PREAMBLE

The Hewlett-Woodmere Union Free School District (herein called the "District") and the Hewlett-Woodmere Secretaries' Union, UPSEU, (herein called the "Union") recognizes that the education and welfare of children of the school district are paramount in the operation of the schools and in order to promote such purposes, the parties do hereby agree as follows:

**ARTICLE I
RECOGNITION AND NEGOTIATION PROCEDURES**

Section I. Recognition

The District recognizes the Union as exclusive representative for the purposes of negotiation as set forth below, of all members of the Secretarial Unit as defined in Board of Education Policy No. 4171. This recognition is granted in acknowledgement of receipt of evidence, as stipulated in the Public Employee's Fair Employment Act that the Union is the authorized representative of over 50 percent of the personnel identified above. It records the affirmation of the Union that it will abide by Section 210 of the Public Employee's Fair Employment Act and the laws of the State of New York in general. This recognition shall extend for the term of the contract as long as the Union remains the authorized representative of over 50 percent of the personnel identified above and as long as the parties mutually agree to continue the terms herein.

This unit includes all competitive civil service Stenographic Secretaries, Principal Typist Clerks, Principal Account Clerks, Principal Clerks, Principal Library Clerk, Senior Account Clerks, Senior Stenographers, Senior Personnel Clerks, Personnel Clerks, Account Clerks, Senior Typist Clerks, Senior Library Clerks, Stenographers, Typist Clerks, Clerks, Senior Duplicating Machine Operator, Duplicating Machine Operator and Duplicating Machine Operator Aide, but excluded from this unit shall be the Confidential Stenographic Secretaries assigned to the offices of the Superintendent of Schools, Assistant Superintendent for Business, Assistant Superintendent for Curriculum and Instruction, and Assistant Superintendent of Human Resources and Student Services and the position of Principal Account Clerk assigned to the office of the Assistant Superintendent for Business. If any of these managerial positions are eliminated, the Stenographic Secretaries would no longer be confidential pursuant to the Taylor Law, and those Stenographic Secretaries' positions will return to the unit.

Section II: Principles

A. Attaining Objectives: Attainment of objectives of the educational program of the District requires mutual understanding and cooperation between the District and the Union. Free and open exchange of views is desirable and necessary.

B. Responsibility: Secretarial personnel are responsible for maintaining high standards of competence. The Union shares with the District and the Superintendent of Schools responsibility for the awareness of the total educational needs of the community, and it shares with other school employee Unions the responsibility to assist in developing policies and programs designed to improve school operation. Continued success of the educational program in the community depends upon staff effectiveness, which in turn depends upon satisfactory terms and conditions of employment.

C. Role of the Superintendent: The Superintendent of Schools is the Executive Officer of the Board, the Chief Administrator of the District and the leader of the staff. The functions of the Superintendent may be delegated to members of the administrative and supervisory staff to assist him/her in the development of sound policies and practices. All employees are encouraged to cooperate with her/his office in efforts to study, develop and improve the school operation.

D. Individual Freedom: Individual staff members may join or refrain from joining any employee organization of their own choosing. Membership shall not be a prerequisite for employment or continuation of employment of any employee.

E. Rights of Minorities and Individuals: The legal rights inherent in New York State Law and in the rulings and regulations of the Commissioner of Education affecting personnel are in no way abridged by these procedures.

Section III. Areas for Negotiation

Representatives of the District and the Union shall meet to reach mutually satisfactory agreements on matters related to terms and conditions of employment, pursuant to the Public Employees' Fair Employment Act.

Section IV. Negotiation Procedures

A. Representatives: The District and the Union shall designate representatives to comprise their respective negotiating teams. One of the District's representatives shall be the Superintendent or the Superintendent's designee. The Union's representatives shall be members of the negotiating unit or other persons designated by the Union. These teams will meet for the purpose of discussing and reaching mutually satisfactory agreements.

B. Requests and Meetings: Upon written request of either party, a meeting shall take place on a mutually established date on or before the January 15, prior to the expiration of the contract. Issues proposed for negotiation by the parties shall be submitted in writing at this first meeting. By the second meeting, all proposals shall be presented. No additional proposals may be presented by either party subsequent to the second meeting, unless by mutual consent. The second meeting and all subsequent meetings shall be called at times mutually agreed upon by the parties.

C. Conducting Negotiations: The negotiating teams will continue to meet for the purpose of effecting a free exchange of facts, opinions, proposals, and counterproposals in an effort to reach mutual understanding and agreement. Both parties agree to conduct such negotiations in good faith, to deal openly and fairly with each other on all matters, and to continue meeting until an understanding is reached on the issue(s) or until an impasse is reached. Meetings shall be limited to three (3) hours and shall be held at a time other than regular school hours unless the parties mutually agree upon other arrangements.

D. Information: Both parties shall furnish each other, upon reasonable request, data and information in their possession which are pertinent to the issue(s) under consideration.

