- 3. Employees who become employed subsequent to February 13, 1980, and who shall work less than full-time (defined below) shall contribute on a pro-rata basis the premium costs for health charges. (Full-time shall mean 12-month, 35 or 40 hour work week).

4. The district shall provide the same or equivalent health insurance benefits as provided by the statewide plan (currently Empire Plan, Core Plus), but may substitute carriers and/or self insure.

Claims of non-comparability of benefits shall be subject to provisions of Appendix "A" and Appendix "B" of this contract. Benefits offered to this employee unit shall be in accord with those enjoyed by other employee units within BOCES.

2. Part-time Employees – Such employees participating in the Health Insurance Program, will be covered by the following language in any year they have not exercised their annual health buy-out:

APPENDIX "A"
GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a difference or dispute arising out of the application or interpretation of any of the terms or provisions of this agreement.
2. An aggrieved party is the person or persons making the claim, hereinafter referred to as the "employee."
3. A "party in interest" is the person or persons making the claim, any person who might be required to take action or against whom action might be taken in order to resolve the claim, and the President of the Union or his designee.
4. A "day" shall be understood to mean a day that the BOCES Central Administration Office is open to transact normal business.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate, at any level of the procedure, and that written copies of the grievance and decisions be kept to resolve any future problems.
2. Nothing herein contained will be construed as limiting the right of any employee having a grievance to discuss the matter informally with the appropriate member of the administration at level one, and having the grievance adjusted at the level, provided the adjustment is not inconsistent with the terms of this agreement.

C. Procedure

Since it is important that the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum; every effort should be made to expedite the process. The time limits may be extended, however, by written mutual agreement. The time limits throughout the grievance procedure shall be exclusive of paid leave times of aggrieved employees and/or BOCES administrators and supervisors.

If an employee does not file a grievance, in writing, within thirty (30) working days after the employee knew or should have known of the act or condition on which the grievance was based, then the grievance will be considered as waived.

It shall be understood that the employees involved in the dispute may be represented by a Union representative. It shall be further understood that the Superintendent or his designee shall

represent the Administration at the appropriate stage in the grievance procedure, and it is hereinafter referred to as the Superintendent.

1. **Level One:** A grievance shall be reduced to a written statement covering the specific nature of the alleged grievance. The statement should include a description of the incident, the time and date of the occurrence, and the specific articles alleged to have been violated.

Four (4) copies of the statement signed and dated by the employee will be submitted to the employee's immediate superior. The immediate superior shall meet with the employee within four (4) days after receipt of the written grievance. A written decision shall be submitted to the employee within three (3) working days after the meeting. One (1) copy of the decision shall be filed with the Union president, and one copy filed with the aggrieved person or persons.

2. **Level Two:** If the employee is not satisfied with the decision rendered at level one, or if no decision has been reached within the time limits imposed in level one, the employee may file a copy of the grievance with the Superintendent within five (5) days following the deadline imposed in level one.

The Superintendent or the designee of the Superintendent shall, within five (5) days of receipt of the grievance, meet with the employee in an attempt to resolve said grievance. A written decision shall be rendered within five (5) days of the meeting. One (1) copy of the decision shall be given to the aggrieved employee, and one (1) copy to the Union president or designee.

3. **Level Three:** If the grievance is not resolved in level two, it shall be filed with the President of the Board of Education within five (5) working days of the time frame imposed in level two.

The Board of Education shall meet in executive session at its next regularly scheduled meeting to consider all grievances which may have been submitted to it since its last meeting. Any party in interest shall have the right to appear before the Board and to be heard. Copies of the decision shall be filed with the President of the Union and the Superintendent. One (1) copy of the decision shall be given to the employee.

APPENDIX "B" ARBITRATION

- A. If a grievance cannot be settled in the third level of the grievance procedure, either party may submit the matter to arbitration. This notice must be served on the other party within ten (10) days after the failure of settlement of level three of the grievance procedure.
- B. Any request for the submission to arbitration by either party shall be in writing and signed by an authorized representative of the party requesting arbitration. The written statement shall restate the grievance as originally submitted in level three along with any further reference to this Agreement, and shall certify that the parties failed to reach an agreement in the grievance procedure set forth herein.
- C. A written stipulation defining the dispute may serve as the basis for proceedings in the arbitration and shall be signed by both parties if the parties agree that the subject matter is properly referable to arbitration. If either party claims that the subject is not properly referable

2. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared by the District Superintendent or the his/her designee of the District Superintendent and the Union, and will be reproduced and given appropriate distribution by the Superintendent or his/her designee of the District Superintendent, so as to facilitate operation of the grievance procedure.
3. The Board agrees to make available to the employee and/or the employee's representative all the information not privileged under the law in its possession or control and which is relevant to the issue raised in the grievance.

APPENDIX "C"

SALARY SCHEDULES

The listing of titles on salary schedules constitutes the bargaining unit as constituted as of date of the execution this Agreement. The parties further agree that any new titles created falling within the bargaining unit shall be included within these schedules. In addition, negotiations shall be commenced by the parties in order to negotiate the terms and conditions of employment for all newly created titles.

LONGEVITY

Longevity shall be based on calendar years of service with the Board. This longevity increment is to start on the completion of the tenth, fifteenth and twentieth years of service, to become effective on the anniversary date. This in no way shall be construed to back-date a claim for longevity increments, i.e., a less than full-time employee now becoming eligible or actually eligible to receive longevity increments under the old formula (based on hours of service) shall not be allowed to back-date longevity increments based on calendar years of service.
