Ian,

Thank you for your interest in JOLTS. Attached are the sampling error estimates you requested.

Regards,

Kevin Dubina

enter the following:**

**\* Required Field**

\* Email address:

\* Full name:

Telephone number:

Ext:

(For example, 1234567890)

\* Subject: Sampling Variability

\* Enter your question in the box:

I am writing to request estimates of the sampling errors in the monthly job openings rate, which I need by major NAICS Industry. I could not find them reported anywhere, but the technical note (<http://www.bls.gov/news.release/jolts.tn.htm>) says they are available by request.

Thanks for your assistance,  
Ian
