ARTICLE I - PROFESSIONAL NEGOTIATIONS

1.01 Preamble

To provide the best education for the students of Manhasset, the Board of Education of the Manhasset Union Free School District and the Manhasset Education Association join in recognizing the important role the professional staff plays in the development of sound educational policy.

1.02 Definitions

As used herein:

A. "Teacher" means a member of the negotiating unit defined below, including teachers employed on a regular basis for less than a full schedule, and paid pro rata.

B. "Certified" refers to both permanent and provisional certificates including those approved on an emergency basis.

C. "Board" means the Board of Education of the Manhasset Union Free School District, Nassau County, New York.

D. "Association" means the Manhasset Education Association.

1.03 Appropriate Unit

The appropriate employer-employee negotiating unit in accordance with Article 14 of the Civil Service Law to which the Agreement applies consists of all certified personnel, including all regularly employed part- or full-time classroom teachers, counselors, school psychologists, library/media specialists, special teachers, (except as otherwise provided below), but excluding all personnel having supervisory duties, namely the Superintendent, the Assistant Superintendents, Principals, Associate and Assistant Principals, Administrative Assistant, Directors and Coordinators and all other District Employees.

1.04 Priority of Agreement

A. The Association recognizes that under the law the Board of Education has the final responsibility for establishing policies for the District consistent with the Laws of the State of New York and for their administration.

B. Any agreement reached through the negotiations process provided by Civil Service Law shall be binding upon both parties for the duration of the Agreement, except when such agreements are in conflict with the law.

C. It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore shall not become effective until the appropriate legislative body has given approval.

D. This Agreement will supersede any rules, regulations or practices of the Board and/or Administration which will be contrary to or inconsistent with its express terms.

1.05 Purposes

Both the Board and the Association recognize that the education of children is their mutual paramount consideration and that the education of children should be a continual process without interruption. The Association affirms that it will abide by Section 210 of the Public Employees, Fair Employment Act and the Laws of the State of New York in general.

1.06 Professional Personnel

A. In the development of rules, regulations and arrangements for the operation of the school system, the Superintendent shall include at the planning stage whenever feasible those employees who will be affected by such provisions.

B. The Superintendent shall evolve with the employees channels for the ready inter-communication of ideas and feelings regarding the operation of the schools. He/she shall weigh with care the counsel given by employees, especially that given by groups designated to represent large segments of the staff, and shall inform the Board of all such counsel in presenting reports of administrative action and in presenting recommendations for Board action.

1.07 Validity of Provision

If any provision of the Agreement is or becomes invalid or legally unenforceable, all other provisions of the Agreement shall nevertheless continue in full force and effect, and the parties will meet forthwith upon request to negotiate substitute terms for such invalid or unenforceable provisions.

1.08 Maintenance of Standards

Salaries and conditions of employment as defined in Article 14 of the Civil Service Law in effect prior to the Agreement and not covered by this Agreement will not be reduced without good cause during the term of this Agreement.

1.09 Areas of Negotiations

The representatives of the Association and the Board shall meet for the purpose of reaching mutually satisfactory agreements on any matter affecting the terms and conditions of employment, pursuant to Article 14 of the Civil Service Law.

1.10 Information

The Board and the Association shall, within reason, make available to each other recommendations, data, and information in their possession which are directly pertinent to a topic under negotiation.

ARTICLE II - STATUS, RIGHTS AND PRIVILEGES OF THE ASSOCIATION

2.01 Association Time

A. Duly designated representatives of the Association shall be free to transact official Association business directly related to the administration of the Agreement on school property during the school day, providing there is no interference or conflict with assigned teacher responsibilities and duties.

B. When the President of the Association is a classroom teacher, the Building Principal, upon request, will excuse the teacher from assigned duties in order to attend to emergency and unforeseen Association matters. Should scheduling conflicts exist, the Building Principal will arrange for release from assignment as soon as possible thereafter. In developing the teaching schedule of the President-elect prior to the opening of the school year, the Building Principal shall schedule the President for no more than fifteen (15) teaching periods per week and no duties.

