RESIDENTIAL HALLS FOR MEN

Men attending the Summer Session at Cornell University may obtain desirable rooms in the new residential halls. These buildings are the nucleus of a new group of residential halls to be situated at the west of the main Quadrangle, and are convenient to all parts of the University. They are thoroughly modern and of fireproof construction throughout and will afford accommodations for about 250 men. General assembly rooms are provided for the use of the occupants of the halls, and the equipment is such as to combine comfort with practicality.

ROOMS

Complete diagrams and lists of rooms will be found on the last pages of this booklet, showing the location of the rooms and their relative size and cost.

FURNISHINGS

They are furnished with rug, desk, desk chair, morris chair, bureau-iron bedstead 3 ft. by 6 ft. 6 in., bed cover, curtains, bedding and bed linen. Bed linen is laundered by the University free of charge. All rooms are heated by steam and lighted by electricity.

GOVERNMENT

The different buildings are in charge of housekeepers and the direct management of the residential halls is centered in the Manager of Residential Halls whose office is in Sage College. The students are left to the management of their own affairs so long as they do not violate the rules of the University, as it is the intention of the management that each unit be self-governing in so far as possible.

DINING ROOMS

Board may be obtained at an average of from \$1.00 to \$1.50 a day in a dining room adjacent to the Residential Halls conducted by the University on the cafeteria plan and at other restaurants or dining rooms on or near the campus.

RULES AND REGULATIONS

Every occupant of a room is required to sign a lease in the following form:

"I, the undersigned, hereby lease from Cornell University for the weeks Summer Session of the year the room in Hall indicated below, and agree to pay therefor, the rent stated, subject to the terms and reservations on the back hereof.

"Possession of the room may be had one day preceding the first registration day of the Summer Session and must be relinquished on the day following the last day of the Session (unless arrangements for holding over have been made with the Comptroller's Office) in as good condition as when taken, ordinary wear and tear excepted.

"The rent shall be paid within five days after the first registration day of the Session. Failure to make such payment shall be regarded as a surrender of the lease, and a forfeiture of the deposit.

"The rooms shall be used only as living rooms in accordance with the rules of the University and in such a manner as not to disturb the other occupants of the building. Gambling, the use of beer or other intoxicating beverages, the keeping of dogs, cats, or other animals, cooking, or the installation of gas or electric stoves or plates anywhere in the building is strictly prohibited. No roommate shall be taken, no assignment of this lease made, nor the room or any part thereof sublet without the written consent of the Comptroller.

"If the lessee is dropped from, or leaves the University for reasons satisfactory to the Comptroller, he may be released from his lease.

"The University may terminate this lease and take possession of the room at any time for violation of any of the provisions herein, the violation of any University rule, or whenever the rooms are vacated or the connection of the lessee with the University as a student is terminated. The University agrees to furnish light, water, ordinary care of the room including laundry of the bed linen, and to also furnish locks and keys for the doors upon request. Any waste of light or water will be charged to the lessee and it is understood that the University shall not be liable directly or indirectly for any loss or theft of any articles or property of the lessee anywhere on the premises.

"Damage by fire or water rendering the room wholly unfit for occupancy shall entitle the lessee to a pro rata adjustment of the rent for the period during which the room is unfit for occupancy, unless the damage is such that it is not reparable within sixty days, in which event the lease shall be terminated.

"The University reserves the right to take possession of the room at any time for Infirmary purposes in the event of an epidemic or other urgent cause. If the University desires to so use the room, notice shall be given the lessee and sufficient storage space provided for the storage of such articles of personal property as he may desire to remove from the room."

The right to occupy a room is not transferable and terminates with the expiration of the lease.

If the room is not claimed by the first day of instruction and no notice has been received by the Comptroller, the reservation will be automatically cancelled and the room rented.

The rent is payable in one installment within five days after registration, except where the term of the Summer Session for which the student is registered is for more than six weeks, in which case arrangements may be made at the Comptroller's Office for the payment of the rent in two or more installments.

