## EDITORIAL

I. W. CA.

Tonight the women of Cornell will meet in the Armory at 8 p.m. for their annual Pre-Thanksgiving Masquerade. Everybody come as there will be heaps of fun in store for you all. Come in your fine feathers, one and all. We shall be waiting to see you there. Girls, show your Class and Cornell Spirit by coming out to make this affair one of the most successful of the season. It's up to each class to do its stunt tonight. Fresh, it's your initial appearance in the dramatic line before this big University and do show us what you can do by coaching your stunt along if you do not take a part in it. We do not urge only the Fresh to be on the scene but we want every one, Senior, Junior and Sophomore there.

Each class will give a short skit which promises to be more than thrilling. Come share the laughter, girls. Peppy music and the latest in dancing will follow the stunts. Last but not least, will be the refreshments, - we won't say what but we will assure you that they will be tempting.

Each girl bring a pillow with her tonight at Student Government Party.