2.02 Association Communication

The Association may post notices of its legitimate activities on a faculty bulletin board in each school building. The Association may use the District mail service and teacher mailboxes for communications to teachers.

2.03 School Facilities

Subject to reasonable procedural requirements, the Association and its representatives are entitled to use school buildings for meetings and shall have access to District typewriters, duplicating machines, audio-visual equipment and computer time. All extra costs incurred in the operation and use of consumable items and equipment will be defrayed by the Association.

2.04 Agency Shop

Every member of the bargaining unit who is not a member of the Manhasset Education Association shall pay to the Association an agency fee in an amount equal to the membership dues of the Manhasset Education Association and its affiliates.

The District shall deduct the agency fee from the salaries of all non-Association members of the bargaining unit and shall transmit the sum so deducted to the Association at the same time and in the same manner as dues deducted from the salaries of Association members.

The Association will provide the District with a copy of its refund procedure, with a list of members and non-members, and with the amount of dues to be collected at least ten (10) working days prior to the date of the first scheduled dues deduction of each year. The Association represents that it has established and will maintain a procedure which complies with the requirements of law.

The Association agrees to hold the Board harmless against claims arising out of the deductions and/or transmittal of agency fees where there is a final adjudication by a court or arbitrator or by PERB that said agency fee should not have been deducted and/or transmitted by the Association.

2.05 Right of Representation

Teachers shall have the right to be represented by the Association to negotiate collectively with the District in the determination of their terms and conditions of employment, and the administration of grievances arising hereunder.

2.06 Dues Deductions

A. Subject to reasonable procedural requirements, teachers may sign and deliver to the District assignments authorizing deduction of membership dues and assessments of the Association and the organization with which the Association is associated or affiliated. The Association agrees to hold the Board harmless against claims arising out of the deductions and/or

transmittal of dues where there is a final adjudication by a court or arbitrator or by PERB that said dues should not have been deducted and/or transmitted by the Association.

2.07 Records and Reports

A. When a teacher is hired, promoted or transferred into or within a position listed in the Teachers' Salary Guide, the District will notify the Association in writing, giving name, address, position, rate of pay, certification status and assignment by November 1 of each year.

B. The Association shall certify to the District the names of its authorized representatives (and their alternates, if designated) and the District shall recognize no others.

ARTICLE III - TEACHERS' BENEFITS AND RESPONSIBILITIES

3.01 Curriculum Development

Recognizing the important role the professional staff plays in the development of education policy, the Board agrees to give full professional consideration and study to proposals and suggestions for improvements in curriculum, staff development, and teaching methods and facilities received from the teaching staff. When a proposal endorsed by the Association is submitted to the Board's representatives, this proposal will be reviewed and a written reaction will be forwarded to the President of the Association.

3.02 Supervision

A. All classroom teachers, all special instructional personnel, and all special non-instructional personnel assigned to a school will be primarily responsible to the principal of that school. Special personnel who are assigned to more than one (1) school will be primarily responsible to the principal of the school in which they are working a particular time. Appropriate central office personnel will be available to discuss any problems which may arise with persons who work in more than one (1) school.

B. In the event that the District's current organizational chart and lines of responsibility are revised by the Superintendent, he/she shall do so after written notice of such change to the personnel involved and the Association.

C. A teacher will have the right to have an Association member present at any meeting involving disciplinary proceedings.

3.03 Transfers and Advancements

A. Notice of such vacancy shall contain the basic requirements for consideration of the position. If such requirements are subsequently changed, adequate notice of the change shall be made simultaneously to the President of the Association and to all candidates.

B. Involuntary transfers shall be made after prior notice and the opportunity for the teacher involved to consult with the Superintendent.

It shall be the responsibility of the District to relieve the professional teaching staff of non-teaching assignments and clerical duties to the extent consistent with sound educational practice and available financial and personnel resources. The necessary supporting assistance will be provided to assure such relief.