When two or more men are rooming together and one of them leaves for any cause whatsoever, the remaining party or parties may assume his lease or the University may rent to another student.

Upon application to the housekeeper permission may be obtained for ladies to visit the rooms or buildings.

The telephone service in the Residential Halls is on the pay station plan. Outgoing messages are charged for, but no charge is made for incoming calls.

Each application for a room for the Summer Session must be accompanied by a deposit of five dollars a man, to cover the return of keys, damage to building or furniture other than ordinary wear and tear, and to insure the completion of the lease.

If the lessee surrenders his lease to the Comptroller one week before the day of registration of the Session for which he has applied, the \$5 deposit will be refunded. If the lease is not so surrendered, the deposit will be forfeited.

If none of the rooms specifically applied for be available, assignment will be made from rooms of similar price and location.

Rooms will be assigned strictly in the order of application except that preference will be given to students already registered in the University if their application is filed on or before April 15. After that date assignment will be made in order of application.

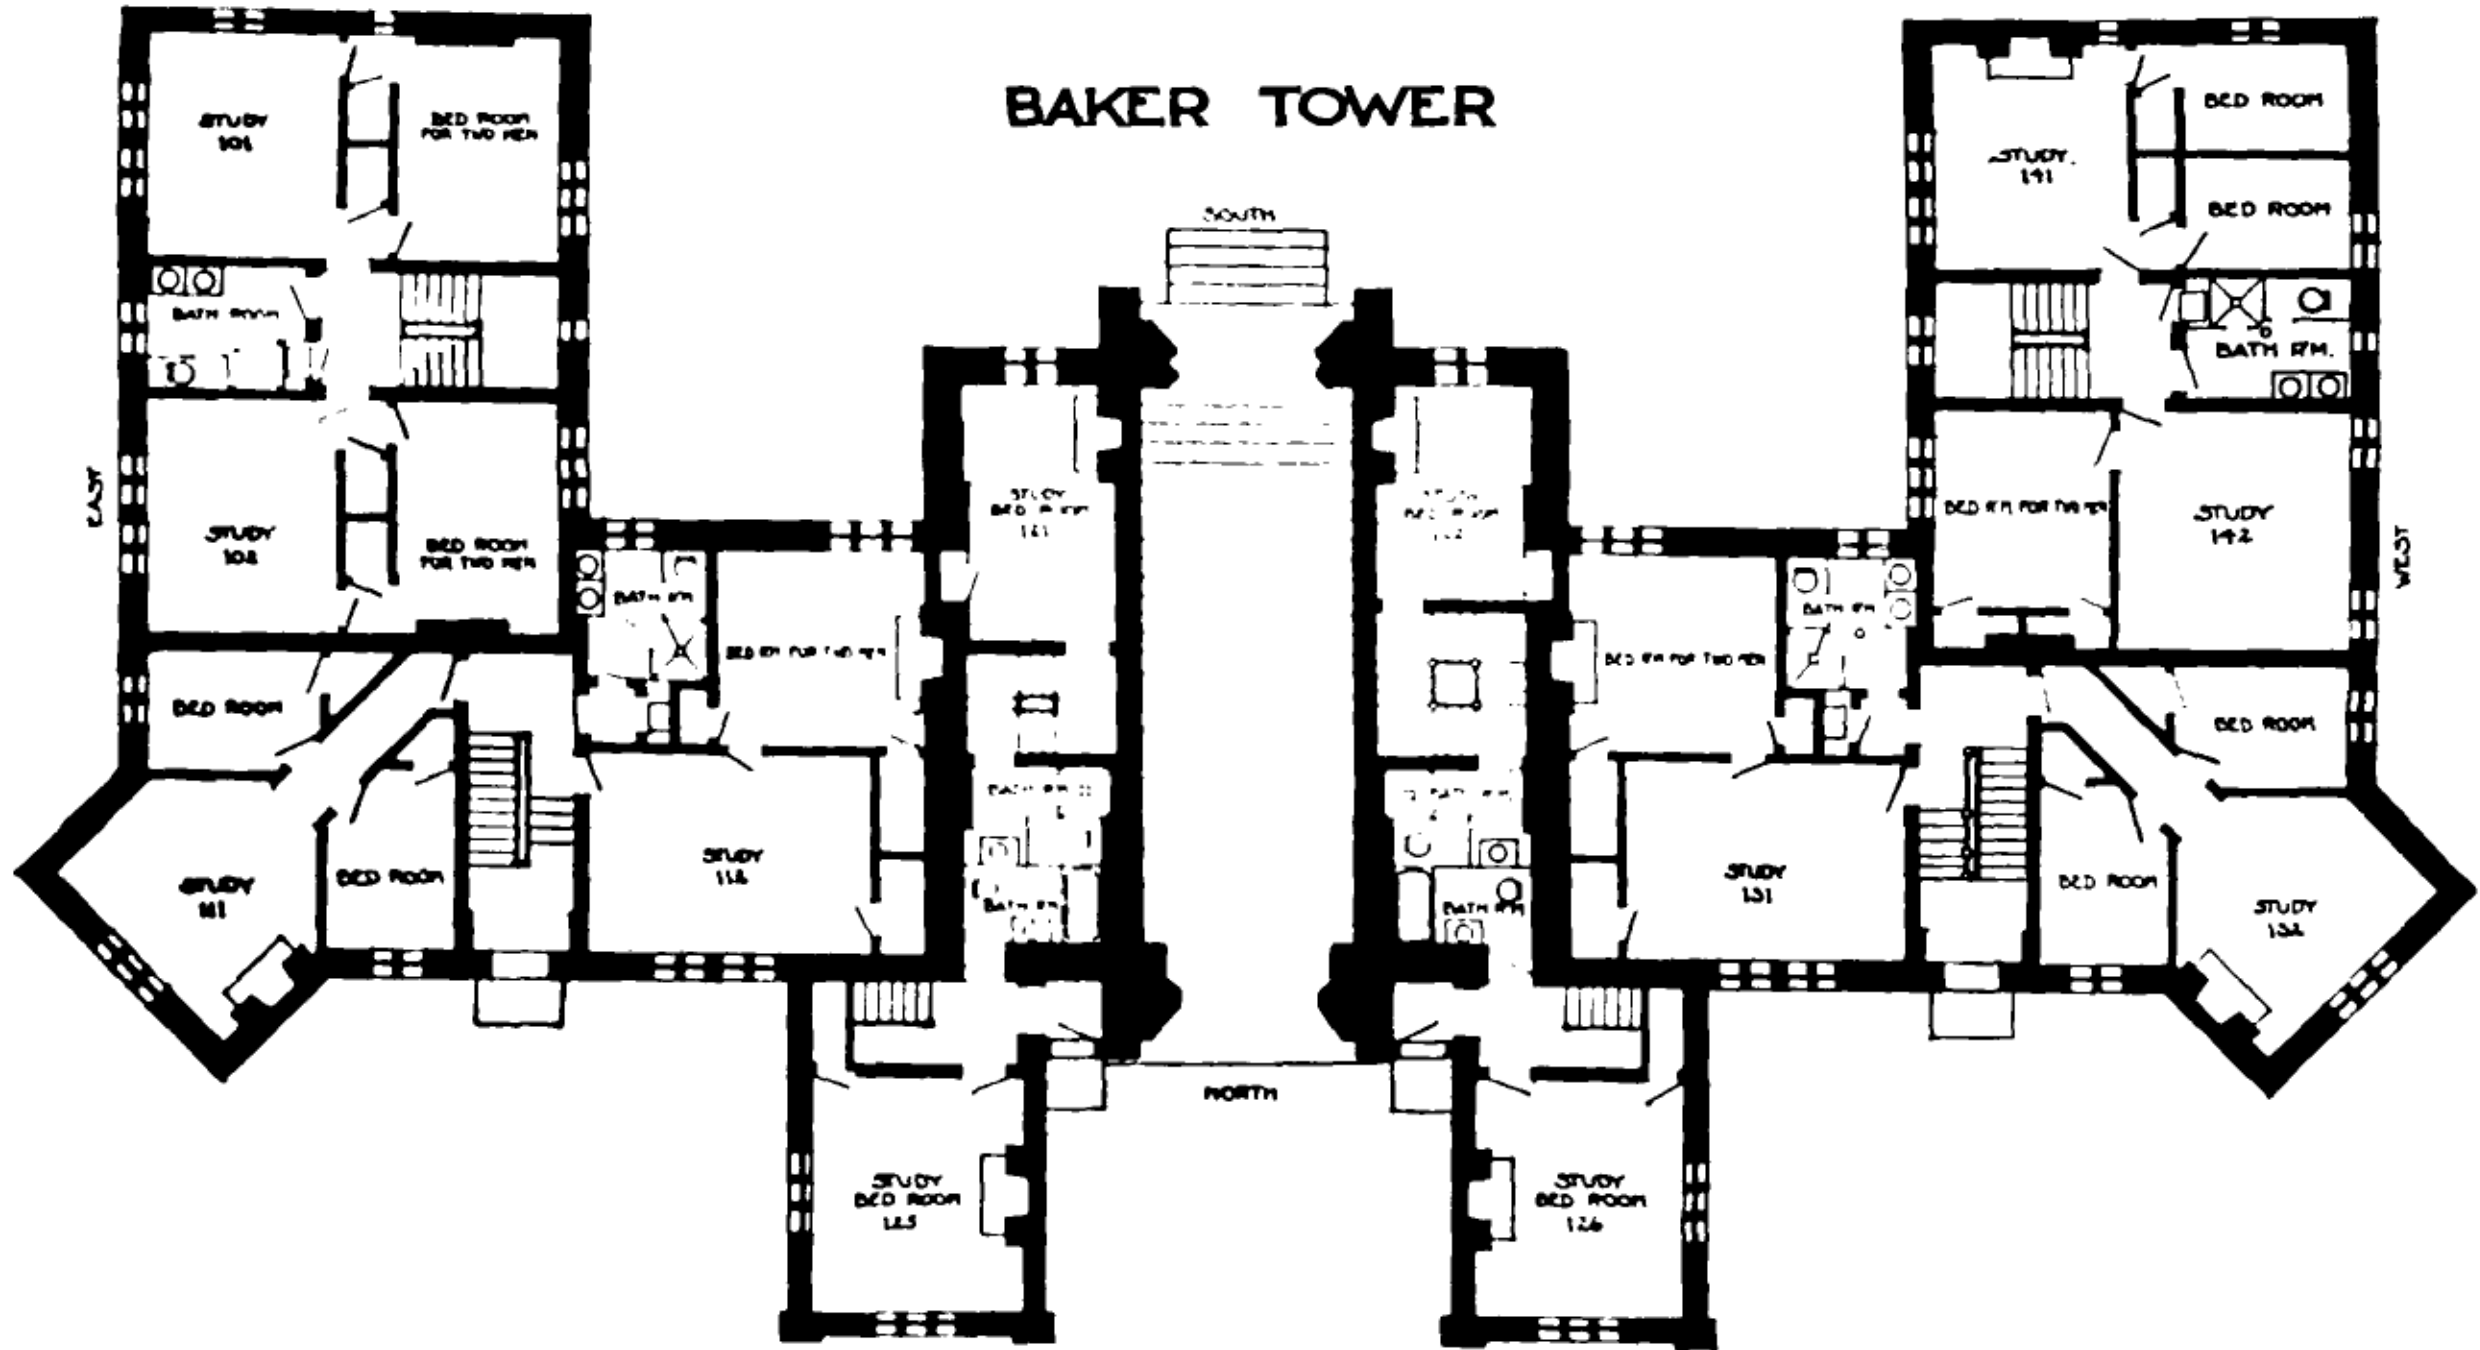

The rents given herein are for six weeks only and where the Session is for a longer period additional rent will be charged accordingly.
