Baker Pet Talks presented by  
Cornell Feline Health Center

BAKER INSTITUTE FOR ANIMAL HEALTH

Special topic:  
**Pet Nutrition**

Do you or someone you know have an overweight pet?  
Would you like to know more about when and what to feed your cat or dog?

Join us for this FREE public event!

Joe Wakshlag, DVM (M, PhD) '08

In this special seminar:

- Learn the tricks of the trade in combating obesity
- Dry food vs. wet food
- Idealism vs. reality
- Better understanding cats' needs as carnivores

Baker Pet Talks: Pet Health Tips from Cornell Experts will be held at the Baker Institute for Animal Health. [Get directions on Google Maps.](#)

## Baker Pet Talks: Tips from Cornell Experts

Struggling to keep your pet at a healthy weight?

Join us on **December 6th** to learn the tricks of the trade in combating pet obesity.

**If you can't make it to the Institute, you can watch the demonstration live online, just click the button below to be taken to the live feed.**

The event will be co-sponsored by the Baker Institute for Animal Health, the research center that brought you the canine parvo vaccine and the world's first successful litter of puppies born via in vitro fertilization, and the [Cornell Feline Health Center](#), the first organization dedicated solely to improving the lives of cats. This is an event for animal lovers of all ages and admission is free.

- **Learn the tricks of the trade in combating pet obesity**
- **Dry food vs wet food**
  - **Idealism vs reality**
- **Better understand your cat's needs as a carnivore**

Presenter:

[Joseph J. Wakshlag, DVM, PhD, DACVN, DACVSMR](#)

Dr. Wakshlag is an associate professor in clinical nutrition at the College of Veterinary Medicine and a charter member of the American College of Veterinary Sports Medicine and Rehabilitation. His interests include obesity management and nutritional intervention for the canine athlete.

**Wednesday, December 6, 2017**  
**6:00 - 7:30 PM**

The Baker Institute is located less than five minutes from campus, off of Snyder Hill Road and Ellis Hollow Road and has ample, free parking.

**The Baker Institute for Animal Health**  
**235 Hungerford Hill Road**  
**Ithaca, NY 14853**