3.05 Non-teaching Duties

A. New (i.e., not heretofore required) permanent non-teaching duties or responsibilities shall be added to the existing professional obligations of the teaching staff only after submission with prior notice to the Association through existing channels to the appropriate faculty group. In the event agreement is not reached by the faculty group concerned, the matter may be submitted for negotiation. Such negotiation, if needed, shall take place as soon as possible in order to implement whatever agreement is reached.

B. Teachers shall be employed for supervision of the secondary school cafeteria during lunch periods. They shall receive compensation as listed in Schedule C. In the event volunteers are not forthcoming, supervision shall be assigned on a rotating basis with compensation.

3.06 Personnel Files

An Official Personnel File will be maintained in the Superintendent's Office for each teacher in the District. This file will be divided into two (2) sections. One section will contain

confidential information received from school placement offices, previous employers or other references. The second section will contain all other material to be included in the Official File, such as official evaluations and correspondence from members of the community.

This second section will be subject to review and response by the teacher involved. No material adverse to a teacher will be placed in the second section of the Official File unless the teacher has prior notice thereof. Any response filed by a teacher after reviewing same must also be included in the file, but no implication of any kind shall be drawn from failure to make such response. When a teacher requests a review of his/her Official File, such review will, under normal conditions, take place within a period of ten (10) days. Subject to reasonable procedural requirements, a teacher shall have the right to review his/her Official File during the normal school day and to request a copy of any document in the file.

3.07 Teacher Supervision and Evaluation

All individuals covered by this contract may be formally evaluated annually, in accordance with the procedures affixed to this contract as Schedule E, except as provided herein.

Credit on the salary schedule for military service shall be given to all teachers, including present teachers, for the length of such service, up to a maximum of three (3) years, with additional credit for longer military service that has specific professional value to be granted at the discretion of the Board of Education, upon the Superintendent's favorable recommendation.

3.09 Workshop Attendance

A. When a workshop program has been approved by the Superintendent or his/her designee for service credit on the salary schedule, such credit will be given to all teachers completing that workshop. There shall be no limitation or quota with respect to such credits in the attainment of any salary step on the teacher's salary guide.

The full cost of workshops operated and provided by the District shall be paid by the School District.

Notice shall be given to each member of each workshop specifying credit given and the current status of salary credits within forty-five (45) working days of the completion of a workshop.

3.10 Defense and Indemnity

The Board of Education shall save harmless and protect all teachers from financial loss arising out of any claim, demand, suit or judgment by reason of alleged negligence or other act resulting in accidental bodily injury to any person, or accidental damage to the property of any person within or without the school building, provided such teacher at the time of the accident or injury was acting in the discharge of his/her duties within the scope of his/her employment and/or under the direction of such Board of Education.

Further, the Board of Education shall provide an attorney or attorneys and pay for such attorney's fees and expense necessarily incurred in the defense of a teacher in any civil or criminal action or proceeding arising out of disciplinary action taken against any pupil of the District while in the discharge of his/her duties within the scope of his/her employment, provided the teacher shall within ten (10) days of the time he/she is served with any summons, complaint, process, notice, demand or pleading, deliver the original or a copy thereof to the Board of Education.

This calendar committee will recommend how the two (2) additional days in the calendar for each year shall be used. They may be used for instruction, in-service training, parent conferences and/or a Superintendent's conference day. If the representatives are unable to agree on a calendar by April 15 of the prior school year, the Superintendent shall develop the calendar, which shall not be subject to grievance and arbitration.

One (1) of the days may be a parent contact day starting at 6:00 p.m. and extending until 9:00 p.m. In this event, parents may make appointments to confer with individual teachers. Teachers would not be required to be in school until 6:00 p.m.

The length of time of these preparation periods shall correspond to the length of time provided for instruction by specials, and to the extent it is possible to do so the intent is to equalize those preparation periods to one (1) per day.

2. While the Interdisciplinary Team Program remains in effect in sixth grade, the District shall designate one (1) additional parent conference day for fifth and sixth grade teachers, which shall be used for additional parent conferences, team planning time, additional preparation time, and additional team time to consult with guidance counselors and other specialists. If the District implements a middle school program for the fifth or sixth grade, terms and conditions of employment for such teachers shall be subject to a negotiations reopener.

