

CURRENT DATA ON THE INDONESIAN MILITARY ELITE: SELECTED BIOGRAPHIES

The Editors

Included below are the biographies of general rank army officers who occupied key positions in Armed Forces' Headquarters, Army Headquarters, and Regional Commands (Kodam) as listed in the October 1994 issue of *Indonesia*.^{*} Important changes that took place since September 1, 1994, at the Jakarta Regional Command (Wiranto's replacement of Hendropriyono as Kodam Jaya Commander and Soetiyoso's replacement of Wiranto as Kodam Jaya Chief of Staff) as well as imminent changes at Armed Forces' Headquarters, Army Headquarters, and some of Java's Regional Commands expected in the very near future (above all, R. Hartono's replacement of Wismoyo Arismunandar as Army Chief of Staff; Soeyono's replacement of Mantiri as Armed Forces' Chief of General Staff; and Muchammad Ma'rif's replacement of R. Hartono as Armed Forces' Chief of the Social and Political Staff) are incorporated as far as we can ascertain as of January 15, 1995. Not included below are the biographies of two long-time intelligence officers, First Assistant (Security) to Army Chief of Staff Brig. Gen. Kodin, and Deputy Head of the Armed Forces' Intelligence Agency (BIA) Brig. Gen. Soeparno Koesyoso, because we know little of their past military career.
