Dear Mr. Baker:

Here are the two titles we discussed yesterday. The Intellectual Property Statutes disk includes the U.S. Copyright Act and U.S. Patent Act in addition to the Lanham Act which you requested.

I also enclose material pointing out some of the features of our implementation of Views 3.0 with this material and a full list of the titles our Institute is offering for the 1993-94 academic year.

My understanding is that you want to demonstrate these infobases at one or more tradeshows. I trust you will consult with me before putting them to any other uses. I also hope that you will pass along any useful comments. We are at the stage where I am eager for feedback.

Sincerely,

Peter W. Martin