D. Elementary school teachers will have a break of ten (10) minutes after three (3) consecutive hours of supervision of students.

- Effective July 1, 2009, the rate shall be Forty-two dollars and seventy-three cents (\$42.73).
- Effective July 1, 2010, the rate shall be Forty-four dollars and sixteen cents (\$44.16).
- Effective July 1, 2011, the rate shall be Forty-five dollars and sixty-four cents (\$45.64).

F. The length of the elementary school lunch period, which is duty free, shall be fifty (50) minutes.

3.16 Administrators

Any tenured teacher who accepts a probationary appointment as an Administrator shall be given a leave of absence from his or her tenured teaching position for the duration of his/her probationary period, with the understanding that he/she can return to teaching at the District's or his/her option, at the beginning of any school year or the expiration of the leave of absence.

3.17 Teacher Responsibilities

A. It is understood that many teachers' responsibilities are not limited to hours on school premises. It is also understood that teachers will be on premises as reasonably necessary before and after the school day to meet their professional responsibilities. Teachers are expected to respond and assist in the control and supervision of students when problems arise at any time when the teacher is on school property or on a field assignment.

B. The MEA will encourage its members to cooperate with Administrators for emergency coverage of classes within their department. The total teacher day for all elementary teachers shall be six (6) hours and forty (40) minutes, from not earlier than 8:00 a.m. to not later than 3:30 p.m., except as provided in Section 3.17(F).

Student dismissal time for grades 1 and 2 shall be five (5) minutes earlier than for students in grades 3 through 6. Teachers in grades 1 and 2 will receive the same average preparation time per week as do teachers in grades 3 through 6 in the same school. The provisions of this paragraph concerning grades 1 and 2 shall also apply to Kindergarten should the District adopt a full day Kindergarten plan.

D. The normal secondary school teacher day shall be seven (7) hours, from not earlier than 7:30 a.m. to not later than 3:30 p.m., including a five (5) minute extension to period two for attendance taking and other activities, with the exception of some special classes such as Driver Education and the Marching Band.

In no case will a schedule be created that exceeds the length of the school day already agreed to in Section 3.17(D). In the event that such a schedule becomes necessary, volunteers will be sought first, and only if no appropriate volunteer exists will this schedule be assigned to a teacher.

F. Notwithstanding the provisions of Sections 3.17(C) and (D), guidance counselors, library media specialists, psychologists and social workers may be assigned, without increasing the length of their total teacher day of 6 hours 40 minutes on the elementary level or 7 hours on the secondary level, to work a flexible schedule. Implementation of the schedules shall occur following consultation and agreement, which shall not be unreasonably withheld, among the affected employees and/or a representative of the MEA and the District. These schedules may commence not earlier than 7:00 a.m. and end not later than 5:00 p.m. or, on not more than two occasions per month, 7:00 p.m. Where possible, notice of the following semester's flexible schedules shall be provided by the District by not later than June 15 for the fall and November 15 for the spring semester. Other modifications to the adopted schedule may be made on consent of the District, teacher and Association.

G. In the elementary schools, there shall normally be no more than two (2) general faculty meetings per month. Joint elementary school full (K-6) faculty meetings will be held only after the District has notified the MEA of its intent to do so and the MEA has agreed to the meeting. The MEA's consent to holding the meeting shall not be unreasonably withheld. The burden of proof shall be upon the MEA to demonstrate the reasonableness of its refusal to agree to the District's request. This shall not preclude emergency meetings on dates not previously published, upon notification to the Union. With the exception of one (1) school week each month, the first school day of each week shall be the day for meetings. Meetings other than general faculty meetings can be held on such days. On the last school day of each month (except June), the building administration will publish and distribute an agenda for the next month's general faculty meeting(s) (inclusive of topics and personnel whose attendance is required). On the last school day of each week, the building administration will publish and distribute a complete agenda for the meeting scheduled the following week. In the event the published schedule cannot be followed, there will be no meeting. Meetings will begin no later than thirty (30) minutes after the end of the last scheduled class in that building and will continue for no more than one (1) hour unless extended by mutual consent.