E. Consultants: The parties may call upon consultants to assist in preparing for negotiations and to advise them during negotiation sessions. The expense of such consultants shall be borne by the party requesting them. Notice of the intention to include such consultants at a meeting should be given in advance to all parties concerned.

F. Reports: The parties agree that, during the period of negotiations and prior to reaching either an agreement or an impasse, reports of the proceedings of the negotiations shall not be released to the public news media unless such release has the prior approval of both parties.

G. Study and Research: Either party may appoint subcommittees to study, research, and develop projects, programs, reports, and to make recommendations on matters under consideration. The cost of such subcommittees shall be borne by the party initiating the study. Joint committees may be formed by mutual consent. The cost of joint committees shall be shared equally by the parties involved.

H. Grievances: Grievances shall not interrupt or delay the process of negotiations but shall follow the Grievance and Arbitration procedure outlined in Article I of this document.

I. Agreements: Negotiated agreements shall be submitted to the District and the Union for approval in written form, and must be signed by both parties, and then incorporated in the Staff Handbook of Administrative Regulations.

Section V. Resolving Differences

In case of disagreement about the meaning or application of these procedures or in the event an agreement is not reached by negotiation after full consideration of proposals and counterproposals, either party may request the State Public Employment Relations Board to assist the parties to reach agreement in accordance with Article 14, Section 209 of the Public Employees' Fair Employment Act.

**ARTICLE II
GRIEVANCE AND ARBITRATION PROCEDURES**

A. The Union upon written notice, may submit a grievance for resolution in accordance with the procedure set forth herein below. No grievance will be entertained and such grievance will be deemed waived unless it is submitted within forty-five (45) school days following the occurrence giving rise to the grievance or forty-five (45) school days after a clerical employee affected by such occurrence knew or should have known of the occurrence upon which the grievance is based. In the latter case, the burden shall be on the grievant to prove why the occurrence giving rise to the grievance was not known or could not have been known by a clerical employee affected within forty-five (45) school days of the occurrence giving rise to the grievance. For the purpose of this agreement, a grievance shall be defined as, and limited to a specific complaint concerning the meaning, interpretation or application of a specific provision or provisions of this agreement. All grievances shall be in writing, shall include a concise statement of the nature of the complaint, and the position of the grieving party with respect thereto. Such grievances shall be resolved as follows:

- Step 1: The grievance shall be presented to the Building Principal or appropriate administrator or supervisor of the clerical employee concerned therewith. Such Principal, administrator or supervisor, as the case may be, shall then meet and confer with the designated Union representative and such clerical employee within ten (10) school days. In the event the grievance is not resolved within ten (10) school days following the meeting, it may be submitted in writing by the Union to the Superintendent of Schools within fourteen (14) school days after such meeting.
- Step 2: The Superintendent of Schools or his/her designated representative shall meet and confer with the President of the Union or his or her designated representative within twelve (12) school days. In the event the grievance is not resolved within fourteen (14) school days following the meeting, it thereafter may be submitted in writing by the Union to arbitration in accordance with Step 3 within twenty-eight (28) school days after the meeting.
- Step 3: An impartial arbitrator shall be selected in accordance with paragraph E hereof. The arbitrator so selected shall hear the matter as promptly as possible and issue

his/her award within fourteen (14) days after the close of the hearing, or if oral hearings have been waived, after final submission of written proofs. Such award shall be final and binding upon the parties, except that either party may institute appropriate legal proceedings to set aside the decision and award of the arbitrator on the grounds of illegality or on any other ground or grounds permitted by law. The cost and expense of the arbitration shall be divided equally between the District and the Union.

B. It is understood and agreed that the arbitrator shall not have the authority to add to, modify or change any of the express provisions of the agreement, or make any decision or award which would be contrary to law or which limits or interferes with the powers, duties and responsibilities of the Board of Education under applicable laws or rules and regulations having the effect of law, unless such powers, duties and responsibilities are limited under this agreement.

C. Nothing herein contained shall be construed as limiting the right of any individual clerical employee to discuss informally any matter relating to terms and conditions of employment with any appropriate supervisor or administrator, provided no action is taken inconsistent with the terms of this agreement.

D. Where practical and appropriate, the arbitrator shall apply the rules of evidence. Either party may retain a certified court stenographer to record the arbitration hearing. The cost of such stenographer shall be borne solely by the party requesting such service. If a party orders the transcript, such party shall provide a copy thereof to the other party and shall be solely responsible for the cost of the copies of the transcript.

E. Arbitrators will be selected on a rotating basis from the following persons:

(1) Roger Maher (2) Bonnie Weinstock (3) Rosemary Townley

Upon the Union President's written confirmation of the non-availability of each arbitrator, an arbitrator shall be selected in accordance with the rules and procedures and from the panel maintained for School District arbitration of the American Arbitration Association.

F. No reprisals of any kind will be taken by either party against any employee by reason of his/her participation in the administration of a grievance.
