission of Claimant or Recipient.

4. The scope of review of the Hearing Officer shall be whether the Claims Manager had a reasonable basis for his/her determination.
 5. The hearing shall have a transcribed record, which shall be the official record of the proceeding. The Employer shall provide a copy to the Claimant or Recipient or his/her designated representative and Hearing Officer upon receipt. The Hearing Officer shall render and submit to the Mayor, with a copy to the Claimant or Recipient's representative, written Findings and Recommendations within thirty (30) calendar days after the close of the hearing. The Mayor shall provide his/her written determination within ten (10) calendar days after receipt of the Findings and Recommendations. Any such determination of the Mayor shall be reviewable pursuant to the provisions of Article 78 of the Civil Practice Law and Rules. The fees and expenses of the hearing, including transcript costs and fees of the Hearing Officer, shall be paid by the Employer.
- b) In the event there is a sole medical dispute between the employee's doctor and the Employer's doctor as to whether the employee is or was disabled and unable to perform his/her regular duties, the parties agree to allow the respective doctors to select a third (3rd) mutually designated physician whose medical opinion will be binding upon the parties as to disability. If the doctors are unable to agree upon a third (3rd) neutral physician, each doctor shall submit their respective name to be appointed from an appropriate certified medical board for the injury or illness in question. The fees and expenses of the physician shall be paid equally by the parties.

Section 12. Coordination with Workers' Compensation Benefits

- a) Upon payment of 207-c benefits, any wage or salary benefits awarded by the Workers' Compensation Board shall be payable to the Employer for periods during which a Claimant received 207-c benefits. If the Claimant shall have received any Workers' Compensation benefits hereunder which were required to be paid to the Employer, the Claimant shall repay such benefits received to the Employer, or such amounts due may be offset from any Section 207-c benefits thereafter. Upon termination of 207-c benefits, any continuing Workers Compensation benefits shall be payable to the Claimant. The parties shall not be bound by a determination of the Workers Compensation Board.

Section 13. Discontinuation of Salary and Wage Benefits Upon Disability Retirement