H. In the secondary school, with the exception of one (1) school week each month, the first school day of each week will be reserved for faculty, grade level, department meetings, or any other meetings called by the administration. Up to two (2) of these meetings per month may be scheduled for the entire faculty of the school. These meetings will begin no later than thirty (30) minutes after the end of the last scheduled class in that building and will continue for no more than one (1) hour unless extended by mutual consent. The dates of all faculty meetings scheduled to be held in a month shall be published before the beginning of the month (except September). This shall not preclude emergency meetings on dates not previously published upon notification to the Union. An agenda shall be distributed to the staff in advance of all meetings.

I. In the event that a faculty member is unable to attend a regularly scheduled faculty meeting, the Principal of the school will be permitted to require that member to observe a videotape of that meeting (if available) or review written materials that may be available on the topic covered. The review of that material will be completed by the faculty member at a time and place of their choosing, but will be completed within one week of the request by the principal.

J. Parent-Teacher Conferences: There will be one (1) evening elementary and secondary level parent-teacher conference which will not exceed three (3) hours, and shall begin no later than 6:00 p.m. Said conference will be held mid-year for the parents of students identified by the teacher. The granting or denial of such incentives shall be at the District's sole discretion and not subject to challenge in the grievance procedure or in any other form. The District shall notify the MEA president before any agreement between the District and a teacher under this paragraph is finalized.

ARTICLE V - GRIEVANCE PROCEDURE

5.01 Purpose

It is the policy of the Board and the Association that all grievances be resolved informally or at the earliest possible stage of this grievance procedure. However, both parties recognize that the procedure must be available without any fear of discrimination because of its use. Informal settlement at any stage shall bind the immediate parties to the settlement but shall not be precedents in a later grievance proceeding.

5.02 Definitions

- A. A "grievance" is an alleged violation of this Agreement or any dispute as to its meaning or application.
- B. A "teacher" is any person in the unit covered by this Agreement.
- C. An "aggrieved party" is the teacher or group of teachers who submit a grievance or on whose behalf it is submitted, the Association, or (when it submits a grievance) the Board.

5.03 Submission of Grievances

A. Before submission of a written grievance, the aggrieved party must attempt to resolve it informally.

B. Each grievance shall be submitted in writing on a form approved by the Board and the Association and shall identify the aggrieved party, the provision of this Agreement involved in the grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, and, if known, the identity of the person responsible for causing such events or conditions and a general statement of the grievance and redress sought by the aggrieved party.

C. A grievance shall be deemed waived unless the subject matter or the question involved has been called to the attention of the District in writing within thirty (30) school days after the aggrieved party knew or should have known of the event or conditions on which it is based. The period may be extended by mutual agreement.

D. 1. A teacher or group of teachers may submit grievances which affect them personally and shall submit such grievances to the Building Principal.

2. The Association may submit any grievance. If it is limited in effect to one (1) school, the grievance shall be submitted to the Building Principal; otherwise it shall be submitted directly to the Superintendent of Schools.

3. The Board shall present grievances to the President of the Association.

5.04 Grievance Procedure

A. The Building Principal shall respond in writing to each grievance received. If an aggrieved party is not satisfied with the response of the Building Principal or if no response is received within one (1) calendar week after the submission of a grievance, such aggrieved party may submit a copy of the grievance to the Superintendent.

B. The Superintendent or his/her designated representative shall, upon request, confer with the aggrieved parties with respect to the grievance and shall deliver to the aggrieved parties a written statement of his/her position with respect to it no later than two (2) weeks after it is received by him/her.

C. Within two (2) weeks after receiving a grievance from the Board, the President of the Association shall, upon request, confer with the Superintendent of Schools and shall deliver to the Superintendent of Schools a written statement of the position of the Association with respect to the grievance.

D. In the event the Association or the Board is not satisfied with the statement of the other with respect to the grievance, it may, within fifteen (15) days after receiving the statement, refer the grievance to arbitration by requesting that the American Arbitration Association propose the names of seven (7) arbitrators. A copy of such request shall be forwarded to the Superintendent of Schools or the President of the Association.5.05 Arbitration

A. Upon receipt of the names of the proposed arbitrators, a designee of the Superintendent and of the Association shall strike names from the list until one ultimately is designated as the arbitrator.

B. The arbitrator's decision will be in writing and will set forth his/her findings, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The arbitrator shall have no power to alter, add to or detract from the provisions of the Agreement. However, his/her decision with respect to this Agreement will be binding on all parties.

C. The cost for the services of the arbitrator will be borne equally by the Board and the Association.

D. The election to submit a grievance to arbitration shall automatically be a waiver of all other remedies or forums which otherwise could be available, to the extent permitted by law.

ARTICLE VI - DURATION

This Agreement shall be effective from July 1, 2009, to and including June 30, 2012.

The written plan submitted by the teacher will include, but not be limited to, the teacher's goals for the year, an approximate schedule of checkpoint meetings, and a method for the assessment of the degree to which the goals have been met.

The Performance Based Supervision Program will consist of formal observations, conferences and written feedback.

In the ensuing academic year, the following steps will be implemented:

1. The administrator will meet with the teacher prior to October 15th to develop the Support Plan.
2. The administrator will provide the teacher, in writing, with suggestions and recommendations which address the specific reasons for the determination and which will enable the teacher to bring about a change in performance.

Unannounced observations may include a post-observation conference and/or a written record of the observation.

D. PROFESSIONAL REVIEW PROCESS

Tenured teachers who have been notified that they will be in need of continued support for the following academic year, may request a review of this decision through the president of the MEA or his/her designee, by making such a request no later than June 10th. The professional review process panel shall consist of the president of the MEA and the Superintendent of Schools or their respective designees. Should the Superintendent not participate personally on the panel, the panel will make a recommendation to the Superintendent. The decision of the Superintendent shall be final and binding and not subject to the grievance and arbitration process of the collective bargaining agreement.

administrator(s). A copy of the end-of-the-year evaluation will be provided to the teacher before the end of the school year.

The teacher may file a written response to his/her annual evaluation.

III. SELF EVALUATION (For Tenured Teachers Only)

Teachers who wish to pursue this alternative must notify the appropriate administrator by June 1st of the current academic year. The administrator will notify the teacher whether they have been approved for a self-evaluation program by the end of the academic year.

Procedure for Self Evaluation

1. The self-evaluation process begins with a meeting between the teacher and the administrator prior to October 15th.
2. The administrator will assist the teacher in identifying areas of interest or need, and suggest means by which goals can be realized (i.e. conference/workshop attendance, videotaping, peer planning, peer observation, professional portfolio development, etc.) Whenever possible and feasible, the administrator will assist the teacher in obtaining the necessary resources for the teacher's participation in this process.
3. Within one month of the initial meeting, the teacher will submit a written plan for self-evaluation. This plan will state the teacher's goals, identify the means by which the goals will be realized, and identify the criteria by which the teacher will assess his/her performance.
4. A mid-year meeting between the teacher and administrator will occur prior to February 15th. This meeting will serve to provide the teacher with the opportunity to update the administrator on his/her work and to make any request for additional assistance, etc.
5. By not later than May 15th, the teacher will submit a written self-evaluation report. The self-evaluation report will be descriptive and will contain a qualitative and quantitative assessment of the realization of his/her goals. The administrator will be available for consultation or advice with respect to the self-evaluation report. The self-evaluation report will be type written solely by the teacher.
6. The administrator will prepare and submit a written response to the teacher's self-evaluation.

Unannounced observations may include post-observation conferences and/or a written observation report. Non-tenured staff will receive written end-of-the-year evaluations in each of their non-tenured years.

A probationary teacher shall receive a written notice of the District's intention not to reappoint him/her by February 15th if he/she is in the last year of the probationary year and by April 15th for all other years.
